

# Wellness solutions

Helping to reduce germs as students return to school.

## We are evolving because education is always evolving.

Office Depot® Business Solutions Division is now ODP Business Solutions. We have a new name and a renewed focus to helping students and faculty succeed, and we bring almost 30 years of experience in curating today's modern products, services, and solutions for K-12 schools, colleges, and universities across the nation.

As the new school year begins, so does a renewed focus on wellness for students and faculty members alike. ODP Business Solutions is a one-stop shop for personal protective equipment (PPE) and items that can help you create a cleaner environment, maintain social distancing, and help reduce the spread of germs all season long.

## The wellness solutions we offer include:

- Air purifiers
- Cleaning chemicals
- COVID-19 testing kits
- Disinfectants
- Face masks and coverings
- Face shields
- Floor care
- Gloves
- Hand sanitizer
- Individually wrapped breakroom items
- Plexiglass dividers and mobile partitions
- Social distancing signage
- Thermometers

\* WARNING: THIS SURGICAL MASK IS NOT A RESPIRATOR. It is recommended for use by health care professionals to help provide a barrier against light splashes, droplets, and spit. It is NOT designed to provide a tight seal and does not provide respiratory protection or eliminate the risk of contracting any disease, infection, or virus. Face masks are intended for single usage. Reuse of face masks is not generally recommended and is impacted by a number of variables, including the type and shape of the materials, straps, seals, bands, etc. The decision to permit extended use or limited reuse of face masks or considerations with respect to cleaning or decontamination of face masks should be made in consultation with federal, state, and local public health recommendations and in consultation with occupational health and/or infection control professionals. See Facemasks, CDC, <https://www.cdc.gov/coronavirus/2019-ncov/hcp/ppe-strategy/face-masks.html> (last updated June 28, 2020).

\*\* WARNING: THESE MASKS ARE NOT RESPIRATORS OR SURGICAL MASKS. They are NOT FDA cleared or NIOSH approved, and they may or may not meet fluid barrier or filtration efficiency levels. They are recommended for use only by the general public. They are NOT recommended for use in: (1) any surgical setting or where exposure to liquid, bodily fluids, or other hazardous fluids may be expected; (2) a clinical setting where there is an infection risk through inhalation exposure; or (3) the presence of a high-intensity heat source or flammable gas. These products do NOT eliminate the risk of contracting any disease, infection, or virus.

\*\*\* NIOSH-APPROVED N95 for at least 95 percent filtration efficiency against certain non-oil-based particles and aerosols.
