

RFP EVENT AND PROCESS SUMMARY

A. Purpose & Objectives of the Request for Proposal (RFP):

The purpose of this Request for Proposal (the "RFP") is to invite qualified suppliers to prepare and submit proposals to the University of California ("UC") to provide Audio Visual equipment, materials, or supplies ("Goods") and/or design/consultation, integration, installation and maintenance services ("Services") (together, the "Goods and Services") all in accordance with Federal and State of California laws and the requirements of the UC as further detailed in this RFP. The UC has partnered with OMNIA Partners to make the resultant agreement a national cooperative agreement which public agencies, across the country, will be able to utilize.

The overall objective of this RFP is to select an Audio Visual Services and Goods Supplier, or multiple Suppliers, to assist UC, and national participating agencies, in obtaining the best, most cost-effective Goods and Services of the highest quality and standards. Qualified proposers are invited to submit proposals, based on the information provided in this RFP with the intent to establish a business alliance with UC and OMNIA Partners, that will maximize the resources of both organizations to most effectively meet national participating agencies', and the UC's, needs. Qualified proposers may provide proposals encompassing both Goods and Services, Goods only, or Services only. If Proposer is submitting for Goods only, proposer is required to answer the "Goods Questionnaire" in full and answer the "Services Questionnaire" in with N/A in each question. If Proposer is submitting for Services only, Proposer is required to answer the "Services Questionnaire" in full and answer the "Goods Questionnaire" in with N/A in each question. If Proposer is submitting for Goods and Services, proposer will answer each question in Full for both sections.

Historically, UC system-wide annual spend for Audio Visual Goods and Services has been approximately \$20-\$30 million each year for the last 2 fiscal years. Individual purchases, typically, are project based for outfitting or configuring rooms from small conference rooms (8 seats) to auditoriums/performing arts centers (250+ seats), ranging in complexity of technology from exam rooms, private/executive offices, to active learning classes.

There are no minimum or maximum guarantees in this RFP. However, based on the total UC historical spend and any future projects coming in the next 3 to 5 years, the Proposer shall provide the best pricing for this RFP in Goods and/or Services.

B. SCOPE OF WORK

Although this section reflects the needs and requirements of the UC, OMNIA Partners Participating Agencies may have different requirements. The awarded Supplier will have the ability to offer their comprehensive Audio Visual Goods and Services nationally. OMNIA Partners Participating Agencies may sign a supplemental or usage agreement with the awarded Supplier substantially based on the terms and conditions of UC Agreement. Participants may elect to negotiate certain terms to conform to their purchasing and contracting requirements.

Goods Scope

The scope of the Goods component includes, but is not limited to, an Audio Visual Goods Supplier providing audio and visual Goods to outfit UC's typical rooms, listed above, that will provide maximum value to the UC through enhanced technology, superior customer service, streamlined processes, and lower total cost of ownership. Proposers will offer their complete Audio Visual product offering line. At a minimum, the following categories of Goods must be proposed:

1. Flat Panel Displays
2. Video Inputs/Audio/Video
3. Conferencing systems/cameras/encoder and decoder/etc.
4. Audio Systems
5. Projection Screens
6. Video Projectors
7. Control Systems
8. Wireless Presentation-video inputs
9. Lecture Capture
10. Accessories
11. Other (Cabling, etc.)

Pricing for Goods is being requested by manufactures in all categories listed in the price sheet of the Goods Questionnaire. Proposers will provide a Line of Business (LOB) discount percentage off the published Manufacturers Suggested Resale Price (MSRP) or list price by the Manufacturers product line in each category. MSRP is defined as the product sales price list published in some form by the manufacturer or publisher of a product and available to and recognized by the trade. In addition, each proposer is encouraged to provide all other manufacturers LOB discount percentages they may do business with in the separate Price sheet provided as an attachment. The LOB discount percentages quoted shall held firm for all future purchases during the duration of the agreement. Proposer is required to include the manufacturer URL in the price sheet to validate the current MSRP. Proposer must provide a copy of the published MSRP upon UC request.

Services Scope

The scope of the Services component includes, but is not limited to, the ability to develop and coordinate the design, installation, integration, and maintenance of audio visual systems in conjunction with the project architect and construction personnel, including, UC IT staff who are responsible for finalizing and testing enterprise operations, or any Omnia Partner Public Participating Agencies' IT staff or project manager. The Audio Visual Services Supplier will be responsible for deploying a complete system that operates according to the design and specifications, regardless of who installed the various components, specified by any UC Location or participating agency. At a minimum, the following services must be proposed:

1. Design/Consultation
2. Installation
3. Integration
4. Maintenance Services

Pricing for Services is being requested for the positions listed in the price sheet of the Services Questionnaire. Each UC location may require some, all, or none of the above Services.

C. Organizational Context:

University of California

The UC's fundamental mission is teaching, research, and public service. Founded as the state's first and only land grant institution in 1868, the University of California (UC) has approximately 273,000 undergraduate and graduate students, a workforce of 223,000, and is comprised of the following locations, their adjacent offices, remote offices, and defined as the following locations:

- Ten Campuses - UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC San Francisco, UC Santa Barbara, UC Santa Cruz
- Five Medical Centers – UC Davis, UC Irvine, UC Los Angeles, UC San Diego, UC San Francisco
- The UC Office of the President – A central system-wide headquarters with offices primarily located in Oakland and Sacramento, California, and teaching/administrative offices in Washington, D.C.
- The Division of Agriculture and Natural Resources – Comprised of over 60 local offices and Research and Extension Centers located throughout California, and County Cooperative Extension offices.
- UC Hastings College of Law
- Lawrence Berkeley National Lab, which is owned by the Federal Government, but managed by the University of California.
- Additional centers and offices as further detailed at:
<http://www.universityofcalifornia.edu/uc-system/parts-of-uc>.

Any awarded Agreement(s) will be available to all current and future locations of the University of California and its Affiliates.

OMNIA Partners – National Master Agreement

The University of California, as the Principal Procurement Agency, defined in *National Requirements Document*, has partnered with OMNIA Partners to make the resultant contract (also known as the “Master Agreement” in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through OMNIA Partners’ cooperative purchasing program. The University of California is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a “Participating Public Agency”). *National Requirements Document* contains additional information about OMNIA Partners and the cooperative purchasing agreement.

OMNIA Partners is the largest and most experienced purchasing organization for public and private sector procurement. Through the economies of scale created by OMNIA Partners public sector subsidiaries, National IPA and U.S. Communities, our participants now have access to more competitively solicited and publicly awarded cooperative agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

OMNIA Partners provides shared services and supply chain optimization to government, education and the private sector. As a channel partner with Vizient (formally, Novation), OMNIA Partners leverages over \$100 billion in annual supply spend to command the best prices for products and services. With corporate, pricing and sales commitments from the Supplier, OMNIA Partners provides marketing and administrative support for the Supplier that directly promotes the Supplier’s products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and publicly competed. The Supplier benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Supplier’s need to respond to additional competitive solicitations. As such, the Supplier must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide Supplier and respond to the OMNIA Partners documents (*National Requirements Document*).

While no minimum or maximum volume is guaranteed to the Supplier, the University of California anticipates spending approximately \$20 million annually for Audio Visual equipment, materials, and related supplies and Audio Visual design/consultation, integration, installation and maintenance services. The estimated annual volume of Audio Visual equipment and services purchased under the Master Agreement through OMNIA Partners Public Sector is approximately \$200 million, however, no minimum or maximum volume is guaranteed to Supplier under the OMNIA Partners Master Agreement. This projection is based on the current annual volumes among the University of California, other Participating Public Agencies anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between the Supplier and OMNIA Partners.

I. Proposal Evaluation and Agreement Award:

1. Any Agreements(s) resulting from this RFP will be awarded to the most responsive and responsible Proposer(s) whose Proposal, in the opinion of the UC, offers the greatest benefit to the UC when considering the total value, including, but not limited to, the quality of the Services, and total cost (including prompt payment discounts, available volume discounts, and other elements of value to the UC). A responsive Proposer is one whose offer satisfies the Requirements of this RFP. A responsible Proposer is one that is considered capable of performing and is otherwise eligible and qualified to perform in the manner stated in this RFP.
2. Proposals will be evaluated by the UC using a Best Value Evaluation Methodology which is defined as the most advantageous balance of price, quality, service, performance, and other elements as defined by the University, achieved through methods in accordance with Public

Contract Code Section 10507.8 and determined by objective performance criteria that may include price, features, long-term functionality, life-cycle costs, overall sustainability, required services, and the reduction of overall operating costs included in the proposal. The Evaluators will examine each Proposal to determine, through the application of uniform criteria, the ability of each Proposer to meet the UC's specifications.

3. The UC may request additional information either from the Proposer or others, utilize site visits, Proposer presentations, sandbox testing, and make any other investigations as it deems necessary to verify the Proposer's qualifications and ability to successfully meet the requirements of this RFP. The UC also reserves the right to obtain Dun & Bradstreet reports, or similar independent reports for further indications of the Proposer's ability.
4. The UC reserves the right to reject any proposal in which the information submitted fails to satisfy UC and/or the Proposer is unable to provide the information or documentation within the period requested. Any submitted proposal that does not comply with the requirements of this RFP will be considered non-responsive and will not be evaluated or eligible for award of any subsequent contract.
5. The UC may waive irregularities in a proposal provided that, in the judgment of the UC, such action will not negate fair competition and will permit proper comparative evaluation of Proposals submitted. The UC's waiver of an immaterial deviation or defect shall in no way modify the RFP documents or excuse the Proposer from full compliance with the RFP specifications in the event the Agreement is awarded to that Proposer.
6. The UC reserves the right to award an Agreement to a local-only supplier if deemed to be, solely at the discretion of the UC, in the best interests of the UC. For any local-only Agreement, the UC reserves the right to accept or reject any or all proposals, make more than one award, split the award, make no award, award a contract for Goods only, Goods and Services, or Services only. The UC also reserves the right, for a national Agreement, to accept or reject any and all proposals, make more than one award, split the award, make no award, award for Goods only, Goods and Services, or Services only. The UC reserves the right to award any number of local or national contracts at the same time.
7. Any contract awarded pursuant to this RFP will include the requirements and specifications in the RFP, as well as, the contents of the proposal response as accepted by UC and will be in writing.

The UC's selection may be made based on the initial proposals or may elect to negotiate with Proposers selected as finalists. The UC reserves the right to negotiate the modification of proposed prices and/or terms and conditions with the Proposer offering the best value to the UC prior to the execution of an Agreement. Participating Agencies commonly require a modification to a term of the Agreement (e.g. governing law). The awarded Supplier and Participating Agencies may agree to modify terms on any specific purchase by a Participating Agency without being in conflict with the Agreement. The UC reserves the right to withdraw this RFP at any time.

J. Multi-Phased Initiative:

This Initiative will consist of the following separate phases:

1. **Phase I- Prerequisites:**
Proposer must acknowledge and agree to all requirements of the RFP as outlined in the Guidelines section in CalUSource before advancing in the proposal process.

Finalists will be identified based on the quality and responsiveness of the written proposals.
3. **Phase III: Finalist Presentations (At UC Discretion)**
 - a. The top finalists resulting from Phase II will advance to Phase III.

- b. Proposers may be requested to conduct a live presentation regarding the Proposers' ability to provide the Services. However, the UC may determine that presentations are not necessary. In the event presentations are conducted, information provided during the presentation process shall be taken into consideration when evaluating the stated criteria. The UC shall not reimburse the proposer for the costs associated with the interview process.

K. Proposal Preparation Costs:

All costs incurred in the preparation and submission of Proposals and related documentation, including proposer's presentations, demonstrations and provision of the Services to UC for independent testing purposes, will be borne by the Proposer.

L. Proposal Validity Period:

All Proposals shall remain available for UC acceptance for a minimum of one-hundred and twenty (120) days following the RFP closing date.

All pricing must be verifiable and auditable from the date of the contract award.

N. No Mandatory Use:

Supplier is advised that there is no mandatory use policy at the University of California for agreements. As a result, UC does not guarantee any specific amount of business forthcoming from this RFP. A winning Supplier may still see some competition at any given UC location for any given Service. However, by providing outstanding prices, service, and the overall best total cost and quality to the UC system wide, the winning Supplier is expected to garner a very large percentage of the total available UC business.

O. Disclosure of Records/Confidentiality of Information

1. All Proposal responses and related documents, submitted to the UC in response to this RFP will become the exclusive property of the UC upon receipt and will not be returned.
2. Proposal response(s), which are incorporated into any resulting contract(s) with the University of California, may be subject to the State of California Public Records Act (CA State Government Code 6250, et. seq.). Any trade secret or company confidential information submitted as a part of this proposal shall be clearly marked "Trade Secret Information" or "Confidential Information."

ARTICLE 3 –SUPPLIER’S RESPONSIBILITIES

- A. Permitted Uses and Disclosures of PHI. Supplier may use, access and/or disclose PHI received by Supplier pursuant to the Agreement between Supplier and UC, but only for the purpose of providing the Goods and/or Services required of Supplier by the Agreement or as otherwise required by law. Supplier may not

use, access and/or disclose PHI in any manner that would violate HIPAA if done by UC; except that (i) Supplier may use PHI for Supplier's proper management and administration, if necessary and subject to the requirements in Article 3.B herein, and (ii) Supplier may use PHI to provide data aggregation services relating to the health care operations of UC if expressly provided for in the Agreement. To the extent Supplier carries out one or more of UC's obligations under Subpart E of 45 CFR Part 164, Supplier must comply with the requirements of Subpart E that apply to UC in the performance of such obligation(s).

