RE: Price Update for R190501

Dear Region 4 ESC,

We are submitting an updated price list as prices have been updated.

As the direct manufacturer of Lakeshore products, we take into consideration a variety of factors to determine any increases/decreases in our catalog prices.

Because we develop, manufacturer, deliver, and market our own products, our price increases are based on the increases in raw material cost, transportation, and other elements of the supply chain.

There is an average increase of 8%, over the total product assortment in the Lakeshore catalogs. The price increase does not reflect the full extent of increasing cost faced by Lakeshore Learning Materials.

Should there be any price decreases or other reductions to our prices, this savings will be reflected in updated pricing.

These prices will be in effect through December 1, 2022, unless there are unprecedented changes in input costs, or factors outside of our control.

All existing quotes will remain valid for a period of 90 days.

If you have any questions, please feel free to contact me at 800-421-5354, x2783 with any additional questions or concerns.

Thank you for your partnership in this matter.

Sincerely,

A handwritten signature in black ink that reads "Tyler Domski". The signature is written in a cursive, flowing style.
