As a single-source vendor, iParq provides all the hardware and software you need to get parkers moving, no matter the size of the event.

Parking On Demand: POD

iParq's Event Parking POD solution is a fully hosted, outdoor-rated, point of sale cellular handheld payment and online parking reservation solution designed to be intuitive and easy for you and your customers to use.

iParq's Event Parking Solutions:

- Manage all parking sales prior to and during events of any size.
- Accept payments online or in the field using any form of payment.
- Reduce shrinkage by limiting the amount of cash handling in the field.
- Accept PCI Compliant Credit Card payments, while offering tight controls on payment handling, audit, and reconciliation procedures.
- Accurately track payments in real-time, access audit-ready reporting, and facilitate best practices for all cash and card handling processes from start to finish.

Benefits

Get Parkers Moving.

- Reduce traffic by increasing transaction speed and attendant accuracy.
- Increase revenue by accelerating the velocity of ingress or egress while offering convenience of multiple payment options and advance reservations.
- A fully hosted "always on" solution with 99.9% availability, 24 hours per day, 7 days per week, 365 days per year. Dedicated customer support available for your organization and the public by phone, email, and online.
- Flexible and easy to use reporting tools.
- Complete audit trail.
