#### **RE: Price Adjustment Notification**

To our Valued Customers,

Due to unprecedented global increases in commodities and freight, KI is adjusting list prices by 9.0%. This increase is to include all orders pertaining to the current contracts and agreed upon terms between KI and Region 4, contracts R180402 and R1914808. KI's commercial electronic price lists are set to be updated on or after December 1, 2021 at www.Kl.com but will go into effect thirty (30) days after approval and written notification from Region 4 ESC for both Region 4 Contracts.

KI will also be retaining the 5% surcharge on all orders to address some of the cost increases not reflected in the price adjustments. This surcharge applies to products, options, and surface materials only. It will not be added to separate freight or installation charges. The surcharge is temporary. It protects our customers from having to permanently realize those cost / price increases which are transitory.

There is an exception to the 9% price adjustment. Delivered pricing for the Intellect Wave Collection and for Ruckus Seating will increase by 11% to address increasing freight costs.

The price increase and surcharge do not reflect the full extent of cost increases KI is experiencing. KI is absorbing some of the cost increases as well to continue offering products with superior value to our customers.

Like every furniture company, KI has seen escalating cost increases across our entire supply chain. This includes double digit cost increases for steel, resin (plastic), aluminum, foam, corrugated (cartoning), container costs from offshore, and domestic freight among other items.

We expect some of these costs to remain high for the foreseeable future, while others will likely moderate to their historic mean – hence, the rationale for a temporary surcharge.

All quotes remain valid for 30 days.

We appreciate your support during these challenging times.

Sincerely.

Andy Van Straten Contract Manager, KI

# MATERIAL BRIEF September 2021

### **STEEL**

The CRU index has recognized a trading price for CR coil in the USA-Midwest that is <u>239%</u> higher than the price in August 2020. Mill lead-times remain extended. Demand levels remain elevated as buyers work to rebuild inventories. Logistical issues are causing delays of 1-2 months on imports. Upcoming mill outages may prevent any hope for significant price reduction in Q4-2021.

#### **PLASTIC**

An imbalance of demand against tight supply for monomer used in the production of polypropylene continues to support higher prices in the market. Multiple producers maintain their declaration of Force Majeure (see list provided on pages 3-5). The September 2021 market price for random copolymer in North America is 218% higher than it was in May 2020.

### <u>Aluminum</u>

The price for Aluminum in North America has steadily increased as producers struggle to keep pace with demand. The September 2021 market price for aluminum in North America is <u>86%</u> higher than it was in May 2020.

### **Glass**

The price for  $\frac{1}{2}$ " tempered glass has been increasing due to robust demand in North America. Kl's September 2021 price is  $\frac{15\%}{2}$  higher than it was in May 2020.

RE: KI Request for Surcharge price adjustment for #R180402 on #R191808 - Effective September 1st, 2021

Dear Mr. Zingelmann:

KI has focused on controlling costs by not implementing catalog price increases. However, since the beginning of 2021, KI has experienced market conditions that have put immense pressure on the cost of materials and commodities. At the same time, rising fuel costs and a limited supply of drivers have increased shipping rates dramatically, with trends that are expected to persist for the foreseeable future.

Current materials, fuel and transportation impact increases:

Plastic resin: 31% Freight: 13%

Metal Components and Fabrication: 25% Particleboard: 10%

Raw Steel: 15% Aluminum components: 9%

As a result, KI will be implementing a 5% materials, commodities, fuel, and transportation surcharge to orders effective September 1<sup>st</sup>, 2021. This surcharge applies to products, options, and surface materials, which will be reflected as a line item on quotes, acknowledgment, and invoice.

The Surcharge is not permanent and will not be added to separate freight or installation charges.

This temporary surcharge price adjustment will allow us to recover a portion of the materials, commodities, fuel, and transportation increases we are incurring. We will continue to review and evaluate the market and by 4<sup>th</sup> quarter, KI will be able to project and determine the surcharge and current catalog pricing models.

Tel 920-468-8100

Fax 920-468-0280

If you have any questions regarding this surcharge, please feel free to reach out to your Sales Representative or Contract main contact.

KI would like to thank you for your time and continual partnership.

