

**Region 4 Education Service Center (ESC)**

**Contract # R190603**

*for*

Auctioneer Services and Related Products

*with*

**Lone Star Auctioneers, Inc.**

Effective: February 1, 2020

The following documents comprise the executed contract between the Region 4 Education Service Center and Lone Star Auctioneers, Inc., effective February 1, 2020:

- I. Vendor Contract and Signature Form
- II. Supplier's Response to the RFP, incorporated by reference
- III. Request for Contract Update dated 10/8/2019

### Request for Contract Update

Pursuant to the terms of contract number 19-06 for Auction Services Contractor must notify and receive approval from Region 4 ESC when there is an update in the contract. No request will be officially approved without the prior authorization of Region 4 ESC. Region 4 ESC reserves the right to accept or reject any request.

Lone Star Auctioneers, Inc.  
(Contractor) hereby provides notice of the following update on  
this date 10/8/2019.

**Instructions:** Contractor must check all that may apply and shall provide supporting documentation. Requests received without supporting documentation will be returned. This form is not intended for use if there is a material change in operations, such as assignment, bankruptcy, change of ownership, merger, etc. Material changes must be submitted on a "Notice of Material Change to Vendor Contract" form.

**Authorized Distributors/Dealers**

**Other** \_\_\_\_\_  
\_\_\_\_ Supporting Documentation

Notes: Contractor may include other notes regarding the contract update here: (attach another page if necessary).  
Lone Star Auctioneers respectfully requests approval for the withdrawal of Option A - Self-posting model offered in our proposal for the subject solicitation. We have never had a seller select Option A for any auctions for, by or through any of the purchasing cooperatives, government contracts nor our private sellers. We do not believe Omnia Partners/Region 4 members would choose Option A under this new contract because more services and competitive pricing are available under Option B.

**DRAFT CONTRACT**  
**SIGNATURE FORM**  
**TERMS AND CONDITIONS ACCEPTANCE FORM**

**APPENDIX A**  
**DRAFT CONTRACT**

This Contract ("Contract") is made as of \_\_\_\_\_, 201X by and between LONE STAR AUCTIONEERS, INC ("Contractor") and Region 4 Education Service Center ("Region 4 ESC") for the purchase of AUCTION SERVICES AND RELATED PRODUCTS ("the products and services").

**RECITALS**

WHEREAS, Region 4 ESC issued Request for Proposals Number R\_19-06 for AUCTION SERVICES AND RELATED PRODUCTS ("RFP"), to which Contractor provided a response ("Proposal"); and

WHEREAS, Region 4 ESC selected Contractor's Proposal and wishes to engage Contractor in providing the services/materials described in the RFP and Proposal;

WHEREAS, both parties agree and understand the following pages will constitute the Contract between the Contractor and Region 4 ESC, having its principal place of business at 7145 West Tidwell Road, Houston, TX 77092.

WHEREAS, Contractor included, in writing, any required exceptions or deviations from these terms, conditions, and specifications; and it is further understood that, if agreed to by Region 4 ESC, said exceptions or deviations are incorporated into the Contract.

WHEREAS, this Contract consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth below shall control.

WHEREAS, the Contract will provide that any state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies") may purchase products and services at prices indicated in the Contract upon the Public Agency's registration with OMNIA Partners.

- 1) Term of agreement. The Contract is for a period of three (3) years. Region 4 ESC shall have the right to renew the Contract for two (2) additional one-year periods or portions thereof. Region 4 ESC shall review the Contract prior to the renewal date and notify the Contractor of Region 4 ESC's intent renew the Contract. Contractor may elect not to renew by providing three hundred sixty-five days' notice to Region 4 ESC.
- 2) Scope: Contractor shall perform all duties, responsibilities and obligations, set forth in this agreement, and described in the RFP, incorporated herein by reference as though fully set forth herein.
- 3) Form of Contract. The form of Contract shall be the RFP, the Offeror's proposal and Best and Final Offer(s).
- 4) Order of Precedence. In the event of a conflict in the provisions of the Contract as accepted by Region 4 ESC, the following order of precedence shall prevail:
  - i. This Contract
  - ii. Offeror's Best and Final Offer

CONTRACT

- iii. Offeror's proposal
  - iv. RFP and any addenda
- 5) Commencement of Work. The Contractor is cautioned not to commence any billable work or provide any material or service under this Contract until Contractor receives a purchase order for such work or is otherwise directed to do so in writing by Region 4 ESC.
- 6) Entire Agreement (Parol evidence). The Contract, as specified above, represents the final written expression of agreement. All agreements are contained herein and no other agreements or representations that materially alter it are acceptable.
- 7) Assignment of Contract. No assignment of Contract may be made without the prior written approval of Region 4 ESC. Contractor is required to notify Region 4 ESC when any material change in operations is made (i.e. bankruptcy, change of ownership, merger, etc.).
- 8) Novation. If Contractor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. Region 4 ESC reserves the right to accept or reject any new party. A change of name agreement will not change the contractual obligations of Contractor.
- 9) Contract Alterations. No alterations to the terms of this Contract shall be valid or binding unless authorized and signed by Region 4 ESC.
- 10) Adding Authorized Distributors/Dealers. Contractor is prohibited from authorizing additional distributors or dealers, other than those identified at the time of submitting their proposal, to sell under the Contract without notification and prior written approval from Region 4 ESC. Contractor must notify Region 4 ESC each time it wishes to add an authorized distributor or dealer. Purchase orders and payment can only be made to the Contractor unless otherwise approved by Region 4 ESC. Pricing provided to members by added distributors or dealers must also be less than or equal to the Contractor's pricing.
- 11) TERMINATION OF CONTRACT
- a) Cancellation for Non-Performance or Contractor Deficiency. Region 4 ESC may terminate the Contract if purchase volume is determined to be low volume in any 12-month period. Region 4 ESC reserves the right to cancel the whole or any part of this Contract due to failure by Contractor to carry out any obligation, term or condition of the contract. Region 4 ESC may issue a written deficiency notice to Contractor for acting or failing to act in any of the following:
    - i. Providing material that does not meet the specifications of the Contract;
    - ii. Providing work or material was not awarded under the Contract;
    - iii. Failing to adequately perform the services set forth in the scope of work and specifications;
    - iv. Failing to complete required work or furnish required materials within a reasonable amount of time;
    - v. Failing to make progress in performance of the Contract or giving Region 4 ESC reason to believe Contractor will not or cannot perform the requirements of the Contract; or
    - vi. Performing work or providing services under the Contract prior to receiving an authorized purchase order.

Upon receipt of a written deficiency notice, Contractor shall have ten (10) days to provide a satisfactory response to Region 4 ESC. Failure to adequately address all issues of concern may result in Contract cancellation. Upon cancellation under this paragraph, all goods, materials, work, documents, data and reports prepared by Contractor under the Contract shall immediately become the property of Region 4 ESC.

- b) Termination for Cause. If, for any reason, Contractor fails to fulfill its obligation in a timely manner, or Contractor violates any of the covenants, agreements, or stipulations of this Contract Region 4 ESC reserves the right to terminate the Contract immediately and pursue all other applicable remedies afforded by law. Such termination shall be effective by delivery of notice, to the Contractor, specifying the effective date of termination. In such event, all documents, data, studies, surveys, drawings, maps, models and reports prepared by Contractor will become the property of the Region 4 ESC. If such event does occur, Contractor will be entitled to receive just and equitable compensation for the satisfactory work completed on such documents.
- c) Delivery/Service Failures. Failure to deliver goods or services within the time specified, or within a reasonable time period as interpreted by the purchasing agent or failure to make replacements or corrections of rejected articles/services when so requested shall constitute grounds for the Contract to be terminated. In the event Region 4 ESC must purchase in an open market, Contractor agrees to reimburse Region 4 ESC, within a reasonable time period, for all expenses incurred.
- d) Force Majeure. If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders of any kind of government of the United States or the State of Texas or any civil or military authority; insurrections; riots; epidemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty.

- e) Standard Cancellation. Region 4 ESC may cancel this Contract in whole or in part by providing written notice. The cancellation will take effect 30 business days after the other party receives the notice of cancellation. After the 30th business day all work will cease following completion of final purchase order.
- 12) Licenses. Contractor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by Contractor. Contractor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of services under the Contract. Region 4 ESC reserves the right to stop work and/or cancel the Contract if Contractor's license(s) expire, lapse, are suspended or terminated.

- 13) Survival Clause. All applicable software license agreements, warranties or service agreements that are entered into between Contractor and Region 4 ESC under the terms and conditions of the Contract shall survive the expiration or termination of the Contract. All Purchase Orders issued and accepted by Contractor shall survive expiration or termination of the Contract.
- 14) Delivery. Conforming product shall be shipped within 7 days of receipt of Purchase Order. If delivery is not or cannot be made within this time period, the Contractor must receive authorization for the delayed delivery. The order may be canceled if the estimated shipping time is not acceptable. All deliveries shall be freight prepaid, F.O.B. Destination and shall be included in all pricing offered unless otherwise clearly stated in writing.
- 15) Inspection & Acceptance. If defective or incorrect material is delivered, Region 4 ESC may make the determination to return the material to the Contractor at no cost to Region 4 ESC. The Contractor agrees to pay all shipping costs for the return shipment. Contractor shall be responsible for arranging the return of the defective or incorrect material.
- 16) Payments. Payment shall be made after satisfactory performance, in accordance with all provisions thereof, and upon receipt of a properly completed invoice.
- 17) Price Adjustments. Should it become necessary or proper during the term of this Contract to make any change in design or any alterations that will increase price, Region 4 ESC must be notified immediately. Price increases must be approved by Region 4 ESC and no payment for additional materials or services, beyond the amount stipulated in the Contract shall be paid without prior approval. All price increases must be supported by manufacturer documentation, or a formal cost justification letter. Contractor must honor previous prices for thirty (30) days after approval and written notification from Region 4 ESC. It is the Contractor's responsibility to keep all pricing up to date and on file with Region 4 ESC. All price changes must be provided to Region 4 ESC, using the same format as was provided and accepted in the Contractor's proposal.

Price reductions may be offered at any time during Contract. Special, time-limited reductions are permissible under the following conditions: 1) reduction is available to all users equally; 2) reduction is for a specific period, normally not less than thirty (30) days; and 3) original price is not exceeded after the time-limit. Contractor shall offer Region 4 ESC any published price reduction during the Contract term.

- 18) Audit Rights. Contractor shall, at its sole expense, maintain appropriate due diligence of all purchases made by Region 4 ESC and any entity that utilizes this Contract. Region 4 ESC reserves the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. Region 4 ESC shall have the authority to conduct random audits of Contractor's pricing at Region 4 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 4 ESC is made aware of any pricing being offered that is materially inconsistent with the pricing under this agreement, Region 4 ESC shall have the ability to conduct an extensive audit of Contractor's pricing at Contractor's sole cost and expense. Region 4 ESC may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 4 ESC.

- 19) Discontinued Products. If a product or model is discontinued by the manufacturer, Contractor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.
- 20) New Products/Services. New products and/or services that meet the scope of work may be added to the Contract. Pricing shall be equivalent to the percentage discount for other products. Contractor may replace or add product lines if the line is replacing or supplementing products, is equal or superior to the original products, is discounted similarly or greater than the original discount, and if the products meet the requirements of the Contract. No products and/or services may be added to avoid competitive procurement requirements. Region 4 ESC may require additions to be submitted with documentation from Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 4 ESC may reject any additions without cause.
- 21) Options. Optional equipment for products under Contract may be added to the Contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.
- 22) Warranty Conditions. All supplies, equipment and services shall include manufacturer's minimum standard warranty and one (1) year labor warranty unless otherwise agreed to in writing.
- 23) Site Cleanup. Contractor shall clean up and remove all debris and rubbish resulting from their work as required or directed. Upon completion of the work, the premises shall be left in good repair and an orderly, neat, clean, safe and unobstructed condition.
- 24) Site Preparation. Contractor shall not begin a project for which the site has not been prepared, unless Contractor does the preparation work at no cost, or until Region 4 ESC includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.
- 25) Registered Sex Offender Restrictions. For work to be performed at schools, Contractor agrees no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Contractor agrees a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at Region 4 ESC's discretion. Contractor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.
- 26) Safety measures. Contractor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Contractor shall post warning signs against all hazards created by its operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.
- 27) Smoking. Persons working under the Contract shall adhere to local smoking policies. Smoking will only be permitted in posted areas or off premises.

