Norix Group, Inc. proposes that the Region 14 Contract #07-109 now be based on our Norix and Tonik 2024 Price Lists (attached).

We have evaluated each product line individually to determine the appropriate List Price effective January 1, 2024. While we do have some increases due to material inflation, we are pleased to announce that 86% of the Norix product line has retained the same List Prices as the year 2023, and there is no increase on the Tonik product line. Of the 14% of products that did change price, the average percent was 6.8%.

Please confirm the new price list basis for this contract is acceptable.
Thank you for your understanding and continued support. If you have questions or concerns, please let me know.
