**EdOptions Academy  
Instructional Services Offerings**

**Item Description & Unit Cost – Per Student (unless otherwise stated)**

**Secondary (6–12) Enhanced Virtual Learning**

Certified Edmentum teachers as primary classroom teachers fill a teacher/schedule gap for a semester or year—on their schedule and focused only on their students. We provide options for one to five 45-minute to 1-hour sessions per week.

|  |            |
|--|------------|
| 1-day “Live” Edmentum Teacher (up to 30-student section) | \$2,000.00 |
| 2-day “Live” Edmentum Teacher (up to 30-student section) | \$3,520.00 |
| 3-day “Live” Edmentum Teacher (up to 30-student section) | \$5,040.00 |
| 4-day “Live” Edmentum Teacher (up to 30-student section) | \$6,400.00 |
| 5-day “Live” Edmentum Teacher (up to 30-student section) | \$8,000.00 |

**Secondary (6–12) Instructional Coaching**

High-quality coaching and professional learning on virtual teaching best practices, strategies, and foundational competencies provided by experienced online teachers

|                        |          |
|------------------------|----------|
| Yearly – Per Student   | \$700.00 |
| Semester – Per Student | \$420.00 |

**Secondary (6–12) Success Coaching**

Sustained support to maximize students’ academic potential with virtual coaching, progress monitoring, and engagement. Virtual coaching provides a tiered system of supports to encourage, guide, and assist students based on specific needs.

|                                  |          |
|----------------------------------|----------|
| 6–12 Success Coach – Per Student | \$700.00 |
|----------------------------------|----------|

**Grading Services (K–12)**

**Elementary (K–5)**

**Secondary (6–12)**

Personalized, specific, and relevant digital curriculum grading and feedback provided by qualified grading assistants

|   |            |            |
|---|------------|------------|
| Inclusive of Curriculum – Yearly, Per Full-Time Student   | \$1,249.00 | \$1,350.00 |
| Inclusive of Curriculum – Semester, Per Full-Time Student | \$900.00   | \$800.00   |
| Without Curriculum – Yearly, Per Full-Time Student        | \$799.00   | \$1,200.00 |
| Without Curriculum – Semester, Per Full-Time Student      | \$400.00   | \$700.00   |
| Without Curriculum – Semester, Per Course                 | \$199.00   | \$160.00   |

**Note:**

- Enhanced Virtual Learning includes a minimum of 15 students per section; with sections for 9- or 18-week semesters
- Success Coaching and Special Education Services pricing is based on 10-student minimum for each service; costs for lower student numbers available upon request
- Grading Services is available to customers using Courseware or Calvert curriculum
- Grading Services (non-inclusive of curriculum) means enrollments are not included (must purchase enrollments or have available enrollments)

#### Note:

- Discounts are available based on district size and volume purchased per order

# Tutoring Services

## Grades: K-12

Edmentum offers several high-impact tutoring options to strengthen intervention models or support special programming. Options include one-to-one and small-group tutoring from dedicated, highly qualified educators and tutors. Targeted, personalized sessions support remediation, acceleration, or enrichment needs in a synchronous virtual setting.

### Item Description & Unit Cost

#### Targeted Small-Group Instruction (TSI)

K-12 small-group intensive instruction and intervention in core subjects led by a highly qualified educator. Group instruction is customized to the instructional day based on a 6-week cycle, with options from 1 to 5 sessions per week.

|                                     |            |
|-------------------------------------|------------|
| 1-day/week Small-Group Instruction  | \$750.00   |
| 2-days/week Small-Group Instruction | \$1,320.00 |
| 3-days/week Small-Group Instruction | \$1,890.00 |
| 4-days/week Small-Group Instruction | \$2,400.00 |
| 5-days/week Small-Group Instruction | \$3,000.00 |

#### FEV Tutor

K-12 high-impact and on-demand core subject coursework and homework support or group tutoring led by highly qualified virtual tutors. Provides 24/7 access to targeted or intensive course-specific support.