1. Minimum Necessary. With respect to the use, access, or disclosure of PHI by Supplier as permitted pursuant to this Appendix or the Agreement, Supplier shall limit such use access, or disclosure, to the Minimum Necessary to accomplish the intended purpose of such use, access, or disclosure. Supplier shall determine what constitutes the Minimum Necessary to accomplish the intended purpose in accordance with HIPAA, the HIPAA Regulations and any applicable guidance issued by the Secretary.

2. Documentation of Disclosures. With respect to any disclosures of UC'S PHI by Supplier as permitted under this Article 3, Supplier shall document such disclosures including, but not limited to, the date of the disclosure, the name and, if known, the address of the recipient of the disclosure, a brief description of the PHI disclosed, and a brief description of the purpose of the disclosure that reasonably informs the individual of the basis for the disclosure. Notwithstanding any record retention requirements elsewhere in the Agreement, for each disclosure of UC'S PHI, Supplier agrees to retain this accounting for a period of at least six (6) years from the date of such disclosure.

3. Electronic Transaction Standards. Where applicable, Supplier shall adhere to the transaction standards as specified in 45 CFR Parts 160 and 162.

B. Other Permitted Uses and Disclosures of PHI. Subject to the limitation in Article 3.C below, Supplier may, if necessary and only to the extent necessary, use, access or disclose PHI (i) for Supplier's proper management and administration, or (ii) to carry out Supplier's legal responsibilities. Supplier shall obtain reasonable assurances from the person to whom PHI is being disclosed that, as required under this Appendix, the PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed. Supplier shall require that any Breaches or Security Incidents be immediately reported to Supplier. Supplier shall then report the Breach or Security Incident to UC in accordance with Article 3.G.

C. Nondisclosure of PHI. Supplier is not authorized and shall not use, access or further disclose UC's PHI other than as permitted or required under the Agreement, including this Appendix, or as required by law or regulation.

1. Disclosures Required by Law. In the event Supplier is or may be required by law to disclose PHI, including, but not limited to, pursuant to service with legal process or a request from a governmental agency, Supplier shall promptly notify UC of such requirement, and in any case, within five (5) business days of its receipt of such legal process or request. Supplier shall give UC reasonable opportunity to oppose such disclosure or take other appropriate action before Supplier discloses the PHI.

E. Security Standards. Supplier shall take appropriate security measures (i) to protect the confidentiality, integrity and availability of the Electronic PHI that it creates, receives, maintains, or transmits on behalf of UC and (ii) to prevent any use or disclosure of the PHI other than as provided by the Agreement and this

Appendix. Appropriate security measures include the implementation of the administrative, physical and technical safeguards specified in Subpart C of 45 CFR Part 164 of the HIPAA Security Rule.

- G. Notification of Breaches and Security Incidents. Supplier shall notify UC in writing as soon as possible, but in no event more than ten (10) business days, after Supplier becomes aware of any Breach or Security Incident involving UC's PHI. Supplier shall be deemed to be aware of any Breach or Security Incident as of the first day on which such Breach or Security Incident is known or reasonably should have been known to its officers, employees, agents or sub-suppliers. Supplier shall identify as soon as practicable each individual whose unsecured PHI has been, or is reasonably believed by Supplier to have been, accessed, acquired, or disclosed during such Breach or Security Incident. Supplier shall cooperate in good faith with UC in the investigation of any Breach or Security Incident. In addition to the notification requirements in Article 3.G, and with prior notice to UC, Supplier shall take (i) prompt corrective action to remedy any Breach or Security Incident, (ii) mitigate, to the extent practicable, any harmful effect of a use or disclosure of PHI by Supplier, and (iii) take any other action required by applicable federal and state laws and regulations pertaining to such Breach or Security Incident.
 - 1. Notification of Corrective Action and Provision of Policies. As soon as possible, but no later than fifteen (15) calendar days after discovery of the Breach or Security Incident, Supplier shall provide written notice to UC of (i) the actions initiated by Supplier to mitigate any harmful effect of such Breach or Security Incident and (ii) the corrective action Supplier has initiated or plans to initiate to prevent future similar Breaches or Security Incidents. UC shall have the right to make recommendations to Supplier regarding its corrective action, and Supplier shall reasonably consider, and work with UC, to implement such recommendations. Upon UC's request, Supplier will also provide to UC a copy of Supplier's policies and procedures that pertain to the Breach or Security Incident involving UC's PHI, including procedures for curing any material breach of this Appendix.
- I. Use and Disclosure of De-Identified UC Data by Supplier. Supplier may only use or disclose UC de-identified data only if the de-identified data meets the standard and implementation specifications for de-identification under 45 CFR § 164.514 and (i) such use or disclosure is provided for in the Agreement or (ii) Supplier receives UC's prior written consent.
- J. Supplier's Obligation to Provide Materials. Supplier shall make certain relevant information concerning the use, disclosure, or security of UC's PHI available to UC upon UC's request with the following restrictions. Supplier shall make its internal practices, books, and records relating to the use, disclosure, or security of UC's PHI available to any state or federal agency, including the U.S. Department of Health and Human Services, for purposes of determining UC's and/or Supplier's compliance with federal and state privacy and security laws and regulations.
- L. Right to Review Supplier's Processes. UC has the right, at its discretion, to review facilities, systems, procedures, records, books, agreements, policies and procedures relating to the use and/or disclosure of UC's PHI to determine Supplier's compliance with federal and state privacy and security laws and

regulations. Except in the instance UC has received credible information of a Breach or Security Incident involving Supplier and UC's PHI, UC agrees to provide at least thirty (30) days' notice via a written request of its intent to review Supplier's processes and Supplier shall make available to UC and its authorized agents, during normal business hours, all facilities, systems, procedures, records, books, agreements, policies and procedure.

- M. Supplier is required to disclose PHI (i) to the Secretary when required to investigate or determine UC's compliance with HIPAA, and (ii) to UC, the individual, or the individual's designee, as necessary to satisfy UC's obligations under 45 CFR 164.524(c)(2)(ii) and (3)(ii) with respect to an individual's request for an electronic copy of PHI.
- N. Regulatory Compliance. In connection with all matters related to the Agreement and this Appendix, Supplier (i) acknowledges that it may not use or disclose PHI in a manner that would violate the requirements of federal or state law if done by UC, and (ii) shall comply with all applicable federal and state laws and regulations, including, but not limited to HIPAA; the HIPAA Regulations; 45 CFR §§ Parts 160, 162, and 164; the HITECH Act, Subtitle D, part 1; California Civil Code § 1798.29 and California Health and Safety Code § 1280.15, as they may be amended from time to time.

ARTICLE 4 - Parties' Responsibilities with Respect to Rights of Individuals

- A. Individual's Right to Request Restrictions of PHI. If an individual or his or her representative requests that Supplier restrict the use and disclosure of the individual's PHI, Supplier shall notify UC in writing within five (5) business days after receipt of any request. Upon written notice from UC that it agrees to comply with the requested restrictions, Supplier agrees to comply with any instructions to modify, delete, or otherwise restrict the use and disclosure of the subject's PHI.
- B. Individual's Request for Amendment of PHI. If the Agreement provides that an individual may request Supplier to amend the individual's PHI, Supplier shall inform UC within five (5) business days after receipt of any request by or on behalf of the subject of the PHI to amend the PHI that Supplier maintains for or on behalf of UC. Supplier shall, within twenty (20) calendar days after receipt of a written request, make the subject's PHI available to UC as may be required to fulfill UC's obligations to amend PHI pursuant to HIPAA and the HIPAA Regulations, including, but not limited to, 45 CFR § 164.526. Supplier shall, as directed by UC, incorporate any amendments to UC's PHI into copies of such PHI maintained by Supplier.
- C. Individual's Request for an Accounting of Disclosures of PHI. If the Agreement provides that an individual may request an accounting of disclosures of the individual's PHI, Supplier shall document all disclosures of PHI and, within twenty (20) calendar days after receipt of a written request, make available to UC, and, if authorized in writing by UC, to the subject of the PHI, such information maintained by Supplier or its agents as may be required to fulfill UC's obligations to provide an accounting for disclosures of UC's PHI pursuant to HIPAA, the HIPAA Regulations, including, but not limited to, 45 CFR § 164.528, and the HITECH Act, including, but not limited to Section 13405(c).
- D. Access to Certain Information in Electronic Format. If the Agreement provides that Supplier will use or maintain Electronic Health Records with respect to PHI on behalf of UC, Supplier shall, upon request of UC, provide UC with the requested Electronic Health Record in an electronic format.

ARTICLE 5 – Agents

- A. In accordance with 45 CFR § 164.502(e)(1)(ii), to the extent Supplier contracts with Agents in the provision of Goods and/or Services pursuant to the Agreement, Supplier agrees that such Agents may create, receive, maintain or transmit PHI solely for the purpose of providing Goods and/or Services provided for in the Agreement.

- B. Supplier shall require all Agents agree to the same restrictions and conditions that are imposed on Supplier by this Appendix, and to provide written assurance of such agreement, including, but not limited to, Articles 3.E (Security Standards), 3.F (Security Documentation) and 3.G (Notification of Breaches and Security Incidents).

ARTICLE 6 – TERMINATION AND OTHER REMEDIES

- A. Material Breach. If UC determines that Supplier has violated a material term of this Appendix, UC may take any of the following actions, at its option:
 - 1. Terminate all applicable agreements, including this Appendix, immediately.
 - 2. Provide Supplier with notification of termination of the applicable agreements, including the Agreement and this Appendix, unless Supplier, within five (5) business days, provides a plan to cure the breach and, within fifteen (15) business days, cures the breach.
 - 3. If termination is not feasible, upon UC's request, Supplier shall:
 - (a) at its expense, provide a third-party review of the outcome of any plan implemented under Article 6.A.2. to cure the breach; or
 - (b) at its expense, submit to a plan of monitoring and reporting to demonstrate compliance with this Appendix.
- B. Effect of Termination: Return and/or Destruction of PHI held by Supplier or its Agents. Upon termination, expiration or other conclusion of the Appendix for any reason, Supplier shall return or, at UC's option, provide for the Destruction of all of UC's PHI, that Supplier and/or its Agents and sub-suppliers still maintain in any form, and shall retain no copies of UC's PHI. Within thirty (30) calendar days after the termination of this Appendix, Supplier shall both complete such return and/or Destruction and certify in writing to UC that such return or Destruction has been completed.
- C. Return or Destruction Not Feasible. If Supplier represents to UC that return or Destruction of UC's PHI is not feasible, Supplier must provide UC with a written statement of the reason that return or Destruction by Supplier or its Agents is not feasible. If UC determines that return or Destruction is not feasible, this Appendix shall remain in full force and effect and shall be applicable to any and all of UC's PHI held by Supplier or its Agents.

ARTICLE 7 – CHANGES TO THIS APPENDIX

- A. Compliance with Law. The parties acknowledge that state and federal laws and regulations relating to electronic data security and privacy are rapidly evolving and that additional obligations and responsibilities may be imposed on Supplier to ensure compliance with the new laws and regulations. The parties specifically agree to comply with all applicable laws and regulations and take such action as may be necessary to implement the standards and requirements of HIPAA, the HIPAA Regulations, the HITECH Act, and other applicable state and federal laws and regulations relating to the security or confidentiality of PHI, without need to amend or modify this Appendix. UC will update this Appendix from time to time as required by applicable laws and regulations, and Supplier agrees to sign a revised Appendix upon UC's reasonable request.

ARTICLE 8 – MISCELLANEOUS PROVISIONS

- A. Assistance in Litigation or Administrative Proceedings. Supplier shall make itself, and any employees or

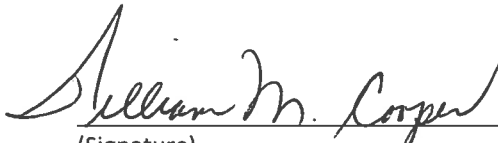

Agents assisting Supplier in the performance of its obligations under the Agreement or this Appendix, available to UC at no cost to UC to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings against UC, its directors, officers, agents or employees based upon claimed violation of HIPAA, the HIPAA Regulations or other laws relating to PHI security and privacy.

- B. Order of Precedence. To the extent that the terms of any other agreement(s) between UC and Supplier are inconsistent with the terms of this Appendix, the terms of this Appendix will control.
- C. Survival. The obligations of Supplier under Articles 3.A, 3.C, 3.D, 3.E, 3.F, 3.G, 3.H, 3.I, 3.J, 3.L, 3.M, 4.A, 4.D, 5.A, 7.A, 8.A, and 8.B of this Appendix shall survive the termination of any agreement between UC and Supplier.

ARTICLE 1 – PURPOSE AND SCOPE OF APPLICATION

- A. This Data Security and Privacy Appendix is designed to protect the University of California’s (UC) Non-public Information and UC Information Resources (defined below). This Appendix describes the data security and privacy obligations of Supplier and its sub-suppliers that connect to UC Information Resources and/or gain access to Non-public Information (defined below).
- B. Supplier agrees to be bound by the obligations set forth in this Appendix. To the extent applicable, Supplier also agrees to impose, by written contract, the terms and conditions contained in this Appendix on any third party retained by Supplier to provide services for or on behalf of the UC.

