Dependable, Trusted, and Innovative PK-12 School Library Services

The positive influence of Mackin can be found in more than 60,000 PK-12 schools and libraries around the world. With a continually evolving age-appropriate catalog of more than 3 million print and nearly 3 million digital titles including eBooks, read-alongs, audiobooks, databases, and streaming videos, choosing Mackin rewards you with the largest PK-12 selection at the most competitive bottom-line pricing and the most personalized customer service in the industry. Mackin has no equal.

A young boy with short brown hair, wearing a maroon t-shirt, is smiling and looking towards the camera while holding an open book. He is standing in a library with white bookshelves filled with books in the background. The lighting is warm and soft, creating a pleasant atmosphere. A semi-transparent red box is overlaid on the left side of the image, containing a testimonial.

“You have gone above and beyond! The kids get so excited when our books arrive, they just flip out! You need an award for your customer service!”

— Kelly D., LMS, Tampa, FL

“Choosing Mackin as the Opening Day Collection vendor for our school was the best decision I made for our new library!”

— Amy G., Librarian, Austin, TX

Mackin is the Premier Choice For New School Openings Across the Nation

New School Services

Opening a new school takes an enormous amount of time and energy. Procuring the most appropriate library and classroom collections that your budget will allow is the most critical component to first day success.

For over 35 years, Mackin has been a reliable and integral partner, successfully compiling printed and digital materials for opening day library collections, classroom libraries, leveled libraries, reading rooms, and supplemental reading materials. We assess budgets and needs to help you craft collections around the unique needs of your school and community. Our focus on customization is what has made us the recognized experts in this field and the leading choice for new schools across the country.

Library, classroom and curriculum materials for every new school, anywhere.

The Nation's Best Prebound Books

MackinBound™

Guaranteed

MackinBounds are made to last. Should a binding ever fail, we will replace it at no additional charge.

Mackin Made

MackinBound books are manufactured to perfection in our Mackin-owned-and-operated bindery facility.

Quality Material

Acid-free, non-yellowing end sheets, easy-to-clean laminate covers and the highest-quality materials (we do not use lead-based products or toxic glues) make MackinBound books 100% safe for your students and staff.

