

KONICA MINOLTA

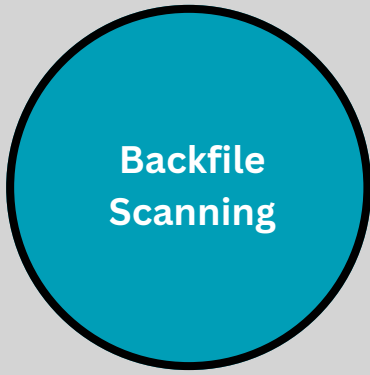

“A customer called, they need a file by tomorrow...”

“The auditor is here, he wants the following files...”

Records Scanning Services

Available through the OMNIA Partners GPO Program

Facilities

71,300 sq. ft. of operations space across 5 imaging centers, and can scale to over 100,000 sq. ft.

Secure Processing

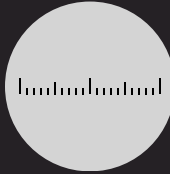

Our facilities are secured with access control and 24/7 video monitoring. 5,000 sq. ft of open rack space is available, with the option of storage in our controlled environment “vault” archives with FM200 fire suppression

Staffing

Our centers operate with 135 technicians with a total staffing capacity of over 700 working multiple shifts

Range of Capabilities

Fully equipped to handle projects of any complexity with solutions in place for high speed scanning, fragile documents, large format scanning, and micrographics (film/fiche) processing

Capacity

We process over 13M images per month, with the capacity to scale up to more than 20M images per month