- 28) Stored materials. Upon prior written agreement between the Contractor and Region 4 ESC, payment may be made for materials not incorporated in the work but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to Region 4 ESC prior to payment. Such materials must be stored and protected in a secure location and be insured for their full value by the Contractor against loss and damage. Contractor agrees to provide proof of coverage and additionally insured upon request. Additionally, if stored offsite, the materials must also be clearly identified as property of Region 4 ESC and be separated from other materials. Region 4 ESC must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary. Until final acceptance by Region 4 ESC, it shall be the Contractor's responsibility to protect all materials and equipment. Contractor warrants and guarantees that title for all work, materials and equipment shall pass to Region 4 ESC upon final acceptance.
- 29) Funding Out Clause. A Contract for the acquisition, including lease, of real or personal property is a commitment of Region 4 ESC's current revenue only. Region 4 ESC retains the right to terminate the Contract at the expiration of each budget period during the term of the Contract and is conditioned on a best effort attempt by Region 4 ESC to obtain appropriate funds for payment of the contract.
- 30) Indemnity. Contractor shall protect, indemnify, and hold harmless both Region 4 ESC and its administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of the Contractor, Contractor employees or subcontractors in the preparation of the solicitation and the later execution of the Contract. Any litigation involving either Region 4 ESC, its administrators and employees and agents will be in Harris County, Texas.
- 31) Marketing. Contractor agrees to allow Region 4 ESC to use their name and logo within website, marketing materials and advertisement. Any use of Region 4 ESC name and logo or any form of publicity, inclusive of press releases, regarding this Contract by Contractor must have prior approval from Region 4 ESC.
- 32) Certificates of Insurance. Certificates of insurance shall be delivered to the Region 4 ESC prior to commencement of work. The Contractor shall give Region 4 ESC a minimum of ten (10) days' notice prior to any modifications or cancellation of policies. The Contractor shall require all subcontractors performing any work to maintain coverage as specified.
- 33) Legal Obligations. It is Contractor's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services and shall comply with all laws while fulfilling the Contract. Applicable laws and regulation must be followed even if not specifically identified herein.

OFFER AND CONTRACT SIGNATURE FORM

The undersigned hereby offers and, if awarded, agrees to furnish goods and/or services in strict compliance with the terms, specifications and conditions at the prices proposed within response unless noted in writing.

**TAB 2**  
**PRODUCTS AND PRICING**

**PRICING**

**Option A**      Self-post (Do-It-Yourself)  
                      Seller Posts/Seller Collects

Seller collects gross sales and taxes plus Buyers' Premium and remits Buyers' Premium to Lone Star Auctioneers. Lone Star remits 2% of collected Buyers' Premiums to ESC4 as an administrative fee and retains 10% as compensation for the auction. Seller remits sales tax to state. Self-post sellers will receive 95% of the selling price.

Cost to Seller	5% Commission paid to auctioneer from proceeds
Cost to Buyer	12% Buyer Premium

Portion of Buyer Premium paid to Auctioneer	10%
Total Admin Fee Portion of Buyer Premium paid to ESC4	2%

**Option B**      **Full-Service**  
                      Lone Star Posts/Lone Star Collects

Lone Star remits 100% of gross sales to seller and 2% admin fee to ESC4 and retains the remaining 10%. Lone Star remits sales tax to state.

Cost to Seller	0%
Cost to Buyer	12%

Portion of Buyer Premium paid to Auctioneer	10%
Total Admin Fee Portion of Buyer Premium paid to ESC4	2%

• *Is a fee charged if the auction is not successful (items are not sold)?*

No.

~~• *Is the auction fee a percentage of sale price or flat fee?*~~

Commissions and the Buyer Premium are both calculated as a percentage of the collected selling price of the item (lot) excluding state sales and diesel equipment taxes.

• *Is there a minimum auction fee?*

No.

- *Is the auction fee the same for all auctions or a scaled fee based upon size of auction or sale price?*

Our commissions and Buyer Premiums are the same for all of a seller's auctions no matter the size or dollar volume of the item or total sale.

- *Is the auction fee deducted from or added to the sale price?*

Commissions, if applicable, are deducted from the selling price and Buyer Premiums are added to the selling price.

- *Provide fees for involved marketing of the auction sale, including real estate (residential, commercial and industrial lots), commercial equipment and vehicles.*

Advertising costs for real estate, specialized or especially valuable equipment, aircraft, large watercraft, or other high value assets will be on a cost-reimbursable basis and proposed to and approved by the seller prior to the commitment to media. There is no way for proposers to anticipate the breadth, depth or duration for advertising which might be required under this agreement. E.g., on June 5, 2019, Lone Star Auctioneers sold a monumental bronze statue of Robert E. Lee in a restricted auction. The statue brought \$1,435,000 and was paid for within eighteen hours by wire transfer. There is no way we could have anticipated the need for a marketing plan and advertising costs for a famous larger than life bronze statue of this magnitude.

- *Provide any other information applicable to the auction fee.*

Lone Star Auctioneers charges Self-post sellers a 5% commission which we keep which means sellers receive less of the selling price than with the Full-service model.

Full-service sellers keep 100% of the selling price and pay no fees or costs for the auction. Lone Star collects a 12% Buyer Premium and remits 2% of the 12% to ESCA.

---

### *Implementation and Training*

*Indicate the fee or fees to be charged for use of the web-based online auction system.*

There will be no fees charged for the use of our online auction system.

*Provide a complete fee schedule for this service. At a minimum, address each of the following items:*

- *Describe the types of costs, if any, applicable to implementation of the web-based auction program for a contracting member.*

There will be no costs for the implementation of our online auctions.

- *Describe and provide the costs, if any, applicable to providing training for a contracting member.*

There will be no costs associated with the use of our full-service auctions. Self-service sellers will undergo an initial training session up to 10 hours. Additional training and tech support will be charged at \$50 per hour in half hour segments.

- *Types of costs may include implementation fee, training fee, customization fee, travel, per diem, materials, etc.*

There will be no other costs or fees associated with use of our online program. There will be absolutely no need for travel or per diem costs or materials.

- *Provide other information applicable to implementation and training fees.*

#### *Technical Support*

- *Describe and provide fees for technical support services, if any.*

There will be no fees for technical support to full-service users. Self-service users will be subject to \$50 per hour tech support charges billed in half hour segments for any support after the 10 hour training.

- *Provide any other information applicable to technical support fees.*

None.

#### *System Upgrade & Maintenance*

- *Describe and provide fees system upgrade and maintenance, if any.*

None.

- *Provide any other information applicable to system upgrade and maintenance fees.*

#### *Other Costs*

None.

*Describe and provide any other fees or costs applicable to the contract. Provide a complete fee schedule for this service. At a minimum, address each of the following items:*

- *Sales Tax*

For Full-service clients, Lone Star will collect and remit timely all state and local sales taxes to the Texas Comptroller of Public Accounts.

Self-service users will be responsible for collecting and remitting all sales taxes to the State Comptroller

*o Indicate how sales tax/use tax would be tracked and paid.*

Our software automatically differentiates between taxable and non-taxable items based on our date upload calculates all sales taxes due for taxable items and generates a report showing taxable totals. Taxes are totaled by invoice for each buyer and for each auction and are stored in our database by tax classification in the appropriate sales tax account. On a monthly basis we remit the reconciled taxes due to the State Comptroller.

*o Identify what jurisdiction(s) would be the recipient of sales tax revenue.*

Self-service clients would collect and pay sales taxes according to which tax districts are applicable to their location.

Since payments for Full-service auctions are collected in Fort Worth, Texas, sales taxes are paid for our location.

- *Revenue Share*

*o Discuss possible revenue share arrangements.*

None.

*o Offerors should state proposed percentages, how revenue share will be calculated and how and when they will be paid.*

None.

- *Is a fee charged for a Member to register on the system?*

No.

- *Is a fee charged for a potential bidder to register on the system?*

No.

- *Discuss how fees are collected from agency pay and a Buyer pay perspective*

Fees are collected at the time of payment. For Self-service clients, the seller would collect the 12% Buyer Premium and remit it to Lone Star who would then remit to ESC4 their 2% in accordance with this agreement.

- *Describe options available for collecting payment from bidders (e.g. agency collect, Contractor collect, etc.)*

Self-service clients would collect payment in whatever form and manner they determine best suits their needs.

Lone Star would collect all funds for Full-service clients and remit those funds to the seller by EFT no later than five days after the buyer payment deadline. ESC4 would be paid in accordance with the requirements of this contract.

**TAB 3**  
**PERFORMANCE CAPABILITY**

## PERFORMANCE CAPABILITY

### *A. Brief history and description of Supplier.*

Lone Star Auctioneers has been in business for over thirty-five (35) years. The company was incorporated in Texas - June 18, 1984.

As exemplified by the owners, officers and staff of Lone Star Auctioneers, our corporate (and personal) mission is threefold:

- To yield the highest possible net return on assets to our clients in the highest ethical fashion while alleviating costs and effort of the client
- To maintain absolute integrity of assets and processes within the scope of the contract in all our business practices; and
- To provide responsive, courteous service to our clients and the buying public.

Lone Star Auctioneers is a certified woman-owned, woman-run small business (WBE and HUB-certified). We are privately owned and financially very sound. Lone Star is a full-service firm providing a comprehensive range of auction services including live and online auction services to all levels of government. The clients we have served include city, county, state and federal agencies, higher education, school districts, utility districts, and other government and public entities. We have sold virtually every type of commodity for various government entities. We have conducted auctions in numerous cities and states around the U.S.

Our staff and software capabilities are sufficient to handle any growth in auction activity while maintaining oversight and providing a personal level of service for each of our clients. We have a well-trained, motivated and stable staff with little turnover.

Our corporate history includes primarily contracts with government agencies with significant contracts with commercial entities. Several of our current and most recent federal government contracts include the following:

- Sequential contracts with United States Marshals Service Northern District of Texas since 1989. Services for those contracts include the transportation, secure indoor and outdoor storage, maintenance and disposition of seized vehicles, tractor trailers and heavy equipment for the Dallas/Fort Worth, Lubbock and Amarillo areas. Under that contract we have provided live, live/WebCast and online auctions. Total sales approach \$13.4 million for this USMS client. Our online auction sales have exceeded \$1,554 million in less than two years.
- Vehicle services contracts with the Southern District of Texas (Houston/Galveston region and the Corpus Christi/Upper Valley region), the Western District of Texas (El Paso and Eastern New Mexico region), and the District of Arizona. These contracts required us to have secure warehouse and outdoor storage facilities and vehicle towing capacity in each location.
- We have held the highly complex Texas Facilities Commission contract with the State of Texas continuously since 1988. During that tenure, we have sold 85 live and live/WebCast auctions, which have averaged over \$1,000,000 per auction. We currently sell Texas agency surplus in online-only auctions which have totaled approximately \$19 million in

the last ten years. We have sold a total of approximately \$112,400,000 in state surplus vehicles, equipment, FF&E and miscellaneous items for the State of Texas in the past 26 years.

- For eight years we held successive U.S. Marshals Service National Jewelry Contracts.
  - The USMS jewelry contracts included performance requirements for the secure transportation, storage, management and sale at auction (live, online-only and webcast) of seized and forfeited diamonds, jewelry, gold and silver bullion, fine watches, antiques, art and other valuables for the entire United States, its territories and possessions (1991-1995 and 2002-2009).
  - Annual sales were in the \$6,000,000 range and up.
  - These contracts required that we store, secure, manage and account for both forfeited and non-forfeited assets valued at as much as \$60 million dollars in jewelry, gold, silver and other valuables.
  - Assets were secured in the Class II bank vault which we installed in our corporate headquarters building.
  - We exercised dual internal control of all assets from the time they arrived into our custody until they were either forfeited by court order, sold and delivered to the rightful auction buyers or were shipped back to the USMS.

Other notable online auction experience includes:

- The very recent sale of a bronze statue of Confederate General Robert E. Lee for \$1,435,000 plus taxes and Buyers' Premium.
  - The residual non-realty assets from Reunion Arena, former home of the Dallas Mavericks (for the City of Dallas).
  - The remaining non-realty assets from Texas Stadium, former home of the Dallas Cowboys (for the City of Irving).
  - Over \$1,000,000 worth of fashion products (82 pallets) made with exotic animal skin, hide, fur, and shell which were imported illegally and seized by the U.S. Fish and Wildlife Service Eagle Repository/Denver.
  - Unclaimed Property for the Montana Department of Revenue, the West Virginia, Utah, along with previous contracts with Alabama, the California State Controller's Office, Colorado State Treasurer's Office, Texas Comptroller of Public Accounts and South Carolina State Treasurer's Offices.
  - Online auctions for the entire Texas A&M University system.
  - And online surplus auctions for numerous cities, counties, regional agencies, universities and school districts around the U.S.
- 
- We currently hold cooperative purchasing contracts with National IPA, TIPS and BuyBoard.

Lone Star Auctioneers is driven by our own high standards. Our staff is more than capable of performing to the highest standards required by TCPN and its member agencies. We commit to TCPN the courteous, competent and friendly services of a dedicated staff to maximize revenues, maintain immaculate records and minimize problems from all our activities. We will make the designated key personnel available to perform the requirements of this contract throughout their employment. We will recruit and train additional staff as volume demands.

All current Lone Star Auctioneers employees have undergone thorough background checks through the United States Marshals Service and the Dallas and Fort Worth Police Departments including the National Crime Information Center (NCIC) and the Texas Crime Information Center (TCIC). All future employees will undergo rigorous background checks prior to their employment and utilization under this and our other contracts.

