19 Our company

Everyone deserves access to interactive technology.

That's why we created the ActivPanel LX, an easy-to-use, flexible, and affordable front-of-classroom display built to engage, enlighten, and excite teachers and students alike.

Designed to work with your current technology platform—along with the software and apps you know and love—this robust interactive display provides the quality, dependability, and versatility you expect from Promethean.

Meet ActivPanel LX

ActivPanel LX

Designed to work with your current technology platform and compatible with the software and apps you know and love, the ActivPanel LX is our most flexible, affordable, and dependable interactive panel.

For as low as

\$1,309*

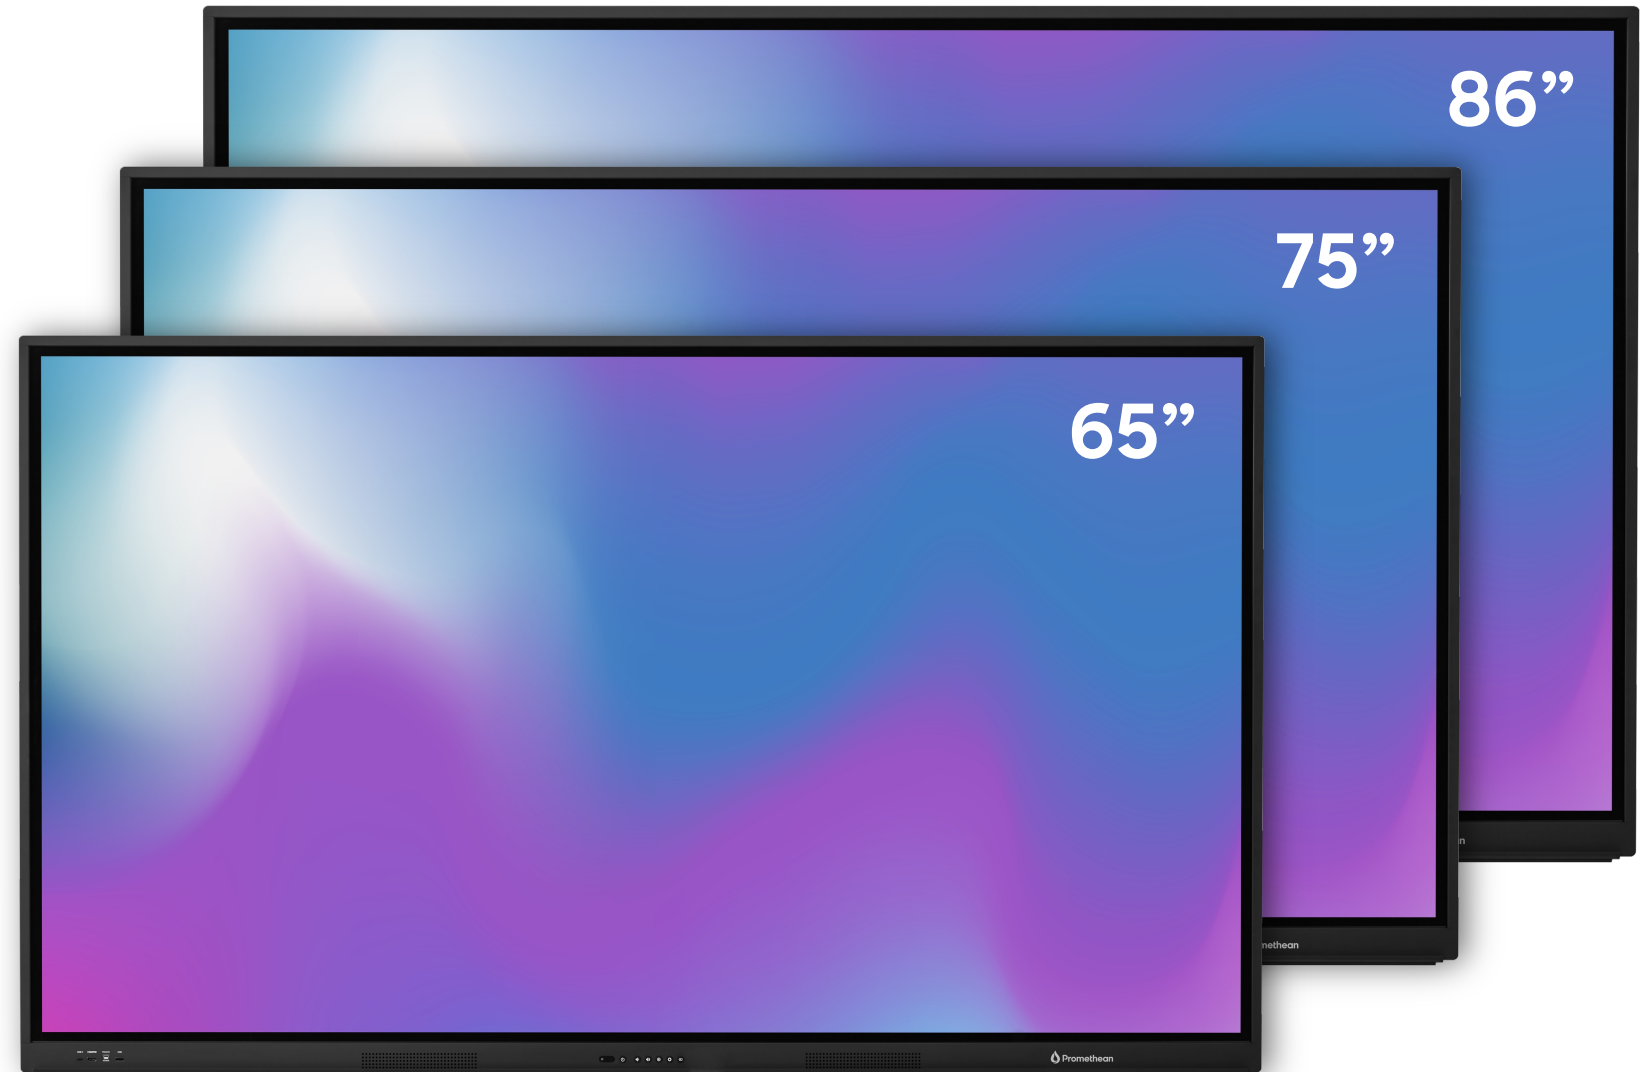

*Recommended retail price (RRP) quoted in USD. Contact your local reseller for specific pricing in your region as prices may vary based upon total number of units purchased or costs of sale or delivery.

CHOOSE YOUR SIZE

What works best for your classroom?

One size doesn't fit all. Choose from three different displays to guarantee your panel fits right in.

No matter which size you choose, ActivPanel LX's crystal clear 4K display with HDMI 2.0 technology provides stunning visual clarity and performance for your classroom.

Three great sizes, three great prices

PRICE

Impressive features at a low price

- Gigabit ethernet ports for uncompromised network speeds
- LCD bonded glass with excellent writing and viewing experiences
- Advanced touch technology featuring pen and touch differentiation, palm erase, and 20 points of touch
