

Region 4 Education Service Center (ESC)

Contract # R201104

for

Athletic, Physical Education Supplies, and Team Uniforms

with

School Health Corporation

Effective: October 1, 2020

The following documents comprise the executed contract between the Region 4 Education Service Center and School Health Corporation, effective October 1, 2020:

- I. Vendor Contract and Signature Form
- II. Supplier's Response to the RFP, incorporated by reference

CONTRACT

This Contract ("Contract") is made as of October 1, 2020 by and between School Health Corporation ("Contractor") and Region 4 Education Service Center ("Region 4 ESC") for the purchase of Athletic, Physical Education Supplies, and Team Uniforms ("the products and services").

RECITALS

WHEREAS, Region 4 ESC issued Request for Proposals Number 20-11 for Athletic, Physical Education Supplies, and Team Uniforms ("RFP"), to which Contractor provided a response ("Proposal"); and

WHEREAS, Region 4 ESC selected Contractor's Proposal and wishes to engage Contractor in providing the services/materials described in the RFP and Proposal;

WHEREAS, both parties agree and understand the following pages will constitute the Contract between the Contractor and Region 4 ESC, having its principal place of business at 7145 West Tidwell Road, Houston, TX 77092.

WHEREAS, Contractor included, in writing, any required exceptions or deviations from these terms, conditions, and specifications; and it is further understood that, if agreed to by Region 4 ESC, said exceptions or deviations are incorporated into the Contract.

WHEREAS, this Contract consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth below shall control.

WHEREAS, the Contract will provide that any state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies") may purchase products and services at prices indicated in the Contract upon the Public Agency's registration with OMNIA Partners.

- 1) Term of agreement. The term of the Contract is for a period of three (3) years unless terminated, canceled or extended as otherwise provided herein. Region 4 ESC shall have the right to renew the Contract for two (2) additional one-year periods or portions thereof. Region 4 ESC shall review the Contract prior to the renewal date and notify the Contractor of Region 4 ESC's intent renew the Contract. Contractor may elect not to renew by providing three hundred sixty-five days' (365) notice to Region 4 ESC. Notwithstanding the expiration of the initial term or any subsequent term or all renewal options, Region 4 ESC and Contractor may mutually agree to extend the term of this Agreement. Contractor acknowledges and understands Region 4 ESC is under no obligation whatsoever to extend the term of this Agreement.
- 2) Scope: Contractor shall perform all duties, responsibilities and obligations, set forth in this agreement, and described in the RFP, incorporated herein by reference as though fully set forth herein.
- 3) Form of Contract. The form of Contract shall be the RFP, the Offeror's proposal and Best and Final Offer(s).

- 4) Order of Precedence. In the event of a conflict in the provisions of the Contract as accepted by Region 4 ESC, the following order of precedence shall prevail:
 - i. This Contract
 - ii. Offeror's Best and Final Offer
 - iii. Offeror's proposal
 - iv. RFP and any addenda
- 5) Commencement of Work. The Contractor is cautioned not to commence any billable work or provide any material or service under this Contract until Contractor receives a purchase order for such work or is otherwise directed to do so in writing by Region 4 ESC.
- 6) Entire Agreement (Parol evidence). The Contract, as specified above, represents the final written expression of agreement. All agreements are contained herein and no other agreements or representations that materially alter it are acceptable.
- 7) Assignment of Contract. No assignment of Contract may be made without the prior written approval of Region 4 ESC. Contractor is required to notify Region 4 ESC when any material change in operations is made (i.e. bankruptcy, change of ownership, merger, etc.).
- 8) Novation. If Contractor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. Region 4 ESC reserves the right to accept or reject any new party. A change of name agreement will not change the contractual obligations of Contractor.
- 9) Contract Alterations. No alterations to the terms of this Contract shall be valid or binding unless authorized and signed by Region 4 ESC.
- 10) Adding Authorized Distributors/Dealers. Contractor is prohibited from authorizing additional distributors or dealers, other than those identified at the time of submitting their proposal, to sell under the Contract without notification and prior written approval from Region 4 ESC. Contractor must notify Region 4 ESC each time it wishes to add an authorized distributor or dealer. Purchase orders and payment can only be made to the Contractor unless otherwise approved by Region 4 ESC. Pricing provided to members by added distributors or dealers must also be less than or equal to the Contractor's pricing.
- 11) TERMINATION OF CONTRACT
 - a) Cancellation for Non-Performance or Contractor Deficiency. Region 4 ESC may terminate the Contract if purchase volume is determined to be low volume in any 12-month period. Region 4 ESC reserves the right to cancel the whole or any part of this Contract due to failure by Contractor to carry out any obligation, term or condition of the contract. Region 4 ESC may issue a written deficiency notice to Contractor for acting or failing to act in any of the following:
 - i. Providing material that does not meet the specifications of the Contract;
 - ii. Providing work or material was not awarded under the Contract;
 - iii. Failing to adequately perform the services set forth in the scope of work and specifications;
 - iv. Failing to complete required work or furnish required materials within a reasonable amount of time;

- v. Failing to make progress in performance of the Contract or giving Region 4 ESC reason to believe Contractor will not or cannot perform the requirements of the Contract; or
- vi. Performing work or providing services under the Contract prior to receiving an authorized purchase order.

Upon receipt of a written deficiency notice, Contractor shall have ten (10) days to provide a satisfactory response to Region 4 ESC. Failure to adequately address all issues of concern may result in Contract cancellation. Upon cancellation under this paragraph, all goods, materials, work, documents, data and reports prepared by Contractor under the Contract shall immediately become the property of Region 4 ESC.

- b) Termination for Cause. If, for any reason, Contractor fails to fulfill its obligation in a timely manner, or Contractor violates any of the covenants, agreements, or stipulations of this Contract Region 4 ESC reserves the right to terminate the Contract immediately and pursue all other applicable remedies afforded by law. Such termination shall be effective by delivery of notice, to the Contractor, specifying the effective date of termination. In such event, all documents, data, studies, surveys, drawings, maps, models and reports prepared by Contractor will become the property of the Region 4 ESC. If such event does occur, Contractor will be entitled to receive just and equitable compensation for the satisfactory work completed on such documents.
- c) Delivery/Service Failures. Failure to deliver goods or services within the time specified, or within a reasonable time period as interpreted by the purchasing agent or failure to make replacements or corrections of rejected articles/services when so requested shall constitute grounds for the Contract to be terminated. In the event Region 4 ESC must purchase in an open market, Contractor agrees to reimburse Region 4 ESC, within a reasonable time period, for all expenses incurred.
- d) Force Majeure. If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders of any kind of government of the United States or the State of Texas or any civil or military authority; insurrections; riots; epidemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty.

- e) Standard Cancellation. Region 4 ESC may cancel this Contract in whole or in part by providing written notice. The cancellation will take effect 30 business days after the other party receives the notice of cancellation. After the 30th business day all work will cease following completion of final purchase order.

- 12) Licenses. Contractor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by Contractor. Contractor

CONTRACT

shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of services under the Contract. Region 4 ESC reserves the right to stop work and/or cancel the Contract if Contractor's license(s) expire, lapse, are suspended or terminated.

- 13) Survival Clause. All applicable software license agreements, warranties or service agreements that are entered into between Contractor and Region 4 ESC under the terms and conditions of the Contract shall survive the expiration or termination of the Contract. All Purchase Orders issued and accepted by Contractor shall survive expiration or termination of the Contract.
- 14) Delivery. Conforming product shall be shipped within 7 days of receipt of Purchase Order. If delivery is not or cannot be made within this time period, the Contractor must receive authorization for the delayed delivery. The order may be canceled if the estimated shipping time is not acceptable. All deliveries shall be freight prepaid, F.O.B. Destination and shall be included in all pricing offered unless otherwise clearly stated in writing.
- 15) Inspection & Acceptance. If defective or incorrect material is delivered, Region 4 ESC may make the determination to return the material to the Contractor at no cost to Region 4 ESC. The Contractor agrees to pay all shipping costs for the return shipment. Contractor shall be responsible for arranging the return of the defective or incorrect material.
- 16) Payments. Payment shall be made after satisfactory performance, in accordance with all provisions thereof, and upon receipt of a properly completed invoice.
- 17) Price Adjustments. Should it become necessary or proper during the term of this Contract to make any change in design or any alterations that will increase price, Region 4 ESC must be notified immediately. Price increases must be approved by Region 4 ESC and no payment for additional materials or services, beyond the amount stipulated in the Contract shall be paid without prior approval. All price increases must be supported by manufacturer documentation, or a formal cost justification letter. Contractor must honor previous prices for thirty (30) days after approval and written notification from Region 4 ESC. It is the Contractor's responsibility to keep all pricing up to date and on file with Region 4 ESC. All price changes must be provided to Region 4 ESC, using the same format as was provided and accepted in the Contractor's proposal.

Price reductions may be offered at any time during Contract. Special, time-limited reductions are permissible under the following conditions: 1) reduction is available to all users equally; 2) reduction is for a specific period, normally not less than thirty (30) days; and 3) original price is not exceeded after the time-limit. Contractor shall offer Region 4 ESC any published price reduction during the Contract term.

- 18) Audit Rights. Contractor shall, at its sole expense, maintain appropriate due diligence of all purchases made by Region 4 ESC and any entity that utilizes this Contract. Region 4 ESC reserves the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. Region 4 ESC shall have the authority to conduct random audits of Contractor's pricing at Region 4 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 4 ESC is made aware of any pricing being offered that is materially inconsistent with the pricing under this agreement, Region 4 ESC shall have the ability to conduct an extensive audit of Contractor's pricing at Contractor's

sole cost and expense. Region 4 ESC may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 4 ESC.

- 19) Discontinued Products. If a product or model is discontinued by the manufacturer, Contractor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.
- 20) New Products/Services. New products and/or services that meet the scope of work may be added to the Contract. Pricing shall be equivalent to the percentage discount for other products. Contractor may replace or add product lines if the line is replacing or supplementing products, is equal or superior to the original products, is discounted similarly or greater than the original discount, and if the products meet the requirements of the Contract. No products and/or services may be added to avoid competitive procurement requirements. Region 4 ESC may require additions to be submitted with documentation from Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 4 ESC may reject any additions without cause.
- 21) Options. Optional equipment for products under Contract may be added to the Contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.
- 22) Warranty Conditions. All supplies, equipment and services shall include manufacturer's minimum standard warranty and one (1) year labor warranty unless otherwise agreed to in writing.
- 23) Site Cleanup. Contractor shall clean up and remove all debris and rubbish resulting from their work as required or directed. Upon completion of the work, the premises shall be left in good repair and an orderly, neat, clean, safe and unobstructed condition.
- 24) Site Preparation. Contractor shall not begin a project for which the site has not been prepared, unless Contractor does the preparation work at no cost, or until Region 4 ESC includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.
- 25) Registered Sex Offender Restrictions. For work to be performed at schools, Contractor agrees no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Contractor agrees a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at Region 4 ESC's discretion. Contractor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.
- 26) Safety measures. Contractor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Contractor shall post warning signs against all hazards created by its operation and work in progress. Proper precautions shall be taken pursuant to state law

and standard practices to protect workers, general public and existing structures from injury or damage.

- 27) Smoking. Persons working under the Contract shall adhere to local smoking policies. Smoking will only be permitted in posted areas or off premises.
- 28) Stored materials. Upon prior written agreement between the Contractor and Region 4 ESC, payment may be made for materials not incorporated in the work but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to Region 4 ESC prior to payment. Such materials must be stored and protected in a secure location and be insured for their full value by the Contractor against loss and damage. Contractor agrees to provide proof of coverage and additionally insured upon request. Additionally, if stored offsite, the materials must also be clearly identified as property of Region 4 ESC and be separated from other materials. Region 4 ESC must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary. Until final acceptance by Region 4 ESC, it shall be the Contractor's responsibility to protect all materials and equipment. Contractor warrants and guarantees that title for all work, materials and equipment shall pass to Region 4 ESC upon final acceptance.
- 29) Funding Out Clause. A Contract for the acquisition, including lease, of real or personal property is a commitment of Region 4 ESC's current revenue only. Region 4 ESC retains the right to terminate the Contract at the expiration of each budget period during the term of the Contract and is conditioned on a best effort attempt by Region 4 ESC to obtain appropriate funds for payment of the contract.
- 30) Indemnity. Contractor shall protect, indemnify, and hold harmless both Region 4 ESC and its administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of the Contractor, Contractor employees or subcontractors in the preparation of the solicitation and the later execution of the Contract. Any litigation involving either Region 4 ESC, its administrators and employees and agents will be in Harris County, Texas.
- 31) Marketing. Contractor agrees to allow Region 4 ESC to use their name and logo within website, marketing materials and advertisement. Any use of Region 4 ESC name and logo or any form of publicity, inclusive of press releases, regarding this Contract by Contractor must have prior approval from Region 4 ESC.
- 32) Certificates of Insurance. Certificates of insurance shall be delivered to the Region 4 ESC prior to commencement of work. The Contractor shall give Region 4 ESC a minimum of ten (10) days' notice prior to any modifications or cancellation of policies. The Contractor shall require all subcontractors performing any work to maintain coverage as specified.
- 33) Legal Obligations. It is Contractor's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services and shall comply with all laws while fulfilling the Contract. Applicable laws and regulation must be followed even if not specifically identified herein.

PROVIDING YOU THE TOOLS FOR A HEALTHY FITNESS LIFESTYLE

A NOTE FROM THE PRESIDENT

To Our Valued Customers, my name is Rob Rogers and I am the President of School Health Corporation. School Health acquired Palos Sports in 2017 and we've been working to support Palos as the newest member of the School Health family. Since our founding in 1957, School Health has been committed to supporting the health—physically, mentally and emotionally—of students so that all can learn and perform to the best of their abilities. Dan Dunne will continue in his role as the President of Palos Sports – and we are thrilled that our School Health family can now support physical education through Palos.

We are very excited to bring you our 2020 Physical Education catalog, featuring over 250 new and innovative products. Be sure to check out BRAINball™ on page 332 – it provides the perfect blend of physical fitness and academic learning.

As we pledge our continued support to PE programs and their students, we are proud to expand our sponsorship with the Special Olympics. We are currently providing young athletes with equipment in 20 states, and we plan to expand internationally. We are also expanding our sponsored workshops to have a nationwide presence – allowing us to share our passion for PE across the country.

**SINCERELY,
ROB ROGERS, SCHOOL HEALTH PRESIDENT**

NEW & IMPROVED DESIGN!

ZONE Cannon Launchers

So much fun, no one can resist stomping!

Launchers are one of the most exciting and innovative products in the PE market. Students place one of the included foam balls, or optional soft cubes, into the mouth of the device. He or she then gives it their best stomp and watches in awe as it goes flying through the air towards the intended goal. The ZONE Launchers are perfect for group games or field days. They go especially well with The ZONE Target Mat System. Find exciting game ideas at pewithpalos.com. Measures: 9.5"W x 5"H. Choose from a set of 6 or single launcher. Includes foam balls.

- 16178 Set of 6 w/ 36 Foam Balls \$159.99 set
- 17414 Single Launcher w/6 Foam Balls, Assorted Colors 32.99 ea.

ZONE Cannon Cubes

Choose from Sticky Velcro® or regular cubes.

Soft, polyester filled cubes are designed to fit into Cannon Launchers, and are also safe to toss. Sticky Cubes have Velcro® on the sides and will stick to all ZONE Targets sets. Includes 12 cubes: 2 of each color. Measures: 3" x 3" x 3".

- 26013 Standard Cubes Set of 12 \$29.99 set
- 17249 Sticky Cubes Set of 12 45.99 set

ZONE Hidden Spots

Flip them over to reveal the secret color.

These double sided vinyl spots are perfect for matching games and more. Each colored spot has a random color on the opposite side. Partners take turns tossing a ball to each other. The thrower looks at the color underneath after they toss the ball and then moves to a spot of that color. Play is repeated until time runs out. Vary gameplay by using soccer balls, rings and more. Work individually or in pairs. 10" dia.

Both models come with a closed bottom net. Use as a large shooting goal or for 360° soccer/ floor hockey. Place sideways for use as a traditional goal. Adjustable heights: 28", 30", 35" and 40".

Additional options include:

- V2 Open Bottom Net (40" goal only) - Allows goals to be scored from the side without rebounding back. Create obstacle courses when tipped on its side allowing students to pass through the goal.
- Round Base Goal Ring Covers - Simple nylon fabric covers stretch over the goals top ring to convert them into unique colored goals. Set of 6 colors. Two sizes: 20" dia or 40" dia.

THE ZONE POWRBASE Multi-Purpose Base System

SEE PAGE 49 FOR ADDITIONAL ACCESSORIES

SWIVEL JOINT

ZONE POWRBASE Multipurpose Standard System

A unique, build-your-own system designed to fit your needs.

The POWRBase system features individual components that can be combined for numerous activities such as regular and no-peek volleyball, badminton, Net Ball and tetherball. Build single or multi-angled target walls with the optional crossbars and swivel joint. Connect multiple Zone target mats (see pg. 136) together to create an affordable gym divider. Available options include:

- X30247 2 Bases, 2 Tall Posts, 1 Lightweight Net \$279.99 set
- X30248 2 Bases, 2 Short Posts, 1 Lightweight Net \$265.99 set
- X30250 Complete System: 2 Bases, 2 Tall Posts, 2 Short Posts, 1 Lightweight Net \$319.99 set

Item #	Name	Description	Price
30244	Lightweight Net	Measures 20'L x 23"W. Remains square and taut	\$39.99 ea.
30242	Individual POWRBase	Tip N' Roll design. Made of durable PVC. Can be filled with water, sand or pea gravel. Single bolt system locks posts in place.	79.99 ea.
30240	Base and Short Post	Ideal for tennis up to badminton heights. Adjusts from 41" - 66"H.	129.99 set
30245	Base and Tall Post	Features a push pin locking system with pre-marked holes for men's, women's and junior's volleyball, and badminton heights. Adjusts from 61" - 95"H.	129.99 set
30260	Swivel Joint	Allows two crossbar systems to be connected and placed at multiple angles.	14.95 ea.

Tchoukball

Fast moving sport blending skill and strategy!

The object of the game is to score points for your team by throwing the ball at the net in such a way the opposing team cannot catch the rebound. Teams rely on quick passes to move the ball down the court before taking their shot at the net-there's no blocking or interference. Dropped passes result in a change of possession. Can adapt to many class sizes for indoor or outdoor play. Both sets include two 39" square super taut angled nets, 1 Tchoukball (middle school uses size 1 ball and high school uses size 2 ball) and rules of the game..

- X15900 Middle School Set \$449.99 **SALE \$349.97 set**
- X15979 High School Set \$449.99 **SALE \$349.97 set**
- X15953 Nets only, 39" x 39", 20 lbs. \$399.99 **SALE \$299.97 pr.**

ZONE BOUNDER BALL

A fast paced rebounding game with a twist.

Teams score by throwing a 6" diameter ball into the center pocket surrounded by a rebounding panel. Missed shots bounce back into place helping to improve reaction times. Vary gameplay with rules similar to Ultimate Frisbee or Tchoukball. Includes 2 adjustable angle, heavy-duty steel goals and (3) size 1 game balls - POWRGRIP Tchoukball, ZONE Tchoukball, and RUFFSKIN Foam Handball. Frame measures 40"L x 39.5"W.

- X54291 Bouncer BALL Full Set \$349.99 set
- X54289 Goal Pair Only \$319.99 set

- 54281 \$124.99 **SALE \$104.97 ea.**

BRAINball™ A PHYSICAL EDUCATION CROSS CURRICULAR SYSTEM

"Learning through play."

WHAT YOU GET...

A SET OF 100 BALLS WITH LETTERS, NUMBERS AND SYMBOLS AND 100 LESSON PLANS THAT ARE EASY TO TEACH AND LEARN

What is BRAINball™?

BRAINball™ is an innovative and unique physical education learning system that merges physical activity and academic learning through play. Instructors and students use 100 mini soccer and basketballs and 100 lesson plans to develop math, reading, grammar, spelling, anatomy and foreign language skills. In addition to the physical benefits, significant improvement will be seen in gross and fine motor skills, cooperative and cognitive learning. BRAINball™ can be incorporated into Adapted Physical Education programs as well as those teaching students with learning disabilities, such as dyslexia.

BRAINball™ is broadly adaptable across elementary and secondary grades, and while an excellent tool for physical education, it is also perfect for use in the classroom, after-school, recreation and sports programs.

Why use BRAINball™?

Developed by the University School of Physical Education, Wroclaw, Poland in 2002, BRAINball™ has almost two decades of proven research published in numerous books, research publications, and doctoral dissertations. See our website for more information. Ask us how to set up a professional development workshop at your school.

What does BRAINball™ include?

Each set includes a lesson book filled with 100 games/activities, 100 mini basketballs and soccer balls (size 3) in five colors – red, orange, yellow, blue and green – and premium equipment bags with carry strap. There are 40 yellow and 40 green basketballs with letters (upper & lower case) and numbers, 8 red and 8 blue soccer balls with math symbols, and 4 orange "wild card" (blank) balls. BRAINball™ book is not sold individually.

49082 BRAINball™ Set - 100 balls and 100 lesson plans. \$789.99 set

ZONE Alien Spaceship Battle

Which team will be the first to stop the alien invasion?

Teams place their ships randomly on their side of the court. The weighted alien targets are placed on each spaceship. Teams toss foam balls, or flying discs, at the opposing targets. First team to knock them all over wins. Use targets and ships for a fun spin on bowling. Find multiple game variations at pewithpalos.com. Each set includes: 17 green aliens, 17 orange UFO's, 5 orange UFO's.

- 17228 Alien Spaceship Battle - 34 Alien Targets & 10 UFO Bases \$164.99 set
- 66824 Alien Spaceship Battle & (18) 5.5" Easy Grip Foam Balls..... 299.99 set

ZONE Flying Saucer Face Off

An exciting spin on the original Alien Spaceship Battle.

