The University of California issued RFP #003133-Apr2023 on May 24th, 2023, to establish a national cooperative contract for a UC-wide e-Bike Purchase Program.

The solicitation included cooperative purchasing language in Sections 1.2 and 2.1:

1.2 - The University of California, as the Principal Procurement Agency, defined in Exhibit A, has partnered with OMNIA Partners, Public Sector (“OMNIA Partners”) to make the resultant contract (also known as the “Master Agreement” in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through OMNIA Partners’ cooperative purchasing program. The UC is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a “Participating Public Agency”) and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of a Master Intergovernmental Cooperative Purchasing Agreement, a form of which is attached hereto as Exhibit C, or as otherwise agreed to. Exhibit A contains additional information about OMNIA Partners and the cooperative purchasing program.

2.1 - The UC invites qualified and responsible Suppliers to prepare and submit proposals to this Request for Proposal (RFP) for a discount purchase program with e-Bikes and related services (together, the “Goods and Services) all in accordance with Federal and State of California laws and the requirements of UC as further detailed in this RFP. The UC has partnered with OMNIA Partners to make the resultant agreement a national cooperative agreement which public agencies across the country will be able to utilize. The overall objective of this RFP is to select an e-Bike manufacturer(s) and/or dealer Supplier(s), to assist UC, and national participating agencies, in obtaining the best, most cost-effective Goods and Services of the highest quality and standards. Qualified Suppliers are invited to submit proposals, based on the information provided in this RFP with the intent to establish a business alliance with UC and OMNIA Partners, that will maximize the resources of both organizations to meet the needs of UC and national participating agencies most effectively. There are no minimum or maximum guarantees in this RFP. However, based on the total UC historical spend, the Supplier shall provide the best pricing for this RFP in Goods and/or Services.