- Dual front-facing speakers, integrated full-length pen tray, wall mount

SIMPLICITY

Beautifully simple and easy to use

Because the ActivPanel LX works with the hardware, software, and apps you currently use, there's no learning curve. Get up and running with minimal training and limited support from IT staff.

FLEXIBILITY

Seamless integration with your tech stack

Plug the ActivPanel LX into a laptop with a single USB-C cable and instantly turn your computer into a large-format interactive display.

Pair your tech with a computing module that fits your preferred ecosystem—whether it be Google, Windows, or Android—delivering maximum flexibility for your classroom.

OPS-A

Power up the ActivPanel LX

Our OPS-A computing module, an Android 12 device, was built specifically for use with the ActivPanel LX.

With this cost-effective, powerful device, you can create an intuitive, seamless user experience for both teachers and students.

OPS-A

Your favorite apps right on the panel

Because the OPS-A is a Google EDLA-certified Android device, teachers can access their favorite educational apps.

The OPS-A comes preloaded with popular apps found on Google Play and Promethean. Instantly access Annotate, Screen Capture, Screen Share, Spinner, Timer, and Whiteboard.

OPS-A

Trouble with tech? Not anymore.

ActivPanel LX features simple set-up with a choice of three panel management options based on preference: Promethean Admin Tools, Radix, and Google Admin.

With the OPS-A addition, IT managers can get started immediately with minimal training so they can focus on keeping tech running smoothly throughout their district.