Gameplay is similar to the rules of Alien Spaceship Battle. However, additional strategy is needed. Teams arrange their ships and targets on their side of the court. Soft ZONE DodgeDISCS are placed on the baselines. At the signal, students launch their flying saucers (discs) at the opposing alien targets. The first team to knock them all over wins. Game includes 34 weighted alien targets, 10 foam UFO bases and 18 DodgeDISCS - 3 sets of 6.

- 66825 \$359.99 set

ZONE Weighted Knock Down Targets

Add more fun to any game... the uses are endless.

These 9" targets have a durable, textured foam rubber cover, with a weighted base to prevent easy tipping. Use as station markers or replacements for cones during races. They make exciting alternatives to traditional bowling pins or relay batons. Set them up and then knock them down.

- 17227 SET OF 6 \$38.99 SALE \$27.97 set

NEW

Golf Bocce

Practice your chipping skills while competing in a fun bocce themed game.

Played with rules similar to bocce ball, players take turns chipping their larger fleece balls towards the smaller Short Flyte ball (or jack). Play continues until one team reaches a score of 11. Includes: The ZONE 7 Irons - set of 6, 3" premium fleece balls - 2 sets of 6, Short Flyte practice golf balls - set of 4.

- 66793 \$54.99 set

ZONE Ice Cream Scoop Relay

We all scream for ice cream!

Each team has one of six colored foam ice cream scoops. The goal is to be the first team to collect all six colors of ice cream scoops. Includes 6 ice cream cones and 36 ice cream scoops.

- 17204 \$89.99 set

ZONE Soft Touch No Sting Volleyball

Ideal recreation and practice ball!

A combination of soft neoprene and honeycomb textured panels creates superior grip and takes the sting out of hits. Incredibly lightweight and durable bladder. Two-tone, 18 panel cover. 8.5"D. Set of 6.

- 33621 SET OF 6 \$69.99 SALE \$59.97 set

NEW

ZONE Fast Food Foolery

Introduce proper nutrition concepts through active play. Perfect for Health and Nutrition classes, or even as a quick "brain break." Randomly chosen students begin the game holding one of the 3 included fast food components (cheeseburger, fries, drink). The remaining students try to avoid being tagged by the unhealthy food. If tagged, they must take the food component and try to get rid of it by tagging another student. Game teaches proper eating habits and spatial awareness. Includes: soft drink, loose fries/container, cheeseburger with bun and toppings. Meets national standards 1 – 5. Two or more sets recommended for large class sizes. **⚠ CHOKING HAZARD (1) - SMALL PARTS. Not for under 3 yrs.***

Flag-A-Tag

The flag that "Pops" on release!

The Flag-A-Tag has a unique concept where the flag is attached to a rubber socket and is inserted into another rubber plug worn on the belt. While in play the flag firmly stays on the belt, but when pulled off the belt a loud "pop" alerts everyone play should be stopped. Approved by the United States Flag and Touch Association and the International Women's and Men's Flags Football Association. Sold as complete units by the dozen. Each unit includes the belt, buckle, keeper, 2 flags and 2 sockets.

BACKBOARD ADAPTERS

GREAT FOR DEVELOPING ELEMENTARY SHOOTING SKILLS

The New Generation Little Champ™

Safely attaches to any goal and backboard!

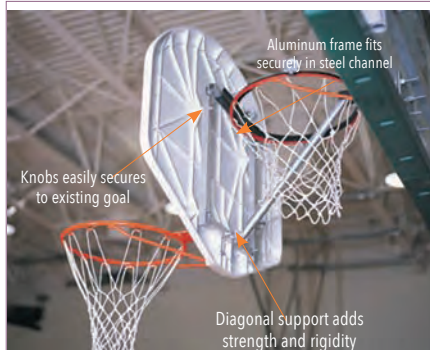

Designed to fit on any style rim and standard 42" backboard, with or without edge padding. Frame features adjustment hinge to ensure the board is always plumb. Hinged rim folds up and rear frame folds in for compact storage. Brings the goal 2' closer to the foul line. Installs in seconds by one person from the floor with no damage to the rim. Includes a 35" x 48" graphite fan shaped backboard, attachment frame and official size goal with nylon net. Not designed to be hung on or to withstand slam dunking.

- X37493 Little Champ™ 8.5 Backboard Adapter- stationary \$1,029.99 pr.
- X37494 Little Champ™ Easy Adjust Backboard Adapter- adjusts from 6'6" to 8'6"..... 1,519.99 pr.

Jaypro® Little Champ™ Classic Basketball Adapter
Convert an existing goal to 8'6" youth height.

Easily installs from floor by one person. Safely attaches to any goal and 42" backboard. Hand knobs secure unit to existing goal. Moves backboard 2' closer to free throw line. Includes a pair of fan-shaped backboards, attachment frames, official size goals, and nylon nets.

- 37171 \$719.99 pr.

Bison Easy-Up™ Youth Goal
Convert your 10' goal to the height you need without tools!

Designed to fit any style goal. Tubular frame attaches to goal with cam operated lever with the rim 24" closer to the free throw line at 8' high. Backboard is 48" x 32" and made from a molded high impact ABS plastic with shooter box graphics. Single steel rim is official size. Folds down for storage. Entire unit weighs less than 40 lbs. Not suitable for dunking or hanging on the rim. Unit height adjust sizes: 6.5', 7', 7.5', 8', 8.5', and 9'. Designed for indoor use only- not for residential or outdoor play. Ships fully assembled via UPS oversized.

- 37196 6 in 1 Youth Mini Goal..... \$599.99 ea.

Bison® Removable Rim Basketball System
Curb unattended play- just remove the goal!

Removable Rim Bracket Kit simply mounts on backboards with 5" x 5" goal mounting pattern. Goal slides in and out for easy on or off. Basketball System includes an aluminum 35.5" x 54" unpainted backboard, single 5/8" steel rim with net, 3.5" O.D. steel pole with 3' backboard extension, removable bracket, telescoping pole and mounting hardware. Removable Rim Bracket Kit when purchased separately does not include goal. Purchase goals 37082 or 37039 separately.

33098 Black \$13.99 pr.

33099 White 13.99 pr.

TRAINING AIDS

9 Square In The Air

Fast paced game that keeps everyone moving! Object of the game is to remain the longest active player in the squares. The center square serves the ball by striking it into any other square. If the ball goes out of bounds the last player to touch it is out, leaves their square and the remaining players move up a square. A new player enters the square for the last position. The fast paced game means nobody stays out for long. Constructed from PVC pipe. Set includes all of the PVC pipes, legs, metal connectors, assembly tools, game ball, carry bags and activity guide.

X16392 Measures 18' x 18', adjusts from 5' to 7' heights..... \$899.99 set

TIP AND ROLL FOR EASY PORTABILITY

EASILY ADJUST THE NET HEIGHT WITH SLIDING COLLARS

EXCLUSIVE SAFETY HUB ON BASE

MORE COLORS ONLINE

GymGlide™ Recreational Game Standard

From gym to storage in 4 easy steps!

- Telescoping aluminum uprights
- Adjust height with lever release composite collars
- Lower upright height- no more tipping
- Powder coated cast iron base
- Base rides on retractable front swivel wheels
- 155 lb. base with holding capacity equivalent to standard 220 lb. bases
- Includes upper and lower collars • Ships by Truck

- T33418 \$714.99 ea.
- T33432 1,439.99 pr.

Easy Play Game Standard

It's easy to move because the weight never comes off the floor- just tip and roll!
 Unique main base is offset to maximize stability- 6 1/2" O.D. steel has a tough powder coat finish to resist scratches and can be filled with sand to provide 105 lbs. of ballast. The 2 piece upright is 10' high and is constructed of 2" O.D. galvanized steel. Includes sliding collar for a variety of net games. Net and other accessories sold separately. Available in royal blue only; shipping weight 67 lbs. Ships by Truck.

- T30062 \$312.99 ea.

Universal Pole Collar

Hang almost anything from any pole!

Collar can attach to any pole with a diameter of 1 1/2" - 6". When pulled tight the rubber sides of the hanger grab on tight and cannot be moved.

- 18256 \$37.99 ea.

Universal Pole Padding

Easy to install!

Pole padding is 72"H, fits up to a 2" diameter pole and is made from soft polyfoam with a heavy vinyl cover for durability. Hook and loop attachments make it quick and easy to install. Available in royal blue only.

- X30096 \$99.99 ea.

Universal Base Padding

24" or 30" diameter bases.

Complete base covering for maximum protection. Available in royal blue only.

- X30054 24" \$93.99 ea.
- X30055 30" 169.99 ea.

LIGHTWEIGHT STANDARDS

THE ZONE POWRBASE
Multi-Purpose Base System

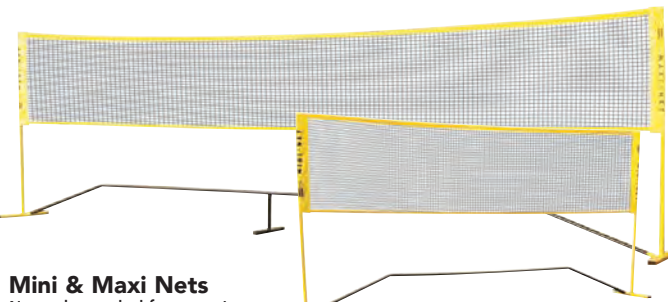

ZONE POWRBASE Multipurpose Standard System

A unique, build-your-own system designed to fit your needs.

The POWRBase system features individual components that can be combined for numerous activities such as regular and no-peek volleyball, badminton, Net Ball and tetherball. Build single or multi-angled target walls with the optional crossbars and swivel joint. Connect multiple Zone target mats (see pg. 136) together to create an affordable gym divider. Available options include:

- X30247** 2 Bases, 2 Tall Posts, 1 Lightweight Net **\$279.99 set**
- X30248** 2 Bases, 2 Short Posts, 1 Lightweight Net **265.99 set**
- X30250** Complete System: 2 Bases, 2 Tall Posts, 2 Short Posts, 1 Lightweight Net **319.99 set**

Item #	Name	Description	Price
30244	Lightweight Net	Measures 20'L x 23"W. Remains square and taut	\$39.99 ea.
30253	Top Crossbar	Push pin locking system keep all pieces secure. Fits on top of 2 tall or short posts. Provides support for hanging targets or mats. "T" joint allows multiple systems to be connected straight across.	49.99 ea.

FLAG FOOTBALL

MAGNETS SNAP ENDS TOGETHER

NEW

Magnetic Flag Belts

Features a distinctive magnetic system which helps keep the belts secure.

Sleek buckle design is lightweight, and includes encased magnets, which make it easy to put on and pull-off. These durable belts, with sewn on flags, are ideal for schools and clubs. The magnetic system gives the player the ability to incorporate the belts into other gym activities or games. Sizes: (M) 26" – 38"; (L) 30" – 44"; (XL) 36" – 52". Set of 12.

Flag-A-Tag

The flag that "Pops" on release!

The Flag-A-Tag has a unique concept where the flag is attached to a rubber socket and is inserted into another rubber plug worn on the belt. While in play the flag firmly stays on the belt, but when pulled off the belt a loud "pop" alerts everyone play should be stopped. Approved by the United States Flag and Touch Association and the International Women's and Men's Flags Football Association. Sold as complete units by the dozen. Each unit includes the belt, buckle, keeper, 2 flags and 2 sockets. **32322 Storage Ring-plastic ring holds 12- 18 belts \$5.99 ea.**

 Premium ABS blades last longer on outdoor surfaces. New blade design is concaved on both sides for greater accuracy for left and right handed players. Lightweight carbon fiber shafts and premium extra-long rubber grip for enhanced grip and stick handling. Includes: 12 Unihoc Winner sticks, 12 balls, equipment bag, Floorball guide and Floorball curriculum. Choose from 3 sizes.

- X35316 30" Elementary Set \$368.99 set
- X35317 34" Middle School Set 368.99 set
- X35318 38" High School Set 368.99 set

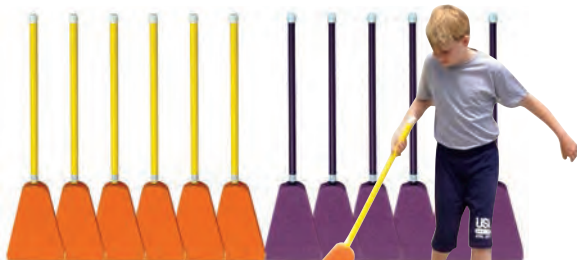

Dom® Field Hockey Set
 The Supersafe Skinex™ covering pads the head of the stick to eliminate fear and reduce injuries. Internal stick structure is designed to maintain a flat hitting surface for player success. Set includes 12-36" sticks, 6 orange and 6 yellow and 6 no bounce plastisol balls.

- X15296 \$196.99 set

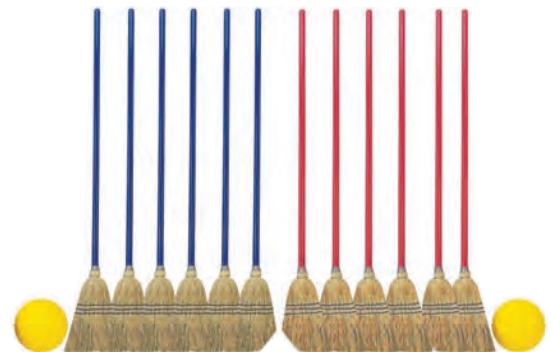

Dom® Broomball Set
 The ultimate floor game!
 Players sweep rather than strike the ball for a more stick controlled game. Made from the same safe design by padding the heads of the sticks with Supersafe Skinex, these 37" sticks are semi-rounded along the bottom for a flat hitting surface. Set includes: 12 sticks- 6 yellow, 6 orange and one 4" low bounce ball.

- X15297 Broomball Set- 12 sticks & 1 ball \$179.99 set

Sof Sweep™ Broomball
 Greater ball control and added safety!
 The over sized 9"W x 12"H Dura-Tuff™ foam heads offer almost twice as much surface area for greater ball handling and are light yet firm and sting free. High impact plastic shafts give a little for safety. Sets includes 12 sticks- 6 orange and 6 purple, one 2" foam ball and one 4" foam puck. 5 YEAR GUARANTEE!

- X35307 36" 12 Player Pack- 12 sticks, 1 ball & 1 puck..... \$119.99 pk.
- X35308 42" 12 Player Pack- 12 sticks, 1 ball & 1 puck..... 129.99 pk.

Classic Broomball
 Complete with the classic broom!
 Played by all ages indoors or out. Fast paced, high energy game! Set includes six 48" long red brooms, six 48" long blue brooms, 2 foam 7.5" balls and instructions.

- 15149 Complete Set- 12 sticks, 2 balls & instructions..... \$129.99 set

Lightweight hollow puck.
This lightweight, molded plastic puck is ideal for beginners or younger age groups.
35010 \$1.35 ea.
66783 Pack of 12 \$14.99 pk.

Shield Soft Shot Puck
Soft and safe puck!
A perfect weight hollow puck, smooth sliding on gym floors. Soft safe flexible vinyl makes this the most popular.
35011 \$2.99 ea.
66784 Pack of 12 \$31.99 pk.

ZONE Vinyl Puck
Soft, safe and flexible!
Molded rubberized plastic that gives on impact. Great handling on most surfaces.
35187 Vinyl Puck \$1.85 ea.
35269 Pack of 12 \$18.99 pk.

SuperSafe Foam Puck
Contoured edges for reduced drag.
The unique aerodynamics allow for better glide and less flipping.
35013 \$3.79 ea.

Shield® Hotballs
Colorful and low bounce.
Vinyl and one-piece seamless construction these hotballs are smooth rolling and great on all surfaces.
35012 Orange only \$2.99 ea.
35017 SET OF 6 \$16.99 set

ZONE Vinyl Hockey Ball
Low bounce with a great rebound!
Molded rubberized plastic that gives on impact. Great choice for most surfaces.
35188 \$1.85 ea.
35268 12 pack \$18.99 pk.

ZONE PX-4 Balls
High density, soft foam.
Low bounce ball absorbs impact. Multi-surface design.
10582 SET OF 6 \$18.99 set

ZONE Foam Puck Set
Soft and light!
Vinyl coated foam pucks ideal for youth play. Each puck weighs only half an ounce! Traditional size.
35309 SET OF 6 \$8.99 set

NEW

Shield® Felt Puck
Leather wrapped puck moves effortlessly.
Simulates the speed of a Shield Hotball®. Will keep its shape for years.
39245 Single \$5.99 ea.
66781 Pack of 6 \$32.99 pk.

Felt Puck
Layered for smooth play and safety.
This combination felt and durahyde puck feels great on the stick and is soft and safe. Measures 3" in diameter and 3/4" high.
35023 Single \$5.99 ea.
66785 Pack of 6 \$32.99 pk.

TRANSPORT YOUR STICKS, CONES, BALLS & PUCKS THE EASY WAY!

OMNIKIN® BALLS

OMNIKIN® KIN-BALL®

This fast moving game develops physical, cooperative, social and intellectual skills. The game is played with 3 teams of 4 players. One team serves to another and that team has 5 seconds to serve to the next. The ball must never hit the floor which allows for a fun, fast moving game. The KIN-BALL® weighs less than 2 lbs. and is made of tough, waterproof 100% nylon for durability indoors and outdoors with a lightweight latex bladder. **⚠ CHOKING HAZARD (6) - BALLOON.** Not for under 8 yrs.*

- 10103 Official KIN-BALL® Pink 48" w/2 bladders \$331.99 ea.

FLOOR MARKERS

Liquid Lines

A quick and easy way create boundary lines on gym floors!

Design custom borders and outlines whenever you need them with this all-in-one floor paint! One bottle equals up to 3 rolls of traditional 1" floor tape. Quickly apply the non-toxic, temporary floor paint using the bottle and application pad, leaving long-lasting and non-marring lines. To remove, simply spray with water and wipe with a rag. Store at room temperature.

29564 White, 1.5"L x 1.5"W x 5"H, 4 oz. \$11.99 ea.

FloormarX Floor Marker Set

Everything you need to create quick and durable floor lines and symbols!

Quick drying formula for long-lasting durability. Extra-large marker writes on sealed wood floors and other non-porous surfaces. The ink can stand up to heavy foot traffic. Use FloormarX Foot Wipes to wipe clean. The extra-large ink supply will last as long as five rolls of average floor tape. Markers: 5.5"L x 1.5"W. Wipes: 6.3" x 7.9".

29565 Marker/Wipe Set. \$39.99 set 29567 Green Marker \$11.99 ea.
29566 Blue Marker. 11.99 ea. 29568 Wipes 50 count. 19.99 ea.

Boundary Markers

Portable throw down vinyl lines and corners.

Change size for different games, class sizes and skill levels! These markers have a textured back. Lines measure 3"W x 13"L and corners are 10" x 10" x 3"W. Set includes 10 blue lines, 10 yellow lines, 2 blue corners and 2 yellow corners.

21010 \$55.99 **SALE \$ 46.97 set**

Long Lines

Bright optic yellow!

Sure to be seen, these non-slip poly strips are 24" long and 3" wide. Excellent for start/finish lines, relay races, boundary markers or for creating target areas. Sold in a set of 12.

21011 Set of 12 \$46.99 set

Roll Out Lines

Use as a long line or cut to fit to suit your needs!

Lines are available in 33' or 60' long sections and are 3" wide. Great for creating boundaries for mini courts, target areas or movement guides. Beveled edges are smooth and safe.

True Flight Soccer Ball Set

Soft, friendly, and durable balls for non-intimidating play!

Rhino Skin® foam coated balls are tear resistant, easy to clean and sting-free. Bright colors and an easy to grip hole pattern creates an enhanced visual and tactile experience, excellent for adapted PE programs. A hollow core makes the ball well balanced and provides truer flight. Official size 5.

17290 SET OF 6 \$119.99 set

The Kicker Helper

Designed to help students in wheelchairs participate in recess games and physical education.

The Kicker Helper is an innovative tool that attaches easily to most wheelchairs via sturdy, bendable clamps. Students use their upper body to move the extra-long handle which swings the circular paddle. This action allows students, who otherwise are unable, to participate in sports that involve kicking and pushing motions. Kicker Helper works best with large, lightweight balls. Made of durable PVC. Assembled dimensions: 28.5"H x 29"W. Wheelchair not included.

66818 Kicker Helper \$349.99 ea.

66813 Kicker Helper w/ set of 6 (18") Heavyweight Beach Balls 369.99 set

ZONE Wheelchair Soccer Pad

Adjustable widths to fit most wheelchairs!

Never again use cardboard and duct tape to attach a blocking pad to the front of a wheelchair. Made from durable .5" thick closed cell foam. Has three different width adjustments and uses 4 Velcro straps and multiple attachment options to fit all wheelchair sizes and styles. Measures 21" L x 8"H. Wheelchair not included.

17170 \$49.99 ea.

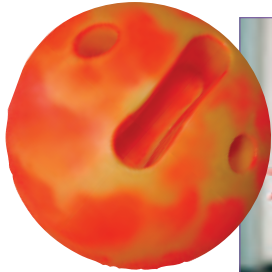

ZONE POWGRIP BELL BALL

Includes two bells inside the bladders that make noise, helping vision impaired students track the progress of the ball when in use. They also include superior Cellular Rubber grips making it easier for vision impaired students to handle.

Aluminum Bowling Ramp

Make bowling fun for everyone!

Not only great for students in wheelchairs, but for students with limited upper body strength and mobility. Simply line the ramp up with the pins, give it a slight push and you're in the game! Made of high strength aluminum alloy with clear anodized finish and easily assembles with push pins, no tools required. Assembled ramp is 58" long with four rubber feet to protect floor and add support. U-shaped rear frame is 25" x 25". Weighs 5 lbs.

X15180 \$219.99 ea.

Mesh Dribble Aid
Allows students to practice the dribbling motion of a real basketball!

Attach each end of the bungee cord to a fixed standard or wall hook, insert deflated junior size ball into the mesh bag, and inflate to full size. Students then push the balls downward. The innovative designs ensures the ball will return to the original position. Includes one mesh ball bag with stretchable opening, affixed bungees and swivel attachments.

