iScape Seat Graphics

Bring your gymnasium to life with the all-new iScape Infinity Seat Graphics! A stunning and vivid display of your school's mascot or logo will excite the students and wow the fans!

KEY ADVANTAGES

- Graphics are molded into the face of the seat module during the manufacturing process for greater adhesion and durability
- Artwork is formatted to allow each individual seat to represent a portion of the overall graphic
- Designs can be comprised of a graphic, text or a combination of both – virtually unlimited capabilities
- Each graphic sheet has a high-quality DPI output with a satin finish for exceptional clarity
- includes UV inhibitors to prevent fading
- Artwork required in Vector file format
- Available with 10" & 12" rise only
- Not available on Infinity seat spacers

iScape Customized Graphics

Looking for ways to display your school's mascots, unique messaging, or even an opportunity for community advertising? Irwin Seating's iScape custom graphics package may be for you!

KEY ADVANTAGES

- Customizable locations include:
 - End Seat Graphics
 - End Curtain Graphics
 - Rail Sleeve Graphics
 - Step Graphics
- A perfect opportunity within your gymnasium to build school spirit or to sell advertising space to your local vendors
- Mix and match your school's graphics and slogans
- Clear and vivid images are assured using today's most advanced printing technology
- Each graphic option includes the durability needed to withstand even the highest use facilities
- Artwork requirements will vary, contact your Irwin representative to determine specific file type