*B. Total number and location of sales persons employed by Supplier.*

Lone Star Auctioneers currently has three people involved with sales, and all three are located in our corporate headquarters at 4629 Mark IV Parkway, Fort Worth, Texas. We maintain no satellite offices.

*C. Number and location of support centers (if applicable) and location of corporate office.*

See B. above.

*D. Annual sales for the three previous fiscal years.*

Fiscal 2016	\$29,673,247.00
Fiscal 2017	\$29,552,871.00
Fiscal 2018	\$34,062,102.00
Fiscal 2019	\$11,010,211.00

*b) Performance Capability*

*a. Include a detailed response to Appendix D, Exhibit A, OMNIA Partners Response for National Cooperative Contract. Responses should highlight experience,*

Throughout our response, Lone Star has detailed our experience in terms of major government clients, geographic range of performance, duration and continuous performance of contracts in a variety of auction formats.

Our clients and buyers are exceptionally loyal to Lone Star Auctioneers. In the nine years we have held TCPN/NIPA auction contracts, not one seller has changed auction providers.

*demonstrate a strong national presence,*

Lone Star Auctioneers has a very strong regional presence among local and state government entities and a strong national presence among state treasurers and attorneys general who are responsible for the sale of the contents of unclaimed safe deposit boxes.

*describe how Offeror will educate its national sales force about the Contract,*

We do not have a national sales force other than the individuals listed above.

*describe how products and services will be distributed nationwide,*

Our services are available for use throughout the U.S. and are as easy to use in Vermont as in Fort Worth, Texas.

*include a plan for marketing the products and services nationwide, and describe how volume will be tracked and reported to OMNIA Partners.*

We do not have a plan for marketing nationwide. We spent great effort and a reasonable amount of money trying to develop a national market under a cooperative purchasing agreement prior to our first TCPN contract to no avail. It is a very difficult market to approach nationally for these types of services. There will be no tracking and reporting.

[www.LSOauctions.com](http://www.LSOauctions.com)

- *Describe the process for creating and conducting an auction.*

The following is the simple “How To” for clients using our Full-service model. It is so much easier, faster, simpler and efficient than the Self-service model. With Full-service auctions, the client lists the items for sale, compiles and emails us a lotted spreadsheet from an Excel template we provide. The client takes photos of each lot numbered with the corresponding lot number and emails or sends them via DropBox. The client determines the dates and durations of preview and inspection periods and staffs them accordingly. Lone Star sets the starting bids and increments based on our historical experience with the same assets sold in our online auctions. We post, monitor, change, delete and close auctions. Staff monitors items that are not receiving bids to indicate starting price might need to be lowered. We collect the proceeds, pay our sellers within one week and remit all sales taxes to the state.

With the Self-service model clients have to determine starting prices, increments, duration, terms of payment, and then upload, post, monitor the auction, change starting prices as necessary, remove, add, or adjust lots as necessary, close the auctions, collect payment and taxes and pay the state.

Although we offer Self-service auctions, we have never had one seller select that method for their online auctions. The surplus administrator for the entire Texas A&M University system called our Full-service auctions “Hands Free Auctions.”

- *Describe the steps for a member to begin using the web-based auction system.*

1. The member calls Lone Star Auctioneers and speaks with our Project Manager of Online Auctions.
2. Member receives “How To” packet (above).
3. PM explains the packet and process to member.
4. Member sends spreadsheet and images to Lone Star.
5. Member receives 100% of the proceeds electronically within 5 business days after the buyer payment deadline.
6. Member receives full set of reconciled electronic reports providing a complete audit trail for all transactions and data at the same time as our payment. Please see Report Samples submitted separately.
7. Member deposits check for 100% of proceeds.

- *Describe the capabilities and functionality of Offeror’s web-based online auction system.*

Spectrum Net Designs hosts our online server in as state-of-the-art data center, provides around-the-clock technical support and monitoring, and develops our customizations and periodic software and hardware upgrades. Lone Star owns our server hardware and software.

**Lone Star has the following bandwidth and support available at all times:**

- 400 GB of Bandwidth per month with no cap throughput
- 4U of space in our data center cabinet
- Managing of server updates
- Managing of software updates
- Daily backup of files to offsite location every 15 minutes
- Nightly download of entire database
- Utilization of three separate cloud servers

The web server has redundant power supplies, and the Raid 5 configuration will allow a hard drive failure with interrupting the auction process.

All LoneStarOnline hardware and software are housed in a state-of-the-art data center which is served by a backup generator capable of powering the entire data center in the event of a complete power outage. There are three separate independent internet trunks serving the data center from three different major U.S. cities. These are tied directly into the internet source and are not served by ISP resellers.

### **Safe and Secure**

The data center, which is the only one of its kind in West Michigan, ranks among the top network operating centers in the midwest. It houses high-end backup and monitoring systems, redundant servers and routers, multiple Internet backbone connections and secure collocation cabinets containing customer equipment. With a secure, climate-controlled environment, the large, multi-million dollar Data Center is the ideal place to store mission-critical systems.

---

### **Quality Equipment**

The Data Center has advanced technology and a spacious, innovative design that allows Spectrum to meet almost any customer request. Quality equipment and well-designed systems make Spectrum's connections extremely dependable. Continuous backup systems ensure exceptionally high uptime.

### **Reliable Network**

A robust network has always been a key priority. Today their network stability is unmatched even by large national providers. The following measures contribute to their network reliability:

- Multiple gigabit connections to the Internet backbone through carriers in various cities, ensuring continuous connectivity. If a major carrier becomes unavailable, network traffic automatically routes through another carrier.
- Burstable Bandwidth capacity
- Continuous monitoring of network usage to ensure open bandwidth for all of their customers.
- Location on multiple SONET fiber rings, ensuring connectivity in the event of an accidental fiber cut

### **Secure infrastructure**

The Data Center was built to ensure the safety of the information it houses:

- Redundant power supplies and a backup generator keep the center operational during power outages.
- The facility has its own heating and cooling system, maintaining a temperature and humidity level appropriate for the equipment it houses
- An inert-gas fire suppression system and fire doors protect equipment from fire hazards.
- The security systems prevent unauthorized access to the facility and engineers escort all visitors to the data center.

### **High Performance Equipment**

The Data Center equipment is configured for outstanding performance. The Data Center doesn't just have top-notch servers and routers – they have redundant servers and routers that are load-balanced and self-healing. If one piece of equipment goes down, another takes over immediately, preventing interruptions in service. This sensible design also allows Spectrum to upgrade and replace equipment without affecting their customers. Upgrades occur regularly. Spectrum constantly monitors bandwidth utilization, adding more capacity before it is needed.

*Indicate how often upgrades are made to the system, including the testing processes used before implementation of an upgrade.*

We periodically upgrade features of our software as we recognize areas of improvement or identify additional features to be added. There is not a regular schedule to the upgrades. To some extent, it is an ongoing process. We can and will make specific upgrades at the request and expense of clients; however, we have attempted to make our software as feature-rich and flexible as possible.

Some of the really interesting features of our new software are:

- More intuitive, easy-to-use, icon-driven functions for sellers for uploading, posting, changing, adding and deleting lots, descriptions, images and auctions;

- Expanded and enhanced search features for both buyers, sellers and administrators;
- Reduced scrolling throughout access to the site;
- Simplified and better organized descriptions, terms, special conditions, etc;
- Additional "Just Started" and "Closing Soon" features for bidders to see new listings and upcoming closings on a daily basis;
- Enhanced "My Account" section with immediate access to invoices and receipts;
- Ability for buyers to add or remove items from their "Watch List" at will;
- Improved single login so bidders have complete access throughout the online website;
- Easy-Pay "one-click" online payments using checks and credit cards;
- Automated ability for buyers to mark individual line items on an invoice to be taxed or not taxed based on their intended use or resale;
- Auto-fill preparation and printing of State Sales Tax, Resale and Exemption certificates for seller retention;
- Electronic signatures on Sales Tax and Exemption forms meeting state requirements;
- Complete automated accounting, payment and auction reports for sellers; and
- Broadened access for sellers to the entire transactional database for their online auctions to customize additional reports or analyses of particular interest to that seller or department.

We own the URLs LSAuctions.com and LSOuctions.com to support these two sites and to enhance our search engine optimization (SEO), increase our rankings, facilitate simpler searches, and make it easier for visitors to access us with simpler, shorter web addresses. We will still have LSA.cc and LSO.cc to provide the simplest, shortest and speediest access to our websites with the fewest keystrokes. Our original URLs, LoneStarAuctioneers.com and LoneStarOnline.com, will still access the appropriate Lone Star websites.

▪ *Describe the system's security capabilities and the privacy protection available to both sellers and buyers.*

Lone Star Auctioneers has an SSL Certificate with *GeoTrust*, to maintain internet security for sellers and buyers in our online auctions. The encryption enabled by the SSL Certificate assures online visitors that confidential information and transactions cannot be viewed, intercepted or altered. *GeoTrust* certificates are only issued to fully authorized subscribers.

Both our corporate headquarters server and our online auction server are protected by state-of-the-art firewalls and up to date virus protection. Both are password protected, and access to them is strictly controlled.

Access to client information and buyer information is strictly controlled and limited to only those individuals who have a functional need to access that information. We do not release any buyer

information for any reason except as basic registration data such as name, address and phone number. Social Security Number, credit card or other financial information is never captured on our site. We have not and would not release any client information without the express written permission of the client.

All employees of Lone Star Auctioneers undergo rigorous background checks and are cleared through the National Crime Information Center (NCIC) and the Texas Crime Information Center (TCIC) prior to employment.

Our servers and other hardware are physically secure as well. The access and control of the online auction server is closely controlled. It operates in a high-priority, special utility district that is protected from brownouts and rolling blackouts. The following information is provided to convey the seriousness with which we regard security of assets, information, hardware and software.

In September, 2018, we installed a new state-of-the-art Cisco router with robust firewall in our secure server room to protect our office servers and new AT&T fiber optic VOIP communications systems.

The server room is climate-controlled and stays locked around-the-clock. Only key management and IT staff have access to the server room. All components of our voice and data servers and communications systems are password protected.

The Lone Star Auctioneers Building is a high-security facility that the United States Marshals Service Asset Forfeiture Office in Washington, D.C., referred to as "Fort Knox" because of our extensive, multi-layer, redundant security. The entire complex is under internal and external CCTV surveillance by numerous day/night color cameras. There are is a comprehensive alarm system, multiple videophone entry systems, a combination keypad entry/magnetic-swipe employee entry system, and levels of security we do not detail for security reasons.

*▪ Describe the tools and customizations available to the seller for creating auctions, including but not limited to, internal reallocation, dutch or split auctions, reserve prices, minimum bid requirements, bidder deposit requirements, ability to copy previous auctions, ability to repost previous auctions, etc.*

**Tools and customizations available to sellers:**

The following topics address the features available to Sellers through our online software:

- Fund Accounting

We have the ability to report to the client agency by Seller, department, fund account or other allocation.

- Internal Re-allocation

We have a system for internal re-allocation if any client agency requires.

- Changes

We can change virtually any aspect of an auction or lot including descriptions, images, etc.

We can also reassign auctions or groups of auctions to other Sellers, departments, fund accounts, etc.

- Dutch or Split Auctions

We have the option of conducting English (the customary convention), Dutch, Split, Yankee or Vickrey auctions.

- Reserve price

We can set reserve prices (minimums) on particular items. The program will not allow the item to sell below the reserve. We can change the reserve price during the course of active auctions. The reserve prices will not be visible to the public. A "reserve not met" message will display for all bids below the reserve.

- Minimum bid

We can set minimum starting bids for individual auctions or groups of auctions.

- Copying Auctions

Our system allows us to copy all of the information from one auction to an unlimited number of other auctions with a few keystrokes. Only the information that is not to be duplicated requires entry.

- Relist function

Auctions can be set to relist automatically if they do not sell in the first auction.

- Bid Increments

We can set bid increments which are appropriate to the types and values of items being sold. This is a feature we use to try to maximize *value related* bidding prices and activity.

- Notification Emails

The client agency can decide which buyer notification emails it would like to receive and who within the client agency should receive them.

- Cooperative Purchasing Partners

Any non-participant approved by the client agency to use this contract will receive complete reconciled reports. No activity will be commingled with agency auctions.

- Internal Reallocation

Lone Star can create a system for the client agency to reallocate surplus assets within departments or for other approved entities.

- Private Auctions

We can create private auctions that require special authorization to participate, i.e. firearms auctions to law enforcement or ATF-licensed dealers, freon sales to licensed A/C contractors, alcoholic beverages to licensed warehousemen, 8-liners to dealers out of state buyers, etc.

Participation for bidders would be upon proof of licensure or other stipulation dictated by the client agency.