39236 \$16.99 ea.

ZONE Beeper Ball

Perfect for audio guided activities!

The 8" foam ball has a medium density, thick vinyl cover and can be thrown, kicked and bounced just like other foam balls. The beeper is encased in a hardened module that slides into the ball and generates a loud, sharp beep. Ideal for limited vision classes or use blindfolds with sighted players. Module can be removed and used without the ball. Operates for approx. 170 hours on one 9V battery. Battery not included.

16095 8" Ball & Module \$52.99 ea.

True Flight Play Ball Set

Soft, friendly, and durable balls for non-intimidating play!

Rhino Skin® foam coated balls are tear resistant, easy to clean and sting-free. Bright colors and an easy to grip hole pattern creates an enhanced visual and tactile experience, excellent for adapted PE programs. A hollow core makes the ball well balanced and provides truer flight. Size 5"D.

17292 SET OF 6 \$49.99 set

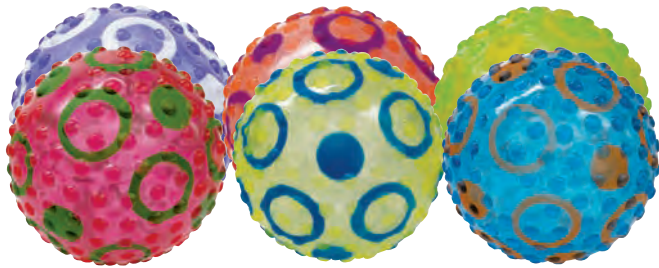

True Flight Junior Football Set

Unique design helps prevent injuries during play!

Rhino Skin® foam coated balls are tear resistant, easy to clean and sting-free. Unlike traditional footballs, these balls will not hurt if a catch is missed – thanks to the hollow core. Bright colors and an easy to grip hole pattern make them a great addition to adapted PE programs. Junior size 8.5"D.

Jump Rope Pad

Designed for visually impaired students. Students start in the center and jump rope. When they feel that they have moved and are no longer jumping on the pad, they stop, re-center, and start again. This makes it safe to have many vision impaired students jumping rope without having to worry about them coming into contact with other students. Made from a closed cell foam, like yoga mats, with a 35" diameter. Jump rope not included

- 12131 \$46.99 ea

Assisted Running Handles

Created to aid students with vision impairments. The student with good vision helps guide the student with vision impairment by each holding one end of the handle. Handle is connected by a cord which stretches to prevent falls due to trips or stumbles. Handle may be dropped immediately if runner needs to stop. Includes 2 interchangeable handles (standard & ball grip) and 14" L rope. 17288 \$24.99 set

Assisted Running Rope

Allows vision-impaired students to run without a partner! Move from one end to the other by grabbing a handle and moving alongside the rope. Attached noise makers and foam stoppers help slow down runners and alert them to the end of the rope. Reset foam stoppers after run. Includes: 6 handles and 75 ft. long rope. **CHOKING HAZARD (1) - SMALL PARTS.** Not for under 3 yrs.*

- 17287 \$57.99 set

ADAPTED PE

Rainbow Mesh Tunnel
Great for Adaptive PE!

Made of a durable stretchy nylon mesh with two handles to hold open at each end. The student crawls through the tunnel and the teacher uses the handles to hold one end to control the difficulty level for the student. Tunnel is 95" long.

17166 \$45.99 ea.

Peekaboo Animals Sleeves

Stretchy nylon sleeves that you use with the MAC-T Sea Critter set. Students have to put the sleeve over the Sea Critter and then move the Sea Critter through the sleeve until it comes out the other end. This is great for Adaptive students who need to fidget and work on finger dexterity. Set of 6 sleeves.

26089 Sleeves with Sea Critters \$47.99 set
26090 Sleeves only Set of 6 16.99 set

ZONE Balloon Badminton Paddles

Perfect for balloons, tendlil, fleece and other lightweight balls. An alternative to traditional badminton paddles, these have a lightweight 11" diameter wire frame with nylon cover, a strong micro mesh hitting surface, and contoured foam handle. 18" long. Includes 30 balloons.

⚠️ CHOKING HAZARD (6) - BALLOON. Not for under 8 yrs.*

15993 SET OF 6 with 30 balloons \$84.99 set
10217 7" Balloons (144ct) 7.99 bag
10216 9" Balloons (144ct) 9.99 bag
10215 11" Balloons (144ct) 17.99 bag

APE Assisted Cannon Launcher Set
Let it go and watch it fly!

Designed for students in Adapted PE programs, learn cause and effect through the fun of launching balls and cannon cubes from our Zone Cannon Launchers. As an alternative to stomping, students or teachers use the eyebolt and rope to lift a vinyl weight over the launcher. The weight is then released, landing on the launcher and firing the ball or soft cube. Safe for all gym floor types. Set includes: 2 POWRBases, 2 tall posts, crossbar, and APE Conversion Kit (vinyl weight, rope, and eyebolt). Launchers and balls sold separately.

30259 Complete Set: 2 POWRBases, 2 Tall Posts, Crossbar, APE Conversion Kit \$299.99 set
17251 APE Conversion Kit - Vinyl weight, rope, eyebolt 19.99 set
17414 Single Cannon Launcher w/6 Foam Balls 32.99 ea.

PLEASE CALL FOR FREIGHT QUOTE

Giant Top - Rocking Disc

Helpful for kids who have trouble with core stability and bilateral coordination. Students develop physical coordination and gain vestibular stimulation when they spin, rock and sway. Raised edges helps to prevent finger pinching or loss of air when flipped over. Fits 1 to 2 children (Ages 3+). Durable indoor/outdoor plastic. 30.5"D x 17"H.

C17289 \$79.00 ea.

Balance Dome

Develop core stability and strength.

Use for multiple exercises and can be used upside down for additional Adapted PE activities. Made from strong vinyl construction. Dome measures 8" high when inflated and has a 17.5" diameter.

16669 \$46.99 ea.

BRAINball™ A PHYSICAL EDUCATION CROSS CURRICULAR SYSTEM

"Learning through play."

What is BRAINball™?

BRAINball™ is an innovative and unique physical education learning system that merges physical activity and academic learning through play. Instructors and students use 100 mini soccer and basketballs and 100 lesson plans to develop math, reading, grammar, spelling, anatomy and foreign language skills. In addition to the physical benefits, significant improvement will be seen in gross and fine motor skills, cooperative and cognitive learning. BRAINball™ can be incorporated into Adapted Physical Education programs as well as those teaching students with learning disabilities, such as dyslexia.

BRAINball™ is broadly adaptable across elementary and secondary grades, and while an excellent tool for physical education, it is also perfect for use in the classroom, after-school, recreation and sports programs.

Why use BRAINball™?

Developed by the University School of Physical Education, Wroclaw, Poland in 2002, BRAINball™ has almost two decades of proven research published in numerous books, research publications, and doctoral dissertations. See our website for more information. Ask us how to set up a professional development workshop at your school.

What does BRAINball™ include?

Each set includes a lesson book filled with 100 games/activities, 100 mini basketballs and soccer balls (size 3) in five colors – red, orange, yellow, blue and green – and premium equipment bags with carry strap. There are 40 yellow and 40 green basketballs with letters (upper & lower case) and numbers, 8 red and 8 blue soccer balls with math symbols, and 4 orange "wild card" (blank) balls. BRAINball™ book is not sold individually.

49082 BRAINball™ Set - 100 balls and 100 lesson plans..... **\$789.99 set**

Skillastics®

Engage up to 100 children at the same time!

Maximum participation • Incorporates academic principals like STEM, math & reading • Aligns with P.E. standards

Skillastics® Activity Systems

An innovative twist on traditional circuit training systems!

Players set-up mats throughout playing area and use task cards to assign repetitions based on skill level. Players jog to the big mat, roll their die and move their marker to an activity based on the number rolled. Players jog back to the team (mini mat), points out activity and team completes the task based on assigned reps. Play is repeated. All kits include: 1 - 5'x7' big mat, 6 - 20" x 27" mini mats, 6 colored dice, 6 beanbag markers, 26 - 5" x 7" laminated task cards, instructional DVD/manual, storage bag. ⚠️ CHOKING HAZARD (1) - SMALL PARTS. Not for under 3 yrs.*

Skillastics® is a research-based physical activity system that combines active, academic, social, emotional, and cooperative learning with the development of fitness and or sport skills development. Over 10 million students are enjoying the benefits of Skillastics®!

Speed Stacks® Skillastics® Set

Combines the best of two worlds!

Learn Sport Stacking through the proven Skillastics® method. It offers 26 unique activities that enhances MVPA while simultaneously increasing Sport Stacking agility and skills. Includes: 1- 5'x7' big mat, 6 - 20" x 27" miniature mats, 6 colored dice & beanbag markers, 26 - 5" x 7" laminated task cards, instructional DVD & manual, backpack storage bag. (Speed Stacks cups sold separately. Recommended 1 set per student.)

TARGET OPTIONS

Target mat & Crossbar
Secure to crossbar and tall posts

Target Mat Only
Hang your own targets

ZONE POWRBase
Single bolt system locks posts in place

Tall Side Post
Adjusts from 61" - 95"H

Crossbar Only
Support for target mat: 8.3' L

Swivel Joint Connector
Connect multiple systems at angles

ZONE Dual Sided Target Mat System

The most value and action packed gaming system in the industry. Limited only by the imagination, the Target Mat is a dual-sided, Velcro® lined mat designed to add excitement, value, and versatility to PE and Adapted Physical Education Programs. Apply various cloth targets to the mat and use accessories such as Cannon Launchers, Cannon Cubes, Target Balls, and more to play fun group and relay games. Use the optional Crossbar to secure multiple mats side-by-side to create an affordable gym divider. Create angled mat configurations using the optional Swivel Connector. Use the mat alone to play no-peek volleyball. Dimensions: 8.25'W x 5'H.

Swivel Joint Connector

ALLOWS YOU TO CONNECT MULTIPLE SYSTEMS AT VARIOUS ANGLES

Choose the right package for your class!

- 17249 Sticky Cubes Set of 12..... 45.99 set

ZONE Target Balls

Excellent for target tossing and even golf chipping.

Each ball has a textured surface and 6 Velcro® dots which makes them ideal for use with all ZONE Target sets. Students can also use with ZONE golf clubs to practice chipping skills. Easy to grip baseball size. (Does not fit in Cannon Launchers)

- 17253 SET OF 6..... \$19.99 set

GROUP GAMES

ZONE Alien Spaceship Battle

Which team will be the first to stop the alien invasion?

Teams place their ships randomly on their side of the court. The weighted alien targets are placed on each spaceship. Teams toss foam balls, or flying discs, at the opposing targets. First team to knock them all over wins. Use targets and ships for a fun spin on bowling. Find multiple game variations at pewithpalos.com. Each set includes: 17 green aliens, 17 orange aliens, 5 green UFO's, 5 orange UFO's.

- 17228 Alien Spaceship Battle - 34 Alien Targets & 10 UFO Bases \$164.99 set
- 66824 Alien Spaceship Battle & (18) 5.5" Easy Grip Foam Balls (10569)..... 299.99 set

ZONE Flying Saucer Face Off

An exciting spin on the original Alien Spaceship Battle.

Gameplay is similar to the rules of Alien Spaceship Battle. however, additional strategy is needed. Teams arrange their ships and targets on their side of the court. Soft ZONE DodgeDISCS are placed on the baselines. At the signal, students launch their flying saucers (discs) at the opposing alien targets. The first team to knock them all over wins. Game includes 34 weighted alien targets, 10 foam UFO bases and 18 DodgeDISCS.

- 66825.....\$359.99 set

ZONE Weighted Target Bowling Set

A 9" tall, narrower, colorful alternative to the traditional white pin.

Made with a durable foam rubber cover and a weighted base to prevent tipping, The Zone targets add a new twist to bowling. Use for relays and targeting games as well. RUFFSKIN bowling balls include 2 sets of holes and are made with a durable polyurethane coating. Set includes: 60 Targets (10 sets of 6) and a set of 6 RUFFSKIN bowling balls.

- 66794.....\$339.99 set

ZONE DodgeDISC

A softer and lighter alternative to the DodgeBee® Disk

Use as a non-threatening substitute to hard disks. Also great for catch and target games. Constructed of a durable nylon cover with foam inserts. DodgeDISC game instructions included. 10" diameter. Color may vary.

- 17242 Single, Assorted Colors \$13.99 SALE \$9.97 ea.
- 17368 SET OF 6.....\$69.99 SALE 54.97 set

ZONE FlipZ

So many uses, you'll flip!

FlipZ have a unique design and colors which make them versatile and an exceptional value for any group program. Teams can compete to flip the most of their color on top in a set time. Try a new spin on catch-a-ball with partners. Also great for pyramid stacking, relays and as ball holders. Made from safe and durable foam rubber. Set of 24.

- 17206.....\$139.99 SALE \$114.97 set

ZONE Weighted Knock Down Targets

Add more fun to any game... the uses are endless.

These 9" targets have a durable, textured foam rubber cover, with a weighted base to prevent easy tipping. Use as station markers or replacements for cones during races. They make exciting alternatives to traditional bowling pins or relay batons. Set them up and then knock them down.

- 17227 SET OF 6.....\$38.99 SALE \$27.97 set

GROUP GAMES

ZONE Straps & Flags

Create a multitude of cooperative games! Straps are 2" wide with tabbed ends for easy removal, hook and loop design allows for multiple belts to be connected and multiple flags on each belt. Super Flags measure 15"L x 1.5"W and are made from nylon webbing with hook tabs for easy attachment to straps. Medium straps measure up to 44" and large up to 56".

ZONE Giant Egg and Spoon Set

A large version of the classic egg-and-spoon race!

Develops hand-eye coordination and balancing skills. Eggs and spoons can easily be used in other activities. Both eggs and spoons are covered in a soft fabric. Includes 6 eggs measuring 12" x 20" and 6 spoons measuring 8" x 15". Sold in a set of 6.

17161 SET OF 6..... \$99.99 set

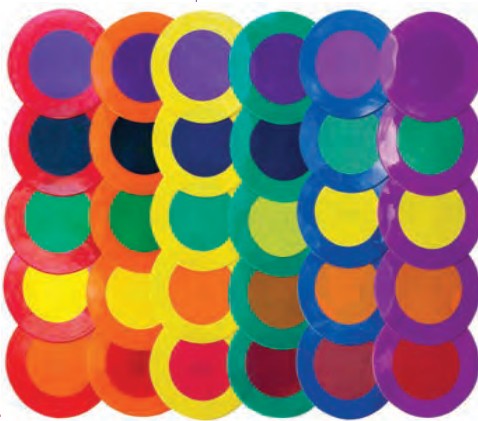

ZONE Hidden Spots

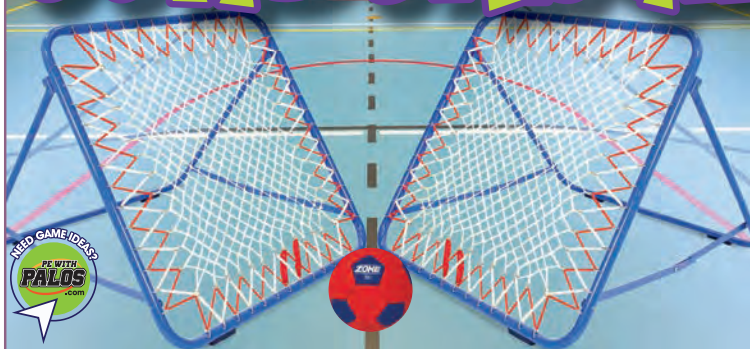

Flip them over to reveal the secret color.

These double sided vinyl spots are perfect for matching games and more. Each colored spot has a random color on the opposite side. Partners take turns tossing a ball to each other. The thrower looks at the color underneath after they toss the ball and then moves to a spot of that color. Play is repeated until time runs out. Vary gameplay by using soccer balls, rings and more. Work individually or in pairs. 10" diameter.

21213..... \$119.99 SALE \$99.97 set

Tchoukball

Tchoukball

Fast moving sport blending skill and strategy!

The object of the game is to score points for your team by throwing the ball at the net in such a way the opposing team cannot catch the rebound. Teams rely on quick passes to move the ball down the court before taking their shot at the net-there's no blocking or interference. Dropped passes result in a change of possession. Can adapt to many class sizes for indoor or outdoor play. Both sets include two 39" square super taut angled nets, 1 Tchoukball (middle school uses size 1 ball and high school uses size 2 ball) and rules of the game..

COVER AVAILABLE IN 6 COLORS

USE V2 OPEN NET FOR SOCCER OR FLOOR HOCKEY

Spikeball™

Spikeball is played 2 on 2 with rules similar to volleyball.

Intense and fast! A taut net is placed at ankle level between a pair of two-player teams. Players smack the air filled, rubbery ball down on the net so it ricochets up at their opponents. They have up to three hits between them (just like volleyball) to control it and bounce it back to the other team. When they miss, the other team scores. First team to 21 wins.

9 Square In The Air

Fast paced game that keeps everyone moving!

Object of the game is to remain the longest active player in the squares. The center square serves the ball by striking it into any other square. If the ball goes out of bounds the last player to touch it is out, leaves their square and the remaining players move up a square. A new player enters the square for the last position. The fast paced game means nobody stays out for long. Constructed from PVC pipe, Set includes all of the PVC pipes, legs, metal connectors, assembly tools, game ball, carry bags and activity guide.

GROUP GAMES

ZONE ParaTossers™

Toss and fling foam balls, rubber chickens and more!
Create fast moving tossing games for partners or teams. Pass balls from chute to chute, use for oversized team relays, or play a wacky version of kickball! Parachutes measure 48" L x 32" W and are made from durable nylon with a 1" wide outer reinforced band and looped corners. Measures 48" L x 32" W. Set of 6.

16220 SET OF 6 \$54.99 SALE \$45.97 set

Team Connect-A-Chute™

Create multiple chute configurations!
Includes 6, 42" x 30" rectangular sections, 2 sections with holes and four corners sections measuring 30" x 30". Sections feature handles plus hook and loop fasteners to connect. Connect them together to create a runway to transfer objects from end to end. Connect a hole and corner to heighten the challenge or form a grid for a rectangular parachute. Includes activity guide.

16186 \$98.99 set

Blindfold Activity Kit

24 blindfolds, 60 plastic gym pins and carry bags.
Reinforce teamwork, communication and trust in your students. Sighted partners guide the blindfolded through a maze you create with the pins. Increase the challenge by adding obstacles, timing the event and adding scooters! Includes activity sheet.

66749 \$189.99 SALE \$129.97 kit

Egg Protector Game

Try to steal the eggs without getting caught!
A fast paced game where 1 player protects the eggs inside a roped area while other teams try to steal them. Team with most eggs wins! Maximum 6 teams. Includes 6 large 47.5" diameter rope circles, 36 foam eggs- 6 of each color.

16096 \$41.99 set

Partner Straps

Use for relays or any type of cooperative games.
These two-piece 12" straps create a 21" pull strap with a loop on each end for 2 people to use. They are made to make cooperation activities easier. The colored straps have velcro hook and loop fasteners on them that are designed to separate when too much pressure is created by the partners. Includes 15 two-piece straps per set, instruction guide and rules.

- 17368 SET OF 6 69.99 **SALE 54.97 set**

ZONE Flying Saucer Face Off

An exciting spin on the original Alien Spaceship Battle. Gameplay is similar to the rules of Alien Spaceship Battle. However, additional strategy is needed. Teams arrange their ships and targets on their side of the court. Soft ZONE DodgeDISCS are placed on the baselines. At the signal, students launch their flying saucers (discs) at the opposing alien targets. The first team to knock them all over wins. Game includes 34 weighted alien targets, 10 foam UFO bases and 18 DodgeDISCS – 3 sets of 6. **66825 \$359.99 set**

DodgeBee®

A versatile safe disc used by itself or in the game of DodgeBee!

Set up like a typical dodgeball game, the exception with DodgeBee is that players who are "out", still remain active. They move to the 3 sides surrounding the opposing team and DodgeBee is played from all sides. Made from a heavy duty nylon canvas with a soft foam reinforced deep rim for excellent grip and true flight. Assorted colors. Includes instructions.

- 11068 11" DodgeBee Disc \$15.99 ea.

Disc Slam™

Score extra points through the front slot!

Players score points by throwing their disc through the target slot or having their partner tip the disc into the open top. Targets are made of nylon and measure 19" high with a 15" diameter. Class Pack includes 12- 8.5" discs, 12 collapsible targets and storage bags.

Ethafoam Target

Our most popular target.

Constructed of wound ethafoam. Heat bonded and resistant to wear weather and insects. Self healing. Cart sold separately. Call for freight quote- our regular shipping policy does not apply to 48" C39094.

- X31049 24" Target \$71.99 ea.
- X31013 36" Target 164.99 ea.
- C39094 48" Target 216.99 ea.

Free Standing Target Mat

A fast set up target.

Solves the problem of additional storage for stands by having a flat surface on the bottom of the round target. Made from layers of ethafoam, heat bonded for strength and durability and is 12" thick to last longer. A 36" round target with four color hang on face target and built in carry handle to relocate quickly and easily.

- X31015 \$299.99 SALE \$284.97 ea.

School Practice Cube

Freestanding, lightweight and durable!

Easy arrow removal with 4 target faces to use. Use with compound bows up to 450 FPS. Easy to transport with built in handle. Long lasting. Excellent value. Measures 21" x 21" x 21".

- X31078\$99.99 ea.

EZ Target

Replace your straw targets!

Easy to setup, easy to store, this new design foam target is bug proof, waterproof and long lasting. Made from closed cell foam to absorb repeated arrow impact and easy arrow removal. Includes stand, weighs only 9.5 lbs. and measures 36" x 36" x 4".

- X31017\$112.99 ea.

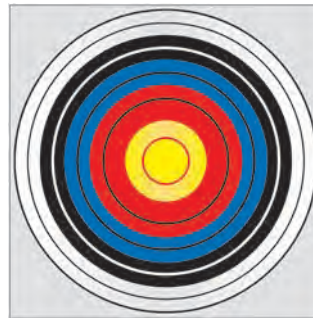

Square Target Faces

Square target faces are an inexpensive way to start your archery program.