Sincerely,

Andrew Van Straten Contract Manager

### Ricochet<sup>™</sup> Stool

Ricochet stools support student movement, which is essential for cognitive development. Featuring a rounded base for an active sit, Ricochet stools offer freedom to fidget, which can help keep bodies and minds engaged.

With its small scale and light weight, Ricochet is easy for students and teachers alike to carry and reposition as needed. When flipped, the gently concaved top with waterfall edge nests with the convex base to stack up to 3-high.

Ricochet comes in five heights from 12" to 20". Two-tone color options offer playful appeal, while all-poly construction and a nonslip base design ensure durability and stability for years to come.

### Other Environmental Attributes:

Summary outline and explanation of additional certifications.

### **WELL Building Standard**

The WELL Building Standard is the first standard to integrate human health and wellness into the design, construction, maintenance and operations of buildings.

### **SmartWay Certified**

KI recently acquired a new fleet of SmartWay Certified trucks, resulting in less fuel usage, decreased exhaust output, and economic savings. In addition, we utilize other SmartWay certified trucking companies when needed.

#### Other Attributes

<u>End-of-Life Recycling & Reuse</u>: KI selects materials that can be recycled at the end of a product's use and designs its products so that it can be easily disassembled and separated for local recycling facilities. *Disassembly Instructions* can be found online or by request.

### PRODUCT SPECIFICATIONS

Ricochet Wobble Stool

September 2020

#### Stool

Stool seat support, base and column spacers (stool heights 14" and taller) are constructed of polypropylene specified in select KI colors. Seat, base and spacers are separated by polypropylene spacer rings standard in KI's Blue Grey. Polypropylene parts are held together using appropriately sized M10 through bolt. Stools feature convex base permitting an active-sit with 12 degrees of stable rocking motion.

### Seating Surface Pad

Seating surface pad is constructed of plastic polymer and is standard in KI's Blue Grey. The pad is adhered to the seat support using a round double-sided tape pad.

### Non-Slip Bottom

Stool bottom is constructed of a textured, non-slip thermoplastic rubber padding (always in black), that is suitable for carpeted and hard floors.

### Compliance

Seating exceeds BIFMA's X5.1-2017 seating durability test and drop test; and passes KI's internal standard testing for 400-pound capacity. Meets CA 01350.

Spacesaver has an emphasis on customer satisfaction and continuous improvement. The statement of warranty is our continued commitment that Spacesaver is dedicated to serving our customers.

#### LIFETIME LIMITED WARRANTY

Subject to the conditions stated below, Spacesaver Corporation ("Spacesaver") warrants to the original purchaser exclusively that the shelving and mobile carriages ("structural frames") manufactured by it will be free from defects in materials and workmanship for the lifetime of the structural frames. For the purposes of this warranty, structural frames shall be deemed to exclude all moving parts, controls and guides that have immediate contact with any moving parts.

### **10-YEAR LIMITED WARRANTY**

Spacesaver also warrants that all carriage drive motors\*, shall be free from defects in materials and workmanship for ten (10) years from the date of the customer's written acceptance of installation. During the 10-year warranty period, all parts are included at no cost for 10 years. Labor is included at no cost during the first year of the 10-year warranty period. After the first year, all labor will be charged at the current rate.

### **5-YEAR LIMITED WARRANTY**

Spacesaver also warrants that all equipment, other than structural frames and carriage drive motors\*, shall be free from defects in materials and workmanship for five (5) years from the date of the customer's written acceptance of installation. During the 5-year warranty period, all parts are included at no cost for 5 years. Labor is included at no cost during the first year of the 5-year warranty period. After the first year all labor will be charged at the current rate.

\*Eclipse™ Powered Systems and Wheelhouse™ High-Density Mobile Storage Systems only. Refer to Warranty for Mobile Rack Systems.