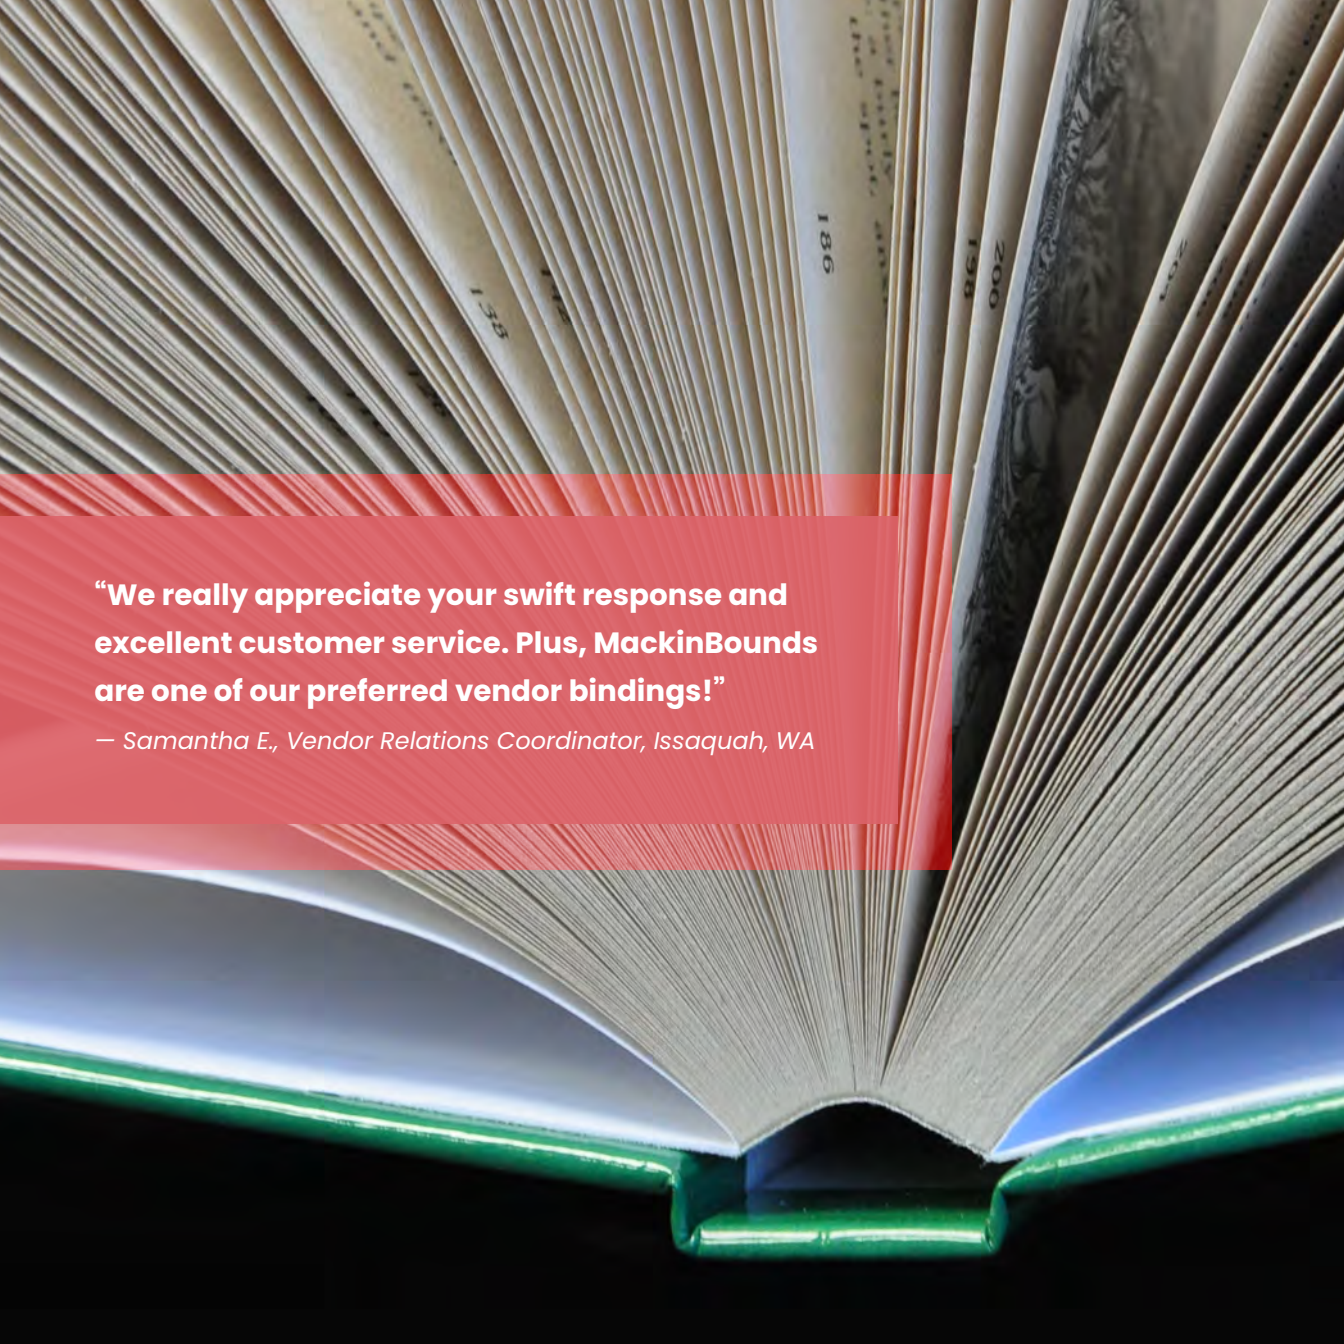

Common Cents

Expand your budget on every order with our highly affordable, library-bound, MackinBound books.

Selection

Mackin offers the nation's largest selection of pre-bound, library-bound titles with tens of thousands available at Mackin.com.

“We really appreciate your swift response and excellent customer service. Plus, MackinBounds are one of our preferred vendor bindings!”

— Samantha E., Vendor Relations Coordinator, Issaquah, WA

Converting Your Library to Genres is Affordable and Easy!

Genre Services

Genrefication has become a popular means of bringing new life and attention back into school libraries and helping to empower students to find the books that interest them most.