Use nails with large washers or something similar to attach these target faces to anything; hay stacks, stuffed cardboard boxes, etc. The Glass cloth has tear resistant polyspun fibers and will not tear like paper faces.

- 31001 Glass cloth 36"\$13.99 ea.
- 31002 Glass cloth 48" 21.99 ea.

Round Skirted Target Faces

Two grades of faces.

The Glass cloth is a long lasting weather resistant face made of polyspun fibers. The Glass Flex is a much more durable fabric with more tear resistant fibers for longer wear. Both are slip-on and skirted, and are excellent for institutional use.

The Beast™ Slastix® Battle Rope

Incorporates every major muscle group throughout each exercise.

Unlike traditional ropes, which only allow a single plane of force, Battle Ropes incorporate Slastix® technology, with heavy resistance that elicits muscle contractions throughout the entire body up to three training planes simultaneously. Ropes have nylon wrist straps and are encased in a protective nylon sheath.

MEDICINE BALLS

NEW

TheraBand® Soft Weight Set

A great alternative to traditional dumbbells or other weighted workout balls. Designed for strengthening, plyometrics, balance training, and mobilization of the user's hands or wrists. They can also be used with one or two hands to promote functional grip strength development. Soft exterior shell. 4.5" diameter each. Includes 6 balls: 1.1, 2.2, 3.3, 4.4, 5.5, and 6.6 lbs.

SH61284 6-Ball Set..... **\$129.99 set**

NEW

Cando® WaTE Ball

Small and flexible color-coded balls that measure 5" in diameter.

Hand held WaTe balls offer all the benefits of traditional weight training without using hard-to-hold metal dumbbells. Also excellent for rehabilitation purposes and physical therapy.

- SH62223 WaTE Ball Rack (Balls not included) **66.99 ea.**

8
Printed Exercises
for Easy Reference

NEW

Smart Medicine Balls with Rack

Eight exercises printed on each ball makes workouts easy.

The weighted center forces the user to use different muscle groups to throw, bounce or twist with the ball. Textured surface for a reliable grip and made of sturdy rubber. Rack features space saving wall-mount design and heavy duty steel construction. Measures 9"W x 11"D x 43"H. Includes 4 balls: 4, 6, 8 and 10 lbs.

29570 4-Ball Set with Rack..... **\$348.99 pk.**
29571 Wall Rack (only)..... **159.00 ea.**

NEW

Cando® Dual Hand Medicine Balls

Soft grip handles enable a wide range of movements.

These medicine balls are ideal for training, rotational movements and strength training. They are ideal for core and torso exercises.

Ideal for group fitness!

The barbell heads are comprised of solid steel inserts fully encased in rubber. The solid steel handle passes through the steel insert and is welded permanently joining the head to the bar. Rubber coating increases durability, protects equipment, enhances appearance, diminishes noise, and is easy to clean. Bar rack is made from bent steel tubing and holds 10 bars. Rack measures 34"W x 33.5"D x 66"H.

The routines range from easy to very difficult and are organized by the included activity guide. Measures 70" L x 48" W. **17399** \$159.99 ea.

Tire Cross Challenge

Works the entire upper body and core! Left and right hand marked in opposing colors show users where to travel around the mat. Variations of basic movements create several levels of difficulty. Multiple users can be on the mat at the same time. Includes progression sheet. Non-slip mat measures 60" in diameter with an 18" diameter middle opening. **X16843** \$124.99 ea.

Snake Cross Challenge™

Work upper body and core while having fun! Students will start in a push-up position with their hands on the first set of hands near the snake's head. They then will move across the length of the snake's body using the handprints as a guide. Great for plank exercises, body positioning changes and pushups. Ideal for multiple users. Non-slip mat measures 10' L x 18" W. **16842** \$155.99 ea.

NEW

Playout: The Game of Fitness

The innovative card game turns working out into fitness fun. The 52 card deck contains 30 bodyweight exercises (upper, lower & core), 10 stretches, 6 WildCard challenges, and 6 MiniGame competitions for variety, adaptability, and fun. ZONING FUN & FITNESS IN A BLINK

3 Easy Steps

STEP 1. TIMING: 5-20-5
5 minutes of warm up, 20 minutes of ZONING and 5 minutes of cool down, four times a week.

STEP 2. EFFORT: Blue-Yellow-Red
Warm up in the easy Blue Zone, go harder in the moderate Yellow Zone and give it your all out effort in the hard Red Zone.

STEP 3. VARIETY: Change It Up.
Each time the music or instructions change, change your effort to a different zone: blue-yellow-red.

AEDS/PUBLIC SAFETY

The Powerheart G5 is the first FDA-cleared AED to combine fully automatic shock delivery, dual-language functionality, variable escalating energy, and fast shock times

Cardiac Science Powerheart G5 AED

The G5 is the only AED that notifies you 30 days prior to electrode and battery expiration!

Advanced Technology – Delivers patient customized post-CPR shock in as few as 10 seconds for effective therapy and enables quick transfer and review of data via USB.

Dual Language - Switch to an alternate language during a rescue with the push of a button (Available in English/Spanish)

RescueCoach - user-paced prompts guide users through each critical step of a rescue.

Rescue Ready Technology - Device self-checks all main AED components (battery, hardware, software, and pads) daily. Highly visible Rescue Ready indicator assures rescuers that they are retrieving a working AED.

Intellisense Technology - Enable the Powerheart G5 to be the only AED to test for presence and function, and have the intelligence to notify you 30 days prior to electrode and battery expiration.

Self Checks - Daily, weekly and monthly self-tests ensures that pads, battery and internal circuitry are always working.

Interchangeable Pads – Nonpolarized pads can be placed in either position on the chest (upper right or lower left) to reduce confusion

Durability – With an IP 55 rating the Powerheart G5 features a rugged, durable design for transport, storage and use in challenging settings. 8-year warranty and 4-year full replacement guarantee on Powerheart G5 AED Intellisense battery.

CPR Prompt Professional Training Manikins

Cleaning is quick and easy with unique single-use face-shield lung bags. Studies have shown that review and practice of lifesaving skills can significantly increase retention and better prepare rescuers. Now there is an affordable option for instructors to provide one manikin per student. CPR Prompt® Professional Training Manikins provide the same features and functions of traditional manikins at a fraction of the cost. Includes: 5 Adult/Child Manikins, 50 Adult/Child Lung Bags, use and care sheet and carrying case.

- 18383 Adult/Child 5-Pack - Blue Body \$576.50 pkg.
- 18384 Adult/Child 5-Pack - Tan Body 576.50 pkg.

CPR in Schools Training Kit™

Students learn the lifesaving skills of CPR in just one class period!

An easy-to-use kit designed specifically for the needs of schools that teaches AED and choking relief. The kit's wheeled bag allows for convenient movement from classroom to classroom and easy storage. It's also reusable – one kit can train hundreds of people.

Kit includes:

- One wheeled classroom carry bag
- 10 Mini Anne Plus inflatable manikins
- 10 individual carry bags
- One hand pump for manikin inflation
- Five practice-while-watching training DVDs
- One Facilitator Guide
- 10 AED training simulators
- Two mesh collection and storage bags
- 10 replacement airways
- 10 replacement face masks
- 50 manikin wipes
- One facilitator binder that contains the lesson plan, pre- and post-test, and additional supplementary material

School Health is the sole distributor of the CPR in School's Training Kit.

38232 \$39.99 set

* Full CHOKING HAZARD descriptions on page 355.

BRAINball™ A PHYSICAL EDUCATION CROSS CURRICULAR SYSTEM

"Learning through play."

What is BRAINball™?

BRAINball™ is an innovative and unique physical education learning system that merges physical activity and academic learning through play.

Instructors and students use 100 mini soccer and basketballs and 100 lesson plans to develop math, reading, grammar, spelling, anatomy and foreign language skills. In addition to the physical benefits, significant improvement will be seen in gross and fine motor skills, cooperative and cognitive learning. BRAINball™ can be incorporated into Adapted Physical Education programs as well as those teaching students with learning disabilities, such as dyslexia.

BRAINball™ is broadly adaptable across elementary and secondary grades, and while an excellent tool for physical education, it is also perfect for use in the classroom, after-school, recreation and sports programs.

Why use BRAINball™?

Developed by the University School of Physical Education, Wroclaw, Poland in 2002, BRAINball™ has almost two decades of proven research published in numerous books, research publications, and doctoral dissertations. See our website for more information. Ask us how to set up a professional development workshop at your school.

What does BRAINball™ include?

Each set includes a lesson book filled with 100 games/activities, 100 mini basketballs and soccer balls (size 3) in five colors – red, orange, yellow, blue and green – and premium equipment bags with carry strap. There are 40 yellow and 40 green basketballs with letters (upper & lower case) and numbers, 8 red and 8 blue soccer balls with math symbols, and 4 orange "wild card" (blank) balls. BRAINball™ book is not sold individually.

49082 BRAINball™ Set - 100 balls and 100 lesson plans. \$789.99 set

BRAINball™ 17 YEARS OF RESEARCH INFO GRAPH

HOW IS BRAINBALL™ PROVEN TO ENHANCE LEARNING IN CHILDREN?

STUDY #1
BRAINball™ is introduced in integrated education on reading and writing skills and physical education in students.

RESULTS
Participants recognized letters and read better.

DID YOU KNOW...

STUDY #2
First grade students use BRAINball™ to help acquire knowledge and mathematical skills.

RESULTS
By the end of the school year BRAINball™ participants had better results than their peers who didn't.

STUDY #3
BRAINball™ is used in integrated education on reading and writing for dyslexic children.

RESULTS
Students improved in dictation writing and reading with comprehension.

Students who played BRAINball™ throughout the school year opposed to those who didn't showed better results in mathematical knowledge and skills.

STUDY #4
BRAINball™ is used to help adapt students to physical exercise.

RESULTS
Results showed students had a similar level of heart rate whether they were using BRAINballs or regular play balls.

STUDY #5
The effectiveness of developing hand-eye coordination using BRAINball™.

RESULTS
When tested at the end of the school year tests showed stronger results in the right hand than the left.

Significant improvement in physical fitness and body coordination was seen in disabled children using BRAINball™.

STUDY #6
Graphomotor skills, eye- hand coordination and temporal-spatial orientation improvement.

RESULTS
Positive changes in these areas were seen in all students.

STUDY #7
Using BRAINball™ in P.E. along with subject matter from classes.

RESULTS
Those P.E. classes showed BRAINball™ helps teach basic movement and writing skills.

Dyslexic children also showed improvement in the number of words read per minute, reading with understanding, time of reading and number of errors.

BRAINball™ helps increase graphomotor skills and hand-eye coordination in participants.

TEACHER RESOURCES

activate 2 educate

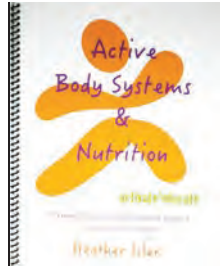

Activating the bodies of students through movement in order to Educate their minds.

The activate2educate program was developed by an award-winning teacher to maximize P.E. time by combining physical education, health, and common core into an easy to teach system that can be completed in as little as 20-25 minutes. Every a2e component is designed to be used individually or together as part of a larger classroom curriculum. See palossports.com for full program details and descriptions of all a2e products.

a2e Foundation Pack

Includes the Active Body Systems & Nutrition book which teaches 25 activities for Skeletal, Muscular, Circulatory/Respiratory, and Nervous Systems. Also comes with a comprehensive digital download that provides 287 Curriculum Cards and 29 Activity signs. Most activities use the full color cards and signs. Cards measure 4.25"W x 5.5"L. Activity Signs measure 8.5"W x 11"W. Lamination is encouraged.

16202.....\$99.99 pk.

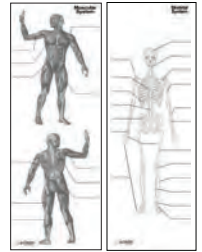

a2e 6 Ft. Body System Posters

These massive posters include labeling lines to identify parts of the body. Skeletal System poster displays front view of the bones of the body. Muscular System poster has front and back view of the muscles. Lamination is encouraged. Posters measure 2"W x 6.25'L.

16203 24 Poster Pack - 12 Muscular & 12 Skeletal. \$165.99 pk.

16204 12 Poster Pack - 6 Muscular & 6 Skeletal \$87.99 pk.

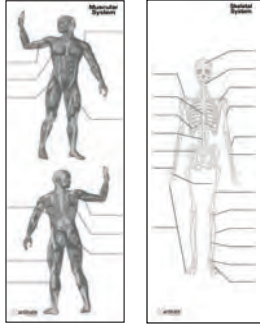

a2e Complete Curriculum Pack

The most comprehensive set available.

Includes the a2e Foundation Pack, with digital download, (12) 6ft. tall Body Posters – 6 muscular and 6 skeletal, and a complete printed set of 287 full color Curriculum Cards and 29 Activity signs. See product details above.

16201.....\$299.99 pk.

Sound Minds, Fit Bodies Activity Book

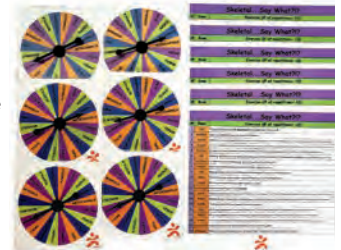

Includes games for the whole class, 2 and 6 teams, and partners. Focuses on manipulative skills, teamwork, communication, strategy, cooperation and problem solving. 28 activities geared for K-8 classes. 70 pages.

38255.....\$24.99 ea.

a2e® Skeletal... Say What?

A small group activity skeletal system and fitness activity that incorporates literacy. Hoops and skeletal body posters are arranged on a gym floor in 6 groups. Students take turns using the included spinners to identify and place bones, as well as complete exercises. Multiple variations of gameplay. Choose from two packages.

Package 1

6 skeletal spinners, 6 activity signs, 6 - 6' tall skeletal system body posters, 6 sets of K-5 location cards.

17307.....\$114.99 pk.

Package 2

6 skeletal spinners, 6 activity signs.

17308.....\$39.99 pk.

a2e® Muscular System Packages

A small group activity that focuses on Muscular System concepts and fitness activities. Various exercise stations are set up around the perimeter of a gym floor. Students are arranged in groups and use the included spinners and cards to determine muscle location and complete station exercises.

Additional equipment may be needed. Two lesson plans included. See web for more details. Choose from 2 packages.

Package 1

- 2 lesson plans, 6 muscle spinners, 6 muscular system pyramids, 6 - 6' tall muscular system body posters, 6 sets of K-5 muscle location cards.

17305.....\$116.99 pk.

Package 2

- 2 lesson plans, 6 muscle spinners, 6 muscular system pyramids.

17306.....\$46.99 pk.

a2e® All Inclusive Spinner Packages

These exclusive bundles offer you all the components from a2e's popular spinner sets – Skeletal... Say What?, Muscle Your Way Up, Workout Wheel, & Going Nuts for Nutrition – in one complete package. Choose from 2 packages based on your specific needs.

Package 1

17310.....\$237.99 pk.

- (6) Universal Spinner Sleeves
- (18) Spinner Inserts – Nutrition, Muscular, Skeletal
- (4) Lesson Plans – Going Nuts for Nutrition, Workout Wheel, Muscle Your Way Up, Skeletal Say What?

- (3) Activity Sign Sets – 6 of ea. Going Nuts for Nutrition, Muscle Your Way Up, Skeletal... Say What?

- (12) 6 ft. a2e® Body Posters – 6 ea. of Muscular & Skeletal

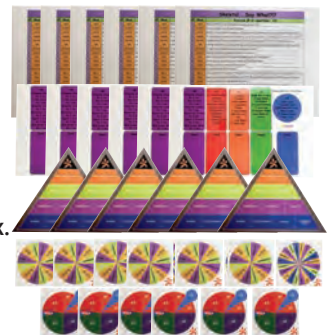

- (2) a2e® Location Card Bundles – 6 sets of ea. K-5 Muscle & Bone Location Cards

Package 2

* This package does not contain a2e® Body Posters or Location Cards.

17311.....\$108.99 pk.

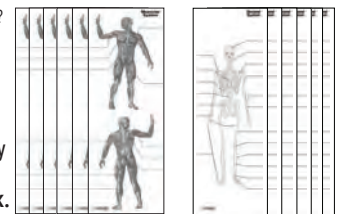

- Everything in Package 1 (Body Posters & Location Cards not included)

a2e® Going Nuts for Nutrition

A partner or small group activity that combines nutrition concepts, fitness, math and literacy. Cones are set up in a rectangular pattern with hoops inside. Students use included nutrition spinners and laminated activity sheets to complete exercises based on nutritional servings. Multiple variations of gameplay. Hoops and cones not included.

17309.....\$66.99 pk.

TEACHER RESOURCES

a2e Equipment Pack
Over 500 pieces of equipment!

Use these items to implement the a2e Curriculum and engage students in fun activities with meaningful lessons and outcomes. Pack includes balls, jump ropes, hoops, scooters, bean bags, fitness and assessment items and more! Visit our website for a detailed product listing.

X66543 \$2,459.99 pk.

VIDEO ONLINE

"Mother May I" Thumbball
A fun and fair way to play a classic game!

Simply toss it up, catch it and call out the command on the panel under your right thumb. Develops listening skills, increases motor skills and vocabulary, and much more in a fun way! Ball is super soft with stitched vinyl cover with activities imprinted on each panel. Ball measures 6" in diameter.

16206 \$19.99 ea.

a2e® Race to the Plate
Meets P.E. Standards 1, 3, 4 & Health 1, 4!

Small cooperative group activity focused on nutrition concepts, strategy and fitness activities. Also incorporates math and literacy. Cones are set up in a rectangular pattern, with hoops inside.

Game components are placed inside the hoops. Object is to get all 5 game pieces to the correct color on the plate via dice rolls, exercises and vocabulary matches. Includes 6 each: game boards, sets of a2e 4th & 5th grade Nutrition Vocabulary Matching Cards, activity sheets, sets of game pieces, dice, cones and hoops.

38257 \$123.99 ea.

ZONE Plaque Buster Giant Foam Toothbrush
Brushing is a BIG deal!

Fight plaque on a larger scale with this extra durable 17" long foam toothbrush. It's sure to get kids excited about oral hygiene! Not only can this be used as a health education tool, it can also be used for relay games or classroom activities.

17226 Assorted colors \$9.99 ea.

Move Mindfully Yoga Sequence Cards

Excellent visual guide in the hand or on the wall.

Set includes moves for focusing, transitioning, calming, engaging, releasing and centering. Made from heavy duty cardstock, these 4"H x 18"L cards fold easily for storage. Set of 60 cards.

52104 \$65.99 set

Exercise Cards

Ideal for the gym or classroom!

Cards have a photo on the front and step by step instructions on the reverse side. Sets include 16 heavy duty 8.5" x 11" cards with instructions and idea guide. Ages 3 and up.

52886 Yoga Cards \$24.99 set

52888 Gross Motor Exercise Cards 24.99 set

CLIMBING ROPES

Climbing Ropes
Choose the style for your needs!

These 1.5" climbing ropes are ideal for improving total fitness and muscular strength. All ropes include an eye fitting assembly with a quick link for easy installation. Our ropes come with a PolyBoot End which is a non-raveling leather boot permanently attached to the rope. Order our optional Turk Knot for beginner climbers.

IMPORTANT
All ropes are custom made and are non-returnable!

EYE FITTING & QUICK LINK

POLY BOOT END

TURK KNOT OPTIONAL END
Heavy knot with leather seat adds stability for an easy foot start.

RUBBER STOPS
Rubber stops every 18" assisting for intermediate climbers of 120 lbs. or lighter.

BEGINNERS KNOT
Large knots tied in the rope itself every 18" for beginner assistance.

WOVEN KNOT
Woven and spliced into rope provides assistance when descending rope.

MATS, SPOTTING AND SUPERVISION IS RECOMMENDED WHEN USING ANY OF OUR CLIMBING ROPES.

WHICH ROPE IS RIGHT FOR YOU?

MANILA
Traditional superior quality 3 strand 1/2" diameter pure "grade A" manila. This natural fiber absorbs perspiration for the best grip and is extremely durable.

POLYPRO
1/2" diameter polypro material looks and feels like natural fiber rope. Superior strength at 2/3 the weight of a manila rope. Textured surface allows good grip. Popular elementary level rope-less fraying.

POLYPLUS
Soft, durable 1/2" diameter polyester outside layer feels like cotton. Lightweight polypro core for additional strength. No fray design is easy on the hands.

Climbing Rope Tambourine
Limits the climbing height.

This 20" diameter tambourine is constructed from 1/2" thick plywood and comes complete with fitting clamp for easy installation and height adjustment. The 2" diameter hole allows tambourine to slide over any 1.5" dia. climbing rope with unknotted end or over our climbing rope top fitting for adjustments down.

28106 \$47.99 ea.

Steel Adjustable Beam Clamp

Two 2.75" wide jaws and 1/2" threaded rod with self locking nuts. Fits beams with 3.5" to 12" wide flange.

28122 \$104.99 ea.

CLIMBING ROPE ACCESSORIES

Rope/Net Hoist
Hoist net or rope out of the way when not in use.

Two easily attached wall brackets with 60' of rope and weighted end. Also available is a rope metal lock box, includes 2 keys.

28057 Hoist \$113.99 ea.
28076 Lock Box w/hoist 224.99 ea.

Wood Beam Hanger

Heavy duty steel L fitting bolts onto wood beam from side and bottom dimensions.

28107 \$60.99 ea.

Quick-Link

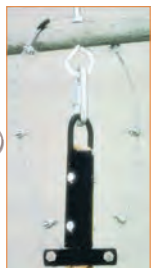

Quick-Link is a steel clip used to attach climbing ropes to beam clamps.

28103 \$7.99 ea.

Safety Cable Attachment

A safety option that can be installed providing back-up should any ceiling hardware fail. Cable, splicers and clamp.

28104 \$29.99 ea.

