

One partnership. More ways to support your campuses.

Add feminine care to the trusted Kimberly-Clark products you already source through OMNIA® Partners.

Many states now require schools to provide feminine care products for students — and for OMNIA® Partners members, supporting these requirements just got easier.

If you already purchase Kimberly-Clark solutions through OMNIA®, adding feminine care is a natural next step. You get the same trusted brands, the same member pricing and the convenience of sourcing more of your hygiene needs through one contract.

A familiar partner. Quality products. One simple way to support your campuses.
