FURNITURE DESIGNED BY TEACHERS

## MODERN CLASSROOM

This responsive environment is designed for maximum agility and a clean, contemporary aesthetic. The space features smooth-gliding mobile desks that can be neatly arranged for teacher-led instruction, then quickly and easily reconfigured for collaborative discussions, partner work, group projects and more.

## COMMON AREA

Everyone feels right at home in this comfortable and centralized campus hub. The spacious area includes tech-ready furniture and a wide variety of soft and ergonomic seating options—making it the ideal place to welcome school visitors, hold informal meetings, get a jump on homework or just hang out.

## MEDIA CENTER

Give students the perfect place to explore print and digital media—whether they’re using technology to prepare presentations, conducting independent and collaborative research, or enjoying a good book. The center even serves double duty, offering a cozy meetup spot for student clubs, parent organizations and more.

## SCHOOL CAFÉ

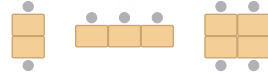

With an inviting atmosphere built right in, this open community space elevates the dining experience—energizing students and staff members as they eat, take a break and socialize. Plus, convenient mobile tables and modular furniture quickly rearrange to create a multipurpose gathering place for campus events.