ARTICLE 2 – DEFINED TERMS

- A. Breach. Breach means the unauthorized acquisition, access, use or disclosure of Non-public Information that compromises the security, confidentiality or integrity of such information.
- B. Non-public Information. Supplier’s provision of Services under this Agreement may involve access to certain information that UC wishes to be protected from further use or disclosure. Non-public Information shall be defined as: (i) Protected Information (defined below); (ii) information UC discloses, in writing, orally, or visually, to Supplier, or to which Supplier obtains access to in connection with the negotiation and performance of the Agreement, and which relates to UC, its students or employees, its third-party vendors or licensors, or any other individuals or entities that have made confidential information available to UC or to Supplier acting on UC’s behalf (collectively, “UC Users”), marked or otherwise identified as proprietary and/or confidential, or that, given the nature of the information, ought reasonably to be treated as proprietary and/or confidential; (iii) trade secrets; and (iv) business information.
- C. Protected Information. Protected Information shall be defined as information that identifies or is capable of identifying a specific individual, including but not limited to personally-identifiable information, medical information other than Protected Health Information as defined under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the HIPAA regulations (including, but not limited to 45 CFR § 160.103), Cardholder Data (as currently defined by the Payment Card Industry Data Security Standard and Payment Application Standard Glossary of Terms, Abbreviations, and Acronyms), student records, or individual financial information that is subject to laws restricting the use and disclosure of such information, including but not limited to Article 1, Section 1 of the California Constitution; the California Information Practices Act (Civil Code § 1798 *et seq.*); the federal Gramm-Leach-Bliley Act (15 U.S.C. §§ 6801(b) and 6805(b)(2)); the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g); the federal Fair and Accurate Credit Transactions Act (15 USC § 1601 *et seq.*) and the Fair Credit Reporting Act (15 USC § 1681 *et seq.*).
- D. UC Information Resources. UC Information Resources shall be defined as those devices, networks and related infrastructure that UC owns, operates or has obtained for use to conduct UC business. Devices include but are not limited to, UC-owned or managed storage, processing, communications devices and related infrastructure on which UC data is accessed, processed, stored, or communicated, and may include personally owned devices. Data includes, but is not limited to, Non-public Information, other UC-

created or managed business and research data, metadata, and credentials created by or issued on behalf of UC.

- E. Work Product. Work Product shall be defined as works-in-progress, notes, data, reference materials, memoranda, documentation and records in any way incorporating or reflecting any Non-public Information and all proprietary rights therein, including copyrights. Work Product is subject to the Agreement's Intellectual Property, Copyright and Patents Article. For the avoidance of doubt, Work Product shall belong exclusively to UC and unless expressly provided, this Appendix shall not be construed as conferring on Supplier any patent, copyright, trademark, license right or trade secret owned or obtained by UC.

ARTICLE 3 – ACCESS TO UC INFORMATION RESOURCES

- A. In any circumstance when Supplier is provided access to UC Information Resources, it is solely Supplier's responsibility to ensure that its access does not result in any access by unauthorized individuals to UC Information Resources. This includes conformance with minimum security standards in effect at the UC location(s) where access is provided. Any Supplier technology and/or systems that gain access to UC Information Resources must contain, at a minimum, the elements in the Computer System Security Requirements set forth in Attachment 1 to this Appendix. No less than annually, Supplier shall evaluate and document whether Supplier's practices accessing UC Information Resources comply with the terms of this Appendix. Documentation of such evaluation shall be made available to UC upon UC's request. Regardless of whether UC requests a copy of such evaluation, Supplier shall immediately inform UC of any findings of noncompliance and certify when findings of non-compliance have been addressed.
- B. Supplier shall limit the examination of UC information to the least invasive degree of inspection required to provide the Goods and/or Services. In the event Goods and/or Services include the inspection of a specific threat to or anomaly of UC's Information Resources, Supplier shall limit such inspection in accordance with the principle of least perusal. Supplier will notify UC immediately upon such events.
- C. With UC's prior written consent, Supplier may alter a UC Information Resource to the extent such alteration is specifically required for Supplier to provide Goods and/or Services to UC pursuant to the Agreement.

ARTICLE 4 – SECURITY PATCHES AND UPDATES

Supplier is required to perform patches and updates in connection with the Goods and/or Services provided to UC as follows:

- A. Devices and Software Provided Directly to UC. Supplier will make available to UC any patches and other updates to system security software or firmware utilized by Supplier in its provision of Goods and/or Services no later than the earlier of thirty (30) days of its commercial release or as recommended by Supplier or Supplier's sub-supplier.
- B. Supplier's Internal Systems and Services Necessary for Supplier to Fulfill its Obligations to UC. Supplier will regularly apply security patches and functional updates to its internal systems software and firmware.

ARTICLE 5 – COMPLIANCE WITH APPLICABLE LAWS, FAIR INFORMATION PRACTICE PRINCIPLES AND UC POLICIES

- A. Supplier agrees to comply with all applicable state, federal and international laws, as well as industry best practices, governing the collection, access, use, disclosure, safeguarding and destruction of Protected Information. Additionally Supplier will comply as applicable with the *Fair Information Practice Principles*, as defined by the U.S. Federal Trade Commission. Such principles would typically require Supplier to have a privacy policy, and a prominently-posted privacy statement or notice in conformance with such principles. If collecting Protected Information electronically from individuals on behalf of UC, Supplier's prominently-posted privacy statement will be similar to those used by UC (UC's sample Privacy Statement for websites is available at <http://www.ucop.edu/information-technology-services/policies/it-policies-and-guidelines/records-mgmt-and-privacy/files/sampleprivacystatement.doc>). Supplier also agrees, to the extent applicable, to comply with UC's Business and Finance Bulletin IS-2, *Inventory, Classification, and Release of UC Electronic Information* (<https://policy.ucop.edu/doc/7020447/BFB-IS-2>), and IS-3, *Electronic Information Security* (<https://policy.ucop.edu/doc/7000543/BFB-IS-3>).
- B. Supplier shall make available to UC all products, systems, and documents necessary to allow UC to audit Supplier's compliance with the terms of this Article 5. UC shall have the right to audit Supplier's compliance with its Information Security Plan and the obligations set forth in Attachment 1.
- C. UC reserves the right to monitor Supplier's connectivity to UC Information Resources while Supplier accesses Non-public Information.

ARTICLE 6 – PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF NON-PUBLIC INFORMATION

Supplier agrees to hold UC's Non-public Information, and any information derived from such information, in strictest confidence. Supplier will not access, use or disclose Non-public Information other than to carry out the purposes for which UC disclosed the Non-public Information to Supplier, except as permitted or required by applicable law, or as otherwise authorized in writing by UC. For avoidance of doubt, this provision prohibits Supplier from using for its own benefit Non-public Information or any information derived from such information. If required by a court of competent jurisdiction or an administrative body to disclose Non-public Information, Supplier will notify UC in writing immediately upon receiving notice of such requirement and prior to any such disclosure, to give UC an opportunity to oppose or otherwise respond to such disclosure (unless prohibited by law from doing so). Supplier's transmission, transportation or storage of Non-public Information outside the United States, or access of Non-public Information from outside the United States, is prohibited except on prior written authorization by UC.

ARTICLE 7 – SAFEGUARD STANDARD

Supplier agrees to protect the privacy and security of Non-public Information according to all applicable laws and regulations, by commercially-acceptable standards, and no less rigorously than it protects its own confidential information, but in no case less than reasonable care. Supplier will implement, maintain and use appropriate administrative, technical and physical security measures to preserve the confidentiality, integrity and availability of the Non-public Information. All Protected Information stored on portable devices or media must be encrypted in accordance with the Federal Information Processing Standards (FIPS) Publication 140-2. Supplier will ensure that such security measures are regularly reviewed and revised to address evolving threats and vulnerabilities while Supplier has responsibility for the Non-public Information under the terms of this

Appendix. Prior to agreeing to the terms of this Appendix, and periodically thereafter (no more frequently than annually) at UC's request, Supplier will provide assurance, in the form of a third-party audit report or other documentation acceptable to UC, such as SOC2 Type II, demonstrating that appropriate information security safeguards and controls are in place.

ARTICLE 8 – INFORMATION SECURITY PLAN

- A. Supplier acknowledges that UC is required to comply with information security standards for the protection of Protected Information as required by law, regulation and regulatory guidance, as well as UC's internal security program for information and systems protection.
- B. Supplier will establish, maintain and comply with an information security plan ("Information Security Plan"), which will contain, at a minimum, such elements as those set forth in Attachment 1 to this Appendix.
- C. Supplier's Information Security Plan will be designed to:
 - i. Ensure the security, integrity and confidentiality of Non-public Information;
 - ii. Protect against any anticipated threats or hazards to the security or integrity of such information;
 - iii. Protect against unauthorized access to or use of such information that could result in harm or inconvenience to the person that is the subject of such information;
 - iv. Reduce risks associated with Supplier having access to UC Information Resources; and
 - v. Comply with all applicable legal and regulatory requirements for data protection.
- D. On at least an annual basis, Supplier will review its Information Security Plan, update and revise it as needed, and submit it to UC upon request. At UC's request, Supplier will make modifications to its Information Security Plan or to the procedures and practices thereunder to conform to UC's security requirements as they exist from time to time. If there are any significant modifications to Supplier's Information Security Plan, Supplier will notify UC within 72 hours.

ARTICLE 9 – RETURN OR DESTRUCTION OF NON-PUBLIC INFORMATION

Within 30 days of the termination, cancellation, expiration or other conclusion of this Appendix, Supplier will return the Non-public Information to UC unless UC requests in writing that such data be destroyed. This provision will also apply to all Non-public Information that is in the possession of subcontractors or agents of Supplier. Such destruction will be accomplished by "purging" or "physical destruction," in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88. Supplier will certify in writing to UC that such return or destruction has been completed.

If Supplier believes that return or destruction of the Non-public Information is technically impossible or impractical, Supplier must provide UC with a written statement of the reason that return or destruction by Supplier is technically impossible or impractical. If UC determines that return or destruction is technically impossible or impractical, Supplier will continue to protect the Non-public Information in accordance with the terms of this Appendix.

ARTICLE 10 – NOTIFICATION OF CORRESPONDENCE CONCERNING NON-PUBLIC INFORMATION

Supplier agrees to notify UC immediately, both orally and in writing, but in no event more than two (2) business days after Supplier receives correspondence or a complaint regarding Non-public Information, including but not limited to, correspondence or a complaint that originates from a regulatory agency or an individual.

ARTICLE 11 – BREACHES OF NON-PUBLIC INFORMATION

- A. **Reporting of Breach:** Supplier will report any confirmed or suspected Breach to UC immediately upon discovery, both orally and in writing, but in no event more than two (2) business days after Supplier reasonably believes a Breach has or may have occurred. Supplier's report will identify: (i) the nature of the unauthorized access, use or disclosure, (ii) the Non-public Information accessed, used or disclosed, (iii) the person(s) who accessed, used, disclosed and/or received Non-public Information (if known), (iv) what Supplier has done or will do to mitigate any deleterious effect of the unauthorized access, use or disclosure, and (v) what corrective action Supplier has taken or will take to prevent future unauthorized access, use or disclosure. Supplier will provide such other information, including a written report, as reasonably requested by UC. In the event of a suspected Breach, Supplier will keep UC informed regularly of the progress of its investigation until the uncertainty is resolved.
- B. **Coordination of Breach Response Activities:** Supplier will fully cooperate with UC's investigation of any Breach involving Supplier and/or the Services, including but not limited to making witnesses and documents available immediately upon Supplier's reporting of the Breach. Supplier's full cooperation will include but not be limited to Supplier:

 - ii. Promptly (within 2 business days) designating a contact person to whom UC will direct inquiries, and who will communicate Supplier responses to UC inquiries;
 - iii. As rapidly as circumstances permit, applying appropriate resources to remedy the Breach condition, investigate, document, restore UC service(s) as directed by UC, and undertake appropriate response activities;
 - iv. Providing status reports to UC on Breach response activities, either on a daily basis or a frequency approved by UC;

ARTICLE 12 – ATTORNEY'S FEES

In any action brought by a party to enforce the terms of this Appendix, the prevailing party will be entitled to reasonable attorney's fees and costs, including the reasonable value of any services provided by in-house counsel. The reasonable value of services provided by in-house counsel will be calculated by applying an hourly rate commensurate with prevailing market rates charged by attorneys in private practice for such services.

ARTICLE 13 – INDEMNITY

The Agreement includes an Indemnity provision, but for the avoidance of doubt regarding a Breach involving Protected Information, Supplier's indemnification obligations under the Agreement will include the following fees and costs which arise as a result of Supplier's breach of this Appendix, negligent acts or omissions, or willful misconduct: any and all costs associated with notification to individuals or remedial measures offered to individuals, whether or not required by law, including but not limited to costs of notification of individuals, establishment and operation of call center(s), credit monitoring and/or identity restoration services; time of UC personnel responding to Breach; fees and costs incurred in litigation; the cost of external investigations; civil or criminal penalties levied against UC; civil judgments entered against UC; attorney's fees, and court costs.

ARTICLE 14 – ADDITIONAL INSURANCE

In addition to the insurance required under the Agreement, Supplier at its sole cost and expense will obtain, keep in force, and maintain an insurance policy (or policies) that provides coverage for privacy and data security breaches. This specific type of insurance is typically referred to as Privacy, Technology and Data Security Liability, Cyber Liability, or Technology Professional Liability. In some cases, Professional Liability policies may include some coverage for privacy and/or data breaches. Regardless of the type of policy in place, it needs to include coverage for reasonable costs in investigating and responding to privacy and/or data breaches with the following minimum limits unless UC specifies otherwise: \$1,000,000 Each Occurrence and \$5,000,000 Aggregate.

