

Elevators and Escalators, Maintenance, Repair, Modernization and Value- Added Solutions

The University of California

UC Procurement is the strategic sourcing business partner supporting academic and research missions across University of California campuses, labs and medical centers. UC Procurement helps coordinate activities that allow a complex and unique system to operate efficiently as one university, furthering its public interest, academic and research missions. They help oversee and manage programs serving the entire university system so campuses can capture the savings and efficiencies of centralized operations.

UC Procurement collaborated with 10 UC campuses, the California State University (23 state universities), The Foundation for Community Colleges (114 California community colleges) and The Association of Independent California Colleges and Universities (representing 79 private, non-profit colleges and universities) in awarding this agreement.

Who is KONE?