Pipe Clamp Hanger

Steel pipe bolts onto any 3.5" O.D. pipe via threaded bolts and lock washers.

28105 \$64.99 ea.

NEW

Ninjaline® 36' Obstacle Slackline Kit

Includes 7 obstacles, portable and easy to set up. All you need is two posts or healthy trees to install one of the most versatile systems available. Set includes: 6,000lbs strength professional slackline with 14 pockets & reinforced ratchet with TPR handles, (2) 10" x 2.5" nylon rope knots, (2) 16" birch wood monkey bar holds w/triangle safety carabiners, 2 steel gym rings with ABS textured finish, and 1 traverse ring. Move them further apart or add unique obstacles like the Skate Swing as you get better. Ages 5+. Max weight 250 lbs. Adult supervision required.

28421 \$99.99 ea.

CLIMBING

NEW

Slackers® Ricketty Bridge

Mimics the challenge of the "broken bridge" in play pattern.

Challenges balance and focus while giving upper arms a break. Secures to a Ninjaline® with included carabiners. Add multiples for an extended challenge and more fun. Made of PE UV resistant rope and 6 powder coated steel adjustable bars. Adult supervision required.

28420 Ninjaline not included..... \$49.99 ea.

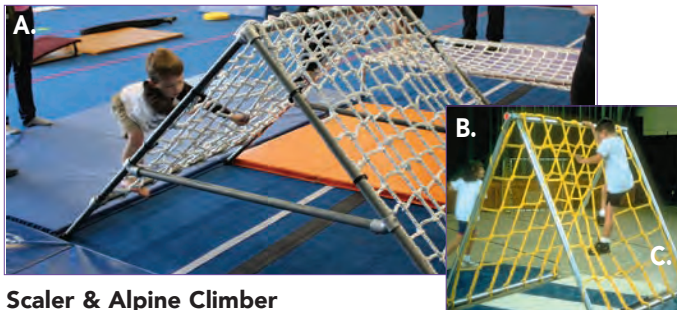

NEW

Slackers® Skate Swing

Part skateboard, part swing, all fun.

The wooden skateboard-like base has a prism design and a non-slip foam top. The wood hand holds are easily adjustable. Easily secures to a Ninjaline® with included reinforcement straps. May also be attached to a healthy tree or play structure with the included adjustable rope and 2 carabiners. For ages 5 and up; maximum weight 250 lbs. Adult supervision required.

28419 Ninjaline not included..... \$64.99 ea.

Scaler & Alpine Climber

Basic climbing; ideal for small spaces.

Easy to fold up and store. Scalers have a 2" O.D. steel frame with rubber floor guards, optional 9" or 12" twisted ½" poly dacron netting and a climbing area of 6'x 6' per side. The Alpine Climber has a 1" O.D. steel frame, 4" netting and a climbing area of 4' x 4' per side. Both units include rubber floor guards and top and side lashings.

X28414 A- Alpine Climber w/4"W x 8'L frame & 4" mesh netting \$ 1,599.99 ea.

HORIZONTAL CLIMBING WALLS

Neoprene Rock Climbing Wall Packages

With an amazing neoprene cover!

Neoprene makes the wall safer and eliminates scratches on arms and legs from rough textured paint! Features a realistic mountain design with trees that act as the safety zone where students' feet are not allowed to leave. Panels are made from 3/4" thick plywood with screw on T-nuts that will not pop off the back of the panel and a 6mm thick neoprene cover. Each panel has 60 mounting hold options to change the route often. With a neoprene cover, there is no paint to peel off if climbing holds are over tightened. We recommend to always use mats when climbing on the walls and cover the walls when not in use to prevent unsupervised climbing. 1 Year Warranty. Ships by truck. Call for freight quote- our normal shipping policy does not apply to these items.

GYMNASTICS

AAI® Vaulting Boards

For beginners through elite levels.

The junior board is carpeted with 3 coil springs designed for users under 85 lbs. The 8 coil board has 8 coils and is adjustable to meet the weight and ability needs of beginners to advanced level gymnasts. 200 lb. weight limit.

- X45039 8 Coil Board.....\$945.00 ea.
- X45006 Junior Vaulting Board 354.99 ea.

Gibson® Mile High Spring Board

Adjustable tension for a variety of gymnasts!

Made with, heavy-duty .25-inch chromium-plated music wire springs and 1/4" maple top that allows for more flex, thus more spring. Surface is padded with 3/4" closed cell cross-linked foam and covered with high quality carpeting. Rubber pads prevent marring of floor and increased traction.

The 20cm (8") eight-spring board meets all FIG, USAG, NCAA and high school specifications for men's or women's programs.

- X45032\$584.99 ea.

Suede Beams

Your choice of 8' or 12' lengths.

Layer of cross-linked foam is laminated to the top surface of the beam for cushioning.

- X45041 8' x approx. 7"H\$249.99 ea.
- T45042 12' x 12"H: Ships by Truck 599.99 ea.

Low Balance Beam

Ideal for teaching beginning balance beam activities.

Beam is made of steel. Unit is 12" high and rests on sturdy steel bases finished in metallic blue with suede-like material covering. Ships by truck.

- T45021\$940.00 ea.

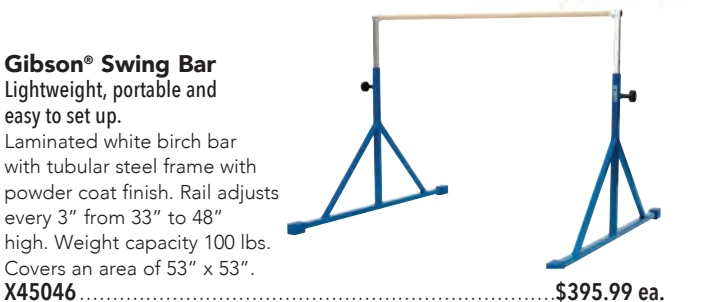

AAI® Beginner Balance Beams

Two styles ideal for teaching early fundamentals!

Both beams are 4" wide, tapered to the floor for added stability and have polyethylene foam cores. The TAC/10 cover provides easy cleaning with excellent grip and durability. The suede cover provides an authentic balance beam feel. Both beams measure 106"L x 4"W x 2"H.

- X45060 TAC/10 Balance Beam.....\$199.99 ea.
- X45061 Suede Cover Balance Beam..... 176.99 ea.

Gibson® Swing Bar

Lightweight, portable and easy to set up.

Laminated white birch bar with tubular steel frame with powder coat finish. Rail adjusts every 3" from 33" to 48" high. Weight capacity 100 lbs. Covers an area of 53" x 53".

- X45046\$395.99 ea.

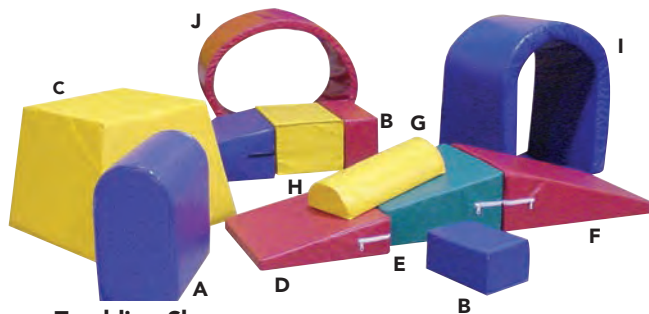

Foam Wedges

The wedge is ideal for teaching pre-schoolers high and low, or use as a gymnastic tumbling aid.

Constructed of high density poly foam and covered in a durable 13 oz. fire retardant, mildew resistant vinyl.

- X29150 36"L x 24"W x 12"H Blue\$153.99 ea.
- X29151 48"L x 24"W x 12"H Blue 201.99 ea.
- T29152 72"L x 36"W x 16"H Red, ships by truck 276.99 ea.

Foam Tumbling Shapes

The perfect tools for teaching tumbling progressions!

Teach proper form, improve balance and coordination and use for children to build and combine shapes to create their own play environments! Made with a high density urethane foam with a 14 oz. laminated vinyl over nylon scrim covering that is fire retardant, withstands scrubbing and is anti-bacterial. Sold as a complete set or individually. All shapes are custom ordered and are non-returnable.

- T29159 Complete 10 Piece Foam Shape Set: Ships by Truck.....\$1,345.99 set
- X29160 (A) Dome 24"L x 12"W x 24"H..... 122.99 ea.
- X29161 (B) Small Block 12"L x 8"W x 6"H..... 54.99 ea.
- X29162 (C) Pyramid Base 24"L x 24"W x 24"H w/tapered sides..... 230.99 ea.
- X29163 (D) Small Wedge 24"L x 24"W x 1-6"..... 69.99 ea.
- X29164 (E) Medium Wedge 24"L x 24"W x 1-12"..... 102.99 ea.
- X29165 (F) Large Wedge 48"L x 24"W x 6-12"..... 196.99 ea.
- X29166 (G) Half Round Shape 24" x 12"W x 6"H..... 74.99 ea.
- X29167 (H) Medium Block 24"L x 12"W x 12"H..... 75.99 ea.
- X29168 (I) Tunnel 24"L x 24"W x 30"H 183.99 ea.
- X29169 (J) Open Cylinder 24"W x 30" diameter 182.99 ea.

Gym Chalk

Get a grip!

Fine quality, ideal for weight lifting, climbing walls or gymnastics. Wrapped in 2 oz. blocks, 8 blocks per pound.

- 52306\$11.99 lb.

FOAM SHAPES

UCS® Combo Boxes

A trapezoid, horse and skill builder all in one!

The three piece top unit can be used in various combinations to develop strength and balancing skills. Removing the individual blocks creates a three section trapezoid. Made from high density polyurethane with a 21 oz. knife coated vinyl cover and 2" Velcro® flaps to hold sections securely in place. Specify a solid color or alternating colors. Ships by truck.

- T45069 36" x 36" x 36" (specify color)..... \$905.99 ea.
- T45070 48" x 48" x 48" (specify color)..... 1,298.99 ea.

UCS® Super Folding Incline Mats

Teach the basics as well as the advanced competitive skills.

Used as rotational aides, landing mats and crash pads. Made with a high density prime foam and 21 oz. knife coated vinyl cover. Specify body and side colors. Ships by truck.

- T29135 48" x 72" x 16"-2" (specify color)..... \$591.99 ea.
- T29136 60" x 120" x 22"-2" (specify color)..... 1,288.99 ea.
- T29137 72" x 144" x 22"-2" (specify color)..... 1,373.99 ea.

UCS® Rainbow Barrel

Excellent for developing balance, alertness and coordination!

Use for a variety of games such as barrel rolling, races, or place the barrel in an upright position for bean bag tossing. Made from densely compacted foam with a heavy duty 21 oz. knife coated vinyl. Measures 32" x 40". Ships by truck.

- T45065..... \$735.99 ea.

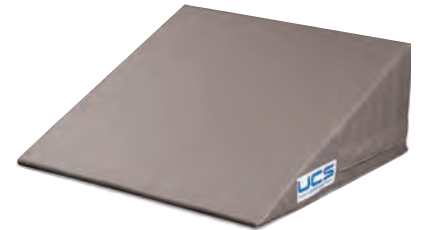

UCS® Plugs

A great way to increase physical activity!

Excellent for motor skill development and a perfect tool for any program! Dense foam core with thick vinyl cover.

- X45071 18" x 30" diameter (specify color) \$313.99 ea.
- X45072 30" x 30" diameter (specify color) 423.99 ea.
- X45073 30" x 36" diameter (specify color) 496.99 ea.

UCS® Solid Wedges

Use for hurdling, tumbling, rolling, spotting, physical therapy and exercise.

One piece of 100 ILD urethane foam with a 21 oz. knife coated vinyl cover. See color chart below for color options. Specify Color.

- X45066 20" x 30" x 6" (specify color) \$144.99 ea.
- X45067 30" x 30" x 12" (specify color) 185.99 ea.
- T45068 40" x 30" x 16" (specify color) Ships by Truck 213.99 ea.

UCS® Trapezoids

Use as a vaulting horse or spotting platform.

Firm enough for developing basic motor and gymnastic skills. Constructed polyurethane foam with knife coated 21 oz. vinyl and 2" Velcro® flaps that secure the sections in place. Available in 2 sizes 36" x 36" x 36" (#T45024) and 48" x 48" x 48" (#T45023) Specify colors. Ships by truck.

- T45024 Spfy color \$989.99 ea.
- T45023 Spfy color 1,219.99 ea.

UCS® Split Octagons

Fresh twist on the Octagonal Spot Trainer!

Attach and detach using Velcro® stripping on the two ends. Fasten together and they form an Octagonal Spot Trainer to teach tumbling. Made from high density polyurethane foam and vinyl covering. Measures 25"W x 25"H x 30"L.

- X45062 Specify color \$358.99 ea.

UCS® Octagonal Spot Trainer

One of the most popular items used for increasing motor skill development!

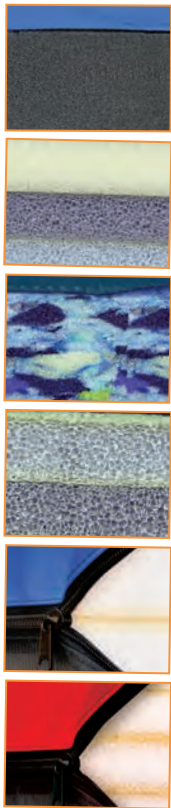

Use to teach gymnasts, cheerleaders and tumblers the perfect form! Made from high density foam with a 21 oz. knife coated vinyl cover. Specify body and side colors. Ships by truck.

- T45074 25" x 25" x 36" (specify color) \$370.99 ea.
- T45075 30" x 30" x 36" (specify color) 417.99 ea.
- T45076 35" x 35" x 40" (specify color) 594.99 ea.
- T45077 40" x 40" x 40" (specify color) 720.99 ea.

- X29010 \$11.99 ea.

TRAINING & LANDING MATS

UCS® 221 Series Fat Pads

Encourages the development of motor skills at all age levels safely!

Made with an extra high resilient polyethylene foam, these mats will endure years of vigorous use. Covered with 21 oz. vinyl knife coated nylon and designed with vinyl extruded nylon breather material to release the right amount of mat depression. Each mat has 8 carry handles. Flat Fat Pads have a one piece top with no seams and the breather mesh feature is on top. Folding Fat Pads also have a one piece top to form a crackle surface with the sides featuring the vinyl breather mesh fabric. Available in 8" or 12" thicknesses in the following colors: maroon, red, orange, yellow, green, blue, purple and black. Please specify color. 5 year guarantee. Ships by Truck.

UCS® 220 Series Deluxe Training Pads

A great all around mat for climbing walls, tumbling and other motor skill activities!

Offers more cushion than the Competition Mat, these mats are designed to withstand rigorous use of training programs. Manufactured with a top layer of polyurethane foam and bottom 1 3/4" polyethylene, to provide great cushioning without bottoming out. Covered in thick 21 oz. vinyl on top and bottom with heavy vinyl extruded nylon breather material on the sides. Hinged in two areas to allow a quarter or half of the mat to fold to create a great spotting platform. Each mat comes with 12 handles that will not pull out. Envelope design and Velcro® closing system protect zippers. Available in 8" or 12" thicknesses in the following colors: maroon, red, orange, yellow, green, blue, purple and black. Please specify color. 15 year guarantee. Ships by Truck.

Note: All mats are considered custom made and are non-returnable. Actual colors may vary from swatches.

Mat Wall Channel

Aluminum channels with hook sided Velcro®.

Use for optional semi-permanent padding situations or ideal for padding storage. Sold individually in 6' long sections, easy to cut down to customize to size needed. Please call for assistance when ordering mats to be used with these channels.

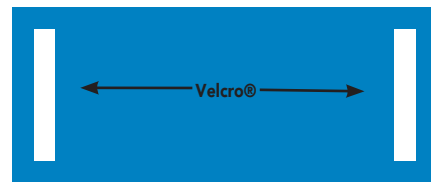

- 29288 6'Long..... \$39.99 ea.

Removable Velcro® Backed Wall Mats

Mats attach and detach with velcro!

The 2'W x 6'H mats are made with 2" rebonded foam - laminated 14 oz. cover and does not have any wood backing. Velcro® loop is attached to the backside of the mat for connecting. Purchase Mat Wall Channels with Velcro® hook separately. Specify color listed below.

- X29287 2'W x 6'H- specify color \$127.99 ea.

TERMS & CONDITIONS

Sales Tax: Customers will be charged applicable taxes, unless proof of tax-exempt status is furnished to Palos Sports. Tax-exempt customers should attach/include a copy of their tax exemption certificate with their order.

All Schools Get Instant Credit with Valid Purchase Order: Call our customer care team for details.

International orders welcome: Please call, fax or email for shipping and payment information.

Prices: We reserve the right to change prices due to unforeseen increases or decreases in manufacturer's prices. Catalog prices are current as of January 1, and are subject to change without notification.

Return of Merchandise Guarantee: Call our Customer Care Center to obtain your Return of Merchandise Authorization (RMA) Number. Returns received without an RMA# will not be accepted and no credit shall be issued.

Software:

Software downloads are considered opened at the time of purchase and may only be replaced with identical software/media within 30 days if the original purchased software is defective.

Special Shipping Options: Options such as lift gate, inside delivery and residential delivery will incur additional shipping charges. Select items that ship by truck may qualify for free shipping, which includes tailgate delivery only.

Direct-Ship: Merchandise shipped directly from the manufacturer to the customer.

Alaska, Hawaii and Canada: Shipping to these locations require a freight quote. Please contact our Customer Care Team.

Damaged on Arrival: Inspect all shipments before accepting. If a package is visibly damaged, refuse to accept until delivery receipt is marked "Received in Damaged Condition." Immediately contact the Customer Care Team at Palos Sports.

Claims: Claims for damage should be immediately filed with the transportation company. If concealed damage is discovered upon unpacking, contact the Customer Care Center immediately.

Price Matching: Palos Sports is committed to delivering the best products at the best value. All products are competitively priced and our price matching policy guarantees we will match a price in a competitor's catalog, from the same published year, for identical items/quantities.

Shortages: Shortage, lost, or missing merchandise is our responsibility only after the following precautionary measures have been followed by the customer.

(1.) Do not sign delivery ticket unless all packages specified on Bill of Lading are accounted for. If receipt has been signed for total delivery, carriers assume no responsibility. (2.) Check your master Packing Slip. Direct-Ship Items or those on back-order will be delivered separately. (3.) Check all packages marked miscellaneous merchandise carefully.

(4.) If summer delivery has been made, check your warehouse carefully.

Restocking Fee: A restocking fee of 10-20% may be charged for returned goods. The fee(s) will be assessed by the company receiving the merchandise (Palos Sports or a vendor).

▲ CHOKING HAZARD (1) – SMALL PARTS

Not for children under 3 yrs.

▲ CHOKING HAZARD (2) – IS A SMALL BALL

Not for children under 3 yrs.

▲ CHOKING HAZARD (3) – CONTAINS A SMALL BALL

Not for children under 3 yrs.

▲ CHOKING HAZARD (4) – IS A MARBLE

Not for children under 3 yrs.

▲ CHOKING HAZARD (5) – CONTAINS A MARBLE

Not for children under 3 yrs.

▲ CHOKING HAZARD (6) – BALLOON

Children under 8 yrs. can choke or suffocate on uninflated or broken balloons. Adult supervision required.

Keep uninflated balloons from children.

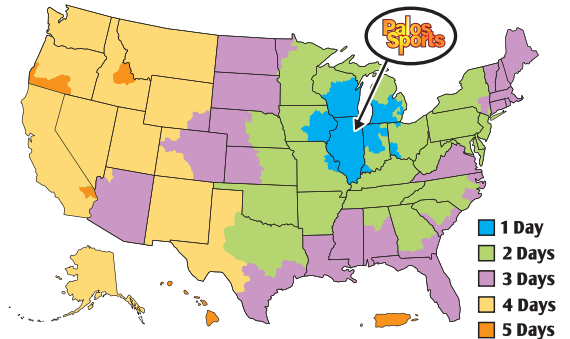

Discard broken balloons at once.

Palos Sports makes every effort to depict accurate product descriptions and prices. However, due to changing manufacturing conditions, product color, specifications and prices are subject to change without notice. We reserve the right to correct typographical errors. Due to press variation, actual product color may be slightly different than product colors shown in this catalog.

BRAINball™

A PHYSICAL EDUCATION LEARNING SYSTEM

"Learning through play."

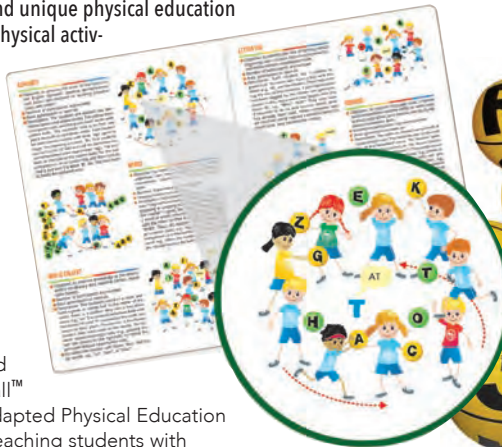

17 YEARS
OF RESEARCH
PROVEN
TO ENHANCE

- MATH
- READING
- SPELLING
- ADAPTED PE
- FINE MOTOR SKILLS

What is BRAINball™?

BRAINball™ is an innovative and unique physical education learning system that merges physical activity and academic learning through play.

Instructors and students use 100 mini soccer and basketballs and 100 lesson plans to develop math, reading, grammar, spelling, anatomy and foreign language skills. In addition to the physical benefits, significant improvement will be seen in gross and fine motor skills, cooperative and cognitive learning. BRAINball™ can be incorporated into Adapted Physical Education programs as well as those teaching students with learning disabilities, such as dyslexia.

EASY TO FOLLOW INSTRUCTIONS WITH VISUAL AIDS FOR QUICK TEACHING SO THERE'S MORE TIME TO LEARN!

BRAINball™ is broadly adaptable across elementary and secondary grades, and while an excellent tool for physical education, it is also perfect for use in the classroom, after-school, recreation and sports programs.