**FIRST AMENDMENT TO APPENDIX – DATA SECURITY AND PRIVACY
SAFEGUARD STANDARD FOR PAYMENT CARD DATA (IF APPLICABLE)**

- A. Supplier agrees that it is responsible for the security of Cardholder Data (as currently defined by the Payment Card Industry Data Security Standard and Payment Application Standard Glossary of Terms, Abbreviations, and Acronyms) that it possesses (if any), including the functions relating to storing, processing and transmitting Cardholder Data. In this regard, Supplier represents and warrants that it will implement and maintain certification of Payment Card Industry (“PCI”) compliance standards regarding data security, and that it will undergo independent third party quarterly system scans that audit for all known methods hackers use to access private information and vulnerabilities that would allow malicious software (e.g., viruses and worms) to gain access to or disrupt UC Information Resources. These requirements, which are incorporated herein, can be found at https://www.pcisecuritystandards.org/document_library. Supplier agrees to provide at least annually, and from time to time at the written request of UC, current evidence (in form and substance reasonably satisfactory to UC) of compliance with these data security standards, which has been properly certified by an authority recognized by the payment card industry for that purpose.
- B. In connection with credit card transactions processed for UC, Supplier will provide reasonable care and efforts to detect fraudulent payment card activity. In performing the Services, Supplier will comply with all applicable rules and requirements, including security rules and requirements, of UC’s financial institutions, including its acquiring bank, the major payment card associations and payment card companies. If during the term of an Agreement with UC, Supplier undergoes, or has reason to believe that it will undergo, an adverse change in its certification or compliance status with the PCI standards and/or other material payment card industry standards, it will promptly notify UC of such circumstances.
- C. Supplier further represents and warrants that software applications it provides for the purpose of performing Services related to processing payments, particularly credit card payments, are developed in accordance with all applicable PCI standards, and are in compliance with all applicable PCI standards, including but not limited to Payment Application Data Security Standards (PA-DSS), Point to Point Encryption Solution Requirements (P2PE) including approved card readers or Point of Interaction (POI). As verification of this, Supplier agrees to provide at least annually, and from time to time upon written request of UC, current evidence (in form and substance reasonably satisfactory to UC) that any such application it provides is certified as complying with these standards and agrees to continue to maintain that certification as may be required.
- D. Supplier will immediately notify UC if it learns that it is no longer PCI compliant under one of the standards identified above, or if any software applications or encryption solutions are no longer PCI compliant.

ATTACHMENT 1

- A. Supplier will develop, implement, and maintain a comprehensive Information Security Plan that is written in one or more readily accessible parts and contains administrative, technical, and physical safeguards. The safeguards contained in such program must be consistent with the safeguards for protection of Protected Information and information of a similar character set forth in any state or federal regulations by which the person who owns or licenses such information may be regulated.
- B. Without limiting the generality of the foregoing, every comprehensive Information Security Plan will include, but not be limited to:
- i. Designating one or more employees to maintain the comprehensive Information Security Plan;
 - ii. Identifying and assessing internal and external risks to the security, confidentiality, and/or integrity of any electronic, paper or other records containing Protected Information and of UC Information Resources, and evaluating and improving, where necessary, the effectiveness of the current safeguards for limiting such risks, including but not limited to:
 - a. Ongoing employee (including temporary and contract employee) training;
 - b. Employee compliance with policies and procedures; and

 - vi. Overseeing service providers, by:
 - a. Taking reasonable steps to select and retain third-party service providers that are capable of maintaining appropriate security measures to protect such Protected Information and UC Information Resources consistent with all applicable laws and regulations; and
 - b. Requiring such third-party service providers by contract to implement and maintain such appropriate security measures for Protected Information.
 - vii. Placing reasonable restrictions upon physical access to records containing Protected Information and UC Information Resources and requiring storage of such records and data in locked facilities, storage areas or containers.
 - viii. Restrict physical access to any network or data centers that may have access to Protected Information or UC Information Resources.

- ix. Requiring regular monitoring to ensure that the comprehensive Information Security Plan is operating in a manner reasonably calculated to prevent unauthorized access to or unauthorized use of Protected Information and UC Information Resources; and upgrading information safeguards as necessary to limit risks.
- x. Reviewing the scope of the security measures at least annually or whenever there is a material change in business practices that may reasonably implicate the security or integrity of records containing Protected Information and of UC Information Resources.
- xi. Documenting responsive actions taken in connection with any incident involving a Breach, and mandating post-incident review of events and actions taken, if any, to make changes in business practices relating to protection of Protected Information and UC Information Resources.

Computer System Security Requirements

To the extent that Supplier electronically stores or transmits Protected Information or has access to any UC Information Resources, it will include in its written, comprehensive Information Security Plan the establishment and maintenance of a security system covering its computers, including any wireless system, that, at a minimum, and to the extent technically feasible, will have the following elements:

- A. Secure user authentication protocols including:
 - i. Control of user IDs and other identifiers;
 - ii. A secure method of assigning and selecting passwords, or use of unique identifier technologies, such as biometrics or token devices;
 - iii. Control of data security passwords to ensure that such passwords are kept in a location and/or format that does not compromise the security of the data they protect;
 - iv. Restricting access to active users and active user accounts only; and
 - v. Blocking access to user identification after multiple unsuccessful attempts to gain access or the limitation placed on access for the particular system.
 - vi. Periodic review of user access, access rights and audit of user accounts.

 - i. Restrict access to records and files containing Protected Information and systems that may have access to UC Information Resources to those who need such information to perform their job duties; and
 - ii. Assign unique identifications plus passwords, which are not vendor supplied default passwords, to each person with computer access, which are reasonably designed to maintain the integrity of the security of the access controls.
- C. Encryption of all transmitted records and files containing Protected Information.
- D. Adequate security of all networks that connect to UC Information Resources or access Protected Information, including wireless networks.
- E. Reasonable monitoring of systems, for unauthorized use of or access to Protected Information and UC Information Resources.

- F. Encryption of all Protected Information stored on Supplier devices, including laptops or other portable storage devices.
- G. For files containing Protected Information on a system that is connected to the Internet or that may have access to UC Information Resources, reasonably up-to-date firewall, router and switch protection and operating system security patches, reasonably designed to maintain the integrity of the Protected Information.
- H. Reasonably up-to-date versions of system security agent software, including intrusion detection systems, which must include malware protection and reasonably up-to-date patches and virus definitions, or a version of such software that can still be supported with up-to-date patches and virus definitions, and is set to receive the most current security updates on a regular basis.
- I. Education and training of employees on the proper use of the computer security system and the importance of Protected Information and network security.

With reasonable notice to Supplier, UC may require additional security measures which may be identified in additional guidance, contracts, communications or requirements.

Appendix- Electronic Commerce

This Electronic Commerce Appendix specifies the electronic commerce requirements applicable to Supplier in providing the Goods and/or Services.

SECTION 1 - GENERAL TERMS

Each UC Location offers an electronic web-based purchasing and catalog system to facilitate the purchase of Goods and/or Services from UC suppliers. UC Locations' eProcurement systems currently are provided by two suppliers. This Appendix sets forth the terms and conditions that will govern Supplier's sale of Goods and/or Services through UC's eProcurement systems.

SECTION 2 - DEFINITIONS

Catalog(s) refers to the list of detailed product information, agreement pricing, manufacturer part numbers and/or service descriptions relating to the Goods and/or Services to be offered either as a Punch-Out Catalog, a Hosted Catalog or in a combination. This may include the creation of multiple Hosted Catalogs.

eProcurement and eCommerce are used interchangeably to mean UC's electronic web-based purchasing and catalog systems. Each UC location has a branded eProcurement site.

Go Live Date means the date on which a Catalog will be active.

Hosted Catalog means a Catalog that is a properly formatted computer file supplied to all UC Locations through the Locations' respective eProcurement systems.

Order means a purchase order for Goods and/or Services placed by a User through an eProcurement system.

Order Data means all data and information relating to Orders, including, without limitation, the specifics of a given transaction.

Punch-Out Catalog means a Catalog, hosted by Supplier on Supplier's Site. Users may access this Punch-Out Catalog via an internet link provided by Supplier to UC that redirects a User from the campus eProcurement site to Supplier Site. The Punch-Out Catalog will permit: (a) Users to access the Supplier Website when a User selects the Punch-Out Catalog; (b) User to create an Order through the eProcurement sites; and (c) UC eProcurement sites to forward an Order to Supplier for confirmation and Order processing along with Order status inquiry.

Supplier Mark means Supplier's name, trade name, and/or trademarks, service mark, or any derivation thereof.

Supplier Site means an internet site operated and maintained by Supplier that has been made subject to this Appendix.

UC Mark means UC's name, trade name, and/or trademarks, service marks, or any derivation thereof.

User means an individual authorized by a UC location to use an eProcurement system.

SECTION 3 – RIGHT TO USE

UC grants to Supplier the right to sell Goods and/or Services to UC through the eProcurement systems. Supplier will be responsible for any cost of operation or dispute with regard to its interface with UC's eProcurement systems.

SECTION 4 – ESTABLISHMENT/MAINTENANCE OF CATALOG; SITE RESPONSIBILITY; LICENSE

(a) Establishment and Maintenance. The parties agree to electronically link the functionality of their respective systems, using commercially reasonable efforts. Supplier will provide its Catalog(s) to UC in a file format that will interface seamlessly with UC's eProcurement systems. These Catalog files will be in compliance with each UC Location's eProcurement system and Order Data will be transmitted according to the appropriate cXML or xCBL standards as the case may be. For Hosted Catalogs, Supplier must provide UC with updated versions of the Catalog file with, at a minimum, full descriptions and images that Supplier currently utilizes for items offered in its proprietary websites and Punch-Out Catalogs. The parties will update each other regarding eCommerce specifications as needed from time to time.

Supplier must notify UC's Contract Administrator at least three (3) weeks in advance of the proposed Go Live Date if it will be requesting additions, deletions or modifications to the Catalogs. After such advance notification, Supplier must provide UC with Catalog files containing the requested additions, deletions or modifications with no less than the lead time directed by UC's Contract Administrator; provided, however, that for all Catalogs that Supplier requests to have a January 1 Go Live Date, Supplier must submit proposed files no later than December 1. Upon UC's approval of the new Catalog file, Supplier will make the updated version of the Catalog file effective on the Go Live Date on which UC and Supplier agree. If UC rejects a Catalog more than once because it does not meet UC's acceptance criteria, the Contract Administrator will suspend Supplier's price/content change until the date of Supplier's next contracted change.

If there is a conflict between a price in a Hosted Catalog and a Punch-Out Catalog, UC will be invoiced at the lower price. If the price discrepancy is due to UC's failure to timely update a Hosted Catalog, Supplier may charge the higher price and UC will work with Supplier to rectify the problem as quickly as possible.

All Supplier-provided pricing in any Catalogs, whether Hosted or Punch-Out, will be inclusive of all shipping, handling, fees and charges of any sort, except applicable taxes.

Supplier is responsible for providing UC with Catalogs that contain accurate pricing and data in accordance with the Agreement. If UC determines there are errors in the pricing or data attributes of a Catalog, UC will notify Supplier of those errors in writing and reject the Catalog. Supplier will have no more than ten (10) business days to review and correct the errors. Supplier agrees that UC may block customized Catalogs at the SKU and/or category level.

UC's Terms and Conditions of Purchase state that the Goods and/or Services must be exactly as specified in the Agreement. For the avoidance of doubt, this means that Supplier may not, without UC's prior consent, substitute items, change SKU numbers or change the number of items in a package in any Catalog.

(b) Site Responsibility. Except as otherwise set forth herein, each party will be responsible, at its own expense, for: (i) developing, operating and maintaining its website; (ii) acquiring and maintaining its server hardware and software (or obtaining third-party hosting services) for its website; and (iii) maintaining Internet connectivity.

(c) License. Supplier hereby grants to UC, at no additional cost, a limited, non-exclusive, royalty-free right to link to and access the Supplier Site from the eProcurement sites, subject to the terms and conditions herein and solely for the purpose of permitting Users to access the Services. All Supplier Marks will remain the sole property of Supplier.

SECTION 5 – USER SUPPORT

(a) UC Duties. Each UC Location will provide its Users with initial contact and system support assistance on all functionality and use issues for eProcurement (including links to the Supplier Site). When known, UC will promptly notify Supplier of any such issues relating to the Catalog, the Supplier Site and/or other Supplier materials/systems.

(b) Supplier Duties. Supplier will provide all customer support relating to the Catalog, Supplier Goods and/or Services and Supplier Sites in a manner consistent with the customer support that Supplier provides to other customers, and

at least as good as the customer support that Supplier provides to customers who are purchasing through means other than websites.

SECTION 6 – PROPRIETARY RIGHTS

UC's Terms and Conditions of Purchase contains provisions regarding the parties' rights and responsibilities with respect to intellectual property relating to the Goods and Services. Without altering those provisions, the parties additionally agree as follows. UC may require Supplier to "brand" Supplier's Punch-Out Catalog with one or more UC Marks. If UC requires Supplier to utilize one or more UC Marks on Supplier's Punch-Out Catalog, UC will provide the appropriate artwork and such artwork will be deemed to have been provided with a limited, non-exclusive, non-sublicensable right for Supplier to use it solely for the purpose of a UC-branded Punch-Out Catalog hosted by Supplier and subject to the following terms:

Supplier may not make any additional use of the UC Marks without UC's prior written approval.

Supplier's use of the UC Marks in the Punch-Out Catalog must acknowledge UC's ownership of the UC Marks. Supplier will include all notices and legends with respect to UC trademarks, trade names, or copyrights as may be required by applicable trademark and copyright laws or which may be reasonably requested by UC. Supplier agrees not to claim any title to UC Marks or any right to use UC Marks except as permitted by this Appendix. Upon termination of this Appendix or the Agreement, all rights to UC Marks conveyed by UC to Supplier will cease and Supplier will destroy or return to UC all media with UC Marks. UC specifically reserves any and all rights to UC Marks not specifically granted to Supplier.

