DeskMakers Elevates Workplace Design Legacy with Strategic Acquisition of Peter Pepper Products' Operating Assets

Iconic brand to continue operations with DeskMakers, paving the way for a new era of innovative solutions.

December 12, 2023 Commerce, CA - DeskMakers is excited to announce the acquisition of the operating assets of Peter Pepper Products effective December 12, 2023.

Peter Pepper Products will continue to operate as a standalone division of DeskMakers, retaining its name, customer service team, and sales representatives.

Peter Pepper Products was founded in 1952 and over its illustrious history has evolved from a residential goods line to an unmistakable presence within corporate, education, healthcare, and government environments across the globe. Today, the brand's products include waste and recycling receptacles, clocks, work tables, display cases, hat and coat hooks, lecterns, literature racks, and visual boards.

"We are enthusiastic about carrying out Peter Pepper Products' mantra of design, performance, and practicality," said Phil Polishook, CEO of DeskMakers. "The brand is beloved in our industry for its history of producing interesting products in categories that are generally overlooked by other office furniture manufacturers. To that end, we plan on introducing exciting and innovative new products under the Peter Pepper brand in the coming months."

Commenting on the acquisition, Sigi Pepper, President/CEO of Peter Pepper Products noted, "Today's transaction with DeskMakers is a new era for the company our family has owned and managed for over seven decades. We wish everyone involved a successful future."