|   |         |
|---|---------|
| Individual Subscription – Per Student Session ( <i>1,000 minimum purchase</i> )<br><i>FEV Tutor charges a design/implementation fee to customize learning for each student. This fee is not included in this price.</i> | \$38.50 |
|---|---------|

#### Littera

K-12 high-dosage, high-impact tutoring to support intensive skills recovery, close learning gaps, and propel individual growth in core subjects. Qualified tutors lead prescheduled sessions before, during, or after school.

|  |            |
|--|------------|
| Tutoring Management System Implementation & Training<br>( <i>Required, One-Time Cost</i> ) | \$3,000.00 |
| Tutoring Management System – Per License<br>( <i>Required, Minimum of 100 Licenses</i> )   | \$30.00    |
| Virtual Tutoring Service: 1:1 Tutoring – Per Hour  | \$33.00    |
| Virtual Tutoring Service: 1:2 or 1:3 Tutoring – Per Hour                                   | \$39.00    |

#### Note:

- If the district intends to use Edmentum curriculum programs with students outside of our tutoring services, program licenses must be purchased separately
- TSI small groups include a maximum of 5 students for grades K-2 and 8 students for grades 3-12
- FEV Tutor session length recommendation is 45-60 minutes
- FEV Tutor allowances are transferable and not "locked" to a particular student; they can be reassigned to any school or district student who is rostered
- If the district uses Littera Tutors (versus using their own district tutors), Virtual Tutoring Service must be included

## Customer Success Services

Your Edmentum partnership includes services to ensure program success, including planning program support, operations, reporting, program management, and professional learning. We offer on-site, online, and on-demand professional services that may be used and implemented in a variety of ways. Customer success services packages are configured at 15-20% of the subscription order based on the District's specific implementation. If a discreet session purchase is desired, a custom services packages can be designed.

Professional Services include:

- Implementation Strategy and Planning
- Integration Setup and Maintenance
- Program Functionality
- Coaching and Mentoring
- Partnership Review and Optimization
- Unlimited access to live professional development in Edmentum Learning Communities

*\*EdOptions Academy does not require services fees; the cost of professional services is included.*

### À La Carte Services

#### Edmentum Learning Communities (Unlimited Access)

|   |                      |
|---|----------------------|
| Join colleagues from around the country using Edmentum programs to learn and share best practices in another style of professional learning. Topics cover implementation planning and onboarding for administrators, as well as getting started and program functionality for teachers. | \$750.00<br>per year |
|---|----------------------|

#### Virtual Sessions (Up to 2 Hours Each)

|   |                         |
|---|-------------------------|
| Interactive sessions allow participants to join in real time from any location. Edmentum leverages familiar online technology to provide remote engagements with collaborative tools to enhance the participant experience. | \$750.00<br>per session |
|---|-------------------------|

#### On-Site Session (Up to 6 Hours)

|  |                           |
|--|---------------------------|
| Engaging, in-person experiences prepare district and school staff to leverage Edmentum programs, make instructional decisions, maximize the learning experience, and improve student outcomes. | \$2,500.00<br>per session |
|--|---------------------------|

#### On-Demand Resources (Unlimited Access)

|  |           |
|--|-----------|
| Just-in-time opportunities to enhance the use of Edmentum programs. These resources target specific features or practices to improve outcomes. Getting-started guides, videos, and recorded webinars provide additional opportunities for educators to access the information they need when they need it. | No charge |
|--|-----------|

Edmentum's team of experts will work with you to determine a professional development plan based on school/district needs and programs purchased.

To view more details on Edmentum's Professional Services offerings, please see our catalog at [edmentum.com/resources/brochures/professional-services-and-consulting-catalog](https://edmentum.com/resources/brochures/professional-services-and-consulting-catalog).

A woman with blonde hair, wearing a striped shirt, is leaning over a desk and pointing at a tablet held by a young girl with dark curly hair. The girl is smiling and looking at the tablet. The scene is set in a classroom or office, with a bulletin board visible in the background. The entire image has a blue tint.

Moving Education Forward.
