

DISTRIBUTION SOLUTION FOR COMMERCIAL BUILDINGS

Network Distribution® (*Network*) is a global distributor focused on enhancing the appearance and wellness of your buildings. By offering customized facility supply programs, Network is designed to deliver centralized control at the corporate level backed by the power of local capabilities at each property.

DELIVERING WHAT MATTERS

- 1,100 global distribution centers / 700+ distribution centers in North America
- 7,500 responsive local facilities cleaning specialists
- 24/7 access to our e-commerce solution — Marketplace
- Flexible delivery schedules
- Local will call and emergency order options
- One contract with one national point of contact
- Training and support at each location
- In-market inventory, including a full line of health, safety, and environmentally-preferred products
- Proprietary assessment programs to uncover cost savings
