Dear Ms Eppenger,

SUBJECT: Notice of Intent to Award – Water Filtration RFP 002773-MAR2022
RFP # 002773-MAR2022 - UC System-wide Water Filtration

The University of California (UC) has completed its evaluation of proposals in response to the above referenced RFP and intends to award a contract to your company. I will represent UC in this regard with appropriate representation from UC and OMNIA Partners members moving forward, and I will contact you soon to begin negotiating the contract. Kindly direct to me all communications regarding this Notice of Intent to Award.

This Notice of Intent to Award is non-binding. If your company does not agree with UC on contract terms, UC will not award a contract to your company. Your company may not begin work, purchase materials, or enter into subcontracts relating to the project before both parties sign a contract, unless prior written approval is obtained from me. UC reserves the right to cancel this Notice of Intent to Award at any time before both parties sign a contract.

I look forward to working with you to put contract terms in place. Please don't hesitate to contact me if you have any questions about this Notice of Intent to Award.
