

**Kimball International Announces New Seating and Table Solutions**

JASPER, IN., May 22, 2023 -- Kimball International announces new, design-focused, inspiring, and efficient seating and table solutions. Designed to create dynamic, comfortable, and effective spaces, these products support workplace, health, and learning environments. Running parallel to their [Creating Places to Belong](#) initiative, Kimball International continues to introduce products that create connection, spark conversations, and support well-being.

**Connolly™ Lounge**

Maximize small or larger spaces, address a range of styles, and create a variety of configurations with [Connolly](#)'s broad offering of lounge seating and inline tables. This collection of freestanding and modular units optimizes comfort with a unique design that maintains generous seat proportions even with a smaller scale footprint. Residentially styled with option rich design elements and beautiful stitching details, Connolly accommodates a variety of configurations and smaller floorplans without compromising comfort.

**Picado™ Seating**

[Picado](#)'s eye-catching, monochromatic palette makes it easy to add style and functionality to any multipurpose space. Designed to accommodate collaborative settings, Picado supports changing postures and provides maximum comfort with its intuitive adjustments and flex back design. Choose from worksurface and stool height solutions to outfit entire spaces with consistent style.

**Mariben™ Pull-Up Tables**

[Mariben](#) pull-up tables combine smart design with stylish contours. Its crescent-shaped base plate allows the pull-up table to be nestled around the leg of a chair or lounge seating, enabling the surface to be closer to the user. This base design also accommodates nesting for easy storage or tiered tables. Mariben incorporates mixed materials, height adjustability, and varied shaped tops, cultivating a table solution that is practical, affordable, and flexible.