If any warranted equipment shall be proved to Spacesaver's satisfaction to be defective, such equipment shall be repaired or replaced at the option of Spacesaver. All warranty service for any equipment manufactured by Spacesaver must be performed by an authorized Spacesaver factory representative. This warranty shall be void if any portion of the purchase price shall be due but unpaid in accordance with the terms pursuant to which the equipment was sold. This warranty shall not apply to equipment repaired by any party other than an authorized Spacesaver factory representative or to defects or factory installation (unless installation was by authorized factory installer), (c) improper electrical supply or environmental conditions, (d) improper operation, maintenance or storage, or (e) other than normal use or service. EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH ABOVE, SPACESAVER MAKES NO WARRANTIES, IMPLIED OR OTHERWISE, AND SPACESAVER SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

### LIMITATION OF LIABILITY

Repair or replacement of any defective equipment, or refund of the purchase price paid by the customer in the event Spacesaver determines such equipment cannot be repaired or replaced, shall be the customer's exclusive remedy for breach of the warranty for product defects, however caused, and in no case shall Spacesaver be liable for incidental, consequential, special or other damages, or loss of profits or revenues whether as a result of breach of contract or warranty, Spacesaver's negligence, or otherwise. Spacesaver shall have no liability for any advice or assistance rendered by any party outside the scope of Spacesaver's written specifications for the manufacture, operation or maintenance of the warranted equipment. Original installation must be performed by Spacesaver trained and certified installers.

#### WARRANTY / SUMMARY

The warranty applies only to Spacesaver products acquired directly from Spacesaver Corporation or from Authorized Spacesaver Area Contractors, Distributors and Dealers.

The warranty does not apply to any product which has been subject to misuse, negligence, or accident; has been damaged in shipment, storage, or installation; has been misapplied, has been modified or repaired by unauthorized persons or has been repaired with non-standard Spacesaver replacement parts. This warranty specifically excludes claims for indirect, incidental, or consequential damages arising in any way from a product defect. This warranty is exclusive, and exists in lieu of all other warranties, either expressed or implied.

This warranty does not apply to products considered to be of consumable nature, such as batteries and light ballasts.

This warranty does not apply to tarnishing, oxidation, paint blemishes, and rust that could arise from products being stored or used in damp or humid environments.

### Activestor®

Spacesaver has an emphasis on customer satisfaction and continuous improvement. The statement of warranty is our continued commitment that Spacesaver is dedicated to serving our customers.

### LIFETIME LIMITED WARRANTY

This Spacesaver warranty is given to the initial purchaser and is valid as long as the initial purchaser owns the product. The warranty, which runs from the date of shipment, covers defects in materials and craftsmanship found during normal usage of the product during the warranty period. If the product is defective, and if written notice of the defect is given to Spacesaver within the applicable warranty period, Spacesaver, at its option, will either repair or replace the defective product with a comparable component or product. This Lifetime Warranty is applicable to all Spacesaver ActiveStor® products except as listed below.

#### 10-YEAR LIMITED WARRANTY

This Spacesaver warranty is given to the initial purchaser and is valid as long as the initial purchaser owns the product. The warranty, which runs from the date of shipment, covers defects in materials and craftsmanship found during normal usage of the product during the warranty period. If the product is defective, and if written notice of the defect is given to Spacesaver within the applicable warranty period, Spacesaver, at its option, will either repair or replace the defective product with a comparable component or product. This 10-Year Warranty is applicable to all Lateral File drawer slides.

### **WARRANTY PROVISIONS**

Warranty does not apply to damage caused by a carrier, or alteration to the product not expressly authorized by Spacesaver. It also does not apply to "Customer's Own Goods/Material" (i.e., goods/material specified by the customer that is not standard Spacesaver product offering) used in the manufacture of, or in conjunction with, Spacesaver products. Spacesaver does not warrant the matching of color, grain, or texture except to within commercially accepted standards. A product will not be considered defective and Spacesaver will not be obligated to replace it, if that product is subject to any of Spacesaver's written planning, installation or user guides, and is not installed or used as recommended therein.

### WARRANTY / SUMMARY

The warranty applies only to Spacesaver products acquired directly from Spacesaver Corporation or from Authorized Spacesaver Area Contractors, Distributors and Dealers.

The warranty does not apply to any product which has been subject to misuse, negligence, or accident; has been damaged in shipment, storage, or installation; has been misapplied, has been modified or repaired by unauthorized persons or has been repaired with non-standard Spacesaver replacement parts. This warranty specifically excludes claims for indirect, incidental, or consequential damages arising in any way from a product defect. This warranty is exclusive, and exists in lieu of all other warranties, either expressed or implied.