[VIEW A SAMPLE LESSON PLAN ON OUR WEBSITE!](#)

What does BRAINball™ include?

Each set includes a lesson book filled with 100 games/activities, 100 mini basketballs and soccer balls (size 3) in five colors – red, orange, yellow, blue and green – and premium equipment bags with carry strap. There are 40 yellow and 40 green basketballs with letters (upper & lower case) and numbers, 8 red and 8 blue soccer balls with math symbols, and 4 orange "wild card" (blank) balls. BRAINball™ book is not sold individually.
49082 BRAINball™ Set - 100 balls and 100 lesson plans..... \$789.99 set

Dear Valued Customer

To our valued customers, we are excited to bring you our 2020 Sports Medicine catalog featuring the latest and greatest solutions for your athletic training room— as well as the tried and true products you rely on.

As you browse these pages be sure to take a look at products for heat-stress monitoring and hydration. Heat illness during physical activity is the leading cause of injury and death among school athletes. Heat-related illness and death are almost entirely preventable, so it is important to establish and follow a proper heat-acclimatization program for hot weather.

You'll also notice the expanded selections of Rehabilitation, Exercise & Strength, and Conditioning products. We have included offerings from our affiliated company, Palos Sports, bringing more options to your athletic training program. With Palos you can support your athletes and allow them to perform to the best of their abilities.

As always, we welcome your feedback and want to continually enhance your experience. Send your comments to marketing@schoolhealth.com.

To good health!
Rob Rogers, President
School Health Corporation

OUR PROMISE

Since our founding in 1957, School Health has been dedicated to helping school-based health professionals keep their students healthy.

We promise to deliver an unparalleled customer experience so you can support the health of your students and enable them to learn and perform to the best of their abilities.

Thank You for being a valued customer. We look forward to building an even healthier future together.

Arrowhead® Arrow Flex CO

Arrow Flex CO is a premium stretch cohesive tape designed and built in the USA by Arrowhead Athletics. Arrow Flex CO has smooth stretch and return, easy tear, and outstanding self-grip, while being stronger than many other cohesive stretch tapes on the market. It breathes well and is water-resistant, able to repel moisture even when submerged. Can be used as a tape alone and is able to repel moisture as an underwrap for a secure tape job. This product contains dry natural rubber.

THOR™ Rigid Cohesive Tape

THOR Rigid Cohesive Tape offers the superior control and easy manipulation athletic trainers need. Engineered to work perfectly with Mueller Tapewrap Premium to create an unrivaled rigid tape system with strong heel locks, precise figure 8s, and superb seating of strips.

Features:

- Strong, dual-layer mesh construction
- Easy to tear
- Water and sweat-resistant
- Breathable materials
- Thin and lightweight

1 1/2" x 15 yds., 32 rolls/case **1008086** \$54.99 cs.

Andover PowerTape™

Used in combination, PowerFlex and PowerTape™ create the ultimate taping system, providing the strongest taping system in existence. Remains stable and supportive. Has the same tensile strength as traditional tape and has great lay-in. Sweat-resistant, yet "breathes". Can be used under water.

A. Mueller® ATF® 3 Ankle Brace

Inversion sprains (rolled ankle) account for approximately 85% of all ankle sprains. ATF®3 Ankle Brace features a patented internal strapping system that self-adjusts to support your Anterior Talofibular Ligament. This system helps protect against 'rolling the ankle' without restricting jumping, speed, or agility.

B. Mueller® Soft Ankle Brace with Strap

Constructed out of durable denier 1,000 polyester which allows for a lightweight brace. The low-profile design can be used on either ankle for effective ankle stabilization. Designed for rehabilitation or general sports protection. Figure eight locking straps prevent rollover and keep your ankle locked in a neutral position.

- Padded tongue for enhanced comfort
- Lace up provides a customized fit
- Low-profile design provides comfort and protection at the same time

C. Mueller® The ONE® Ankle Brace Premium

With its improved fit and slender profile, The ONE Ankle Brace Premium feels like having your ankle professionally taped by an athletic trainer. It's a reliable way to help prevent common ankle injuries when you're playing, including ankle strains. Measurements based on shoe size.

The ONE Ankle Brace is also great for rehabbing inversion ankle sprains and eversion ankle sprains off the court. The secure fit helps support your ankle by slightly restricting awkward and irregular movements to encourage healing.

Ankle Support

A. Aryse IFAST Ankle Brace

The IFAST is a patent-pending, revolutionary ankle brace that encourages elevated performance while limiting fear of injury. Created with functional stability, the IFAST provides custom, dynamic support for hardcourt athletes pre- or post-injury. Unlike traditional bracing, the IFAST is designed with superior materials that foster the body's organic movement. The IFAST transitions with the athlete from the beginning of practice to the end of competition without wearing down when support is needed the most.

- Mimics the body's natural movement
- Provides functional stability

All Sizes.....			\$49.00 ea.

B. Aryse XFAST Ankle Brace

The XFAST is an ingenious, patent-pending solution to ankle bracing in cleated competition. Unlike conventional bracing that requires the athlete to force a restricting brace into an already narrow shoe, the XFAST supports from the outside of the shoe. This strategic placement converts the entire cleat into a stabilizing device for the athlete's ankle joint. The revolutionary design mimics the natural movement of the body and allows pre- or post-injury athletes to have a custom level of support at their end range of motion without interfering with the comfort of the shoe. Athletes have found the result to be enhanced comfort, prolonged protection, and elevated performance.

C. ASO® EVO

The ASO EVO ankle stabilizer is an innovative approach to ankle protection. Its unique, stabilizing straps and cuffs incorporate the three main elements of an ankle taping application: stirrups, heel lock (figure eight), and circumferential closure. This new design provides exceptional ankle support and stability in the treatment of ankle injuries and reduces the severity and frequency of future injuries.

Measure ankle circumference to determine size.

 Not made with Natural Rubber Latex.

McDavid® Bio-Logix Knee Brace with Compression Knee Sleeve

This is a combo of high-end rigid materials and advanced softer materials to create total, precision support and Body-In-Motion flex. The C-Frame bring the medial and the lateral hinges into anatomic harmony to literally work together. With a color-coded, Anti-Migration Strap System, you get seriously great self-adaptive fitting and supportive tie-in throughout the molded structures. Underneath it all is the Sleeve-Lock. In addition, the Sleeve is built to fold up, down, and ultimately over the brace to streamline and secure the entire deal. Includes brace and sleeve.

B. DonJoy® Performance Bionic Knee Brace

The DonJoy Performance Bionic Knee Brace features support and protection from lateral forces that occur in everyday sports and activities. The Hex-shaped patella opening provides patella support and stability while articulating more freely as the knee goes through flexion and extension. Asymmetrical hem lines and stretch webbing closure system ensure the proper fit for comfort and controllable compression. The wrap-around design of this knee brace allows for quick, easy on/off without the need to remove shoes.

G

A. Mueller® Advanced Patella Knee Strap

This patella strap helps maintain kneecap alignment while walking, running, jumping, or climbing. The gentle compression helps relieve pain by absorbing high-impact shock.

The integrated bi-lateral strap connects directly to the buttress, so you can adjust the tension directionally (more or less on each side) for patella tracking issues. The Advanced Patella Strap can also be worn above the knee for IT Band (Iliotibial Band Syndrome) help.

Small/Medium.....	1031614	\$21.99 ea.
Large/X-Large.....	1031615	\$21.99 ea.

B. Mueller® Max Knee Strap

Patented strap gives an extra dimension of relief for painful and weakened knees. Allows full mobility. Fits left or right.

One Size Fits Most.....	.63082	\$21.99 ea.
-------------------------	---------------	-------------

C. McDavid® 414 Level II Jumper's Knee Strap

Features a tubular buttress in a neoprene strap with a Velcro® closure for graduated compression of the patellar tendon. Ideal for patellar tendonitis (a.k.a. jumper's knee or runner's knee) and Osgood-Schlatter disease. Color: Black.

One Size.....	.41424	\$18.99 ea.
---------------	---------------	-------------

D. The Fluk™ Knee Strap

Made of neoprene rubber with a non-slip backing, the Fluk™ provides soothing heat to the injured area. The moldable insert can be positioned to apply pressure to the patellar tendon, while also improving tracking by lifting the knee cap. Color: Black.

One Size.....	.41373	\$21.99 ea.
---------------	---------------	-------------

E. ACE® Custom Dial Knee Strap

Easy-to-adjust athletic knee strap that delivers focused pressure to help relieve symptoms of tendonitis. Adjustable dial increases or decreases gel pad pressure for maximum comfort, without having to adjust the entire strap.

Adjustable.....	1003584	\$32.99 ea.
-----------------	----------------	-------------

F. Pro-Tec® IT Band Compression Wrap

Relieves conditions of Iliotibial Band Syndrome by providing targeted compression.

One Size Fits All.....	.41786	\$18.99 ea.
------------------------	---------------	-------------

G. McDavid® 4103 Level II Runner's Therapy Iliotibial Band Strap

This adjustable strap provides controllable compression fit and increased support pressure for IT band pain relief. Contoured support pad targeted to IT Band provides healing pressure. Ergonomic, lightweight design for all-workout comfort and fit. Slip-resistant, lined neoprene keeps strap in position during muscle expansion and contraction. Fits left or right. Color: Black.

One Size Fits Most.....	.65102	\$19.99 ea.
-------------------------	---------------	-------------

A. Donjoy® Bionic Elbow Brace

Stretch webbing closure system ensures the proper fit for un-matched comfort and controllable compression. The unique cross strap design allows the user to set the max angle of extension to keep an injured or healing elbow protected. Bilateral polycentric hinges with hyperextension stops in this elbow brace are sure to keep unstable, ligament damaged, sprained elbows from getting in the way of performance.

Features:

- Bilateral polycentric hinges with hyper extension stops help to support unstable elbows
- Innovative cross strap design immobilizes the elbow joint for maximum protection
- Ergonomic construction improves fit and function
- Perforated neoprene for maximum breathability
- Anti-migration technology helps to eliminate slip
- Reflectivity for enhanced visibility in low-light conditions

D. Mueller® Adjustable Back and Abdominal Support

This revolutionary back and abdominal support uses unique cinching pull-straps for one-handed tightening. For all day support relief from lower back pain, weakness, and fatigue, instant abdominal compression and lumbar support. Smooth, comfortable plastic stays provide support to weak lower back muscles and help maintain healthy posture and alignment. FSA eligible.

.....41999 \$48.99 ea.

E. Mueller® Adjustable Back Brace with Lumbar Pad

Custom fit with dual, outer elastic tension straps.

One Size.....41748 \$34.99 ea.

Mueller® Face Guard

The Mueller Face Guard helps protect maxillary, nasal, zygomatic, and orbital injuries. It's ideal for basketball, wrestling, karate, baseball, soccer, volleyball, and other sports where facemasks are not required.

Features:

- Medical grade polycarbonate
- Improved clarity crack/shatterproof
- Customizable XPE foam padding facilitates better fit, comfort and standoff distance from the face for added protection, and heat management
- Proprietary occipital harness comfortably secures the face guard and prevents shifting
- Anatomically contoured design provides a superior, less obtrusive fit
- Stealthy appearance

A. Dr. Jill's Dancers Pad

This soft gel pad cushions the ball of the foot and reduces pressure under any of the metatarsal heads, especially the big toe joint. A cut out surrounds the area to re-distribute weight onto the pad and away from the painful area, relieving stress, tenderness, and pain. Self-stick for easy application; wash and use over-and-over again. Two choices of thickness make it ideal for all styles of footwear. Use for calluses, dropped metatarsal head pain, fat pad atrophy, hallux limitus, hallus valgus, and metatarsalgia.

Regular Thickness: 1/8" thick gel pad, 2/package		
Left	1007753	\$5.99 pkg.
Right	1007755	\$5.99 pkg.
Extra Thickness: 1/4" thick gel pad, 2/package		
Left	1007754	\$6.99 pkg.
Right	1007756	\$6.99 pkg.

Dr. Jill's Callus Cushions

These soft gel cushions provide long-lasting comfort by protecting the ball of the foot and reducing pressure while walking or standing. A center hole surrounds the sore callus and transfers the pressure to the cushion, alleviating discomfort. For use in all styles of footwear. Self-stick cushions are easy to apply and can be washed and used over-and-over again. Includes a smaller bonus pad to protect any tender spot where shoes rub. Use for calluses, dropped metatarsal head pain, fat pad atrophy, neuroma, metatarsalgia, and IPKs.

B. U Shape: 1/8" thick gel pad, 2/package		
.....	1007725	\$6.23 pkg.
C. Oval Shape: 1/4" thick gel pad, 2/package		
.....	1007724	\$6.23 pkg.

D. Dr. Jill's Gelskin

Features:

- Durable, stretchy fabric top cover
- Adheres to skin, cushions and protects
- Great for corns, blisters, bunions, heels, and more
- Trim sheets to any shape for custom padding

2 1/2" x 3", Cut to Size, 2/Pack	1007840	\$5.49 pkg.
2 1/2" x 3", Cut to Size, 10/Pack	1007865	\$27.99 pkg.

E. Dr. Jill's Ball-Of-Foot Gel Pads

Features:

These soft gel pads provide excellent cushioning and long-lasting comfort while walking or standing. The pads cushion the ball of foot or offload metatarsal heads, depending on if they are placed directly on top or behind the ball of foot. Regular thickness pads can be placed directly on the painful area for general cushioning while standing for long hours. Extra-thick pads can be placed directly on the ball of the foot, although many doctors may direct them to be placed behind. Self-stick for easy application; washable and reusable again and again. For use in all styles of footwear. Two choices of thickness ensure a comfortable fit. Use for calluses, dropped metatarsal head pain, fat pad atrophy, neuroma, and metatarsalgia.

Regular Thickness: 1/8" Thick Gel Pad,		
2/pkg.	1007726	\$5.99 pkg.
Extra Thickness: 1/4" Thick Gel Pad,		
2/pkg.	1007727	\$6.99 pkg.

F. Dr. Jill's Arch Pad

Soft gel pad supports fallen arches, weak arches, high arches requiring additional support, tired feet, and weak arches, as well as pronation-related foot problems. Self-stick cushions are easy to apply. Washable and reusable. Appropriate for all styles of footwear. Two choices of thickness for comfortable fit.

Regular Thickness: 1/8" thick gel pad, 2/pkg.	1007740	\$5.99 pkg.
Extra Thickness: 1/4" thick gel pad, 2/pkg.	1007741	\$6.99 pkg.

G. Dr. Jill's Gel Sheet, Self-Sticking

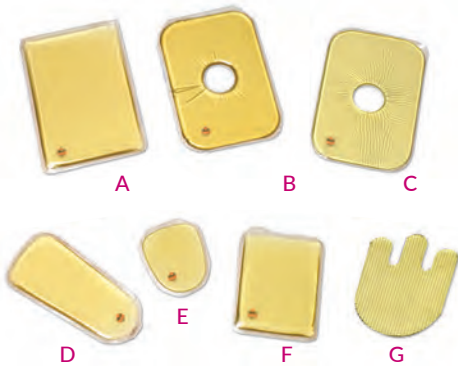

Features:

- Durable, stretchy fabric top cover
- Adheres to skin, cushions and protects
- Great for corns, blisters, bunions, heels, and more
- Trim sheets to any shape for custom padding

9" x 20", 1/8" Thick	1008022	\$43.99 ea.
9" x 20", 1/4" Thick	1008021	\$54.99 ea.

Econoline® Shock Shield

Shock Shield is gel-like padding material made with shock absorbing polymer technology designed to disperse high-impact force protection. Econoline manufactures original Shock Shield in 12" x 22" x 3/16" sheets with an adhesive release-liner for tactical padding creations. Newly developed Shock Shield Lite, same as the original, is only 1/16" thick, so it's thinner and lighter, without compromising the Shock Shield protection qualities. Shock Shield technology is now available in newly designed custom-formed padding shaped for specific body applications. The Shock Shield product line is manufactured with the serious protection of athletes in mind.

E. Dorsal Hand Pad

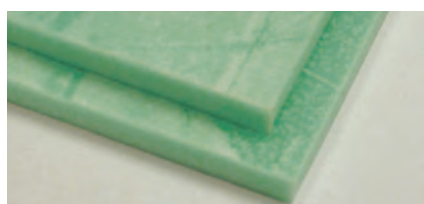

3/16".....41917 \$31.99 ea.

F. Rectangular Multi-Use Pad, Small

5/16" x 6" x 4 1/2".....41920 \$27.99 ea.

G. Palmer Hand Pad

4/pkg.....41059 \$23.99 pkg.

Econoline® Memory Gel

Similar to Memory Foam, only this gel-like material offers more shock absorption. Two, 1/2" thick sheets. Allows your athletes to resume play with comfort and protection.

8" x 16"

2/pkg.....29366 \$103.99 pkg.

Cramer® OrthoGel™ Padding

Use it for horseshoes on sprains, absorbent pads inside chin straps, donuts for hip pointers, and A/C contusions, and compression strips for shin splints. OrthoGel™ padding can be used right from the freezer, providing both cryotherapy and cushioning.

One each 1/8", 1/4", 3/8"

3/kit.....29010 \$71.99 kit

Econoline® Shock Shield Pad

Gel-like, shock-absorbing padding can be cut and conformed for any padded protection. Shock Shield Pad disperses the force of contact, making it essential for the protection of injured areas—especially those that receive repeated contact. One adhesive side.

5/16" x 12" x 22"29126 \$74.99 ea.

Shock Shield Lite

3/16" x 12" x 22"29468 \$69.99 ea.

Shock Shield Mini

1/8" x 10" x 12"29527 \$49.99 ea.

Cramer® OSI® Pads

With this patented, custom-fit, fiberglass technology, you don't have to take the athlete off the field to cut and custom fit a pad. Just rip open a package, wet with any liquid and in five minutes the athlete is ready to return. Once formed, Cramer OSI® pads are washable and durable enough to provide protection for an entire season. Pads are not remoldable.

PADDING, CASTING, & PODIATRY

Foam Padding

Econoline® Super Foam Sheets

Super Foam is one of Econoline's finest products, preferred by many athletic trainers across the United States. This porous material is very dense, extremely durable, and non-impressionable. Super Foam can also be washed and dried. Recommended for cast padding, orthotics, AC pads, and more. Some athletic trainers compare Super Foam to the old Belgium foam. Color: Black.

Econoline® Memory Foam Sheets

An athletic training room essential. One of the most extraordinary foam products available to the sports medicine profession. This temper foam material has a great shock-absorbing quality that will protect the desired area. It is a heat-sensitive, slow-recovery foam. Specially designed to conform and be molded for protection. Because we manufacture Memory Foam in four different densities and three varying widths, it suits a variety of sports medicine needs.

McDavid® 6650 Hex Skin

Hex Skin is engineered to help protect the body from impact, burn, and abrasion. Simply cut to length and apply directly to skin. Best for body-to-body contact and body-to-surface contact. Stays in place during sports and other activities.

Features:

- Long-lasting, comfortable, lightweight
- Best for body-to-body contact and body-to-surface contact
- Featuring 4 mm Hex Pad protection
- Breathable, hypo-allergenic
- Water and sweat resistant

PADDING, CASTING, & PODIATRY

Casting Supplies

A. Specialist® 100 Cotton Cast Padding

Specialist® 100 has the product features cotton users desire. The soft, 100% cotton material feathers and self-bonds to create a smooth undercast surface. Specialist® 100 is hand-tearable and applies easily. Excellent cohesion allows for custom padding around bony prominences.

2" x 4 yds., 24/pkg.29484	\$31.99 pkg.
3" x 4 yds., 12/pkg.29485	\$22.99 pkg.
4" x 4 yds., 12/pkg.29486	\$31.99 pkg.

B. Specialist® Cast Padding

Designed to provide excellent under-cast protection without time-consuming application. A unique micropleated design results in excellent cast padding conformability, protection, and ease of application, without tucking and tearing.

2" x 4 yds., 24/bag29012	\$38.99 bag
3" x 4 yds., 12/bag29013	\$29.99 bag
4" x 4 yds., 12/bag29023	\$42.99 bag

C. Sof-Rol® Cast Padding

Designed to maximize the wicking of body exudates under a cast. Constructed of 100% surgical grade, needle-loomed rayon, this padding combines high-tensile strength with superior absorbency. Sof-Rol® is soft and cool for maximum under-cast comfort.

3" x 4 yds., 12/bag29028	\$31.99 bag
4" x 4 yds., 12/bag29026	\$39.99 bag

D. Delta-Lite® Conformable Fiberglass Cast Tape

The patented fiberglass substrate provides unsurpassed conformability, greatly reducing the need to tuck and fold during application. Primary and secondary casting, rigid support, superior conformability, exceptional strength, excellent lamination, three-dimensional stretch, weight bearing in approximately 20 minutes, 3-5 minute set time.

10/box		
2" x 4 yds.....	.29473	\$162.99 box
3" x 4 yds.....	.29474	\$264.99 box
4" x 4 yds.....	.29475	\$344.99 box
5" x 4 yds.....	.29476	\$293.99 box

Delta-Lite Plus® Fiberglass Casting Tape (Not Shown)

With added smoothness and moldability. Sets in 7 minutes. Dip-water activated and applied like plaster. Finished casts are moisture resistant, lightweight, strong, porous, and easily removed with a cast cutter.

10/box		
2" x 4 yds.....	.29494	\$71.99 box
3" x 4 yds.....	.29495	\$86.99 box
4" x 4 yds.....	.29496	\$101.99 box
5" x 4 yds.....	.29497	\$128.99 box

E. 3M™ Scotchcast™ Soft Cast Tape

Semi-rigid support wrap is as fast and easy to apply as casting tape, but flexible and semi-rigid for resilient support. The degree of rigidity is controllable by the number of layers used to meet the requirements of each situation.

2" x 4 yds.....	.20056	\$15.99 roll
3" x 4 yds.....	.20057	\$17.99 roll

F. 3M™ Scotchcast™ Plus Casting Tape

Lightweight, durable, easy-to-wrap, synthetic casting material. Scotchcast™ Plus is a roll of resin infused fiberglass tape.