- Starting Price  
We will set starting prices for each auction which will encourage bidding but discourage *lowball* bidding. These prices are visible to the public. The system will not accept bids below this level. The starting price can and is often adjusted during the course of the auction. This technique has worked quite well for our online auctions.
  - Bidder Deposits  
For online auctions, we discourage the use of bidder deposits. The cost of receiving, tracking, administering, applying, accounting for and returning deposits does not offset the fractional benefits of the deposits. We have a very high percentage of collection of payment. We will consider deposits for certain classes of items or for high value assets if the client agency so desires. We can require deposits for *private auctions* if the client desires.
  - Copying Auctions  
Our system allows us to copy all of the information from one auction to an unlimited number of other auctions with a few keystrokes. Only the information that is not to be duplicated requires entry.
- *Describe the tools available to the bidder for participating in auctions, including but not limited to, email notifications, proxy bidding, identity protection, etc.*

**Locating Items of Interest:**

1. Prospective buyers can quickly and easily locate auctions of interest in a number of ways: by using links by geography, seller, or category, by key word search, by advanced search, by featured image, or by all images.
2. Seller/Calendar Date (Agency) – Links to current Sellers appears on the left side of the LoneStarOnline.com and LoneStarAuctioneers.com home pages which will take potential buyers to the auctions of sellers in a desired area or to a seller who has the type of merchandise of interest.
3. Category – A list of assets types appears on the left side of the home page so a potential buyer can select the types of items they may wish to purchase.
4. Keyword Search - A Search box appears just above the Seller list on the page. Buyers can put in one or more words, and the system will return all matches.
5. Advanced Search - Allows buyers to search by: item title or description keyword, seller, zip code (Seller can define radius in miles from that zip code), lot number, auction status, date, any word, all words, or phrase, "Any" or "All" categories, active

auctions, inactive auctions, or all, auctions, item ID number, and Seller number. The buyer can specify the order of the output file.

6. Image – Bidders can scan the ever-changing random feature images on the home page, or they can click the link *View All Thumbnails* which takes them to the Studio Gallery. This page allows them to select a Seller or Category of interest. Upon doing so, images for ALL lots of that Seller or in that category appear. By moving their cursor over an image, the lot number and description of that lot appear in a box on the screen. Clicking on the image will take them to that particular lot for bidding or additional information.

The feature images on the LoneStarOnline.com home page refresh and change at two-minute intervals, so buyers will see different featured lots every time they visit the home page.

#### Easy translation into Spanish and twelve other languages

1. At the bottom of our LSO home page is a link that appears as the flag of Mexico. Clicking this link translates this page and all subsequent pages into Spanish.
2. Another *translate* link on the bottom toolbar allows a buyer to translate the pages into twelve other major foreign languages. There is a translator link on the bottom button bar of LoneStarAuctioneers.com as well.

#### Dynamic Closing

1. Lone Star provides our clients the option of *Dynamic Closing*. This is one of the most important features of our program and the single greatest improvement over the eBay-style of static closings. It significantly increases our clients' revenues.
2. *Static closing* refers to an online auction which closes precisely at the scheduled time without exception. The last bid placed in the final moment before the stated time is the winner regardless of how many bidders may have been bidding or trying to bid at the close.
3. This closing method is responsible for the practice known as *bid sniping* where bidders wait to bid until the very last minute in hopes of being the winner. One of the serious criticisms buyers have expressed with eBay-style closings concerns the problem of sniping. Bid sniping occurs when a bidder or bidders lay in wait at lower price levels and try to time their bid to occur strategically just as an item closes thus depriving other interested bidders of exercising their right to compete to any higher level. The legitimate bidder thinks they have the item won, and a sniper places a last second bid freezing out the other bidder.

4. Dynamic closing counters the practice of sniping by extending the closing time when there is last minute activity on an item. If there is a bid placed within a pre-determined increment of time before the scheduled close, the closing is extended by that increment. If another bid is placed within that extension period, the closing is extended by the time increment. This continues until no bid is placed within the extension period. We determine the duration of the dynamic closing periods. A five minute window gives bidders enough time to make their bid decision on a particular item and still be watching and bidding on other items which may be closing at the same time.
5. Sniping harms both participating bidders and especially the Seller in that snipers, in order to keep their ultimate purchase price low, do not bid until the final moment before closing. This deprives the Seller of substantial revenue and the other bidders the opportunity to own the item for which they would have paid more.
6. The problems with bid sniping are:
  - a. price levels do not go as high during the course of the auction because some bidders are laying in wait for their chance to snipe;
  - b. when the auction closes, there frequently are unsuccessful bidders who are willing to pay more than the winning buyer, but lost the sniping game in the final seconds;
  - c. bona fide bidders are deprived of items by sniping; and
  - d. the seller does not receive the full, willing market value of their assets. Money is left on the table.
7. With static closings, the only winner is the sniper. The seller and all other bidders lose to the sniper without recourse. We would not recommend conducting an auction without dynamic closing.
8. Lone Star utilizes dynamic closing exclusively for our clients. Experience has demonstrated emphatically the value of this feature. We have seen online sale prices nearly double during extended bidding after the scheduled closing time has passed. For example, bids for one garbage truck went from about \$16,000 to \$28,850 in a dynamic closing period which lasted 12-15 minutes. We have experienced Dynamic Closing periods in which bidding continued for over 45 minutes after the scheduled close.

---

9. We can set the duration of the dynamic closing periods.
  - a. If the dynamic closing period is set to five minutes and a bid is placed one second before the scheduled close, our system will extend the closing time by five minutes.

- b. If a bid is placed within the initial five minute extension period, bidding will extend for an additional five minutes. Only after there has been a five minute period in which no bid is placed will the item close and the winning bidder be determined. Our system has an optional feature which will notify bidders as they are outbid on an item.

### **Access for the Visually Impaired**

Our website software conforms to federal regulations for use by the visually impaired. With free software, a visually impaired bidder can access our site which will interpret each cursor position and will link into an audible reading of the site.

### **Optional Emails**

Bidders select whether they want to be notified that their bid has been received in the system and/or when they have been outbid. They also have other options in terms of email notification.

1. Future Watch - Bidders may list keywords under a personal Future Watch. When auctions are listed containing those keywords, they are sent an automated email with links directly to those specific items of interest as soon as those items are posted to an auction. Future watchers receive notification even before the items officially open.
2. Notification Emails - The following emails are sent to our bidders at certain stages of the cycle providing the following information:
  - a. Registration information has been received;
  - b. Account has been activated to bid;
  - c. A person's account will not be activated because;
  - d. A bid has been successfully placed by the bidder;
  - e. A bidder has exceeded their bid and theirs is no longer the high bid;
  - f. Notice that they are the winning bidder on specific lot(s) and they will receive an email invoice from which to pay;
  - g. An email invoice with total purchases, taxes, shipping, expenses, and total due with payment terms and pick-up instructions (as applicable);
  - h. Notice that payment has been received, pick-up instructions or a notice that their items will be shipped; and
  - i. A notice that the buyer's purchases have been shipped along with the tracking number of the shipment (as applicable).

### **Autobid or Proxy Bidding**

1. We offer an Autobid feature which is an automatic proxy-type of bid which is automatically placed by the system on behalf of a bidder who cannot or does not wish to participate personally during the closing minutes.
  - a. To use this feature, a bidder selects the Autobid drop-down box to place his/her maximum bid on an item. Required bid increments are provided in the instructions.

- b. The bidder enters the maximum bid desired and confirms the bid. The system submits bids at established increments on that bidder's up to (but not exceeding) the maximum bid which was entered by the bidder. If the current bid is \$1,000 and the bid increments are \$25 when the bidder places an autobid of \$2,000, the program would bid \$1,025 automatically.
- c. The initial bid will remain the high bid until exceeded by another bidder. When this occurs, the system will automatically bid to the next increment until the autobid maximum amount is reached. If the autobid is not exceeded by another bidder, the autobid is the successful high bid.
- d. If two autobids are placed by different bidders on the same lot, the system automatically submits bids until the bid price exceeds the lowest of the two auto bids.
- e. In this way a bidder has the opportunity to purchase an item in absentia at a bid no greater than his/her maximum autobid price but also has the opportunity to win it at a lower price if not outbid.

#### **Identity Protection**

1. Lone Star Auctioneers has an SSL Certificate (Secure Sockets Layer) with *GeoTrust*, to maintain Internet security for people registering and participating in our online auctions. SSL security is the international standard for ensuring secure e-commerce transactions and communications. An SSL Certificate and seal are the trusted mark of Internet security to enabling the strongest SSL encryption and security available to site visitors. Our SSL seal verifies that encryption is active and transactions are secure and in real time. The seal includes a time/date stamp showing Greenwich Mean Time.
2. Lone Star Auctioneers does not disclose buyer information to any parties or entities other than the specific sellers whose merchandise is purchased by the buyer. The sole exception is confidential release to potential government clients when security of information is assured in writing and/or is required by law. Such release is conditioned upon the commitment not to duplicate the information and to return the information in its original form.
3. All seller and buyer online accounts are protected with 256 bit encryption. We do not release login credentials by any other method but emailing them to the email address on file. Our site will log out the bidder after thirty minutes of inactivity which helps prevent any unauthorized use of our system.
4. We use Frost Bank's TransArmor PCI Rapid Compliance Service that scans our network for security vulnerabilities each month and alerts us to any possible threats. This is a useful tool that not only keeps our network safe, but also helps us remain PCI DSS (Personal Card Industry Data Security Standard) compliant. Malware is a growing

problem in the payment industry, so maintaining PCI compliance is of utmost importance.

5. We are in the process of upgrading all of our office computers to maintain security, minimize vulnerabilities, and remain PCI DSS (Personal Card Industry Data Security Standard) compliant.

#### **Federal Trade Commission's Online Auction Awareness Link**

LoneStarOnline.com and LoneStarAuctioneers.com each have a link to the FTC's online consumer guide for some time. Those links will be maintained on our sites for the duration of this contract and beyond.

- *Provide website information to include administrative access to the site. Include instructions and screen shots for navigating the various site tools.*

Although ESC4 members will not need administrative access to the backend of LoneStarOnline.com, Lone Star Auctioneers includes screen shots of the administrative backend of LoneStarOnline.com and the interactive help pages for each section as attachments in the bid binder. The help pages should be relatively self-explanatory. Self-service members will have administrative access to their accounts.

The user members will be able to query and modify from the *My Account* section of LoneStarOnline.com after logging into the system

- *Indicate how long auction records are maintained for download by the seller. All activities and transactions processed through the web-based auction system must be fully auditable for a period of five (5) years after the transaction.*

Lone Star Auctioneers maintains our auction logs for a minimum of seven (7) years.

- *Describe Offeror's system of technical support. What are the hours and days technical support is available? Do you provide upgrade packages? Distinguish between seller and buyer support*

Technical support is available between the hours of 8:00 A.M. until 5:30 P.M., Central Time, Monday through Fridays except Federal Holidays. Most holidays someone will be working who can provide a basic level of tech support.

Non-emergency tech support by email will usually be answered in two (2) hours or less but in no case later than twenty-four (24) hours after receipt. Emergency support is available by telephone at our main number, 817.740.9400, or our national toll-free line, 800.275.3336.

Full-service member agencies get unlimited emergency support by email or telephone and unlimited non-emergency technical support by email. Self-service members will get unlimited emergency technical support by email and by phone as available. Unlimited non-emergency email support will be provided to client agencies on an *as available* basis. The Self-service fee for tech support is \$50 per hour billed in 30 minute increments.

Buyer support is available during business hours at [Service@LoneStarAuctioneers.com](mailto:Service@LoneStarAuctioneers.com) or by telephone at the numbers above. Our system is so simple, we have very few buyer calls for help.

▪ *What is the typical methodology for requesting customization and typical time frame for responding to such a request?*

A member would request one or more customizations in writing to our IT Manager. Our software development team would analyze the request and work to be done. A proposed budget would be presented to the member for acceptance in writing. Depending upon the degree of difficulty, the rewrite normally could be accomplished in a ten day to 30 day time frame.

With over \$225,000,000 in online sales, Lone Star has never had a request for customization of our online software by a client.

*e. Describe how Offeror responds to emergency orders.*

A perfect example of our response to an emergency order occurred within the past 30 days between May 21, 2019, and June 6, 2019.

Background: Lone Star Auctioneers, Inc. has held the auction contract for the City of Dallas for the sale of surplus vehicles, heavy equipment, miscellaneous FF&E, impounded and abandoned vehicles. On May 21<sup>st</sup>, we were notified that the City Council was going to consider a resolution at the next day's meeting on May 22<sup>nd</sup> to have a confederate monument of Robert E. Lee declared miscellaneous surplus and if so, could we sell it in an online auction get it paid for in time for the council to approve the sale in their next meeting on the 5<sup>th</sup> of June, 2019. Of course, we said yes. The statue had been removed from Lee Park in 2017 as a result of citizen calls for its removal after certain events made confederate statuary undesirable in public spaces.

