Re: Software Solutions and Services; RFP # 24-03

The Evaluation Committee has reviewed the responses and recommend that the following companies be awarded:

- Agile Mind, Inc.
- Ardham Technologies, Inc.
- Carahsoft Technology Corporation
- DLT Solutions LLC
- Edmentum, Inc.
- Frontline Technologies Group LLC dba Frontline Education
- Hypersign, LLC
- Interplay Learning, Inc.

The recommended vendors submitted offers that were determined to be most advantageous to OMNIA Partners, Public Sector members, based upon the bid tabulation. All the recommended respondents were determined to be competitively priced and strong for the specified services outlined in the RFP.

We believe all recommended vendors demonstrate the ability to provide and perform the services requested in the proposal. We will monitor their performance and determine at the end of each year if they are eligible for renewal with each new term.

This multiple award is recommended as most advantageous as it limits contract awards to the least number of suppliers necessary to meet the requirements of OMNIA Partners, Public Sector members. In order to serve the entire nation, a multiple award is recommended to provide any governmental agency with complete coverage of commodities, services and any other offering within the scope of proposal.

Please let me know if you have any questions.