3" x 4 yds.....	.20058	\$17.99 roll
4" x 4 yds.....	.20059	\$20.99 roll

G. Delta-Cast Conformable

Patented, semi-rigid, elasticized polyester is easy to wrap. Conforms around difficult body contours, reducing the need for cutting and shaping. Free of slip additives, long-lasting, problem-free casts. Sets in four minutes and bears weight in 20 to 30 minutes. Easily removed using normal bandage scissors.

10 rolls/box		
2" x 4 yds.....	.29350	\$211.99 box
3" x 4 yds.....	.29349	\$226.99 box
4" x 4 yds.....	.29348	\$294.99 box
5" x 4 yds.....	.29347	\$331.99 box

H. Delta-Rol® Synthetic Cast Padding

Constructed of 100% acrylic fibers that wick moisture away from the skin. Easy to tear, highly conformable, and will maintain its bulk even when wet, resulting in an excellent, continuous cast fit.

2" x 4 yds., 24/pkg.29480	\$62.99 pkg.
3" x 4 yds., 12/pkg.29481	\$57.99 pkg.
4" x 4 yds., 12/pkg.29482	\$73.99 pkg.
6" x 4 yds., 6/pkg.....	.29483	\$57.99 pkg.

I. Delta-Dry® Cast Padding

Delta-Dry® is waterproof, breathable and washable, and allows patients restricted by casts to bathe easily, and even go swimming. Even rehabilitative measures such as hydrotherapy can be taken, thanks to the waterproof sub-padding.

12/box		
3" x 2.6 yds.29478	\$232.99 box
4" x 2.6 yds.....	.29479	\$287.99 box

J. M-Pact® Cast Cutter

Cast Cutter36022	\$1,917.00 ea.
Replacement Blade36026	\$101.50 ea.

 Not made with Natural Rubber Latex.

CUSTOMIZABLE FOR MULTIPLE APPLICATIONS!

Orfit NS Splinting Material

Orfit NS has unlimited potential for fabrication of very large to very small splints. It features a non-stick, coated material that prevents accidental bonding. The material allows for precise moulding that conforms to patient anatomy. It becomes transparent when activated in hot water (160 degrees F) and returns to white when set. It is easy to work with and has excellent memory if splints need to be remade or adjusted.

18" x 24" Sheets, 4/case

1/8"	1005757	\$271.99 cs.
3/32"	1005758	\$256.99 cs.
1/16"	1005756	\$221.99 cs.

THERM-O-FOAM™ Padding Kit

Soft enough to be a legal playing pad, and it's heat formable. Provides low-cost protection. Trim to size and mold to body. THERM-O-FOAM can be reformed for reuse and also can be used for insoles. NOT microwavable.

(10) 14" x 19" Superlite Sheets: (2) 1/16", (2) 1/4", (2) 3/8", (2) 1/2", (2) 5/8"

Orfit Thermoplastic Casting Tape

Orficast is a unique thermoplastic knitted fabric casting tape that eliminates all of the issues and difficulties routinely experienced with the traditional plaster and fiberglass casting materials.

- Fast, easy to use, breathable, versatile and comfortable casting, and splinting
- The perfect quick wrap for finger, wrist, thumb, and toes injuries
- Small Immobilization casts, Fractures, PIP Flexion Contractures, Mallet injuries of fingers, Trauma/TIP Injuries, and all common sports injuries
- Activated in hot water (140–60 degrees F) in hydrocollator or by 1 minute in a microwave
- When activated, wrap around an injured body part and quickly form a cast
- Becomes rigid like plaster, but without the mess
- Remove by sliding off or cutting off with plaster scissors

1 1/8" x 9.8'	29525	\$34.99 roll
2 1/4" x 9.8'	29526	\$52.99 roll

3M™ Scotchcast™ One-Step Splints

Multiple layers of a knitted fiberglass fabric, infused with polyurethane resin that is pre-padded with foam. One-Step Splints are pre-cut and individually pouched. More portable and faster to apply than roll splints.

2" x 10"	20076	\$15.99 ea.
3" x 12"	20077	\$18.99 ea.

Podiatry Products

Econoline Turfliner Insoles

“Turf-Toe” is a sprained or hyper-extended toe caused by bending the toe backwards, stretching or straining the ligaments. Stiff-soled shoes help to prevent injuries.

Econoline’s Turfliner is a lightweight, flexible neoprene shoe liner with a special spring steel plate. Available with half steel insert or full steel insert. Order by shoe size.

Carbon Fiber Inserts

Over two times lighter and more rigid than steel inserts. Used for any foot condition requiring rigid, mid-foot support of the foot: mid-foot sprains, turf toe, metatarsal fractures/stress fractures, lis franc injuries, and post-op or post injury transition from boot to shoe. Should be taped or light adhesive applied to sock liner or orthotic to prevent moving in shoe. Fits right or left foot. All sizes sold individually, not as a pair.

Dr. Jill's Carbon Stabilizer Plates

Dr. Jill’s extremely thin plates (1/8” thick) are constructed to limit dorsiflexion at the MP joints. Designed to stiffen the sole of the shoe and limit the range of motion of the forefoot and midfoot to make the shoe non-flexible, plates allow for a small amount of flex to enable forefoot roll-off, toe-off.

Insite™ Insoles

Insight precision insoles support the athletes who are constantly pushing the boundaries of their sport. During development, each aspect of the foot was studied, from athlete biomechanics to energy loss and overall performance. The result is an insole that acts more like a high-end orthotic.

F. Pulsion Core—with an FCX shell and pulsion foam technologies to offer increased support and energy transfer and to help keep athletes moving.

G. Fusion Elite—featuring many of the same technologies as the Carbon Pro, the Fusion Elite is Insite's newest addition and utilizes a fusion composite shell.

H. Carbon Pro—the proven choice for professional athletes around the world. The Carbon Pro Insole provides ultra-lightweight support and maximum energy return in all types of athletic footwear.

F

A. Pedifix® GelSmart™ Covered Achilles/Dorsum Protection Sleeve

Protection for both the top of the foot and Achilles tendon by reducing pressure, shear forces, and friction from boots/skates. Protects from abrasions caused by athletic footwear, without adding bulk.

Small27509 \$22.99 ea.
Large27510 \$22.99 ea.

B. Pedifix® GelSmart™ Achilles Covered Pad

Ideal for fatigued or injured Achilles tendon. Soft, comfortable gel pad protects the posterior of the heel from friction, while gently compressing and reducing pressure.

Small/Medium27504 \$21.99 ea.
Large/X-Large27505 \$21.99 ea.

C. Pedifix® GelSmart™ Malleous Pad

Soft, comfortable pad provides gentle compression around ankle bones, while reducing abrasion and shear forces over the ankle.

One Size27506 \$21.99 ea.

D. Pedifix® GelSmart™ Covered Dorsum Protection Sleeve

Protection from top of foot to the skin by reducing pressure, shear forces, and friction. Used as an interface between foot and shoe.

Small/Medium27507 \$21.99 ea.
Large/X-Large27508 \$21.99 ea.

E. Pedifix® GelSmart™ Toe Separators

Designed for standard footwear to minimize toe pressure and reduce friction and irritation between toes.

Large, 15/pkg27481 \$17.99 pkg.
X-Large, 15/pkg27482 \$17.99 pkg.

F. Pedifix® GelSmart™ Toe Spacers

For straightening and aligning toes and relieving pressure from bunions. Vitamin-enriched gel cushions and protects skin. Washable and reusable.

Medium, 4/pkg27483 \$6.99 pkg.
Large, 4/pkg27484 \$6.99 pkg.

E

F

A. Silipos® Skate Bite Protecto

A great pad for hockey players, figure skaters, runners, and roller-bladers to prevent laces from digging into the top of their feet.

.....41694 \$25.99 ea.

B. Silipos® Achilles Heel Pad™

Recommended by medical professionals for people with Achilles tendonitis, bursitis, heel prominences, pump bumps, and hardened skin. Washable and reusable.

Small/Medium29342 \$26.99 ea.
Large/X-Large29343 \$26.99 ea.

C. Silipos® ProSport Boot Bumper

Conforming polymer gel pads protect the front and back of the ankle from pressure, pinching, and friction. Irritation, burning, and redness are reduced by the unique properties of the Silipos® gel.

Small/Medium41674 \$29.99 ea.
Large/X-Large41675 \$29.99 ea.

D. Silipos® Malleolar Gel Sleeve™

Two soft polymer gel pads are molded into the elastic sleeve to moisturize skin and protect the ankle from abrasion, friction, shear, chafing, and callus formation. Reduces swelling. Washable and reusable.

One Size29344 \$26.99 ea.

E. Silipos® Gel-E-Roll

May be used to reduce scar tissue, for cold therapy, to provide compression, as a residual limb shrinker, to aid in muscle strains or arthritic pain, to moisturize areas of dry skin, for burn care, and to help control edema.

C

D

E

A. Marathon Liquid Skin Protectant

Bonds to the skin surface and provides higher strength and higher resistance to wash off than other thin film barriers. It is resistant to external moisture, but allows skin to breathe, minimizes friction, and reduces the risk of developing skin tears.

.5g, 10/box.	.34639	\$110.00 box
--------------	--------	--------------

B. Dermabond Wound Care

A topical skin adhesive with a unique formulation proven to create a protective barrier that adds strength and inhibits bacteria. Clinically shown to provide wound-holding strength in minutes and provides a flexible microbial barrier with 99% protection for 72 hours!

Mini, .36 mL, 12/box.	.55811	\$39.50 box
Advanced, .7 mL, 1/ea.	.1005675	\$68.10 ea.

C. Medique® Liquid Skin® Bandage Alternative

A 100% waterproof bandage that stays on hard-to-cover areas! Easy-to-apply, sting-free liquid bandage forms a breathable, protective layer that promotes healing and helps prevent infection by reducing exposure to dirt and germs.

0.5 g, 10/box.	.1006096	\$16.80 box
----------------	----------	-------------

D. SilvaSorb Antimicrobial Gel

Provides targeted antimicrobial protection for every type of wound. SilvaSorb kills microbes, but is completely biocompatible with the tissue cells of healing. SilvaSorb will not dry out a wound or macerate the surrounding skin.

16 oz. Jar	.43346	\$248.50 ea.
8 oz. Tube	.43347	\$142.00 ea.

B. *SH* School Health Brand Non-Sterile, Conforming Rolled Gauze

This premier quality bandage gently secures to any body contour without restriction of movement and accommodates an increase or decrease in swelling. The uniquely constructed weave and finished edges help eliminate unraveling and lint. The combination of rayon and polyester help the bandage to provide stretch memory when applied. It's a patient-safe dressing that renders a neat application each time. Ideal for secondary dressing applications.

C. *SH* School Health Brand Non-Sterile, Non-Woven Sponges

Compared to traditional cotton gauze, this non-woven sponge produces less lint and is less traumatic to fragile granulating wound tissue because it's virtually non-adherent. It also has significantly faster wicking ability which promotes a healthy healing environment. Discover the perfect balance between strength and absorbency in this rayon/polyester blend gauze.

E. *SH* School Health Brand Sterile Adherent Pads

Non-stick pads are wound covers for post-surgical wounds, lightly bleeding and draining wounds, large surface cuts, scrapes, and burns. They are made of a soft, perforated film bonded to a highly absorbent and breathable pad. The film is ventilated to allow the wound to breathe and absorb any fluids. Includes adhesive border.

Cosmopor

An adhesive wound dressing that is soft and gentle on the skin. Indicated for use in protection of post-surgical wounds and wounds with low-to-moderate exudate levels.

- Used for patients with sensitive skin
- Conforms well to body contours and remains in place
- Rounded corners help reduce the need to change the dressing
- Good absorbency and cushioning effect
- Fluid-repellent backing
- Great for large wounds

Surface Disinfectants, Cleaners, & Deodorizers

**NO
RINSE! 30
SECOND
KILL TIME!**

PURELL™ Healthcare Surface Disinfectant

PURELL Healthcare Surface Disinfectant's patented and powerful formulation is fragrance free and contains no harsh chemicals or bleach. The revolutionary formulation was designed to accelerate the germ-killing power of alcohol, without the use of harsh chemicals. This broad-spectrum, one-step surface disinfectant, and cleaner rapidly eliminates 27 organisms, including 30-second disinfection of MRSA, VRE and Norovirus.

32 fl. oz. Spray	1006774	\$12.50 ea.
Gallon Refill	1006776	\$26.90 ea.

PURELL™ Professional Surface Disinfectant

PURELL Professional Surface Disinfectant is a one-step cleaner and sanitizer that dissipates quickly and cleanly with no streaks or sticky residue. The no-rinse, multi-surface, fragrance-free spray eliminates germs on surfaces, including Norovirus, E. Coli, and Salmonella in 30 seconds. The lowest allowable EPA toxicity rating makes this safe even on food contact surfaces.

32 fl. oz. Spray	1006775	\$12.90 ea.
Gallon Refill	1006777	\$30.55 ea.

A. Micro-Kill+ Disinfectant Wipes

Medline Micro-Kill+™ Wipes are EPA-registered as a disinfectant bactericidal, virucidal, fungicidal, and tuberculocide. Effective against difficult to kill microorganisms, including MRSA, VRE, and Tuberculosis within 2 minutes. Effective against bloodborne pathogens Hepatitis B, Hepatitis C, and HIV-1. Heavy-duty fabric stands up to hard-surface scrubbing and contains enough liquid to ensure maximum surface coverage. Can be used to clean and disinfect most hard, non-porous surfaces. No pre-mixing or dilution needed.

6" x 6.75", 160/pkg	1000138	\$10.35 pkg.
---------------------------	----------------	--------------

B. Micro-Kill Alcohol-Free Disinfectant Wipes

Micro-Kill™ is an effective bleach-free and alcohol-free disinfectant cleaner with a fresh, clean scent. Even without bleach or alcohol, Micro-Kill can achieve disinfection of Tuberculosis and other difficult-to-kill organisms. Wipes are intended for use on most hard, non-porous surfaces. Alcohol-free formula is safe to use on most thin plastics, electrical cords, and other surfaces typically harmed by alcohol-based products. Non-fuming, light, pleasant fragrance is ideal to use around patients that are on oxygen or sensitive to harsh odors.

PURELL® BRAND SOAP AND DISPENSERS

PURELL® Brand HEALTHY SOAP

New CLEAN RELEASE™ Technology boosts soap performance with its novel surfactant system that reaches deeper into skin's cracks and crevices to gently remove more dirt and germs than regular soap. Formulated for dry and sensitive skin, the new soaps are also free of the most common causes of severe skin irritation. CLEAN RELEASE™ Technology soaps are free of harsh preservatives, antibacterial ingredients, parabens and phthalates.

Kid-friendly: Refreshing, hypoallergenic foam soap formulations with an option for low-dose dispensing for smaller hands.

PURELL® ES4 Soap Dispenser

Reliable, cost-effective push-style dispenser for PURELL® Brand HEALTHY SOAP®.

Pro Toe Covers

Developed by an athletic trainer to protect the toes or fingers when contrast bath and ice therapy is prescribed for the foot or hand. Fits snugly over the toes or fingers to retain the body heat while preventing discomfort due to the contrasting temperature changes. Made of neoprene rubber with nylon facing. The PRO 14 Digit Cover will not impede circulation.

4/Pack

Large **1006653** \$22.99 pkg.
 X-Large..... **1006654** \$22.99 pkg.

AnkleAid

The first water submersion device designed specifically for ankle and foot therapy. There is nothing on the market that compares to it.

- **Therapeutic**—AnkleAid is designed specifically as a therapeutic device for people with ankle and foot injuries/conditions.
- **Toes Out**—Toes are less tolerant to extreme temperatures, so AnkleAid keeps the majority of the foot in the water while keeping the toes out. The result is more effective and more comfortable therapy.
- **Functional**—AnkleAid can be used for both cryo/cold and thermal therapy. For cold therapy, just add the appropriate amount of water and ice. For heat therapy, use the desired water temperature with or without Epsom salt.
- **Comfortable**—AnkleAid is designed to put the foot at the optimal angle for maximum comfort while submersed in the water.
- **Portable**—AnkleAid is small and light enough to be used anywhere in the house, or it can easily be taken to the gym, work, school, or therapy.
- **Easy-to-use**—It is as simple as filling AnkleAid with the appropriate amounts of ice water or hot water. However, always consult a doctor for the temperature and duration that is right for the specific injury or condition.
- **Affordable**—Compared to other therapies that involve compression, AnkleAid is a fraction of the cost.

.....**37432** \$54.99 ea.

Morris Boot

Provides a superior enclosure for ice and eliminates the mess associated with icing while enabling portability and mobility. The Boot can be used in almost any setting and is re-usable, compact, lightweight, clear, and durable.

RELIEF PAK® HEATING UNITS

The Relief Pak® Heating Units effectively heats moist heat packs up to 170 degrees in an insulated hot water bath.

- Insulated design keeps heat from dispersing out of the unit, allowing it to retain heat
- Made from durable stainless steel that's perfect for high traffic clinics
- Heating units feature adjustable temperature control

- Orange glowing light illuminates when the unit has reached its desired temperature
- On/off switch glows green when the unit is in use; each unit has a removable 110V plug
- It is best to use moist heat packs at 160 degrees for best results

G

Ice-O-Matic Ice Machines

Since 1952, Ice-O-Matic has worked tirelessly on developing, enhancing, and perfecting the way ice is made. Founder Dave Smith's mission was to offer the best ice machines in the business with a single-minded focus on top-quality ice. To this day, Ice-O-Matic is dedicated to providing simple, reliable, and easy-to-use commercial ice machines.

Harvest Assist provides consistent ice production for the life of the ice maker while reducing energy consumption and increasing capacity.

Pure Ice® exclusively by Ice-O-Matic. Built-in antimicrobial protection for the life of the ice maker inhibits bacteria growth on ice maker surfaces. Ice-O-Matic's optional water filtration system provides protection against unpleasant tastes, odors, and scale formation.

Durable, electroless nickel plating on all evaporator plates ensures reliability.

Constructed from corrosion-resistant stainless steel and fingerprint-proof plastic.

Hoshizaki Ice Makers

Using state-of-the-art technology, every Hoshizaki ice machine is run-tested at the factory and undergoes rigorous quality performance tests, including ice production capacity and energy efficiency.

Crescent Cuber Series

- Individual hard, clear crescent cubes free of impurities, resulting in crystal clear cubes
- Durable stainless steel exterior
- Protected by HoshiGuard Antimicrobial Agent
- CycleSaver design: fewer cycles result in less wear and tear on the equipment
- EverCheck alert system—tells you when your unit needs service
- Energy Star

Flaker Series

- Water is squeezed from the ice producing hard, dry flakes resulting in quicker cooling for molding purposes
- Durable stainless exterior
- Protected by HoshiGuard Antimicrobial Agent
- CycleSaver design: fewer cycles result in less wear and tear on the equipment
- Clean cycle: rinses every 12-hours to wash away impurities and minerals, producing cleaner ice
- Removable, cleanable air filters

TheraTouch LX2

The TheraTouch LX2 is a two-channel 3B Laser therapy device, capable of delivering up to 35 joules/cm² per treatment with its standard 850 nm 9 diode applicator.

Features:

- Delivers up to 35 j/cm² in a single treatment
- Programmable treatment time up to 4 minutes
- Continuous or pulsed output modes
- 2 output channels
- 10 predefined clinical protocols
- Save up to 100 user-defined protocols
- Available with therapy cart

Included applicator:

- 9 diode cluster applicator (DQLLLT-CA)
- Diode specifications 9 diode cluster laser 1040 mW
- Four 650 nm (10 mW) LED
- Five 850 nm (200 mW) laser
- Maximum power 1040mW±20%

TheraTouch LX2 Low Level Laser **1033899** \$3,639.99 ea.

TheraTouch CX4

The TheraTouch CX4 is an advanced combination electrotherapy and ultrasound system with pre-programmed clinical protocols selectable from within the menu-driven touch screen interface.

Features:

- 1 MHz and 3 MHz ultrasound frequency
- Included waveforms: interferential (4 Pole IFC), premodulated (2 Pole IFC), biphasic (TENS), neuromuscular stimulation (NMS), Russian, high volt, microcurrent, Rapid Agonist Antagonist Sequencing (RAAS)
- 4 channels of stimulation, can be linked or controlled independently
- RAAS waveform is used to replicate typical firing patterns of muscle contractions to reeducate muscles and restore functional movement
- Anatomical libraries with recommended electrode placement
- Stores up to 99 user-defined protocols for future use
- Three year warranty

TheraTouch CX4 Electrotherapy System . . . **1033897** \$2,599.99 ea.

TheraTouch CX4 Electrotherapy System with Therapy Cart **1033898** \$3,429.99 ea.

*Direct-ship item. Please allow additional time to receive.

Stimulators & Ultrasound

Chattanooga Intellect® Legend XT

Features include:

- Clean, award winning modular design
- Multiple waveform electrotherapy—six clinical waveforms: interferential, premodulated, high volt, Russian, symmetrical byphasic, and microcurrent
- Independent electrotherapy channels
- User-defined protocols for your specific needs
- Documentation with Patient Data Cards, including pain map profile, modality records, electrode placement diagrams, and session notes

Systems include:

- Patient Data Card
- Leadwire Channels 1–4
- 4 DURA-STICK II 2.75" (7 cm) Electrodes
- 5 cm² sound head applicator
- Combination system comes with an 8.5 oz. bottle of conductor ultrasound, a 5cm² sound head applicator and leadwire channels 1 & 2

Electrotherapy 4-Channel with Cart (Rx Item)	*90759	\$5,014.99 ea.
Electrotherapy 4-Channel Combination with Cart (Rx Item)	*90760	\$6,089.99 ea.

Chattanooga Intellect® Transport Electrotherapy

Lightweight design, along with battery-powered option and custom designed mobile carrying bag, making transport easy.