Supplier grants to UC the right to use Supplier's trademarks, logos, trade names, and service marks for the purpose of promoting UC eProcurement sites to the UC community. UC acknowledges Supplier's right, title and interest in and to Supplier's Marks and Supplier's exclusive right to use and license the use of Supplier Marks and agrees not to claim any title to Supplier Marks or any right to use Supplier Marks except as permitted by this Addendum. UC will include all notices and legends with respect to Supplier trademarks, trade names, or copyrights as may be required by applicable trademark and copyright laws or which may be reasonably requested by Supplier. Upon termination of this Appendix, all rights to Supplier Marks conveyed by Supplier to UC will cease and UC will destroy or return to Supplier all media with Supplier Marks. Supplier specifically reserves any and all right to Supplier Marks not specifically granted to UC.

The licenses granted in the previous paragraphs regarding UC Marks and Supplier Marks are subject to the ongoing approval of the party owning the respective trademarks, logos, trade names, or copyrights. Such ongoing approval includes the ability to terminate – at any time, for any reason, and in the sole discretion of the owner of the respective trademarks, logos, trade names, or copyrights – the trademark licenses provided in the preceding paragraphs for any particular trademark, logo, trade name, or copyrighted work without necessarily terminating this Appendix. Each party agrees not to take any action that will adversely reflect upon or damage the goodwill, reputation, or the brand value of the other party. Each party further agrees not to take any action that is inconsistent with the other party's ownership of the respective trademarks, trade names, or copyrights. At all times (including following termination of the Agreement), Supplier agrees to comply with Section 92000 of California's Education Code.

(a) Grant of License. Supplier hereby grants UC a non-exclusive, royalty-free: (i) license to use, copy, transmit, and display the Catalog, any information contained therein and the Supplier Marks for the purposes of permitting Customers to access information about and order Supplier Goods and/or Services from a Catalog and (ii) if Supplier is using a Punch-Out Catalog, right to link to and access the Punch-Out Catalog on the Supplier Site, for the purposes of permitting Customers to access the Supplier Website and permitting Customers to order Supplier Goods and/or Services.

(b) Modifications. UC will not modify or remove any of the proprietary rights markings in the Catalog. UC will not modify the Catalog, except as supplied by Supplier. UC will not make any representations or warranties, or provide

any information, to any third party regarding any Supplier Goods and/or Services (including, but not limited to, any representations or warranties of any information regarding availability, delivery, pricing, characteristics, qualifications or specifications thereof). If UC believes in good faith that any Supplier information does not conform to the requirements of the associated UC Agreement or this Appendix, UC will be entitled to withdraw the Catalog from UC eProcurement sites. In such a case, UC will promptly notify the Supplier of the actions it has taken and will work with the Supplier promptly to resolve UC's concerns. When UC's concerns are satisfactorily resolved, UC will promptly restore the Catalog, if appropriate. UC will have no liability to the Supplier or anyone else for exercising these rights.

(c) Acknowledgment. Each party acknowledges that the technology embodied in the other party's Site may be based on patented or patentable inventions, trade secrets, copyrights or other intellectual property or proprietary rights ("Intellectual Property Rights") owned by the other party and its applicable licensors.

As between the parties, UC will be the sole owner of – or, with respect to any items licensed by UC, will retain all rights to – UC eProcurement sites and all Intellectual Property Rights associated with UC eProcurement sites, including any modifications, updates, enhancements or upgrades to any of the foregoing, as well as any Order Data generated or collected on such Site (collectively, the "UC Materials"). Except as provided herein, Supplier may not copy or use in any way, in whole or in part, any UC Materials without UC's prior written approval. Any permitted copies of such property, in whole or in part, alone or as part of a derivative work, will remain UC's sole property. Supplier agrees to reproduce and include UC's copyright, trademark and other proprietary rights notices on any permitted copies of UC Materials including, without limitation, partial copies and copied materials in derivative works. Supplier will not copy or reproduce any third-party copyrighted or trademarked materials, which appear on or are otherwise associated with any UC eProcurement site without UC's prior written consent.

SECTION 7 – MULTIPLE SUPPLIERS

Supplier acknowledges that all UC eProcurement sites are intended to facilitate Users' ability to obtain Goods and/or Services from more than one supplier. Nothing in this Appendix will be construed to prevent UC from entering into similar agreements with any third parties including, without limitation, suppliers that may be in competition with Supplier.

UC does not warrant that access to UC eProcurement sites will be uninterrupted or that the results obtained by use of UC eProcurement sites will be error-free.

ARTICLE 1 – GENERAL

The equipment, materials, or supplies ("Goods") and/or services ("Services") furnished by Supplier (together, the "Goods and Services") and covered by the UC Purchase Order ("PO") and/or other agreement (which, when combined with these Terms and Conditions and any other documents incorporated by reference, will constitute the "Agreement") are governed by the terms and conditions set forth herein. As used herein, the term "Supplier" includes Supplier and its sub-suppliers at any tier. As used herein, "UC" refers to The Regents of the University of California, a corporation described in California Constitution Art. IX, Sec. 9, on behalf of the UC Location(s) identified in the Agreement and/or the PO. UC and Supplier individually will be referred to as "Party" and collectively as "Parties." Any defined terms not defined in these Terms and Conditions of Purchase will have the meaning ascribed to such term in any of the other documents incorporated in and constituting the Agreement. No other terms or conditions will be binding upon the Parties unless accepted by them in writing. Written acceptance or shipment of all or any portion of the Goods, or the performance of all or any portion of the Services, covered by the Agreement, will constitute Supplier's unqualified acceptance of all of the Agreement's terms and conditions. The terms of any proposal referred to in the Agreement are included and made a part of the Agreement only to the extent the proposal specifies the Goods and/or Services ordered, the price therefor, and the delivery thereof, and then only to the extent that such terms are consistent with the terms and conditions of the Agreement.

ARTICLE 2 – TERM AND TERMINATION

- A. As applicable, the term of the Agreement ("Initial Term") will be stated in the Agreement. Following the Initial Term, the Agreement may be extended by written mutual agreement.
- B. UC's obligation to proceed is conditioned upon the appropriation of state, federal and other sources of funds not controlled by UC ("Funding"). UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation in the event that through no action or inaction on the part of UC, the Funding is withdrawn.
- C. UC may, by written notice stating the extent and effective date thereof, terminate the Agreement for convenience in whole or in part, at any time with not less than the number of days' notice stated elsewhere in the Agreement. As specified in the termination notice, UC will pay Supplier as full compensation the pro rata Agreement price for performance through the later of the date that (i) UC provided Supplier with notice of termination or (ii) Supplier's provision of Goods and/or Services will terminate.
- D. UC may by written notice terminate the Agreement for Supplier's breach of the Agreement, in whole or in part, at any time, if Supplier refuses or fails to comply with the provisions of the Agreement, or so fails to make progress as to endanger performance and does not cure such failure within a reasonable period of time, or fails to supply the Goods and/or Services within the time specified or any written extension thereof. In such event, UC may purchase or otherwise secure Goods and/or Services and, except as otherwise provided herein, Supplier will be liable to UC for any excess costs UC incurs thereby.

ARTICLE 3 – PRICING, INVOICING METHOD, AND SETTLEMENT METHOD AND TERMS. Pricing is set forth in the Agreement or Purchase Order Number. Unless otherwise agreed in writing by UC, Supplier will use the invoicing method and payment settlement method (and will extend the terms applicable to such settlement method) set forth in UC's [Supplier Invoicing, Terms & Settlement Matrix](#). UC will pay Supplier, upon submission of acceptable invoices, for Goods and/or Services provided and accepted. Invoices must be itemized and reference the Agreement or Purchase Order number. UC will not pay shipping, packaging or handling expenses, unless specified in the Agreement or Purchase Order. Unless otherwise provided, freight is to be FOB destination. Any of Supplier's expenses that UC agrees to reimburse will be reimbursed under UC's Travel Policy, which may be found at <http://www.ucop.edu/central-travel-management/resources/index.html>. Where applicable, Supplier will pay all taxes imposed on Supplier. Notwithstanding any other provision to the contrary, UC will not be responsible for any fees, interest or surcharges Supplier wishes to impose.

ARTICLE 4 – INSPECTION. The Goods and/or Services furnished will be exactly as specified in the Agreement, free from all defects in Supplier's performance, design, workmanship and materials, and, except as otherwise provided in the Agreement, will be subject to inspection and test by UC at all times and places. If, prior to final acceptance, any Goods and/or Services furnished are found to be incomplete, or not as specified, UC may reject them, require Supplier to correct them without charge, or require provision of such Goods and/or Services at a reduction in price that is equitable under the circumstances. If Supplier is unable or refuses to correct such deficiencies within a time UC deems reasonable, UC may terminate the Agreement in whole or in part. Supplier will bear all risks as to rejected Goods and/or Services and, in addition to any costs for which Supplier may become liable to UC under other provisions of the Agreement, will reimburse UC for all transportation costs, other related costs incurred, or payments to Supplier in accordance with the terms of the Agreement for unaccepted Goods and/or Services and materials and supplies incidental thereto. Notwithstanding final acceptance and payment, Supplier will be liable for latent defects, fraud or such gross mistakes as amount to fraud.

ARTICLE 5 – ASSIGNED PERSONNEL; CHARACTER OF SERVICES

Supplier will provide the Services as an independent contractor and furnish all equipment, personnel and materiel sufficient to provide the Services expeditiously and efficiently, during as many hours per shift and shifts per week, and at such locations as UC may so require. Supplier will devote only its best-qualified personnel to work under the Agreement. Should UC inform Supplier that anyone providing the Services is not working to this standard, Supplier will immediately remove such personnel from providing Services and he or she will not again, without UC's written permission, be assigned to provide Services. At no time will Supplier or Supplier's employees, sub-suppliers, agents, or assigns be considered employees of UC for any purpose, including but not limited to workers' compensation provisions.

ARTICLE 6 – WARRANTIES

In addition to the warranties set forth in Articles 11, 12, 17, 23, 24, 25 and 26 herein, Supplier makes the following warranties. Supplier acknowledges that failure to comply with any of the warranties in the Agreement will constitute a material breach of the Agreement and UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

- A. General Warranties. Supplier agrees that the Goods and Services furnished under the Agreement will be covered by the most favorable warranties Supplier gives to any customer for the same or substantially similar goods or services, or such other more favorable warranties as specified in the Agreement. The rights and remedies so provided are in addition to and do not limit any rights afforded to UC by any other article of the Agreement.
- B. Permits and Licenses. Supplier agrees to procure all necessary permits or licenses and abide by all applicable laws, regulations and ordinances of the United States and of the state, territory and political subdivision or any other country in which the Goods and/or Services are provided.
- C. Federal and State Water and Air Pollution Laws. Where applicable, Supplier warrants that it complies with the requirements in UC Business and Finance Bulletin BUS-56 (Materiel Management; Purchases from Entities Violating State or Federal Water or Air Pollution Laws). Consistent with California Government Code 4477, these requirements do not permit UC to contract with entities in violation of Federal or State water or air pollution laws.
- D. Accessibility Requirements. Supplier warrants that:
 1. It complies with California and federal disabilities laws and regulations; and
 2. The Goods and Services will conform to the accessibility requirements of WCAG 2.0AA.Supplier agrees to promptly respond to and resolve any complaint regarding accessibility of its Goods and/or Services.
- E. Warranty of Quiet Enjoyment. Supplier warrants that Supplier has the right to use all intellectual property that will be needed to provide the Goods and/or Services.
- F. California Child Abuse and Neglect Reporting Act ("CANRA"). Where applicable, Supplier warrants that it complies with CANRA.
- G. Debarment and Suspension. Supplier warrants that it is not presently debarred, suspended, proposed for debarment, or declared ineligible for award of federal contracts or participation in federal assistance programs or activities.
- H. UC Code of Conduct for Trademark Licensees. If the Goods will bear UC's name (including UC campus names, abbreviations of these names, UC logos, UC mascots, or UC seals) or other trademarks owned by UC, Supplier warrants that it holds a valid license from UC and complies with the Trademark Licensing Code of Conduct policy, available at <http://policy.ucop.edu/doc/3000130/TrademarkLicensing>.
- I. Outsourcing (Public Contract Code section 12147) Compliance. Supplier warrants that if the Agreement will displace UC employees, no funds paid under the Agreement will be used to train workers who are located outside of the United States, or plan to relocate outside the United States as part of the Agreement. Additionally, Supplier warrants that no work will be performed under the Agreement with workers outside the United States, except as described in Supplier's bid. If Supplier or its subsupplier performs the Agreement with workers outside the United States during the life of the Agreement and Supplier did not describe such work in its bid, Supplier acknowledges and agrees that a) UC may terminate the Agreement without further obligation for noncompliance, and b) Supplier will forfeit to UC the amount UC paid for the percentage of work that was performed with workers outside the United States and not described in Supplier's bid.

ARTICLE 7 – INTELLECTUAL PROPERTY, COPYRIGHT AND PATENTS

- A. Goods and/or Services Involving Work Made for Hire.
 1. Unless UC indicates that the Goods and/or Services do not involve work made for hire, Supplier acknowledges and agrees that any deliverables provided to UC by Supplier in the performance of the Agreement, and any intellectual property rights therein, (hereinafter the "Deliverables") will be owned by UC. The Deliverables will be considered "work made for hire" under U.S. copyright law and all right, title, and interest to and in such Deliverables including, but not limited to, any and all copyrights or trademarks, will be owned by UC. In the event that it is determined that UC is not the owner of such Deliverables under the

"work made for hire" doctrine of U.S. copyright law, Supplier hereby irrevocably assigns to UC all right, title, and interest to and in such Deliverables and any copyrights or trademarks thereto.

