

### Request for Vendor Contract Update

Pursuant to the terms of your awarded vendor contract, all vendors must notify and receive approval from Region 4/OMNIA Partners, Public Sector when there is an update in the contract. No request will be officially approved without the prior authorization of Region 4. Region 4 reserves the right to accept or reject any request.

Safco Products Co. (Vendor Name) hereby provides notice of the following update to  
Contract number: R240114 for Furniture, Installation, and Related Services on this date 2/24/25 Contract Title

**Instructions:** Vendors must check all that may apply and shall provide supporting documentation. Place your initials next to each item to confirm that documents are indeed included. Request received without supporting documentation will be returned.

**For material changes, the awarded contract holder and/or subsequent assignee agrees to and understands the following principles:**

i. **Contract holder reference.** If the contract holder undergoes a merger, acquisition, or partial assignment, in which case they still maintain the contract, then all transactions made under the existing contract number (including purchase orders) must reference the name of the awarded contract holder. The exception to this requirement is if the contract holder no longer holds the contract or if the company has been acquired by another company and undergone a name change. Notice of the authorized name change, to the existing contract, must be provided and approved by Region 4.

In instances where the contract holder has acquired a separate and distinct company, and it is necessary to designate those certain purchases facilitated by the non-contract holder, then this designation may be made if, and only if, the contract holder is also referenced on the transaction.

ii. **Maintenance of records.** Both the awarded contract holder and subsequent assignee agree to remain responsible for maintaining all auditable records, including documents kept in the ordinary course of business and sales invoices, related to OMNIA Partners, Public Sector and/or contract number pursuant to the statutory requirements identified in the vendor contract.

iii. **Payments.** Both the awarded contract holder and subsequent assignee agree that all payments made by participating entities must be made directly to the contract holder, unless otherwise approved by Region 4. Accordingly, both parties acknowledge that in instances where it is necessary to designate the purchases facilitated by assignee, that the contract holder must also be referenced on the purchase order.

iv. **Handling of Proprietary and/or Confidential Information.** In accord with the terms of the contract, both awarded vendor and assignee agree that at all times it will hold in strict confidence and not disclose to any third party Confidential and/or Proprietary information of Region 4, except as approved in writing by Region 4, and will use the Confidential Information for no purpose other than providing services under the contract. Both awarded vendor and assignee shall only permit access to Confidential Information to those of its employees or authorized representatives having a need to know and who have signed confidentiality agreements or are otherwise bound by confidentiality obligations at least as restrictive as those contained herein.

This document is to be construed in strict accordance with the terms and conditions outlined in the Region 4/vendor Master Agreement referenced herein. Both awarded vendor and assignee agree to uphold the vendor obligations set forth in the vendor agreement. This Agreement will become effective when signed by all parties.

**Date:** August 30, 2024

**Subject:** U.S. Price Adjustment Notification

Dear Valued Customer,

The U.S. economy continues to be unpredictable through an extended period of economic uncertainty. Prices for consumer products and commodities remain volatile. Since our last price adjustment, the SAFCO team has worked hard to proactively explore every avenue to ensure our products are competitively priced and available for delivery. Moreover, last year we took steps enabling us to lower prices by an average of 15% on our popular Swift offering. However, given current rising costs of doing business, it is necessary to adjust pricing on a small subset of our products.

Effective September 30, 2024, orders received on a subset of products will experience a list price adjustment from 1.32 to 7.09%.

Please see updated pricing in the published price list at the following link:

<https://www.flipsnack.com/C89D9F99E8C/safco-price-list/full-view.html>

Thank you for your continued support of SAFCO and our comprehensive offering products that empower people to do their best work.

A handwritten signature in black ink that reads "Stuart M. Johnson". The signature is written in a cursive style and is positioned above a light yellow rectangular background.