The following is the timeline for the engagement:

May 21 Prepare for City Council meeting

	<p>Research and gather images for the posting</p> <p>Develop descriptions, terms and conditions, City legal restrictions on display</p> <p>Establish the starting and end dates for the auction</p> <p>Establish a restricted auction open only to bidders who transferred \$50,000 to our escrow account</p> <p>Upload images, descriptions, the city's terms and conditions, etc. to our online website in preparation of launch</p>
May 22	<p>Attend council meeting</p> <p>Receive council approval to sell the statue online</p> <p>Begin the marketing and promotion efforts</p>
May 23	<p>Launch the online auction</p> <p>Continue marketing and developing prospects</p>
May 23-	<p>Begin receipt of wire transfer qualifying deposits</p>
June 4	<p>Continue marketing and developing prospects</p> <p>Communicate with qualified prospects, answer questions, provide information and assistance to prospects</p>
June 5	<p>Monitor the dynamic closing of the auction (In the last 48 minutes of the online auction, the monument received 43 bids and increased in price by \$827,500.</p> <p>Notify winning bidder of their success by automatic email from our software</p> <p>Confirm wiring instructions for final payment with successful bidder</p>
June 6	<p>Receive complete wire transfer payment from winner by 10 AM in the amount of \$1,662,124.63 into our escrow account</p>
June 7	<p>Deposit \$1,553,387.50 into the City of Dallas account (selling price plus sales tax)</p>
June 12	<p>City council approves the results of the auction and accepts the winning bid</p>
June 13	<p>Lone Star returns each \$50,000 deposit to the respective unsuccessful bidders</p>

This should aptly demonstrate our willingness and ability to mobilize our resources in responding to emergency orders. The City of Dallas needed us to prepare, promote, effect, conclude and collect the funds for an online auction of a unique, high value asset within 21 days, and we accomplished the request quite successfully.

These types of emergency orders are infrequent, but we are always ready to respond to the best of our abilities and experience.

*f. Describe Reporting:*

- Describe the reporting capabilities available to the seller. Provide sample copies of a transaction log and admin fee payment reconciliation report.

#### Auction Status Report

Summarizes the financial details of the auction including the total sales, total applicable sales taxes, shipping and handling and insurance, total buyer charges, total buyer payments, net due from buyers, total consignor sales, total commissions earned and net due to consignors.

#### Final Statement Report

This is the Consignor Status Report which details the sales by agency, accounting code, fund code, department or any other allocation of funds. This enables the tracking of the sales for each district or fund account.

This report is generated by district, fund or department account and provides the auction (lot) number, buyer number, buyer and company name and address, phone and fax number, winning bid amount, tax (if applicable), number of lots sold and total sales for that district, fund or department, commissions and expenses and net due consignor.

#### Consignor Summary Report

Summarizes the total sales, commissions, expenses (if applicable), and total due the consignor for a group of auctions by district, fund or department for a client and gives the total of those categories for that client.

#### Active Buyers Report

Lists the active buyers with their buyer number, buyer and company name and address, phone and fax number, email address and user name that participated in that particular auction.

#### Buyer Payment Report

Provides details of payment amounts, payment type (cash, certified check, money order, wire transfer) and sequential invoice number by buyer including buyer number, buyer and company name and address, phone and fax number.

#### Lot Sales Report

Lists the group's auctions in lot-number-order giving the description, buyer number and the winning bid price totaled to match the other consignor reports.

#### Sales Tax Report

Lists the taxable sales, tax rate and total taxes by consignor (if sales taxes are applicable).

#### Accounts Receivable Report

Lists by sale the buyer number and name, the phone number, the amount due, payments and any account receivable balance by buyer totaled for the sale.

#### Unsold Lots Report

Lists any lots which did not receive bids, therefore were unsold.

---

*g. Describe Offeror's customer service/problem resolution process. Include hours of operation, number of services, etc.*

Our online auction staff is trained to field, identify and resolve problems concerning navigating our website or the use of our software, the online auction process, payments or accounting, title issues, terms and conditions, registration issues and/or other problems. They are trained to determine which person/department is best equipped to deal with that particular problem. If staff is unable to resolve a problem, they refer the person to the online manager. Should that person be unable to resolve the issue, they are escalated to one of the officers of the company. 99% of problems are resolved at the introductory level.

Cashiers, technical staff and officers are available for help Monday through Friday from 7:30 AM to 5:30 PM except major federal holidays. All services are available for assistance and resolution.

*h. Describe Offeror's invoicing process.*

Lone Star Auctioneers' electronic invoicing process is an integrated feature of our online software. When an seller's online auction closes, successful buyers are notified electronically that they have won an item(s) and that their invoice is available for download in their account. The buyer then downloads their invoice and makes payment by cash, Cashiers Check, guaranteed check, money order or Visa/MasterCard or Discover within the required time frame.

Since Lone Star takes all revenue from the auctions and remits proceeds to the seller, we do not invoice any entity or person.

---

*i. Describe Offeror's contract implementation/customer transition plan. As an example, attach a high-level project schedule, with milestones from each implementation phase. Include training that customer will receive as part of the transition.*

---

Lone Star Auctioneers has 152 clients that use or have used our TCPN/NIPA contracts on a regular ongoing basis or on an "as needed" basis. We are not aware of any seller under this contract that has migrated to another auction vendor.

*j. Describe the financial condition of Offeror.*

As of June 20, 2019, Lone Star Auctioneers maintains cash accounts its name in the aggregate of \$9,536,328.20.

We have no long-term or short-term debt, mortgages or other financial commitments whatsoever other than normal credit card balances.

All invoices, credit card statements and other accounts, if any, are paid IN FULL, TWICE WEEKLY.

Our sellers are paid in full or by company check within eight days of the close of each auction.

*k. Describe your marketing to promote utilization of the site by potential buyers*

▪ *Describe how Offeror proposes to market the program to potential bidders. Provide samples of marketing efforts that have effectively worked.*

Our most effective marketing technique is our history, reputation and word-of-mouth with potential clients contacting us to use our system.

Our staff frequently attends local, regional and state purchasing and affinity conferences and seminars often staffing a Lone Star booth with visuals, handouts and souvenirs. We sponsor coffee breaks, goody bags and other perks.

Bulk email and direct mail has not proven to be an effective marketing tool, telephone solicitation and cold calling has proven unproductive as well.

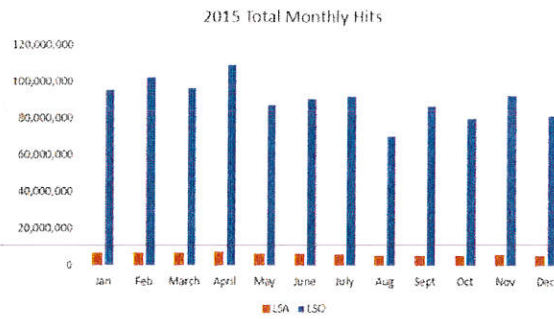

In all the years we have held a contract with TCPN, we have brought clients to the contract. We cannot recall having a client who came to us because of our TCPN contract.

▪ *Describe your ability to actively market auctions to prospective bidders in order to expand Contractor's bidder list.*

152 regular and occasional users of this contract should be ample evidence of that ability.

▪ *Indicate the average number of "hits" per day the proposed website receives.*

## How To Submit Listings for Full-Service Auctions

Auctions must be scheduled before listing. Please contact Paula Hooper at paula@lonestarauctioneers.com before hand to schedule your auction. Failure to schedule, submit images and data will cause a delay in the auction listing process.

If you are planning on submitting listings and images for upcoming online auctions at LoneStarOnline.com please follow these simple guidelines.

### Images:

You are limited to only 4 images for each lot. Your images should be no bigger than 1000 x 750 pixels and only in landscape / horizontal format. If more image fields are needed, please contact our webmaster to discuss possible options.

All images should be named exactly as the lot ID number. Such as 1.jpg, 1a.jpg 1b.jpg, 1c.jpg, 2.jpg, 2a.jpg, 2b.jpg, 2c.jpg, 3.jpg, 3a.jpg, 3b.jpg, 3c.jpg, etc...

Image samples from the Vehicle Sample Spreadsheet below:

05-10038.jpg  
05-10038a.jpg  
05-10038b.jpg  
05-10038c.jpg

Images may be saved to a CD and mailed to Lone Star Auctioneers, Inc. or they may all be zipped together and emailed to kathi@lonestarauctioneers.com. Also, they can be uploaded onto our server via ftp program such as fetch / curlftp etc... We also have an account set up with 250free.com if you do not have an ftp program and would rather ftp using their built in software. Please call Kathi Clark for more details about using ftp or 250free.com. You need the usernames and passwords to do so!

### Data Spreadsheet:

All data should be submitted as a Microsoft Excel Spreadsheet. Click the following links to download sample spreadsheets:

[Vehicle Sample Spreadsheet](#)  
[Jewelry/Coin Sample Spreadsheet](#)  
[Misc. Item Sample Spreadsheet](#)

Make sure to:

- Identify each lot with a lot number.
- Limit titles to less than 45 characters long.
- Descriptions can be as long as you like. Please use only one cell for the entire lot description.
- Only use one row for each lot.
- Do not skip a row when entering data.
- Include a reserve price if a minimum must be placed on the lot.

Contact us if you have any questions.  
Phone: 817-740-9400  
Office Hours: Monday through Friday - 8:30 am to 5:00 pm

# Excel Spreadsheet

The screenshot shows a Microsoft Excel spreadsheet with the following data:

# Bulk Load Listings onto the Website

The screenshot shows a Microsoft Internet Explorer browser window displaying the 'Bulk Upload' page on the Lone Star Online website. The browser's address bar shows the URL 'http://www.lonestaronline.com'. The website header includes the Lone Star Online logo and navigation links: Home, Register, Help, Site Map, Browse, My Account, FAQ, and Logout. The main content area is titled 'Post bulk Auctions Page' and provides instructions for uploading a text file into the database. The instructions include a numbered list of steps, a reminder to remove certain symbols, and specific formatting requirements for dollar amounts. At the bottom, there is a 'Select file:' field with an 'Upload' button and a 'Browse...' button. A note at the very bottom states: 'Note: System allows \* .txt tab delimited file only and 3000 records maximum for each upload.'

**Post bulk Auctions Page**

This page allows you to upload a text file into the database.

1. Click here to get a preformatted excel file. (Data type and category information)
2. Change new auction info on the example record (if you have more than one auction, copy the previous record and paste as a new record and change the auction info).
3. Save as a text file(tab delimited required).
4. Use the browse button below to select the file.
5. Use the upload button below to upload the file.

**Remember to remove all # (NUMBER/POUND) symbols, and % symbols from the upload file. Also remove all " quote marks as well.**

**Make sure the dollar amounts are as 100.00 and do not contain the \$ sign in front.**

**Also no commas in the amounts over \$999.99**

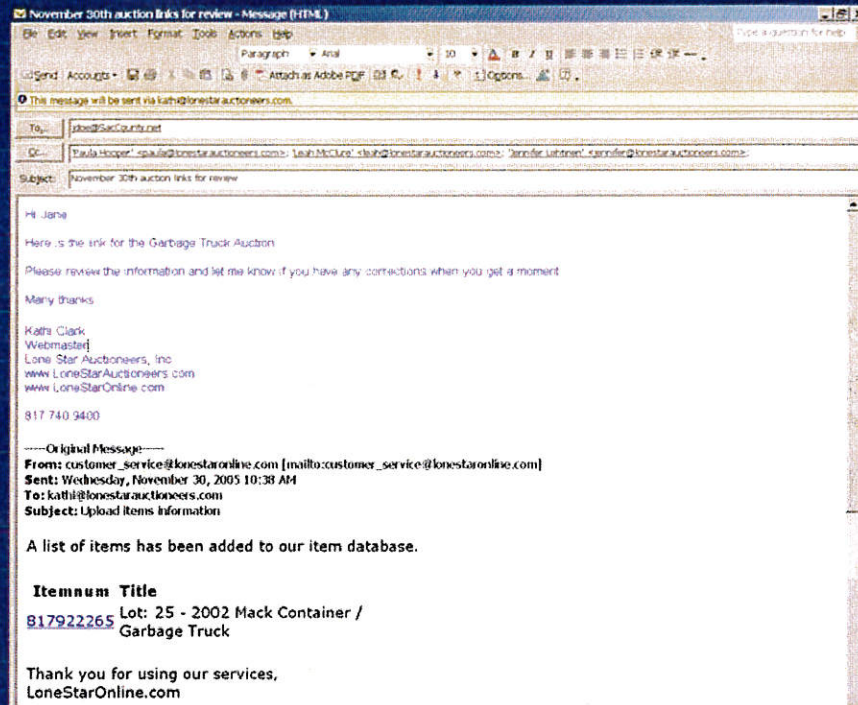

**Make sure there are no additional lines at the bottom of the file.**

The system is available to upload file. Please click the refresh button below to get current status.

Select file:

Note: System allows \* .txt tab delimited file only and 3000 records maximum for each upload.

