

Duo Collection:

The Duo Collection redefines modern seating by seamlessly bridging the gap between traditional lounge comfort and task-oriented functionality. With both straight and mitered components, Duo offers infinite configuration possibilities that adapt effortlessly to any space, empowering you to design truly dynamic environments. Further enhancing its versatility, Duo provides options for integrated power and storage, making it the ideal solution for bustling active spaces like libraries, student unions, and contemporary lounges.

The Duo Collection offers an integrated suite of solutions, including:

Flexible Seating: Duo Lounge, offers a flat back to use against a wall, or to create a defining wall. Duo Cafe offers collaboration by use of the cafe counter.

Essential linking elements: Connector tables and benches allow seamless connection of Lounge and Cafe models providing convenient surface and seating areas in your configurations. *[*Integrate power here!](#)*

Unified Occasional Tables: Duo's smart design allows for occasional tables that match in style to complete your lounge area.
