Bid Opportunities

*****ANNOUNCEMENT*****

The City of Tucson has partnered with OpenGov to provide a new web-based electronic bidding system. This new OpenGov system will replace the current electronic bidding system (BuySpeed). Just as with the current system, this new system will allow bidders to download and reply to the City's formal solicitations by uploading their responses through the [e-Procurement Portal](#). Below are the bids and proposals currently being solicited and the corresponding closing dates for each. Our new [e-Procurement Portal](#) will allow interested parties to do the following:

- Register to bid and receive notifications of future opportunities in the [e-Procurement Portal](#) by selecting [Subscribe](#) to create an account. (NOTE: Even if you have previously registered to receive email notifications in the current BuySpeed system, you must register in the new OpenGov system in order to start receiving notifications through the new [e-Procurement Portal](#).)
- Follow updates to existing solicitations by finding the solicitation and clicking the [Follow](#) button. This will allow all interested parties to receive addenda automatically.
- Submit questions and receive answers for open solicitations.
- Guide vendors through the process of responding electronically to RFPs, bids, etc. to ensure submissions have been accurately completed.
- Ultimately, be your one location for all bid opportunities issued by the City of Tucson.

To get started, click [here](#) and subscribe. You'll receive an email to activate your account. For more information about how to register, please see our [help file](#) here.

THERE IS NO COST FOR VENDORS TO REGISTER WITH OpenGov.
