

OMNIA Partners & Rubbermaid

PUBLIC SECTOR | K-12, HIGHER EDUCATION, STATE & LOCAL GOVERNMENT

Rubbermaid Commercial Products is an established global leader, pioneering exceptional products that outperform and outlast the competition. For over 50 years, RCP has provided solutions with industry-leading durability to meet the challenging demands of commercial facilities. Dedicated to Value Added Solutions through an OMNIA Partner approved distributor of your choice. Rubbermaid Commercial Products provides users with Meaningful Solutions focused on 5 areas for improvement.

BENEFITS

- **Productivity** - Reduces time, increases performance level, and saves on labor
- **Health & Wellness** - Improves safety, ergonomic impact, and reduces contamination risk
- **Sustainability** - Made from recycled materials and reduces/eliminates battery use
- **Aesthetics** - Long terms savings with product durability, user injury reduction, and component quality
- **Cost In Use** - Design, quality, and functionality of products improves overall image
