## PRIVATE SECTOR | CORPORATE | ENTERPRISE, REAL ESTATE, PRIVATE EQUITY

Volt, HireGenics, and Innova Solutions are leading, global providers of commercial and professional staffing solutions, total talent workforce solutions, and technology services. Headquartered in Atlanta, GA, these affiliate companies are certified, MBE providers and employ more than 50,000 employees and consultants and have 25 years + of experience in delivering solutions, and have global delivery capabilities from high-tech innovation centers in the US, UK, Europe, Mexico, India, and Taiwan. These brands share these common attributes: dedication to improving each client's business, a focus on responsive, accountable service, and a commitment to operating with the highest level of ethics and integrity.

## COMPANY OVERVIEW

We provide all members with strategic services and competitive rates that reflect the collective buying power of a tenured Group Purchasing Organization (GPO).

Innova Solutions services its clients through three operating companies:

1. Volt: Commercial and Professional Staffing Solutions
2. HireGenics: Contingent Workforce Management Solutions
3. Innova Solutions: Technology Services
