One with OMNIA Partners and one with the UC? Also, is it a requirement to go through the OMNIA Partnership to do business with the UC? The reason I ask is that we have done work with US Communities in the past. The process is that we send a quote, and US Communities adds on a fee and PM costs and then sends to our customer. It gets more complicated from there.	-	Jay Bosch (jay.bosch@avispl.com)	3/20/2019 9:29 AM	Hi Michael, Thank you.
