RE: Herman Miller & University of California National Contract 2019.001890 -
Price List Increase

This memo will serve as notice that there will be a 10% price list increase for the National Agreement which has been agreed to by the University of California and will reflect new pricing beginning March 7, 2022. This is reflected against the National Contract 2019.001890.

In discussion to validate the increase and the effect of these cost increases to their business, Herman Miller provided a number of PPI data reports. The largest PPI increases were in Commercial Furniture and Household category from January 2021 – November 2021 which realized an increase of 11.1%. As well Unit Labor Cost over 2021 is reported as a 6.5% labor increase.

All other terms and conditions of the agreement shall remain in full unless changed, altered, or amended on a formal contract amendment signed by both parties per the requirements of the contract.

Thank you,

Marilyn Biscotti
