

Prevent Slips, Trips & Falls

Over the Spill Pads

Mount on walls or caution signs—ready when you need it.

Act Fast. Stay Safe.

Instant Spill Containment + Warning

Tear off a pad and place it directly over the spill—it absorbs up to **12 oz of liquid** and displays a visible **“Caution Wet Floor”** warning in both English and Spanish, plus the universal hazard symbol

Safety & Liability Reduction

Highly visible in yellow with bilingual warning text and **hazard symbols**—helps prevent accidents and lowers potential liability from slips, trips, or fall