# Search Result Page

Search Criteria for Example shown:

**Crown Victoria**  
**All Words**  
**Any Category**  
**Titles**  
**All Items**

Results Page Displays:

**Title**  
**Price**  
**Number of Bids**  
**End Date & Time**

The screenshot shows a search results page from an online auction site. The page title is "Search Results Page - Title & Description Search". It indicates that 219 items match the search criteria. The results are displayed in a table with columns for "Title", "Price", "Bids", "End Date", and "End Time". Each row includes a small thumbnail image of the vehicle, a description of the lot, the price, the number of bids, and the end date and time. The items listed are primarily Ford Crown Victoria vehicles from various years (1995-2003) and categories (City of Fort Worth Fleet Surplus, Police Cruiser, State Surplus Property Program).

Title	Price	Bids	End Date	End Time
Lot: 4168 - 1995 FORD CROWN VICTORIA CITY OF FORT WORTH FLEET SURPLUS	425.00	9	11/11	08:24

# **Buyer / Seller Problem Resolutions**

## **The Best Way to Avoid Buyer/Seller Problems is to Prevent them Beforehand.**

**Provide clear, complete and thorough descriptions. List any and all item deficiencies on your auction listings.**

**Provide email contact information for buyers to ask questions. (can be filtered through auctioneer or directly on auction listing).**

**Adhere and enforce all terms and conditions listed on auctions by all parties (auctioneer & client).**

- *Describe Offeror's plan to minimize the number of buyers who renege on a purchase and the tools available to seller if this occurs.*

Lone Star Auctioneers advises bidders in numerous places on our website and in our online auctions that if they do not pay for purchases, they will be banned permanently from participating in any of our live or online auctions.

If a bidder is slow to pay, staff contacts them to make sure they plan to pay. If they don't plan to pay, our personnel makes them aware that they won't be allowed to bid on anything ever!

We then offer the item to the backup bidder at their last bid. Almost all such items are purchased by the backup bidder.

We strictly enforce this policy. We notate their registration page with the details of the transaction with the auction, time, date and any other pertinent information for such bidders

who do not pay. We marked them as “banned,” and our software will not allow them to register or participate in online auctions. At our live auctions, all registering bidders are checked against the banned list to confirm they are in good standing.

▪ *Describe the types of items commonly sold on the proposed website and any exclusion.*

Lone Star has had great success selling a wide variety of items on our online auction website for government clients at all levels, federal, state, and local. We have sold assets including (but not limited to):

Bronze statue of General Robert E. Lee

Airplanes and Helicopters

Ferry boats and other Watercraft

Heavy Equipment and Big Trucks

Fire, Ambulance and Rescue Vehicles

Police Pursuit Cars

Confiscated Guns

Fleet and Seized Autos and Pickups

Transit and School Buses

Exotic Automobiles and Race Car

Recreational Vehicles and Trailers

Diamonds and Loose Gems

Antiques, Art Work, and Fur Coats

Harley Davidson Collectibles & Apparel

Tons of Paving Aggregate

Medical Equipment

Motorcycles

Horses

Numismatic Coins

Printing Equipment

Sports Memorabilia

And Many Other Types of Assets

As examples the success we have achieved with surplus items, FF&E, vehicles and heavy equipment on [www.lonestaronline.com](http://www.lonestaronline.com), we have provided screen shots of a number of items

which have sold recently for various clients. Those printed screen shots are provided as attachments at the end of this TAB 4 document.

#### Exclusion of Items

We do not plan to exclude any items from the online auction with the exception of items that are banned for sale in certain or all states, hazardous chemicals, known or suspected counterfeit goods, or items that may pose a threat to the buyers or general public. We do not sell racist or pornographic items on our site. We would work with the member to determine the appropriateness of special items to offer on the internet. We will work with members for the sale of assets they may require special permits or licenses such as certain types of medical equipment, firearms, controlled refrigerants, etc. We have held restricted auctions which required bidders to provide proof of particular licenses or permits.

We do recommend the client agencies should group low value items into single auctions to encourage the sale, payment and removal of those types of items. We will provide our best judgment and expertise to member personnel to develop guidelines for such groupings. Prudent management of such low value items will minimize the maintenance and administration of labor and costs for both the client agency and our firm.

- *Indicate payment options accepted by bidder (e.g., Visa, MasterCard, AMEX, personal check, cashier's check, money order, etc.).*

We accept cash, correctly indemnified Cashier's Checks, wire transfers, U.S.P.O. money orders, checks with irrevocable bank letters of guarantee and VISA/MasterCard credit and debit cards.

#### *c) Qualification and Experience*

*a. Provide a brief history of the Offeror, including year it was established and corporate office location.*

Lone Star Auctioneers has been in business for over thirty-five (35) years. The company was incorporated in Texas - June 18, 1984.

Lone Star Auctioneers is a certified woman-owned, woman-run small business. We are privately owned and financially very sound. Lone Star is a full-service firm having provided a comprehensive range of auction services including live venue, WebCast and varied types of online auction services to all levels of government. The clients we serve include city, county, state and federal agencies, higher education, school districts, utility districts, and other government and public entities. We have sold virtually every type of commodity for various government entities. We have conducted auctions in numerous cities around the U.S.

*(Please see a sample list of our current clients provided under Appendix B – Experience Item 4.)*

We are sufficiently large to handle any auction(s) and are committed to maintaining close oversight and providing a personal level of service for each of our clients. We have a well-trained, motivated and stable staff with little turnover.

Our corporate history includes numerous contracts with government agencies and commercial entities. Several of our current and most recent federal government contracts include the following:

- Sequential contracts with United States Marshals Service Northern District of Texas from 1989 to 2017
- Services for those contracts include the transportation, secure indoor and outdoor storage, maintenance and disposition of seized vehicles, tractor trailers and heavy equipment for the Dallas/Fort Worth, Lubbock and Amarillo areas. Under that contract we have provided live, live/WebCast and online auctions. Total sales approach \$13.4 million for this USMS client. Our online auction sales exceeded \$1,554 million in less than two years.
- Vehicle services contracts with the Southern District of Texas (Houston/Galveston region and the Corpus Christi/Upper Valley region), the Western District of Texas (El Paso and Eastern New Mexico region), and the District of Arizona. These contracts required us to have secure warehouse and outdoor storage facilities and vehicle towing capacity in each location.
- We have held the highly complex Texas Facilities Commission contract with the State of Texas continuously since 1988. During that tenure, we have sold 85 live and live/WebCast auctions, which have averaged over \$1,000,000 per auction. We currently sell Texas agency surplus in online-only auctions which have totaled approximately \$19 million in the last ten years. We have sold a total of approximately \$112,400,000 in state surplus vehicles, equipment, FF&E and miscellaneous items for the State of Texas in the past 26 years.
- For eight years we held successive U.S. Marshals Service National Jewelry Contracts.
  - The USMS jewelry contracts included performance requirements for the secure transportation, storage, management and sale at auction (live, online-only and webcast) of seized and forfeited diamonds, jewelry, gold and silver bullion, fine watches, antiques, art and other valuables for the entire United States, its territories and possessions (1991-1995 and 2002-2009).
  - Annual sales were in the \$6,000,000 range and up.
  - ~~These contracts required that we store, secure, manage and account for both~~ forfeited and non-forfeited assets valued at as much as \$60 million dollars in jewelry, gold, silver and other valuables.
  - Assets were secured in the Class II bank vault which we installed in our corporate headquarters building.
  - We exercised dual internal control of all assets from the time they arrived into our custody until they were either forfeited by court order, sold and delivered to the rightful auction buyers or were shipped back to the USMS.

Other notable online auction experience includes:

- The statue of Robert E. Lee (\$1,438,500) and a police helicopter (\$1,385,000) for the City of Dallas
- The residual non-realty assets from Reunion Arena, former home of the Dallas Mavericks (for the City of Dallas)
- The remaining non-realty assets from Texas Stadium, former home of the Dallas Cowboys (for the City of Irving)
- Over \$1,000,000 worth of fashion products (82 pallets) made with exotic animal skin, hide, fur, and shell which were imported illegally and seized by the U.S. Fish and Wildlife Service.
- Unclaimed Property for the Alabama Treasurer, the Montana Department of Revenue, the treasurers of West Virginia, Utah, Tennessee and Indiana along with previous contracts with, the California State Controller's Office, Colorado State Treasurer's Office, Texas Comptroller of Public Accounts and South Carolina State Treasurer's Offices
- Online auctions for the entire Texas A&M University system
- And online surplus auctions for numerous cities, counties, regional agencies, universities and school districts around the U.S.

Lone Star Auctioneers is driven by our own high standards. Our staff is more than capable of performing to the highest standards required by ESC4 and its member agencies. We commit to ESC4 the courteous, competent and friendly services of a dedicated staff to maximize revenues, maintain immaculate records and minimize problems from all our activities. We will make the designated key personnel available to perform the requirements of this contract throughout their employment. We will recruit and train additional staff as volume demands.

All current Lone Star Auctioneers employees have undergone thorough background checks through the United States Marshals Service and the Dallas and Fort Worth Police Departments including the National Crime Information Center (NCIC) and the Texas Crime Information Center (TCIC). All future employees will undergo rigorous background checks prior to their employment and utilization under this and our other contracts.

*b. Describe Offeror's reputation in the marketplace. Include how many bidders are currently registered with the Offeror's website.*

---

Currently we have 146,503 registered active bidders in our online auction database.

Lone Star Auctioneers enjoys an excellent reputation among buyers and sellers for integrity, honesty, dedication and results. We have increased our clients' net revenue over prior contractors for both live and online auctions.

c. Describe Offeror's reputation of products and services in the marketplace. Indicate the number of years Offeror's web-based online auction and/or live auction program has been in place and include the number of auctions posted on the Offeror's website in the last two (2) years. Indicate the number of successful auctions (items were sold), and the number of auctions where the buyer defaulted on the purchase.

Lone Star has been selling live auctions for government agencies continuously since October 1985 when we first won the contract with the City of Fort Worth. We currently sell more than 175 live auctions per year.

In 2002, Lone Star conducted our first webcast auction (where by internet bidders competed with live bidders at the auction in real time) for the U. S. Marshals Service. We began selling USMS forfeited vehicles, State of Texas fleet surplus and the contents of unclaimed safe deposit boxes for the California State Controller's Office in webcast auctions. Over the years, Lone Star sold almost \$16,500,000 to internet bidders in these simulcast auctions.

Lone Star Auctioneers conducted our first timed online auction in August of 2003. Since that time, we have sold over 330,000 auctions totaling over \$223,500,000 in assets online.

In calendar years 2017 and 2018, we sold 77,428 lots of merchandise in online-only auctions grossing over \$53,000,000. Of those auctions, over 99.5% were paid for, and less than 1/2 of 1% went unpaid. These were sold in subsequent online auctions.

d. Describe the experience and qualification of key employees.

Sim Burgess	Texas License Number	9880	Expires July 2020

All licenses are current and in good standing.

*i. Provide any additional information relevant to this section.*

*d) Value Add*

1. Lone Star Auctioneers respectfully offers ESC4 members an additional option for providing online auctions under this solicitation. The specifications describe what we refer to as “self-service” online auctions. In our judgment, this model was developed for the convenience of the auction service provider and designed to maximize the provider’s revenue and not for the convenience or economy of the user. Under this model, the client seller does almost all of the work associated with developing, posting, monitoring the auctions, and collecting funds. We feel it is an unnecessary and archaic approach to government online auctions. With our “full service” auctions, the agency avoids the costs of having agency staff train and become familiar with performing all or the steps necessary to conduct an online auction. The agency avoids the costs of retraining in the event of staff advancement and turnover. The agency gains the productive labor hours for staff members who are responsible for conducting the auctions. In addition, the agency deprives itself of over 100 years of cumulative experience with auction starting bids and increment pricing and, more importantly, the understanding the psychology of selling at auctions gained by the owners and managers of Lone Star who are licensed auctioneers.

The commissions and fees charged by other providers are equivalent to the fees we charge for our “full-service” model. This model is distinguished by the reduced requirements for client labor for performing the time-consuming and mundane administration of the auctions. Lone Star establishes appropriate durations of auctions, strategic starting prices, strategic bid increments, which auctions to feature initially and other tasks associated with launch. Lone Star posts the auctions, continuously monitors the auctions for bid activity, page views per lot, and adjusts featured lots, starting prices, increments, and titles and descriptions to increase bid activity. For significant lots, we even adjust our advertising and promotional plan to draw more interest and participation.

Lone Star Auctioneers also advertises specific auctions in local print and other media for client auctions as merchandise warrants.

If a client elects to use the self-service option, all contract performance of online auction services will be performed in accordance with the stated requirements of this solicitation. If a client prefers the full-service option, contract responsibilities will be performed as we describe it in the various Tabs of this response.

2. Lone Star Auctioneers, Inc. has brought 152 sellers to TCPN in the past nine years resulting in gross administrative payments to TCPN over \$25,000,000.00. To our knowledge we have not had one seller come to us because we were TCPN vendors.

