The University of California (UC) has completed its evaluation of proposals in response to the UC Systemwide RFP For Telecommunication Services and intends to award Landline category (Cloud VoIP sub-category only) to your company. I will represent UC in this regard and have attached the proposed Purchasing Agreement to begin the contracting process. Please kindly direct all communications regarding the UC contract and this Notice of Intent to Award to me, and direct all OMNIA Partners communications to Deborah.

The attached proposed Purchasing Agreement is for your review and incorporates UC's response to your proposed revisions. UC proposes working together to establish a mutually acceptable Purchasing Agreement. Please provide your earliest availability to discuss the agreement details and establish a timeline for completion.