Connect anytime, anywhere

Choose what works best with your tech

OPS-A

Google EDLA-certified Android device:

- Access to Promethean apps on the panel
- Access to the Google Play Store
- An intuitive and seamless user experience
- Enhanced collaboration and sharing capabilities
- Ease of use with minimal training required
- Device management via Promethean Web Admin Tools, Google Admin, or Radix

OPS-M

Linux-compatible Windows device:

- Compatibility with the Windows ecosystem
- An all-in-one, large-format Windows experience
- Access to the Microsoft Store and One Drive
- Access to Promethean apps through the web
- Ease of use with minimal training required
- Device management via Radix

Chromebox

Google-certified Chrome OS device:

- Compatibility with the Google ecosystem
- An all-in-one, large-format Chromebook experience
- Access to the Google Play Store
- Access to Promethean apps through the web
- Ease of use with minimal training required
- Device management

ACCESSORIES

Unleash your panel's full potential

- Make your panel mobile with a height-adjustable rolling stand
- Experience immersive sound with the ActivSoundBar
- Expand your classroom's reach with a distance learning bundle

No one goes further than Promethean to help you maximize your technology investment.

Whatever your starting point, Promethean is here to support you on the transformation journey.

We bring 25+ years of hands-on experience to helping schools and districts of every size take learning and collaboration to new heights.

With an unparalleled professional development program and support that always has your back, explore the resources, community, and partnership our customers know and love.

PROFESSIONAL DEVELOPMENT

Training tailored to your needs

You come first. Technology follows.

That's professional development at Promethean: a program created and delivered by seasoned former teachers, packed with tools and training, empowering you to leverage edtech to the fullest.

The industry's most advanced professional development

- Education Consultant training onsite and online
- Five free professional development events annually
- Free self-guided training resources on Learn Promethean
- Virtual events for teachers, admins and IT pros

Program availability may vary by region

PROFESSIONAL DEVELOPMENT

Expert-led training onsite and online

Promethean Education Consultants

Promethean Education Consultants are Google™ Certified Level 2 Educators with a passion for connecting curriculum and technology to help bring out the brilliance in every student.

Our District Education Consultants—currently deployed in more than 35 U.S. cities nationwide—are dedicated to their district full time, working closely with administration and staff to ensure schools get the most from their Promethean solution.

Self-guided training: [LearnPromethean.com](https://www.learnpromethean.com)

The Learn Promethean platform is a comprehensive, free, and easy-to-use portal for thorough self-guided training in Promethean panels and software.

These articles, courses, and video tutorials empower teachers in all learning environments to deliver digitally transformed classroom experiences that are media-rich and geared toward deepening engagement.

SERVICE AND SUPPORT

Support whenever you need it

Promethean Support takes many forms, but its focus never changes. We'll always be here for your peace of mind.

From free, 24/7 online support and robust community resources to onsite technicians at your side within three business days—as our customer, you'll choose the mix of services that's best for your edtech investment.

Our warranty: customized and comprehensive

ActivCare Standard

Automatically included with every Promethean solution, our standard warranty gives you access to free, 24/7 online support, as well as telephone support, for all registered products from the date of installation.

ActivCare Plus

Choose from purchasable, premium extensions and enhancements to our standard warranty, including Advanced Replacement and Onsite Support (subject to courier capability and geographical location).

OUR COMPANY

Living our heritage

Since our beginnings in Blackburn, England a quarter century ago, and throughout these many years of breathtaking change for education and technology, our motivation has remained the same: to positively impact schools and students in everything we do.

As a company started by teachers, we're living our heritage with every panel, app, and solution we deliver. Our dedicated, passionate team wouldn't have it any other way.

#1 global brand for interactive panels* **25+** years of experience in education technology **1.8M** classrooms use our displays worldwide

40+ award nominations and wins in the last 5 years **126** countries where Promethean solutions are deployed

*in nursery, primary, and secondary sectors excluding China, according to Futuresource Consulting

OUR COMPANY

Because everyone is capable of brilliance

We're working towards a world where everybody gets their chance to shine.

Environmental responsibility

We continuously strive to reduce our carbon footprint, achieving carbon neutrality in 2019 and 2020.

Diversity, equity, and inclusion

We promote a workplace where everyone is welcomed and valued for their perspective.

Quality education for all

We contribute grants of panels, software, accessories, and training to schools in need.