**TAB 5**  
**VALUE ADD**

## *Value Add*

Lone Star Auctioneers respectfully offers ESC4 members an additional option for providing online auctions under this solicitation. The specifications describe what we refer to as “self-service” online auctions. In our judgment, this model was developed for the convenience of the auction service provider and designed to maximize the provider’s revenue and not for the convenience or economy of the user. Under this model, the client seller does almost all of the work associated with developing, posting, monitoring the auctions, and collecting funds. We feel it is an unnecessary and archaic approach to government online auctions. With our “full service” auctions, the agency avoids the costs of having agency staff train and become familiar with performing all or the steps necessary to conduct an online auction. The agency avoids the costs of retraining in the event of staff advancement and turnover. The agency gains the productive labor hours for staff members who are responsible for conducting the auctions. In addition, the agency deprives itself of over 100 years of cumulative experience with auction starting bids and increment pricing and, more importantly, the understanding the psychology of selling at auctions gained by the owners and managers of Lone Star who are licensed auctioneers.

The commissions and fees charged by other providers are equivalent to the fees we charge for our “full-service” model. This model is distinguished by the reduced requirements for client labor for performing the time-consuming and mundane administration of the auctions. Lone Star establishes appropriate durations of auctions, strategic starting prices, strategic bid increments, which auctions to feature initially and other tasks associated with launch. Lone Star posts the auctions, continuously monitors the auctions for bid activity, page views per lot, and adjusts featured lots, starting prices, increments, and titles and descriptions to increase bid activity. For significant lots, we even adjust our advertising and promotional plan to draw more interest and participation.

Lone Star Auctioneers also advertises specific auctions in local print and other media for client auctions as merchandise warrants.

If a client elects to use the self-service option, all contract performance of online auction services will be performed in accordance with the stated requirements of this solicitation.

If a client prefers the full-service option, contract responsibilities will be performed as we describe it in the various Tabs of this response.

Lone Star Auctioneers, Inc. has brought 152 sellers to TCPN in the past nine years resulting in gross administrative payments to TCPN over \$25,000,000.00. To our knowledge we have not had one seller come to us because we were TCPN vendors.

**ADDITIONAL REQUIRED DOCUMENTS**

**ACKNOWLEDGMENT AND ACCEPTANCE**  
**OF REGION 4 ESC's OPEN RECORDS POLICY**

**OPEN RECORDS POLICY**

All proposals, information and documents submitted are subject to the Public Information Act requirements governed by the State of Texas once a Contract(s) is executed. If an Offeror believes its response, or parts of its response, may be exempted from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt and include detailed reasons to substantiate the exemption. Price is not confidential and will not be withheld. Any unmarked information will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

*Signature below certifies complete acceptance of Region 4 ESC's Open Records Policy, except as noted below (additional pages may be attached, if necessary).*

Check one of the following responses to the Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy below:

- We acknowledge Region 4 ESC's Open Records Policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.
- We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act.

*(Note: Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Offeror must include detailed reasons to substantiate the exemption(s). Price is not confidential and will not be withheld. All information believed to be a trade secret or proprietary must be listed. It is further understood that failure to identify such information, in strict accordance with the instructions, will result in that information being considered public information and released, if requested under the Public Information Act.)*

**TAB 7**  
**NIPA RESPONSE**

### 3.0 SUPPLIER RESPONSE

#### *A. Brief history and description of Supplier.*

Lone Star Auctioneers has been in business for over thirty-five (35) years. The company was incorporated in Texas - June 18, 1984.

As exemplified by the owners, officers and staff of Lone Star Auctioneers, our corporate (and personal) mission is threefold:

- To yield the highest possible net return on assets to our clients in the highest ethical fashion while alleviating costs and effort of the client
- To maintain absolute integrity of assets and processes within the scope of the contract in all our business practices; and
- To provide responsive, courteous service to our clients and the buying public.

Lone Star Auctioneers is a certified woman-owned, woman-run small business (WBE and HUB-certified). We are privately owned and financially very sound. Lone Star is a full-service firm providing a comprehensive range of auction services including live and online auction services to all levels of government. The clients we have served include city, county, state and federal agencies, higher education, school districts, utility districts, and other government and public entities. We have sold virtually every type of commodity for various government entities. We have conducted auctions in numerous cities and states around the U.S.

Our staff and software capabilities are sufficient to handle any growth in auction activity while maintaining oversight and providing a personal level of service for each of our clients. We have a well-trained, motivated and stable staff with little turnover.

Our corporate history includes primarily contracts with government agencies with significant contracts with commercial entities. Several of our current and most recent federal government contracts include the following:

- Sequential contracts with United States Marshals Service Northern District of Texas since 1989. Services for those contracts include the transportation, secure indoor and outdoor storage, maintenance and disposition of seized vehicles, tractor trailers and heavy equipment for the Dallas/Fort Worth, Lubbock and Amarillo areas. Under that contract we have provided live, live/WebCast and online auctions. Total sales approach \$13.4 million for this USMS client. Our online auction sales have exceeded \$1,554 million in less than two years.
- Vehicle services contracts with the Southern District of Texas (Houston/Galveston region and the Corpus Christi/Upper Valley region), the Western District of Texas (El Paso and Eastern New Mexico region), and the District of Arizona. These contracts required us to have secure warehouse and outdoor storage facilities and vehicle towing capacity in each location.
- We have held the highly complex Texas Facilities Commission contract with the State of Texas continuously since 1988. During that tenure, we have sold 85 live and live/WebCast

auctions, which have averaged over \$1,000,000 per auction. We currently sell Texas agency surplus in online-only auctions which have totaled approximately \$19 million in the last ten years. We have sold a total of approximately \$112,400,000 in state surplus vehicles, equipment, FF&E and miscellaneous items for the State of Texas in the past 26 years.

- For eight years we held successive U.S. Marshals Service National Jewelry Contracts.
  - The USMS jewelry contracts included performance requirements for the secure transportation, storage, management and sale at auction (live, online-only and webcast) of seized and forfeited diamonds, jewelry, gold and silver bullion, fine watches, antiques, art and other valuables for the entire United States, its territories and possessions (1991-1995 and 2002-2009).
  - Annual sales were in the \$6,000,000 range and up.
  - These contracts required that we store, secure, manage and account for both forfeited and non-forfeited assets valued at as much as \$60 million dollars in jewelry, gold, silver and other valuables.
  - Assets were secured in the Class II bank vault which we installed in our corporate headquarters building.
  - We exercised dual internal control of all assets from the time they arrived into our custody until they were either forfeited by court order, sold and delivered to the rightful auction buyers or were shipped back to the USMS.

Other notable online auction experience includes:

- The very recent sale of a bronze statue of Confederate General Robert E. Lee for \$1,435,000 plus taxes and Buyers' Premium.
- The residual non-realty assets from Reunion Arena, former home of the Dallas Mavericks (for the City of Dallas).
- The remaining non-realty assets from Texas Stadium, former home of the Dallas Cowboys (for the City of Irving).
- Over \$1,000,000 worth of fashion products (82 pallets) made with exotic animal skin, hide, fur, and shell which were imported illegally and seized by the U.S. Fish and Wildlife Service.
- Unclaimed Property for the Montana Department of Revenue, the West Virginia, Utah, along with previous contracts with Alabama, the California State Controller's Office, Colorado State Treasurer's Office, Texas Comptroller of Public Accounts and South Carolina State Treasurer's Offices.
- ~~Online auctions for the entire Texas A&M University system.~~
- And online surplus auctions for numerous cities, counties, regional agencies, universities and school districts around the U.S.
- We currently hold cooperative purchasing contracts with National IPA, TIPS and BuyBoard.

Lone Star Auctioneers is driven by our own high standards. Our staff is more than capable of performing to the highest standards required by TCPN and its member agencies. We commit to TCPN the courteous, competent and friendly services of a dedicated staff to maximize revenues, maintain immaculate records and minimize problems from all our activities. We will make the

designated key personnel available to perform the requirements of this contract throughout their employment. We will recruit and train additional staff as volume demands.

All current Lone Star Auctioneers employees have undergone thorough background checks through the United States Marshals Service and the Dallas and Fort Worth Police Departments including the National Crime Information Center (NCIC) and the Texas Crime Information Center (TCIC). All future employees will undergo rigorous background checks prior to their employment and utilization under this and our other contracts.

*B. Total number and location of sales persons employed by Supplier.*

Lone Star Auctioneers currently has three people involved with sales, and all three are located in our corporate headquarters at 4629 Mark IV Parkway, Fort Worth, Texas. We maintain no satellite offices.

*C. Number and location of support centers (if applicable) and location of corporate office.*

HUB Certification from Texas Comptroller of Public Accounts (Current)

---

**GLENN HEGAR** TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

The Texas Comptroller of Public Accounts (CPA) administers the Statewide Historically Underutilized Business (HUB) Program for the State of Texas, which includes certifying minority, woman, and service disabled veteran-owned businesses as HUBs and facilitates the use of HUBs in state procurement and provides them with information on the state's procurement process.

We are pleased to inform you that your application for certification/re-certification as a HUB has been approved. Your company's profile is listed in the State of Texas HUB Directory and may be viewed online at <https://mycpa.cpa.state.tx.us/tpasscmbsearch/index.jsp>. Provided that your company continues to meet HUB eligibility requirements, the attached HUB certificate is valid for the time period specified.

You must notify the HUB Program in writing of any changes affecting your company's compliance with the HUB eligibility requirements, including changes in ownership, day-to-day management, control and/or principal place of business. *Note: Any changes made to your company's information may require the HUB Program to re-evaluate your company's eligibility.*

Please visit our website at <http://comptroller.texas.gov/procurement/prog/hub/> and reference our publications (i.e. Grow Your Business pamphlet, HUB Brochure and Vendor Guide) providing additional information on state procurement resources that can increase your company's chances of doing business with the state.

Thank you for your participation in the HUB Program! If you have any questions, you may contact a HUB Program representative at 512-463-5872 or toll-free in Texas at 1-888-863-5881.

**Texas Historically Underutilized Business (HUB) Certificate**

Certificate/VID Number: 1751990950500  
File/Vendor Number: 006069  
Approval Date: 13-JUL-2017  
Scheduled Expiration Date: 13-JUL-2021

The Texas Comptroller of Public Accounts (CPA), hereby certifies that

**LONE STAR AUCTIONEERS, INC.**

has successfully met the established requirements of the State of Texas Historically Underutilized Business (HUB) Program to be recognized as a HUB. This certificate printed 14-JUL-2017, supersedes any registration and certificate previously issued by the HUB Program. If there are any changes regarding the information (i.e., business structure, ownership, day-to-day management, operational control, business location) provided in the submission of the business' application for registration/certification as a HUB, you must immediately (within 30 days of such changes) notify the HUB Program in writing. The CPA reserves the right to conduct a compliance review at any time to confirm HUB eligibility. HUB certification may be suspended or revoked upon findings of ineligibility.

Laura Cagle-Hinojosa, Statewide HUB Program Manager  
Statewide Support Services Division

Note: In order for State agencies and institutions of higher education (universities) to be credited for utilizing this business as a HUB, they must award payment under the Certificate/VID Number identified above. Agencies, universities and prime contractors are encouraged to verify the company's HUB certification prior to issuing a notice of award by accessing the Internet (<https://mycpa.cpa.state.tx.us/tpasscmbsearch/index.jsp>) or by contacting the HUB Program at 512-463-5872 or toll-free in Texas at 1-888-863-5881.

Rev. 06/15

February 8, 2018

Marilyn Burgess  
Lone Star Auctioneers, Inc.  
4629 Mark Iv Parkway  
Forth Worth, TX 76106

Dear Marilyn Burgess:

We are pleased to inform you that your application for certification in our Small, Minority, Woman and Veteran Business Enterprise (S/M/W/V) Program has been approved. Your firm met the requirements of the SCTRCA Policy and Procedure Manual and is currently certified as a:

**\*SBE WBE**

Certification Number: **218014240**  
Certification Expiration: **January 31, 2020**

Providing the following products or services:  
NAICS 561990: ALL OTHER SUPPORT SERVICES

On the two year anniversary date of your certification, you are required to provide a renewal application affirming that no changes have occurred affecting your certification status. The SCTRCA will send you a Certification Renewal reminder **sixty (60) days** prior to your expiration date. The SCTRCA will no longer include a certificate upon certification renewals. Your expiration date is **January 31, 2020**.

Please notify this office within **thirty (30) days** of any changes affecting the size, ownership, control requirements, or any material change in the information provided in the submission of the certification application. Thank you in advance.

Sincerely,

Charles Johnson,  
Executive Director

- Being a recognized leader in the industry for online auctions

*J. Describe any present or past litigation, bankruptcy or reorganization involving supplier*

None.

---

*K. Felony Conviction Notice: Indicate if the supplier*

*a. is a publicly held corporation and this reporting requirement is not applicable;*

Lone Star Auctioneers, Inc. is a privately held company.

