

# Data Integration Exchange

## The University of California Award

The University of California contract #2025004518 has been competitively solicited and publicly awarded by the University of California and is available for use system-wide through OMNIA Partners. This simplified process enables organizations to quickly procure what they need through K16 Solutions.

## K16 Solutions Contract Benefits

K16 Solutions and OMNIA Partners' partnership provides your institution the ability to procure services and products of the Scaffold Platform at discounted prices.

### **With K16 Solutions & OMNIA Partners:**

- Deliver trusted, real-time data for reporting, compliance, and AI by automating extraction and integration across systems
- Archive LMS and SIS data—legacy or active—in a secure, searchable platform while reducing system costs and risk.
- Migrate data and content from any LMS or SIS quickly and accurately with the industry's most proven automation technology.