2. The Deliverables must be new and original. Supplier must not use any pre-existing copyrightable or trademarked images, writings, or other proprietary materials (hereinafter "Pre-Existing Materials") in the Deliverables without UC's prior written permission. In the event that Supplier uses any Pre-Existing Materials in the Deliverables in which Supplier has an ownership interest, UC is hereby granted, and will have, a non-exclusive, royalty-free, irrevocable, perpetual, paid-up, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, perform, display publicly, sell, and otherwise distribute such Pre-Existing Materials in connection with the Deliverables.
3. Whenever any invention or discovery is made or conceived by Supplier in the course of or in connection with the Agreement, Supplier will promptly furnish UC with complete information with respect thereto and UC will have the sole power to determine whether and where a patent application will be filed and to determine the disposition of title to and all rights under any application or patent that may result.
4. Supplier is specifically subject to an obligation to, and hereby does, assign all right, title and interest in any such intellectual property rights to UC as well as all right, title and interest in tangible research products embodying any such inventions whether the inventions are patentable or not. Supplier agrees to promptly execute any additional documents or forms that UC may require in order to effectuate such assignment.

B. Goods and/or Services Not Involving Work Made for Hire.

1. If the Goods and/or Services do not involve work made for hire, and in the event that Supplier uses any Pre-Existing Materials in the Deliverables in which Supplier has an ownership interest, UC is hereby granted, and will have, a non-exclusive, royalty-free, irrevocable, perpetual, paid-up, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, perform, display publicly, sell, and otherwise distribute such Pre-Existing Materials in connection with the Deliverables.
2. The Deliverables must be new and original. Supplier must not use any Pre-Existing Materials in the Deliverables without UC's prior written permission.
3. Whenever any invention or discovery is made or conceived by Supplier in the course of or in connection with the Agreement, Supplier will promptly furnish UC complete information with respect thereto and UC will have the sole power to determine whether and where a patent application will be filed and to determine the disposition of title to and all rights under any application or patent that may result.
4. Supplier is specifically subject to an obligation to, and hereby does, assign all right, title and interest in any such intellectual property rights to UC as well as all right, title and interest in tangible research products embodying any such inventions whether the inventions are patentable or not. Supplier agrees to promptly execute any additional documents or forms that UC may require in order to effectuate such assignment.

- C. General.** Should the Goods and/or Services become, or in Supplier's opinion be likely to become, the subject of a claim of infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party, Supplier will provide written notice to UC of the circumstances giving rise to such claim or likely claim. In the event that UC receives notice of a claim of infringement or is made a party to or is threatened with being made a party to any claim of infringement related to the Goods and/or Services, UC will provide Supplier with notice of such claim or threat. Following receipt of such notice, Supplier will either (at Supplier's sole election) (i) procure for UC the right to continue to use the affected portion of the Goods and/or Services, or (ii) replace or otherwise modify the affected portion of the Goods and/or Services to make them non-infringing, or obtain a reasonable substitute product for the affected portion of the Goods and/or Services, provided that any replacement, modification or substitution under this paragraph does not effect a material change in the Goods' and/or Services' functionality. If none of the foregoing options is reasonably acceptable to UC, UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

ARTICLE 8 – INDEMNITY

Supplier will defend, indemnify, and hold harmless UC, its officers, employees, and agents, from and against all losses, expenses (including, without limitation, reasonable attorneys' fees and costs), damages, and liabilities of any kind resulting from or arising out of the Agreement, including the performance hereunder of Supplier, its officers, employees, agents, sub-suppliers, or anyone directly or indirectly employed by Supplier, or any person or persons under Supplier's direction and control, provided such losses, expenses, damages and liabilities are due or claimed to be due to the acts or omissions of Supplier, its officers, employees, agents, sub-suppliers, or anyone directly or indirectly employed by Supplier, or any person or persons under Supplier's direction and control. UC agrees to provide Supplier with prompt notice of any such claim or action and to permit Supplier to defend any claim or action, and that UC will cooperate fully in such defense. UC retains the right to participate in the defense against any such claim or action, and the right to consent to any settlement, which consent will not unreasonably be withheld.

ARTICLE 9 – INSURANCE

Supplier, at its sole cost and expense, will insure its activities in connection with providing the Goods and/or Services and obtain, keep in force, and maintain the following insurance with the minimum limits set forth below, unless UC specifies otherwise:

- A. Commercial Form General Liability Insurance (contractual liability included) with limits as follows:
1. Each Occurrence \$ 1,000,000
 2. Products/Completed Operations Aggregate \$ 2,000,000
 3. Personal and Advertising Injury \$ 1,000,000
 4. General Aggregate \$ 2,000,000
- B. Business Automobile Liability Insurance for owned, scheduled, non-owned, or hired automobiles with a combined single limit of not less than one million dollars (\$1,000,000) per occurrence. (Required only if Supplier drives on UC premises or transports UC employees, officers, invitees, or agents in the course of supplying the Goods and/or Services to UC.)
- C. If applicable, Professional Liability Insurance with a limit of two million dollars (\$2,000,000) per occurrence with an aggregate of not less than two million dollars (\$2,000,000). If this insurance is written on a claims-made form, it will continue for three years following termination of the Agreement. The insurance will have a retroactive date of placement prior to or coinciding with the effective date of the Agreement.
- D. Workers' Compensation as required by applicable state law and Employer's Liability with limits of one million dollars (\$1,000,000) per occurrence.
- E. If applicable, Supplier Fidelity Bond or Crime coverage for the dishonest acts of its employees in a minimum amount of one million dollars (\$1,000,000). Supplier will endorse such policy to include a "Regents of the University of California Coverage" or "Joint Payee Coverage" endorsement. UC and, if so requested, UC's officers, employees, agents and sub-suppliers will be named as "Loss Payee, as Their Interest May Appear" in such Fidelity Bond.
- F. Additional other insurance in such amounts as may be reasonably required by UC against other insurable risks relating to performance. If the above insurance is written on a claims-made form, it will continue for three years following termination of the Agreement. The insurance will have a retroactive date of placement prior to or coinciding with the effective date of the Agreement. If the above insurance coverage is modified, changed or cancelled, Supplier will provide UC with not less than fifteen (15) days' advance written notice of such modification, change, or cancellation, and will promptly obtain replacement coverage that complies with this Article.
- G. The coverages referred to under A and B of this Article must include UC as an additional insured. It is understood that the coverage and limits referred to under A, B and C of this Article will not in any way limit Supplier's liability. Supplier will furnish UC with certificates of insurance (and the relevant endorsement pages) evidencing compliance with all requirements prior to commencing work under the Agreement. Such certificates will:
1. Indicate that The Regents of the University of California has been endorsed as an additional insured for the coverage referred to under A and B of this Article. This provision will only apply in proportion to and to the extent of the negligent acts or omissions of Supplier, its officers, agents, or employees.
 2. Include a provision that the coverage will be primary and will not participate with or be excess over any valid and collectible insurance or program of self-insurance carried or maintained by UC.

ARTICLE 10 – USE OF UC NAME AND TRADEMARKS

Supplier will not use the UC name, abbreviation of the UC name, trade names and/or trademarks (i.e., logos and seals) or any derivation thereof, in any form or manner in advertisements, reports, or other information released to the public, or place the UC name, abbreviations, trade names and/or trademarks or any derivation thereof on any consumer goods, products, or services for sale or distribution to the public, without UC's prior written approval. Supplier agrees to comply at all times with California Education Code Section 92000.

Where a purchase of items is for fulfillment of a specific U.S. Government prime or subcontract, additional information and/or terms and conditions may be included in an attached supplement. By submitting an invoice to UC, Supplier is representing to UC that, at the time of submission:

1. Neither Supplier nor its principals are presently debarred, suspended, or proposed for debarment by the U.S. government (see FAR 52.209-6);

Supplier will abide by the requirements set forth in Executive Orders 11246 and 11375. Where applicable, Supplier will abide by 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a), incorporated by reference with this statement: **"This contractor and subcontractor shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability."**

With respect to activities occurring in the State of California, Supplier agrees to adhere to the California Fair Employment and Housing Act. Supplier will provide UC on request a breakdown of its labor force by groups as specified by UC, and will discuss with UC its policies and practices relating to its affirmative action programs. Supplier will not maintain or provide facilities for employees at any establishment under its control that are segregated on a basis prohibited by federal law. Separate or single-user restrooms and necessary dressing or sleeping areas must be provided, however, to ensure privacy.

ARTICLE 13 – LIENS

Supplier agrees that upon UC's request, Supplier will submit a sworn statement setting forth the work performed or material furnished by sub-suppliers and material men, and the amount due and to become due to each, and that before the final payment called for under the Agreement, will upon UC's request submit to UC a complete set of vouchers showing what payments have been made for such work performed or material furnished. Supplier will promptly notify UC in writing, of any claims, demands, causes of action, liens or suits brought to its attention that arise out of the Agreement. UC will not make final payment until Supplier, if required, delivers to UC a complete release of all liens arising out of the Agreement, or receipts in full in lieu thereof, as UC may require, and if required in either case, an affidavit that as far as it has knowledge or information, the receipts include all the labor and materials for which a lien could be filed; but Supplier may, if any sub-supplier refuses to furnish a release or receipt in full, furnish a bond satisfactory to UC to indemnify it against any claim by lien or otherwise. If any lien or claim remains unsatisfied after all payments are made, Supplier will refund to UC all monies that UC may be compelled to pay in discharging such lien or claim, including all costs and reasonable attorneys' fees.

ARTICLE 14 – PREMISES WHERE SERVICES ARE PROVIDED

- A. Cleaning Up. Supplier will at all times keep UC premises where the Services are performed and adjoining premises free from accumulations of waste material or rubbish caused by its employees or work of any of its sub-suppliers, and, at the completion of the Services; will remove all rubbish from and about the premises and all its tools, scaffolding, and surplus materials, and will leave the premises "broom clean" or its equivalent, unless more exactly specified. In case of dispute between Supplier and its sub-suppliers as to responsibility for the removal of the rubbish, or if it is not promptly removed, UC may remove the rubbish and charge the cost to Supplier.
- B. Environmental, Safety, Health and Fire Protection. Supplier will take all reasonable precautions in providing the Goods and Services to protect the health and safety of UC students, staff, faculty, visitors, and members of the public to minimize danger from all hazards to life and property, and will comply with all applicable environmental protection, health, safety, and fire protection regulations and requirements (including reporting requirements). In the event that Supplier fails to comply with such regulations and requirements, UC may, without prejudice to any other legal or contractual rights of UC, issue an order stopping all or any part of the provision of the Goods and/or Services; thereafter a start order for resumption of providing the Goods and/or Services may be issued at UC's discretion. Supplier will not be entitled to make a claim for extension of time or for compensation or damages by reason of or in connection with such stoppage. Supplier will have sole responsibility for the safety of all persons employed by Supplier and its sub-suppliers on UC premises, or any other person who enters upon UC premises for reasons relating to the Agreement. Supplier will at all times maintain good order among its employees and all other persons who come onto UC's premises at Supplier's request and will not engage any unfit or unskilled person to provide the Goods and/or Services. Supplier will confine its employees and all other persons who come onto UC's premises at Supplier's request or for reasons relating to the Agreement and its equipment to that portion of UC's premises where the Services are to be provided or to roads leading to and from such work sites, and to any other area which UC may permit Supplier to use. Supplier will take all reasonable measures and precautions at all times to prevent injuries to or the death of any of its employees or any other person who enters upon UC premises at Supplier's request. Such measures and precautions will include, but will not be limited to, all safeguards and warnings necessary to protect workers and others against any conditions on the premises that could be dangerous and to prevent accidents of any kind whenever the Goods and/or Services are being provided in proximity to any moving or operating machinery, equipment or facilities, whether such machinery, equipment or facilities are the property of or are being operated by, Supplier, its sub-suppliers, UC or other persons. To the extent compliance is required, Supplier will comply with all relevant UC safety rules and regulations when on UC premises.
- C. Tobacco-free Campus. UC is a tobacco-free institution. Use of cigarettes, cigars, oral tobacco, electronic cigarettes and all other tobacco products is prohibited on all UC owned or leased sites.

ARTICLE 15 – LIABILITY FOR UC - FURNISHED PROPERTY

Supplier assumes complete liability for any materials UC furnishes to Supplier in connection with the Agreement and Supplier agrees to pay for any UC materials Supplier damages or otherwise is not able to account for to UC's satisfaction. UC furnishing to Supplier any materials in connection with the Agreement will not, unless otherwise expressly provided in writing by UC, be construed to vest title thereto in Supplier.

ARTICLE 16 – COOPERATION

Supplier and its sub-suppliers, if any, will cooperate with UC and other suppliers and will so provide the Goods and/or Services that other cooperating suppliers will not be hindered, delayed or interfered with in the progress of their work, and so that all of such work will be a finished and complete job of its kind.