*b. is not owned or operated by anyone who has been convicted of a felony; or*

Neither the owners, officer nor employees of Lone Star Auctioneers, Inc. have been convicted of a felony.

*c. is owned or operated by and individual(s) who has been convicted of a felony and provide the names and convictions.*

Neither the owners, officer nor employees of Lone Star Auctioneers, Inc. have been charged or convicted of a felony.

*L. Describe any debarment or suspension actions taken against supplier*

None.

### 3.2 Distribution, Logistics

A. Describe the full line of products and services offered by supplier.

med online auction services available nationally.

B. Describe how supplier proposes to distribute the products/service nationwide. Include any states where products and services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas.

Our online auctions are available internationally. Our website has a link that translates our web and auction pages into Spanish with a click of an icon. Other languages are available for translation, but Mexico is the source of our most frequent international bidders.

C. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user.

The products we have to ship are the items sold on behalf of our sellers. Our shipping employees process those assets and ship them via UPS, U.S.P.S. or Parcel Pro depending on the nature of the assets. All shipping and product delivery are accomplished by our staff.

D. Provide the number, size and location of Supplier's distribution facilities, warehouses and retail network as applicable.

Not applicable. We do not warehouse or distribute any products either retail or wholesale.

### 3.3 Marketing and Sales

A. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier's primary go to market strategy for Public Agencies to supplier's teams nationwide, to include, but not limited to:

i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days

By virtue of this proposal, the executives endorse and sponsor this award as a public sector go-to market strategy.

ii. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the OMNIA Partners team within first 90 days

Not applicable.

B. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, to include, but not limited to:

- i. Creation and distribution of a co-branded press release to trade publications
- ii. Announcement, contract details and contact information published on the Supplier's website within first 90 days

- iii. *Design, publication and distribution of co-branded marketing materials within first 90 days*
- iv. *Commitment to attendance and participation with OMNIA Partners at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement*
- v. *Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners.*
- vi. *Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement*
- vii. *Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.)*
- viii. *Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:*
  - *OMNIA Partners standard logo;*
  - *Copy of original Request for Proposal;*
  - *Copy of contract and amendments between Principal Procurement Agency and Supplier;*
  - *Summary of Products and pricing;*
  - *Marketing Materials*
  - *Electronic link to OMNIA Partners' website including the online registration page;*
    - *A dedicated toll-free number and email address for OMNIA Partners*

Negotiable.

*C. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.*

Negotiable.

*D. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.*

Agreed.

*E. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA*

*Partners. All sales materials are to use the OMNIA Partners logo. At a minimum, the Supplier's sales initiatives should communicate:*

- i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency*
- ii. Best government pricing*
- iii. No cost to participate*
- iii. Non-exclusive contract*

Agreed.

*F. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:*

- i. Key features of Master Agreement*
- ii. Working knowledge of the solicitation process*
- iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners*
- iv. Knowledge of benefits of the use of cooperative contracts*

Not applicable.

*G. Provide the name, title, email and phone number for the person(s), who will be responsible for:*

- i. Executive Support*

Marilyn K. Burgess, President

[Marilyn@LoneStarAuctioneers.com](mailto:Marilyn@LoneStarAuctioneers.com)

817.569.6004

- H. Describe in detail how Supplier's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.*
- I. Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program.*
- J. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.*
- K. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.*
- L. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.*
- M. Provide the Contract Sales (as defined in Section 10 of the National Intergovernmental Purchasing Alliance Company Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").*

*\$ \_\_\_\_\_ .00 in year one*  
*\$ \_\_\_\_\_ .00 in year two*  
*\$ \_\_\_\_\_ .00 in year three*

*To the extent Supplier guarantees minimum Contract Sales, the administration fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.*

---

H.-M. above are not applicable.

*N. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.*

- i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).*
  - ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.*
  - iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).*
- v. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.*

Not agreed.

*Detail Supplier's strategies under these options when responding to a solicitation.*

To be determined.

**OMNIA PARTNERS EXHIBITS  
EXHIBIT F- FEDERAL FUNDS CERTIFICATIONS**

Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Does offeror agree? YES PAZ Initials of Authorized Representative of offeror

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

Does offeror agree? YES PAZ Initials of Authorized Representative of offeror

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? YES PAZ Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

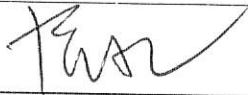

Offeror agrees to comply with all federal, state, and local laws, rules, regulations and ordinances, as applicable. It is further acknowledged that offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.

MANDATORY AFFIRMATIVE ACTION LANGUAGE**

**PROCUREMENT, PROFESSIONAL AND SERVICE  
CONTRACTS**

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

DOC #4

**POLITICAL CONTRIBUTION DISCLOSURE FORM  
Public Agency Instructions**

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 ([http://www.nj.gov/dca/divisions/dlgs/resources/lfns\\_2006.html](http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html)). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
  - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
  - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
  - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
  - d. The form may be used “as-is”, subject to edits as described herein.
  - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
  - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at [http://www.nj.gov/dca/divisions/dlgs/resources/lfns\\_2006.html](http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html)). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

**OMNIA PARTNERS EXHIBITS  
EXHIBIT G- NEW JERSEY BUSINESS COMPLIANCE**

Doc #4,  
continued

**C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM**

**Contractor Instructions**

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee\*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - of the public entity awarding the contract
  - of that county in which that public entity is located
  - of another public entity within that county
  - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

\* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

STATE OF NEW JERSEY -- DIVISION OF PURCHASE AND PROPERTY  
DISCLOSURE OF INVESTMENT ACTIVITIES IN IRAN

Quote Number: \_\_\_\_\_

Bidder/Offeror: \_\_\_\_\_

**PART 1: CERTIFICATION**

**BIDDERS MUST COMPLETE PART 1 BY CHECKING EITHER BOX.**

**FAILURE TO CHECK ONE OF THE BOXES WILL RENDER THE PROPOSAL NON-RESPONSIVE.**

Pursuant to Public Law 2012, c. 25, any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must complete the certification below to attest, under penalty of perjury, that neither the person or entity, nor any of its parents, subsidiaries, or affiliates, is identified on the Department of Treasury's Chapter 25 list as a person or entity engaging in investment activities in Iran. The Chapter 25 list is found on the Division's website at <http://www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf>. Bidders must review this list prior to completing the below certification. **Failure to complete the certification will render a bidder's proposal non-responsive.** If the Director finds a person or entity to be in violation of law, s/he shall take action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party

**PLEASE CHECK THE APPROPRIATE BOX:**

I certify, pursuant to Public Law 2012, c. 25, that neither the bidder listed above nor any of the bidder's parents, subsidiaries, or affiliates is listed on the N.J. Department of the Treasury's list of entities determined to be engaged in prohibited activities in Iran pursuant to P.L. 2012, c. 25 ("Chapter 25 List"). I further certify that I am the person listed above, or I am an officer or representative of the entity listed above and am authorized to make this certification on its behalf. **I will skip Part 2 and sign and complete the Certification below.**

OR

I am unable to certify as above because the bidder and/or one or more of its parents, subsidiaries, or affiliates is listed on the Department's Chapter 25 list. I will provide a detailed, accurate and precise description of the activities in Part 2 below and sign and complete the Certification below. Failure to provide such will result in the proposal being rendered as non-responsive and appropriate penalties, fines and/or sanctions will be assessed as provided by law.

**PART 2: PLEASE PROVIDE FURTHER INFORMATION RELATED TO INVESTMENT ACTIVITIES IN IRAN**

You must provide a detailed, accurate and precise description of the activities of the bidding person/entity, or one of its parents, subsidiaries or affiliates, engaging in the investment activities in Iran outlined above by completing the boxes below.

**EACH BOX WILL PROMPT YOU TO PROVIDE INFORMATION RELATIVE TO THE ABOVE QUESTIONS. PLEASE PROVIDE THOROUGH ANSWERS TO EACH QUESTION. IF YOU NEED TO MAKE ADDITIONAL ENTRIES, CLICK THE "ADD AN ADDITIONAL ACTIVITIES ENTRY" BUTTON.**

Lot: 1 - 1936 Alexander Phimister Proctor, "Robert E. Lee and the Confederate Soldier" Sculpture

NOTE: GRANITE BASE SHOWN IN PICTURES IS NOT INCLUDED WITH THIS LOT!

Restored in 1991, this large monumental sculpture shows General Robert E. Lee riding on his horse, Traveller, slightly ahead of another smaller horse with a young soldier, who represents all Confederate soldiers. The horses appear to be moving at a slow and steady pace. The artist worked in a realistic style that was popular after the Civil War. Proctor studied several photographs of Confederate soldiers to create this composite version of the young soldier's face, and he also studied many photographs of General Lee to sculpt the face and used Lee's original uniform as a model for the clothing. General Lee holds his hat in his hand while the soldier behind wears a cap. The sculpture's estimated weight is 16,500 lbs and measures 9'x5'x12'.

**Artist:** Alexander Phimister Proctor (1860-1950)

**Title:** Robert E. Lee and the Confederate Soldier (Base not included)

**Date:** 1936

**Medium:** Bronze Figure

**Size:** 9' x 5' x 12'

**Weight:** 16,500 lbs

**Signature:** A. P. Proctor-1936 © at lower left on front of base

**Condition:** Good Condition, restored 1991

**GRANITE BASE SHOWN IN PICTURES IS NOT INCLUDED WITH THIS LOT!**

Texas Historically Underutilized Business (HUB) Certificate

Statewide Historically Underutilized Business Program

Certificate/VID Number: 1751990950500  
File/Vendor Number: 006069  
Approval Date: 13-JUL-2017  
Scheduled Expiration Date: 13-JUL-2021

The Texas Comptroller of Public Accounts (CPA), hereby certifies that

**LONE STAR AUCTIONEERS, INC.**

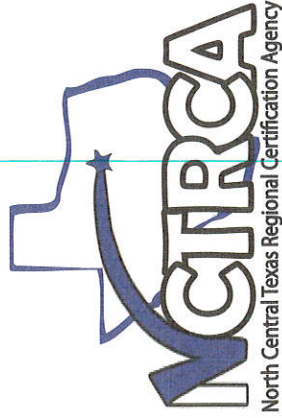

has successfully met the established requirements of the State of Texas Historically Underutilized Business (HUB) Program to be recognized as a HUB. This certificate printed 14-JUL-2017, supersedes any registration and certificate previously issued by the HUB Program. If there are any changes regarding the information (i.e., business structure, ownership, day-to-day management, operational control, business location) provided in the submission of the business' application for registration/certification as a HUB, you must immediately (within 30 days of such changes) notify the HUB Program in writing. The CPA reserves the right to conduct a compliance review at any time to confirm HUB eligibility. HUB certification may be suspended or revoked upon findings of ineligibility.

Laura Cagle-Hinojosa, Statewide HUB Program Manager  
Statewide Support Services Division

Note: In order for State agencies and institutions of higher education (universities) to be credited for utilizing this business as a HUB, they must award payment under the Certificate/VID Number identified above. Agencies, universities and prime contractors are encouraged to verify the company's HUB certification prior to issuing a notice of award by accessing the Internet (<https://mycpa.cpa.state.tx.us/tpasscmbsearch/index.jsp>) or by contacting the HUB Program at 512-463-5872 or toll-free in Texas at 1-888-863-5881.

Rev. 06/16

# Woman-Owned Business Enterprise

Lone Star Auctioneers, Inc.

has filed with the Agency an Affidavit as defined by NCTRCA M/WBE Policies & Procedures and is hereby certified to provide service(s) in the following areas:

**NAICS 561990: Auctioneers, Independent**

This Certification is valid beginning April 13, 2017 and superseded any registration or listing previously issued. This certification must be updated every two years by submission of an Annual Update Affidavit. At any time there is a change in ownership or control of the firm, notification must be made immediately to the North Central Texas Regional Certification Agency.

Marilyn Burgess  
Lone Star Auctioneers, Inc.  
4629 Mark Iv Parkway  
Forth Worth, TX 76106

Dear Marilyn Burgess:

We are pleased to inform you that your application for certification in our Small, Minority, Woman and Veteran Business Enterprise (S/M/W/V) Program has been approved. Your firm met the requirements of the SCTRCA Policy and Procedure Manual and is currently certified as a:

**\*SBE WBE**

Certification Number: **218014240**  
Certification Expiration: **January 31, 2020**

Providing the following products or services:  
NAICS 561990: ALL OTHER SUPPORT SERVICES

On the two year anniversary date of your certification, you are required to provide a renewal application affirming that no changes have occurred affecting your certification status. The SCTRCA will send you a Certification Renewal reminder **sixty (60) days** prior to your expiration date. The SCTRCA will no longer include a certificate upon certification renewals. **Your expiration date is January 31, 2020.**

Please notify this office within **thirty (30) days** of any changes affecting the size, ownership, control requirements, or any material change in the information provided in the submission of the certification application. Thank you in advance.

Sincerely,

Charles Johnson,  
Executive Director
