

Kimball International Launches New Panel System and Product Enhancements

JASPER, IN., August 28, 2023 – Kimball International continues to expand their portfolio with significant solutions that are relevant and compelling. Developed and created as a result of extensive research with dealer and design partners, Kimball International is excited to share its most recent introductions. These products will add functionality and value to Workplace, Healthcare, and Education spaces.

**Etarran™ panel system, by Kimball**

Simple to specify and quick to install, the [Etarran](#) panel system highlights smart design and durable materials.

Its straightforward electrical components and effortless connectors combine for quick and simple installation. Its flexible storage configurations and multiple leg designs make it easy to create solutions from single workstations and touch down areas to multiperson hubs for collaboration or focus.