ARTICLE 17 – ADDITIONAL TERMS APPLICABLE TO THE FURNISHING OF GOODS

The terms in this Article have special application to the furnishing of Goods:

- A. Price Decreases. Supplier agrees immediately to notify UC of any price decreases from its suppliers, and to pass through to UC any price decreases.
- B. Declared Valuation of Shipments. Except as otherwise provided in the Agreement, all shipments by Supplier under the Agreement for UC's account will be made at the maximum declared value applicable to the lowest transportation rate or classification and the bill of lading will so note.
- C. Title. Title to the Goods purchased under the Agreement will pass directly from Supplier to UC at the f.o.b. point shown, or as otherwise specified in the Agreement, subject to UC's right to reject upon inspection.
- D. Changes. Notwithstanding the terms in Article 34, Amendments, UC may make changes within the general scope of the Agreement in drawings and specifications for specially manufactured Goods, place of delivery, method of shipment or packing of the Goods by

giving notice to Supplier and subsequently confirming such changes in writing. If such changes affect the cost of or the time required for performance of the Agreement, UC and Supplier will agree upon an equitable adjustment in the price and/or delivery terms. Supplier may not make changes without UC's written approval. Any claim of Supplier for an adjustment under the Agreement must be made in writing within thirty (30) days from the date Supplier receives notice of such change unless UC waives this condition in writing. Nothing in the Agreement will excuse Supplier from proceeding with performance of the Agreement as changed hereunder. Supplier may not alter or misbrand, within the meaning of the applicable Federal and State laws, the Goods furnished.

- E. Forced, Convict and Indentured Labor. Supplier warrants that no foreign-made Goods furnished to UC pursuant to the Agreement will be produced in whole or in part by forced labor, convict labor, or indentured labor under penal sanction. If UC determines that Supplier knew or should have known that it was breaching this warranty, UC may, in addition to terminating the Agreement, remove Supplier from consideration for UC contracts for a period not to exceed one year. This warranty is in addition to any applicable warranties in Articles 6 and 11.
- F. Export Control. If any of the Goods is export-controlled under the International Traffic in Arms Regulations (22 CFR §§ 120-130), the United States Munitions List (22 CFR § 121.1), or Export Administration Regulations (15 CFR §§ 730-774) 500 or 600 series, or controlled on a military strategic goods list, Supplier agrees to provide UC (the contact listed on the Purchase Order) with written notification that identifies the export-controlled Goods and such Goods' export classification.

ARTICLE 18 – CONFLICT OF INTEREST

Supplier affirms that, to the best of Supplier's knowledge, no UC employee who has participated in UC's decision-making concerning the Agreement has an "economic interest" in the Agreement or Supplier. A UC employee's "economic interest" means:

- A. An investment worth \$2,000 or more in Supplier or its affiliate;
- B. A position as director, officer, partner, trustee, employee or manager of Supplier or its affiliate;
- C. Receipt during the past 12 months of \$500 in income or \$440 in gifts from Supplier or its affiliate; or
- D. A personal financial benefit from the Agreement in the amount of \$250 or more.

In the event of a change in these economic interests, Supplier will provide written notice to UC within thirty (30) days after such change, noting such changes. Supplier will not be in a reporting relationship to a UC employee who is a near relative, nor will a near relative be in a decision making position with respect to Supplier.

ARTICLE 19 – AUDIT REQUIREMENTS

The Agreement is subject to the examination and audit of the California State Auditor or Comptroller General of the United States or designated Federal authority for a period of up to five (5) years after final payment under the Agreement. UC, and if the underlying grant or cooperative agreement so provides, the other contracting Party or grantor (and if that be the United States or an instrumentality thereof, then the Comptroller General of the United States) will have access to and the right to examine Supplier's pertinent books, documents, papers, and records involving transactions and work related to the Agreement until the expiration of five (5) years after final payment under the Agreement. The examination and audit will be confined to those matters connected with the performance of the Agreement, including the costs of administering the Agreement.

ARTICLE 20 – PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF CONFIDENTIAL INFORMATION

Supplier agrees to hold UC's Confidential Information, and any information derived therefrom, in strict confidence. Confidential Information shall be defined as any information disclosed by UC to Supplier for the purposes of providing the Good and/or Services which is (i) marked as "Confidential" at the time of disclosure; (ii) disclosed orally, identified at the time of such oral disclosure as confidential, and reduced to writing as "Confidential" within thirty (30) days of such oral disclosure; and (iii) if not marked as "Confidential," information that would be considered by a reasonable person in the relevant field to be confidential given its content and the circumstances of its disclosure. Confidential Information will not include information that: (i) Supplier can demonstrate by written records was known to Supplier prior to the effective date of the Agreement; (ii) is currently in, or in the future enters, the public domain other than through a breach of the Agreement or through other acts or omissions of Supplier; (iii) is obtained lawfully from a third party; or (iv) is disclosed under the California Public Records Act or legal process. Supplier will not access, use or disclose Confidential Information other than to carry out the purposes for which UC disclosed the Confidential Information to Supplier, except as permitted or required by applicable law, or as otherwise authorized in writing by UC. For avoidance of doubt, this provision prohibits Supplier from using for its own benefit Confidential Information and any information derived therefrom. If required by a court of competent jurisdiction or an administrative body to disclose Confidential Information, Supplier will notify UC in writing immediately upon receiving notice of such requirement and prior to any such disclosure (unless Supplier is prohibited by law from doing so), to give UC an opportunity to

oppose or otherwise respond to such disclosure. Supplier's transmission, transportation or storage of Confidential Information outside the United States, or access of Confidential Information from outside the United States, is prohibited except with prior written authorization by UC. UC's Appendix – Data Security and Privacy and/or Appendix – HIPAA Business Associate will control in the event that one or both appendices is incorporated into the Agreement and conflicts with the provisions of this Article.

ARTICLE 21 – UC WHISTLEBLOWER POLICY

UC is committed to conducting its affairs in compliance with the law, and has established a process for reporting and investigating suspected improper governmental activities. Please visit <http://www.ucop.edu/uc-whistleblower/> for more information.

ARTICLE 22 – SUSTAINABLE PROCUREMENT GUIDELINES

Supplier will conduct business using environmentally, socially, and economically sustainable products and services (defined as products and services with a lesser or reduced effect on human health and the environment, and which generate benefits to the University as well as to society and the economy, while remaining within the carrying capacity of the environment), to the maximum possible extent consistent with the Agreement, and with the University of California Sustainable Practices Policy (<https://policy.ucop.edu/doc/3100155>) and the University of California Sustainable Procurement Guidelines: (https://www.ucop.edu/procurement-services/_files/sustainableprocurementguidelines.pdf).

In accordance with the University of California Sustainable Practices Policy, Supplier will adhere to the following requirements and standards, as applicable. Supplier acknowledges that failure to comply with any of the sustainability standards and requirements in the Agreement will constitute a material breach of the Agreement and UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

- A. Sustainability Marketing Standards. Supplier sustainability related claims, where applicable, must meet University of California recognized certifications and standards set forth in the UC Sustainable Procurement Guidelines and/or meet the standards of Federal Trade Commission's (FTC) Green Guides.
- B. Electronic Transfer of Supplier Information. Suppliers, when interacting with the University, shall be prohibited from providing hard copies of presentations, marketing material, or other informational materials. Suppliers will be required to present all information in electronic format that is easily transferable to University staff. Materials may be provided in hard copy or physical format if specifically required or requested by a UC representative.
- C. Packaging Requirements. All packaging must be compliant with the Toxics in Packaging Prevention Act (AB 455) and must meet all additional standards and requirements set forth in the UC Sustainable Practices Policy. In addition, the University requires that all packaging meet at least one of the criteria listed below:
 - a. Uses bulk packaging;
 - b. Uses reusable packaging (e.g. totes reused by delivery service for next delivery);
 - c. Uses innovative packaging that reduces the weight of packaging, reduces packaging waste, or utilizes packaging that is a component of the product;
 - d. Maximizes recycled content and/or meets or exceeds the minimum post-consumer content level for packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines;
 - e. Uses locally recyclable or certified compostable material.
- D. Expanded Polystyrene (EPS) Ban. No EPS shall be used in foodservice facilities for takeaway containers. By 2020, the University will be prohibited from procuring Goods containing, or that are provided in packaging containing, Expanded Polystyrene (EPS) other than that utilized for laboratory supply or medical packaging and products where no functional alternatives exist.
- E. E-Waste Recycling Requirements. All recyclers of University of California electronic equipment must be e-Steward certified by the Basel Action Network (BAN).
- F. Hosted and Punch-out Catalog Requirements. Suppliers enabled with eProcurement hosted catalog functionality must clearly identify products with UC-recognized certifications, as defined by the UC Sustainable Procurement Guidelines, in both hosted and punchout catalog e-procurement environments.

ARTICLE 23 – PATIENT PROTECTION AND AFFORDABLE CARE ACT (PPACA) EMPLOYER SHARED RESPONSIBILITY

If the Services involve Supplier furnishing UC with temporary or supplementary staffing, Supplier warrants that:

- A. If Supplier is an Applicable Large Employer (as defined under Treasury Regulation Section 54.4980H-1(a)(4)):
 1. Supplier offers health coverage to its full-time employees who are performing Services for UC;
 2. Supplier's cost of enrolling such employees in Supplier's health plan is factored into the fees for the Services; and

3. The fees for the Services are higher than what the Services would cost if Supplier did not offer health coverage to such full-time employees.
- B. If Supplier is not an Applicable Large Employer (as defined above):
1. Supplier offers group health coverage to its full-time employees who are performing Services for UC and such coverage is considered Minimum Essential Coverage (as defined under Treasury Regulation Section 1-5000A-2) and is Affordable (as defined under Treasury Regulation Section 54.4980H-5(e)); or
 2. Supplier's full-time employees who are performing services for UC have individual coverage and such coverage satisfies the PPACA requirements for mandated individual coverage.

Supplier acknowledges that UC is relying on these warranties to ensure UC's compliance with the PPACA Employer Shared Responsibility provision.

ARTICLE 24 - PREVAILING WAGES

Unless UC notifies Supplier that the Services are not subject to prevailing wage requirements, Supplier will comply, and will ensure that all sub-suppliers comply, with California prevailing wage provisions, including but not limited to those set forth in Labor Code sections 1770, 1771, 1771.1, 1772, 1773, 1773.1, 1774, 1775, 1776, 1777.5, and 1777.6. For purposes of the Agreement, the term "sub-supplier" means a person or firm, of all tiers, that has a contract with Supplier or with a sub-supplier to provide a portion of the Services. The term sub-supplier will not include suppliers, manufacturers, or distributors. Specifically, and not by way of limitation, if apprenticeship occupations are involved in providing the Services, Supplier will be responsible for ensuring that Supplier and any sub-suppliers comply with Labor Code Section 1777.5. Supplier and sub-supplier may not provide the Services unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5 and 1771.1. Notwithstanding the foregoing provisions, Supplier will be solely responsible for tracking and ensuring proper payment of prevailing wages regardless if Services are partially or wholly subject to prevailing wage requirements. In every instance, Supplier will pay not less than the UC Fair Wage (defined as \$13 per hour as of 10/1/15, \$14 per hour as of 10/1/16, and \$15 per hour as of 10/1/17) for Services being performed at a UC Location (defined as any location owned or leased by UC).

The California Department of Industrial Relations (DIR) has ascertained the general prevailing per diem wage rates in the locality in which the Services are to be provided for each craft, classification, or type of worker required to provide the Services. A copy of the general prevailing per diem wage rates will be on file at each UC Location's procurement office, and will be made available to any interested party upon request. Supplier will post at any job site:

- A. Notice of the general prevailing per diem wage rates, and
- B. Any other notices required by DIR rule or regulation.

By this reference, such notices are made part of the Agreement. Supplier will pay not less than the prevailing wage rates, as specified in the schedule and any amendments thereto, to all workers employed by Supplier in providing the Services. Supplier will cause all subcontracts to include the provision that all sub-suppliers will pay not less than the prevailing rates to all workers employed by such sub-suppliers in providing the Services. The Services are subject to compliance monitoring and enforcement by the DIR. Supplier will forfeit, as a penalty, not more than \$200 for each calendar day or portion thereof for each worker that is paid less than the prevailing rates as determined by the DIR for the work or craft in which the worker is employed for any portion of the Services provided by Supplier or any sub-supplier. The amount of this penalty will be determined pursuant to applicable law. Such forfeiture amounts may be deducted from the amounts due under the Agreement. If there are insufficient funds remaining in the amounts due under the Agreement, Supplier will be liable for any outstanding amount remaining due. Supplier will also pay to any worker who was paid less than the prevailing wage rate for the work or craft for which the worker was employed for any portion of the Services, for each day, or portion thereof, for which the worker was paid less than the specified prevailing per diem wage rate, an amount equal to the difference between the specified prevailing per diem wage rate and the amount which was paid to the worker. Review of any civil wage and penalty assessment will be made pursuant to California Labor Code section 1742.

ARTICLE 25 – FAIR WAGE/FAIR WORK

If the Services will be performed at one or more UC Locations, do not solely involve furnishing Goods, and are not subject to extramural awards containing sponsor-mandated terms and conditions, Supplier warrants that it is in compliance with applicable federal, state and local working conditions requirements, including but not limited to those set forth in Articles 11, 12 and 14 herein, and that Supplier pays its employees performing the Services no less than the UC Fair Wage. Supplier agrees UC may conduct such UC Fair Wage/Fair Work interim compliance audits as UC reasonably requests, as determined in UC's sole discretion. Supplier agrees to post UC Fair Wage/Fair

Work notices, in the form supplied by UC, in public areas (such as break rooms and lunch rooms) frequented by Supplier employees who perform Services.

