Training & Added Value

Matrix Fitness will collaborate with LSU to schedule an inside delivery, setup, and installation date and time. Since installations will occur across multiple locations, Matrix will also offer virtual recorded training sessions for all facilities, supplemented by additional resources. Upon request and coordination with their direct sales representatives, Matrix can also arrange in-person training sessions.

Matrix Learning Center

Matrix Learning Center (<https://matrixlearningcenter.com/us/eng/>) gives you free, unlimited access to an unmatched library of resources that will maximize your investment in everything Matrix. Managers can count on us for tools and tips that increase ROI, enhance the member experience and reduce cost of ownership. Personal trainers and group exercise instructors can use our educational opportunities and expert-designed protocols to forge stronger relationships with clients and build loyalty that lasts. Service technicians can turn to us for how-to videos and essential checklists that reduce downtime, streamline service and help you get it right the first time, every time.

Check out all that our Matrix Learning Center resources at <https://matrixlearningcenter.com/us/eng/>
