

# MillerKnoll

## Stay on-budget with OMNIA Partners and MillerKnoll

### **MAXIMIZE VALUE. IMPROVE SPACES. SPEND WISELY.**

At MillerKnoll, we help public sector organizations make the most of their budgets while creating inspired, productive environments. Through OMNIA Partners, participating agencies can access MillerKnoll's broad portfolio of brands and products at competitively negotiated pricing.

### **YOUR BENEFITS**

#### **Immediate cost efficiencies**

At this time, MillerKnoll is not applying a separate surcharge to OMNIA Partners purchases to offset the cost impact of international tariffs—offering near-term cost stability and enhanced value. \*This reflects our position as of July 15, 2025, and may be revised in response to changing conditions.

#### **Complete access to our vast portfolio**

Access the full range of MillerKnoll's iconic brands and innovative workplace solutions through your OMNIA Partners contract.

#### **Flexible scalability**

Right-size solutions for any project—from individual offices to large-scale installations—with consistent design, pricing, and functionality.

#### **Budget-driven solutions**

Direct your funding toward impactful, high-quality workspaces for your teams and agencies.

#### **Proven design and quality**

Benefit from the award-winning craftsmanship and innovation that MillerKnoll brings to public sector environments.

### **READY TO GET STARTED?**

Contact us to learn how MillerKnoll and OMNIA Partners can help you achieve your project goals while maximizing your purchasing power.

\*MillerKnoll continues to monitor ongoing trade developments that may impact supply chain costs. While no separate surcharge is currently being assessed on OMNIA Partners or other eligible public sector contracts, MillerKnoll reserves the right to adjust pricing or discount structures in the future to respond to changing economic conditions, including tariff-related costs. Any such adjustments will be communicated in accordance with contractual obligations.