For Services that exceed \$100,000 annually and are not subject to prevailing wage requirements, Supplier will, a) at Supplier's expense, provide an annual independent audit performed by Supplier's independent auditor or independent internal audit department (<http://na.theiia.org/standards-guidance/topics/Pages/Independence-and-Objectivity.aspx>) in compliance with UC's required audit standards and procedures (http://www.ucop.edu/procurement-services/_files/fw-fw-annual-audit-standards-procedures.pdf), concerning Supplier's compliance with this provision, and b) ensure that in the case of a UC interim audit, its auditor makes available to UC its UC Fair Wage/Fair Work work papers for the most recently audited time period. Supplier agrees to provide UC with a UC Fair Wage/Fair Work certification annually, in a form acceptable to UC, no later than ninety days after each one year anniversary of the agreement's effective date, for the twelve months immediately preceding the anniversary date.

ARTICLE 26 – MEDICAL DEVICES

This Article applies when the Goods and/or Services involve UC purchasing or leasing one or more medical devices from Supplier, or when Supplier uses one or more medical devices in providing Goods and/or Services to UC.

Medical Device as used herein will have the meaning provided by the U.S. Food and Drug Administration ("FDA") and means an instrument, apparatus, implement, machine, contrivance, implant, in vitro reagent, or other similar or related article, including a component part, or accessory which is: (i) recognized in the official National Formulary, or the United States Pharmacopoeia, or any supplement to them; (ii) intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of disease, in man or other animals, or (iii) intended to affect the structure or any function of the body of man or other animals, and which does not achieve any of its primary intended purposes through chemical action within or on the body of man or other animals and which is not dependent upon being metabolized for the achievement of any of its primary intended purposes.

Supplier warrants that prior to UC's purchase or lease of any Goods and/or Services or Supplier's use of any product in providing Goods and/or Services hereunder, Supplier will: (i) perform security testing and validation for each such Goods and/or Services or product, as applicable; (ii) perform a security scan by an anti-virus scanner, with up-to-date signatures, on any software embedded within any Goods and/or Services or products, as applicable, in order to verify that the software does not contain any known viruses or malware; (iii) conduct a vulnerability scan encompassing all ports and fuzz testing; and (iv) provide UC with reports for (i) – (iii). Supplier warrants that all security testing performed by Supplier covers all issues noted in the "SANS WE TOP 25" and/or "OWASP Top 10" documentation.

Throughout Supplier's performance of this Agreement, Supplier will provide UC with reasonably up-to-date patches, firmware and security updates for all Goods and/or Services provided to UC, and other products used in the course of providing Services, as applicable. All such patches and other security updates will be made available to UC within thirty (30) days of its commercial release or as otherwise recommended by Supplier or Supplier's sub-supplier, whichever is earlier.

Supplier warrants that all software and installation media not specifically required for any products used by Supplier or Goods and/or Services delivered to UC under this Agreement as well as files, scripts, messaging services and data will be removed from all such Goods or products following installation, and that all hardware ports and drives not required for use or operation of such Goods and/or Services or products will be disabled at time of installation. In addition, Medical Devices must be configured so that only Supplier-approved applications will run.

Supplier agrees that UC may take any and all actions that it, in its sole discretion, deems necessary to address, mitigate and/or rectify any real or potential security threat, and that no such action, to the extent such action does not compromise device certification, will impact, limit, reduce or negate Supplier's warranties or any of Supplier's other obligations hereunder.

Supplier warrants that all of the Goods and/or Services provided to UC, and other products used in the course of providing such Goods and/or Services, meet and comply with all cyber-security guidance and similar standards promulgated by the U.S. Food and Drug Administration and any other applicable regulatory body.

If the Goods and/or Services entail provision or use of medical devices, Supplier will provide UC with a completed Manufacturer Disclosure Statement for Medical Device Security (MDS2) form for each such medical device before UC is obligated to purchase or lease such medical device or prior to Supplier's use of such device(s) in its performance of Services. If Supplier provides MDS2 form(s) to UC concurrently with

its provision of Goods and/or Services, UC will have a reasonable period of time to review such MDS2 form(s), and if the MDS2 form(s) is unacceptable to UC, then UC in its sole discretion may return the Goods or terminate the Agreement with no further obligation to Supplier.

ARTICLE 27 – FORCE MAJEURE

Neither Party will be liable for delays due to causes beyond the Party's control (including, but not restricted to, war, civil disturbances, earthquakes, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather).

ARTICLE 28 – ASSIGNMENT AND SUBCONTRACTING

Except as to any payment due hereunder, Supplier may not assign or subcontract the Agreement without UC's written approval. In case such consent is given, the assignee or subcontractor will be subject to all of the terms of the Agreement.

ARTICLE 29 – NO THIRD-PARTY RIGHTS

Nothing in the Agreement is intended to make any person or entity that is not a signer to the Agreement a third-party beneficiary of any right created by this Agreement or by operation of law.

ARTICLE 30 – OTHER APPLICABLE LAWS

Any provision required to be included in a contract of this type by any applicable and valid federal, state or local law, ordinance, rule or regulations will be deemed to be incorporated herein.

ARTICLE 31 – NOTICES

A Party must send any notice required to be given under the Agreement by email, which will be considered legal notice only if such communications include the following text in the Subject field: FORMAL LEGAL NOTICE – [insert, as the case may be, Supplier name or University of California]. If a physical format is required, it must be sent by overnight delivery or by certified mail with return receipt requested, to the other Party's representative at the address specified by such Party.

ARTICLE 32 – SEVERABILITY

If a provision of the Agreement becomes, or is determined to be, illegal, invalid, or unenforceable, that will not affect the legality, validity or enforceability of any other provision of the Agreement or of any portion of the invalidated provision that remains legal, valid, or enforceable.

ARTICLE 33 – WAIVER

Waiver or non-enforcement by either Party of a provision of the Agreement will not constitute a waiver or non-enforcement of any other provision or of any subsequent breach of the same or similar provision.

ARTICLE 34 – AMENDMENTS

The Parties may make changes in the Goods and/or Services or otherwise amend the Agreement, but only by a writing signed by both Parties' authorized representatives.

ARTICLE 35 – GOVERNING LAW AND VENUE

California law will control the Agreement and any document to which it is appended. The exclusive jurisdiction and venue for any and all actions arising out of or brought under the Agreement is in a state court of competent jurisdiction, situated in the county in the State of California in which the UC Location is located or, where the procurement covers more than one UC Location, the exclusive venue is Alameda County, California.

ARTICLE 36 – SUPPLIER TERMS

Any additional terms that Supplier includes in an order form or similar document will be of no force and effect, unless UC expressly agrees in writing to such terms.

ARTICLE 37 – SURVIVAL CLAUSE

Upon expiration or termination of the Agreement, the following provisions will survive: WARRANTIES; INTELLECTUAL PROPERTY, COPYRIGHT AND PATENTS; INDEMNITY; USE OF UC NAMES AND TRADEMARKS; LIABILITY FOR UC-FURNISHED PROPERTY; COOPERATION; TERMS APPLICABLE TO THE FURNISHING OF GOODS; AUDIT REQUIREMENTS; PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF CONFIDENTIAL INFORMATION; GOVERNING LAW AND VENUE, and, to the extent incorporated into the Agreement, the terms of the APPENDIX–DATA SECURITY and/or APPENDIX–BUSINESS ASSOCIATES.

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately \$200 million annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and OMNIA Partners shall agree. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this contract and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

- A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
- B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;
- C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;
- D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing

9. Supplier's failure to maintain its covenants and commitments contained in this Agreement or any action of the Supplier which gives rise to a right by Principal Procurement Agency to terminate the Master Agreement shall constitute a material breach of this Agreement. If such breach is not cured within thirty (30) days of written notice to Supplier, in addition to any and all remedies available at law or equity, OMNIA Partners shall have the right to terminate this Agreement, at OMNIA Partners' sole discretion. Notwithstanding anything contained herein to the contrary, this Agreement shall terminate on the date of the termination or expiration of the Master Agreement.

NATIONAL PROMOTION

10. OMNIA Partners and Supplier shall publicize and promote the availability of the Master Agreement's products and services to Public Agencies and such agencies' employees. 14. Administrative Fee payments are to be paid by Supplier to OMNIA Partners at the frequency and on the due date stated in Section 13, above, for Supplier’s submission of corresponding Contract Sales Reports. Administrative Fee payments are to be made via Automated Clearing House (ACH) to the OMNIA Partners designated financial institution identified in Exhibit D. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one and one-half percent (1 1/2%) per month or the maximum rate permitted by law until paid in full.

15. Supplier shall maintain an accounting of all purchases made by Participating Public Agencies under the Master Agreement. OMNIA Partners, or its designee, in OMNIA Partners’ sole discretion, reserves the right to compare Participating Public Agency records with Contract Sales Reports submitted by Supplier for a period of four (4) years from the date OMNIA Partners receives such report. In addition, OMNIA Partners may engage a third party to conduct an independent audit of Supplier’s monthly reports. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by OMNIA Partners at the location designated by OMNIA Partners. In the event an underreporting of Contract Sales and a resulting underpayment of Administrative Fees is revealed, OMNIA Partners will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to OMNIA Partners’ reasonable satisfaction, including payment of any Administrative Fees due and owing, together with interest thereon in accordance with Section 13, and reimbursement of OMNIA Partners’ costs and expenses related to such audit.

This Master Intergovernmental Cooperative Purchasing Agreement (this “Agreement”) is entered into by and between those certain government agencies that execute a Principal Procurement Agency Certificate (“Principal Procurement Agencies”) with National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners Public Sector (“OMNIA Partners”) to be appended and made a part hereof and such other public agencies (“Participating Public Agencies”) who register to participate in the cooperative purchasing programs administered by OMNIA Partners and its affiliates and subsidiaries (collectively, the “OMNIA Partners Parties”) by either registering on a OMNIA Partners Party website (such as www.omniapartners.com/publicsector or www.nationalipa.org or any successor website), or by executing a copy of this Agreement.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Principal Procurement Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers have entered into “Master Agreements” (herein so called) to provide a variety of goods, products and services (“Products”) to the applicable Principal Procurement Agency and the Participating Public Agencies;

WHEREAS, Master Agreements are made available by Principal Procurement Agencies through the OMNIA Partners Parties and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Principal Procurement Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase; and

WHEREAS, in addition to Master Agreements, the OMNIA Partners Parties may from time to time offer Participating Public Agencies the opportunity to acquire Products through other group purchasing agreements.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties hereby agree as follows:

1. Each party will facilitate the cooperative procurement of Products.
2. The Participating Public Agencies shall procure Products in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Participating Public Agency’s procurement practices. The Participating Public Agencies hereby acknowledge and agree that it is the intent of the parties that all provisions of this Agreement and that Principal Procurement Agencies’ participation in the program described herein comply with all applicable laws, including but not limited to the requirements of 42 C.F.R. § 1001.952(h), as may be amended from time to time. The Participating Public Agencies further acknowledge and agree that they are solely responsible for their compliance with all applicable “safe harbor” regulations,

including but not limited to any and all obligations to fully and accurately report discounts and incentives.

3. The Participating Public Agency represents and warrants that the Participating Public Agency is not a hospital or other healthcare provider and is not purchasing Products on behalf of a hospital or healthcare provider.

4. The cooperative use of Master Agreements shall be in accordance with the terms and conditions of the Master Agreements, except as modification of those terms and conditions is otherwise required by applicable federal, state or local law, policies or procedures.

5. The Principal Procurement Agencies will make available, upon reasonable request, Master Agreement information which may assist in improving the procurement of Products by the Participating Public Agencies.

6. The Participating Public Agency agrees the OMNIA Partners Parties may provide access to group purchasing organization (“GPO”) agreements directly or indirectly by enrolling the Participating Public Agency in another GPO’s purchasing program, including but not limited to Vizient Source, LLC, Provista, Inc. and other OMNIA Partners affiliates and subsidiaries; provided the purchase of Products through a OMNIA Partners Party or any other GPO shall be at the Participating Public Agency’s sole discretion.

7. The Participating Public Agencies (each a “Procuring Party”) that procure Products through any Master Agreement or GPO Product supply agreement (each a “GPO Contract”) will make timely payments to the distributor, manufacturer or other vendor (collectively, “Supplier”) for Products received in accordance with the terms and conditions of the Master Agreement or GPO Contract, as applicable. Payment for Products and inspections and acceptance of Products ordered by the Procuring Party shall be the exclusive obligation of such Procuring Party. Disputes between Procuring Party and any Supplier shall be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Procuring Party and Supplier.

8. The Procuring Party shall not use this Agreement as a method for obtaining additional concessions or reduced prices for purchase of similar products or services outside of the Master Agreement. Master Agreements may be structured with not-to-exceed pricing, in which cases the Supplier may offer the Procuring Party and the Procuring Party may accept lower pricing or additional concessions for purchase of Products through a Master Agreement.

9. The Procuring Party shall be responsible for the ordering of Products under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a Procuring Party, and, to the extent permitted by applicable law, the Procuring Party shall hold non-procuring party harmless from any liability that may arise from the acts or omissions of the Procuring Party.

10. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE NATIONAL IPA PARTIES EXPRESSLY DISCLAIM ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING ANY PRODUCT, MASTER AGREEMENT AND GPO CONTRACT. THE NATIONAL IPA PARTIES SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL,

EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF THE NATIONAL IPA PARTIES ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, THE PROCURING PARTY ACKNOWLEDGES AND AGREES THAT THE NATIONAL IPA PARTIES SHALL HAVE NO LIABILITY FOR ANY ACT OR OMISSION BY A SUPPLIER OR OTHER PARTY UNDER A MASTER AGREEMENT OR GPO CONTRACT.

11. This Agreement shall remain in effect until termination by either party giving thirty (30) days' written notice to the other party. The provisions of Paragraphs 6 - 10 hereof shall survive any such termination.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”
