Working together for you MillerKnoll and OMNIA Partners for Education

There's a better way to achieve your furniture procurement strategies

Together, MillerKnoll and OMNIA Partners bring unparalleled efficiencies and speed to the purchasing process, helping institutions achieve their mission of student success with impactful education spaces. Our partnership offers the nation's largest and most experienced Public Sector cooperative purchasing organization and product portfolio.

Increase your spending power with volume purchasing and achieve your desired design at a price that meets your budget. Our commitment ensures you receive the best value and innovative solutions that adapt to the evolving needs of modern education spaces.

Save time and money with cooperative purchasing

When you use the MillerKnoll OMNIA Partners Public Sector Cooperative Purchasing Program, there's no need to seek multiple bids. Contracts have already been competitively solicited and awarded by a lead public agency, saving you time and money. By aggregating the demand of multiple state and local government, education and other public agencies and nonprofits, you get the best price on products from the MillerKnoll collective of brands.

Savings

There is no cost or commitment to participate. An impartial Lead Public Agency has competitively solicited, evaluated, and awarded all contracts for your immediate use.

Efficiency

Reduce the time and resources required to contract solicitation. The transparent and compliant process protects your ethical, legal, and financial interests.

Value

Use of cooperative contracts reduces the cost of goods and services by aggregating the purchasing power of public agencies nationwide