- 2 channels of electrical stimulation output
- 10 user-defined memory positions for user protocols
- 110V or battery-powered option
- Independent intensity and parameter controls for each channel
- 4 standard waveforms on board: interferential, premod, Russian and high volt
- Logical control system and a large, easy-to-read graphical LCD display
- Unit uniquely designed for tabletop, wall mount, or mobile use

12.8" x 11.3" x 6.4", 5.07 lbs.	*90883	\$2,507.99 ea.
Carrying Case	*90885	\$196.99 ea.
Battery Pack	*90886	\$409.99 ea.

Chattanooga Intellect® Transport Ultrasound

Provides an innovative case design, with a logical control system and a large, easy-to-read graphical LCD display.

- Fully functional 1 and 3.3 MHz frequencies
- 10 new user-defined memory positions for user protocols
- Pulsed and continuous therapy operation (10%, 20%, 50%, and 100%)
- Beam Nonuniformity Ratio (BNR) 5:1 maximum
- 110V or battery powered option
- New, ergonomically designed ultrasound applicators in variety of sizes (1 cm², 2 cm², 5 cm² and 10 cm²)
- Applicators are interchangeable with Electronic Signature[®] residing on all transducers
- Head warming function on all applicators

12.9" x 11.3" x 6.4", 5.07 lbs.	*90884	\$2,148.99 ea.
Carrying Case	*90885	\$196.99 ea.
Battery Pack	*90886	\$409.99 ea.

Chattanooga Vectra Genisys Therapy Systems

Vectra Genisys is the first modular therapy system that consolidates up to six therapeutic modalities in one system, at a fraction of what these modalities would cost alone. Unique modular design lets you choose what fits best in your clinical setting now, or easily add to later without the replacement of products.

Electrotherapy features:

- Clinical protocols and indications for acute pain chronic pain
- Four waveforms (IFC, premod, Russian, micro-Current)
- User-defined protocols resource library patient documentation
- Two or four channels with or without sEMG

Ultrasound features:

- Clinical protocols and indications for relief of pain and joint contractures
- Four convenient sizes of sound heads with head warming feature Electronic Signature™ on all sound head applicators for easy interchangeability

Laser features:

- Eight interchangeable laser applicators in a wide range of strengths and sizes to meet any treatment need
- Electronic Signature™ on all applicators
- Choice of eight interchangeable laser diode and cluster applicators with wavelengths ranging from 670 nm–950 nm and output power ranging from 100 mW–1440 mW (dependent upon applicator)
- Laser protective eyewear included (2x)

Leadwires

Deep Oscillation Therapy

A

B

C

A. HIVAMAT 200 Evident

Your athletes will most certainly benefit from the reduction of inflammation, pain relief, and increased circulation that results from deep oscillation therapy with the HIVAMAT 200 Evident. Deep oscillation therapy is a new therapeutic treatment that directly addresses contusions, edema, hematomas, and other effects of trauma often associated with sports injuries by activating the lymphatic system.

Muscle Relaxation—Deep oscillation therapy is felt as a vibration within the tissue, relaxing the underlying muscles.

Pain Relief—Activating the lymphatic system and increasing blood flow, pressure upon the nerves is reduced; with the pain subsided, mobility can be reintroduced earlier.

Features:

- Two sets of ports allowing for two treatments to be performed at the same time
- Full-color display with simple-to-use interface
- Pre-populated treatment programs
- Area-specific instructional application animations
- User-controlled parameters
- Save treatment programs to device or card
- 3 year warranty

Hivamat 200 Evident.....	*1007416	\$11,339.99 ea.
Hivamat Evident Trolley	*1007414	\$1,819.99 ea.

B. HIVAMAT 200 Portable

Hivamat 200 Portable is a battery-powered deep oscillation therapy device with selectable protocols to treat common conditions.

- Simple-to-use interface
- Battery operated
- 3 year warranty
- Practice-specific treatment protocol cards for:
 - » Rehabilitation
 - » Athletic training
 - » Chiropractic

HIVAMAT 200 Portable	1007415	\$6,199.99 ea.
Self-Treatment Applicator Kit	1030425	\$379.99 ea.
Snap Electrodes 2/Pk., 50/Case.....	1030424	\$184.99 ea.

C. TheraTouch DX2 Shortwave Diathermy

TheraTouch DX2 introduces several new advancements in safety, convenience, and efficiency compared to other shortwave diathermy devices.

Features:

- Dose I—Subthermal
- Dose II—Mild Heat
- Dose III—Low Heat
- Dose III SDC M—Moderate Heat
- Dose III SDC H—High Heat

- Dose IV—Vigorous Heat High Efficiency Auto-Tuning (H.E.A.T.)
- Resonant auto-tuning technology continually measures and adjusts to changes in the patient's impedance to provide maximum energy transmission, resulting in faster heating and shorter treatment times

Benefits:

- Nine evidence-based quick Links by indication
- Qualitative thermal dosimetry with six settings included
- Easy to use, touch-screen interface
- USB port for easy software upgrades
- Dual treatment indicators on unit and inductive drum
- 3 year warranty

.....	1030924	\$8,054.99 ea.

MicroBlock Antimicrobial Electrodes

MicroBlock antimicrobial electrodes are the first and only electrodes on the market that help kill and inhibit the growth of common bacteria on and around the zone of inhibition of the electrode surface. These electrodes can play an important part in infection prevention for hospitals and healthcare facilities, making MicroBlock the logical choice to decrease the risk of healthcare-associated infections while treating your patients. MicroBlock's antimicrobial electrode surface reduces the risk of contamination and helps prevent infection by killing disease-causing microbes and common antibiotic-resistant threats that contact the surface of the electrode, such as:

- E. cloacae (CRE)
- S. aureus (MRSA)
- E. coli (ESBL)
- E. faecalis (VRE)
- P. aeruginosa and A. baumannii (Multi-Drug Resistant)

Richmar MultiStim Electrodes

MultiStim Electrodes are constructed of a premium hydrogel for comfort and uniform stimulation. All of Richmar's stim electrodes are manufactured to have high tensile-strength lead wires. Uses a proprietary bonding and moisture barrier to protect against delamination when used in conjunction with moist heat therapy.

Features:

- MultiStim Electrodes are available in cloth or foam, in a variety of shapes and sizes
- Economical stim electrodes that do not sacrifice adhesion or performance
- Gel formulation produces electrodes with maximum dry-out resistance
- Optimum distribution of electrical current throughout electrode surface
- All Richmar electrodes are made in the USA

Sold in cases of Ten 4-packs/40 electrodes.

Not made with Natural Rubber Latex.

Stimulators & Ultrasound Accessories

IONTOPHORESIS

A. Iomed Companion 80

Designed to deliver an 80 mA-minute dose over 24 hours. Reserve battery capacity compensates for patients with higher skin resistance. Hypoallergenic Adhesive works even in the shower. High tech design conforms well to treatment areas and fits comfortably beneath clothing. Hypoallergenic and not made with natural rubber latex to stay flexible and breathable.

6/box.....90809 \$57.99 box

B. IontoPatch Electronic Transdermal Drug Delivery System

Delivers dosage of 80 mA-minutes in 24 hours without irritating the skin. Ultra-thin battery technology provides iontophoresis with no external batteries or wires! Provides greater time-released dose than traditional drug delivery systems. Clinician applies medication to patch. Individually packaged patch includes alcohol prep wipe and extra adhesive dots.

IontoPatch Regular, 6/pkg.....90437 \$71.99 pkg.

IontoPatch SP, 6/pkg.....90490 \$71.99 pkg.

logel Electrodes

Elliptical shape follows the line of the tendon. Clear adhesive allows precise placement on target site. Color-coded for easy identification.

InTENSity

A. InTENSity™ Select Combo

The InTENSity™ Select Combo is a powerful, easy-to-use portable device. Complete with four waveforms, the unit gives you and your patients the flexibility to treat a variety of musculoskeletal issues. With a strong current of 105 mA, this innovative device combines TENS, EMS, Interferential and Microcurrent and comes complete with an AC adaptor, ensuring you always have power to the device when traveling. One year warranty.

Includes:

- Carrying case
- Two sets of lead wires
- 9-volt battery
- AC adaptor
- Manual
- Pack of four self-adhesive reusable electrodes

.....91614 \$208.99 pkg.

Not made with Natural Rubber Latex.

B. InTENSity Select Combo II

The InTENSity IF Combo II is the newest standard in portable, multi-function electrotherapy offering patients two modalities in one user-friendly, ergonomic design—Transcutaneous Electrical Nerve Stimulation (TENS) and Interferential Stimulation (IF).

The wide-ranging capability of the InTENSity IF Combo II provides the most up-to-date treatment technology and waveforms. This powerful device delivers up to 10,000 Hz of IF therapy with sweep frequency capabilities to prevent accommodation while providing maximum treatment benefits. Simply choose a preset program by body part or customize a program to meet your specific therapy needs.

..... 1033894 \$123.99 ea.

C. InTENSity Twin Stim IV

The InTENSity Twin Stim IV is the newest standard in portable, multifunction electrotherapy offering patients two modalities in one user-friendly, ergonomic design—Transcutaneous Electrical Nerve Stimulation (TENS) and Neuromuscular Electrical Stimulation (NMES).

Equipped with pre-set body part specific settings, as well as a customizable option, the InTENSity Twin Stim IV intuitively guides the patient step-by-step to ensure the ideal therapeutic treatment throughout the healing cycle.

..... 1033893 \$71.99 ea.

Blood Flow Restriction & Stimulators

COMPEX® Electric Muscle Stimulators

Use Compex to help speed your athlete's recovery time. Compex's electric muscle stimulation (EMS) technology sends electronic pulses to your motor nerves in order to create muscle contractions. Compex units also include TENS capability. Each Compex package comes with four small and two large electrodes, and a 2 year warranty.

Biotone Advanced Therapy Lotion

Hypoallergenic. Offers higher friction and less glide than oil, yet it won't absorb as fully or as fast as lotions. Perfect for longer massage sessions.

Gallon	43234	\$119.99 ea.
--------------	--------------	--------------

Mueller® Massage Lotion

Softens and soothes as it's absorbed into the skin. Greaseless emollient formula provides lubrication to make massage easier and more effective.

16 oz.....	43190	\$9.99 ea.
Gallon with Pump...	43189	\$52.99 ea.

Soft Tissue Massage Tools

Professional SMART Tools Set

Five piece set with emollient and new roll up case. This is a mix of double and single beveled edged tools, features a patent pending, double sided, single beveled handlebar tool and four various tools to be used for spinal and extremity regions. All tools are made of medical grade stainless steel.

Smart Tools

STM1—Palm sized tool is designed for use on smaller areas of the body, such as hands, feet, forearms, and calves. Weight: 9 oz.

STM2—Blade-like tool is designed for use on smaller to medium sized areas of the body, such as the back, forearms, neck, calves, and pectoral muscles. Weight: 11.2 oz.

STM3—This large tool is designed for use on larger areas of the body, specifically the lower extremity. Weight: 14.4 oz.

STM4—Much like its STM2 counterpart, this tool is designed for use on smaller to medium-sized areas of the body, such as the back, forearms, neck, calves, and pectoral muscles. Weight: 11.2 oz.

STM5—The STM5 is the smallest tool we offer, but it is also the most versatile. Weight: 7 oz.

The Acuforce 2.5

This tool uses its own weight (2.5 lbs.) to provide pressure during treatments, saving your hands and wrists from injury and fatigue. The tool has two applications to perform muscle stripping, cross-fiber friction, and trigger point therapy. Made with a natural-feeling, skin-like material, it is nearly impossible to differentiate from the therapist's hand.

.....90529 \$59.99 ea.

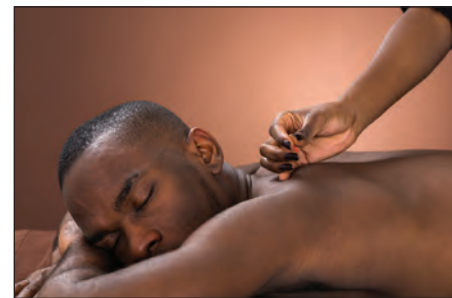

The Massage Star™

- The wedge, on the top of the tool, to perform muscle-stripping and cross-fiber friction
- The wide and narrow points perform trigger point therapy and reflexology
- Works very well with massage creams and oils
- Instructional booklet included

11 oz.61682 \$25.99 ea.

XL, 16 oz.61697 \$42.99 ea.

APS Dry Needles

APS Needles are safe, high quality, and the result is reduced pain during treatment and greater patient satisfaction. These needles have a good grip to ensure total control and are designed for smooth insertion to minimize tissue damage. This is because it features a headless needle for precision and a stiffer handle for better control. These sterile, single-use, disposable needles are made of surgical stainless steel. This allows for sharpness to be maintained during multiple insertions. They also have a triple lubricant coating making it a smooth and painless needle. There are different colored tips for easy identification.

NEW!

GOFIT® 5" Massage Ball

Made of dense, lightweight foam with a solid core, the 5" massage ball targets virtually all muscle groups. The soft textured surface keeps it in place. Simply press and roll. Convenient and portable.

.....54347-PS \$18.99 ea.

TriggerPoint Foundation Collection

The TriggerPoint Foundation Collection includes the FootBaller, Baller Block, and two TP Massage Balls. These products target release areas and are highly effective when combined with the included easy-to-use self-care program. You will feel better and move better through deep tissue releases that improve flexibility and local circulation.

The TriggerPoint Foundations Collection includes:

FootBaller—A firm, compact roller perfectly sized for hands-free myofascial compression of the lower leg and foot.

Baller Block—Provides elevation for optimal range of motion and application of pressure when using TriggerPoint products. Also reduces space and houses the FootBaller when not in use.

Two TP Massage Balls—A versatile manipulation tool featuring a firm core wrapped in a cushioned material for targeted deep tissue stimulation. Access to the TriggerPoint Education Video Portal, which includes eleven instructional videos and a biomechanics video that explains the foundations of a self-massage program and how to release muscles that cause aches and pains in the lower leg, hips, and back.

..... 1005957 \$99.99 ea.

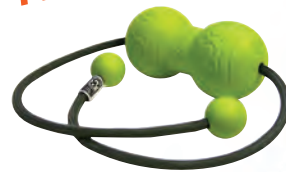

TriggerPoint Massage Ball

TP Massage Ball's primary focus is to assist in managing minor aches and pains of the muscle by applying pressure to general areas. Apply pressure with the ball by using the floor, wall, or any hard surface to stabilize movement of the ball. The TP Massage Ball is great for the neck, shoulders, back, chest, piriformis, calves, or anywhere that you have minor aches and pains.

- Mimics the feeling of a massage therapist thumbs
- Patented material changes its shape after 5–7 seconds of pressure to conform to your body

4", .03 lbs.....62270 \$32.99 ea.

NEW!

GOFIT® Trigger Ballx2

Relieves knots, trigger points, and muscle soreness. Dual cords help reach your back, shoulders, glutes, legs, and more in need of deep-tissue massage. No-slip rubber surface. Includes Trigger Ballx2 & therapy poster.

.....53430-PS \$24.99 ea.

Knotty Tiger

- Knotty Tiger has a hard, firm, and smooth surface; three different curves for differing amounts of pressure; and a non-slip grip feature
- Made in USA and patent pending

.....62126 \$24.99 ea.

Pro-Tec Massage Tools

- Heatable, deep tissue tools provide effective pain relief anytime
- Uses 100% natural acupressure and heat to release tight muscles and joints

Foam & Hardcore Rollers

Pro-Tec Y-Roller Foam Massager

The Pro-Tec Y Roller provides a post workout massage by targeting tight areas with an aggressive massage using either the dual or single ridge options.

- Dual or single ridge option offers a targeted aggressive massage
- Ability to roll in-between ridges for a less aggressive, moderate massage
- Deep tissue massage reduces muscle fatigue and tightness, promotes flexibility, and enhances performance
- Made from Elastomer a high-density, durable foam

6" x 15½" **.62282** \$54.99 ea.

Element Fitness 13" CORE Foam Roller

Includes a multiple pattern design to engage different muscle groups. Features a sturdy, 4", hollow core with a foam rubber layer. Built to last.

13"L x 5.5" Diameter **X16309-PS** \$35.99 ea.

The Grid

The most versatile and comprehensive foam roller and workout tool available. Provides the perfect blend of portability and size, but can support more than 500 lbs. of weight. Massage your lats, quads, lower back, or any other large muscle group, or achieve a killer core body workout.

- Features Distrodensity Zones, a matrix of varying widths and densities that allows for a precision massage based on individual needs
- Designed to withstand constant, heavy, and repeated use without breaking down
- Backed by a 1-year warranty against manufacturing defects

13"L x 5"D

Stretching

ProStretch® Large PT-500

Constructed of hand-crafted wood and accommodates shoe sizes of 14 and up.

..... **.61060** \$174.99 ea.

ProStretch Double PT-500D

..... **.61665** \$349.99 ea.

ProStretch® Plus™

The ProStretch Plus delivers unparalleled benefits. The adjustable toe lift provides superior plantar fascia and toe stretch; the adjustable, elevated heel rest increases stability and customizes fit; and a larger platform safely and comfortably fits any shoe size, large or small, allowing for static and progressive stretching without readjusting the foot.

..... **.62184** \$54.99 ea.

ProStretch® Single PT-100

The only device to provide the kind of stability and support necessary for proper stretching of the lower leg muscle-tendon complexes. ProStretch isolates muscle groups and allows user to govern the degree of stretch. Its rocker design makes it the easiest way to reach the Achilles tendon and the plantar fascia.

..... **.61031** \$42.99 ea.

ProStretch Double PT-200

..... **.61000** \$94.99 ea.

Cando Wooden Incline Board

Provides a convenient platform for stability exercise, and is great for therapy and strength treatments.

- Adjustable Incline Board has 14" x 18" foot board
- Non-slip bottom surface
- Positive lock adjustment handles
- 5°, 10°, 15°, 20°, 25° adjustment levels
- Made with high-quality materials for great durability

..... **.62285** \$194.99 ea.

TheraBand® FlexBar

A flexible, durable resistance device with a ridged surface for enhanced grip during use. Not only will it help your grip and stabilization, it has been research-proven effective for Tennis Elbow.

Features:

- Perfect for wrist, forearm, and hand rehabilitation
- Available in three levels of resistance
- Economic and simple tool for exercises such as activity simulations, wrist abduction, thumb strengthening, eccentric twists, and soft tissue manipulation
- Lightweight, easy-to-grip, portable resistance exerciser for rehabilitating and strengthening hands, wrists, forearms, shoulders, and elbows

Size 12"

Light Force, Red . . . **.61193** \$17.99 ea.

Hard Force, Blue. . . **.61195** \$38.99 ea.

Foot Gym

The Foot Gym is an all-in-one device that offers a combination of seven different exercises, stretches, and massage therapy. Target plantar fasciitis, Achilles tendonitis, and other foot injuries, while improving overall foot function with the Foot Gym. Great for rehab or post-surgery recovery. No batteries required. Light, 3.3 pound weight allows for easy portability.

13" x 6.5" x 5.5" . . **1003502** \$72.99 ea.

BAPS Board

Biomechanical Ankle Platform System (BAPS) is a scientifically designed program that produces controlled, calibrated, and predictable stress on the lower leg, ankle, and foot. Four, 2½ lb. weight plates are included for resistive weight training, and can also be used as passive assistance into the range of motion if space is lacking.

Contents:

- (5) Hemispherical attachments
 - (4) 2½ lb. weight plates
 - (2) Weight rods
 - (1) Wall mount
- **.61030** \$897.99 ea.

NEW!

TheraBand Stretch Strap

The TheraBand Stretch Strap enables more effective static and contract-relax stretches while increasing range of motion and flexibility of muscles. It allows you to comfortably stretch further and longer than would be possible without an aid. This simple, innovative, and multi-purpose tool negates the need for static-only stretching straps, and also allows for effective stretching of all connective tissues.

- The TheraBand Stretch Strap with loops provides a more comfortable and beneficial dynamic stretch of major muscles, like Gastrocnemius, Rectus Femoris, Soleus, and Hamstring
- The small & large loops enable users to securely, correctly, and comfortably hold positions
- Supports a variety of hand, foot, and toe holds to deliver significant stretch without the help of a partner
- Used by dancers, gymnasts, and other athletes to improve range of motion and flexibility
- Includes instruction booklet written by a licensed physical therapist, detailing stretching exercise and targeted muscles

58"L x 1"W..... **1035327** \$25.99 ea.

Stretch Out Strap

The patented Stretch Out Strap delivers the benefits of assisted stretching without a partner. Multiple loops permit deep, gradual stretching of major muscle groups with greater safety, control, and effectiveness than is possible unaided. Strap comes with the Stretch Out Strap Guide, which features over 30 stretches emphasizing contract-relax techniques.

Instructional guide:

- New color photos
- Over 30 stretches featuring contract-relax techniques
- Anatomical illustrations for quick reference
- Softcover, 40 page booklet

..... **62127** \$29.99 ea.

CoreStretch™

- Delivers the deepest, most effective way to stretch your lower back, hips, and hamstrings
- Allows the tissues to relax and elongate
- Develops the major muscle groups that make up the core
- Results in a stretch that helps to increase range of motion, prevent injury, speed recovery, and reduce pain

..... **62188** \$86.99 ea.

SPRI® XerStretch® Strap

The 1" wide nylon strap includes loops at each end for hands and a center loop to keep the foot securely in place.

..... **53899-PS** \$9.59 ea.

Body Sport Stretch Strap

The strap helps induce a more effective, dynamic stretch. Use to deepen yoga poses, athletic training or pre-workout stretches.

..... **16732-PS** \$15.99 ea.

Stretching Posters

Large photos with concise instructions clearly explaining proper form. Laminated.

36"L x 24"W

Balance

Element Fitness SlideMate Horizontal Trainer

Includes the durable, super slick slideboard and a pair of nylon booties. Measures 6' long.

.....**.16952-PS** \$104.99 ea.

Power Systems Premium Slide Board

An effective way to prevent hip and knee injuries, while also enhancing power and speed. Two high-quality molded deceleration ramps provide stable surface for change of direction. Soft booties or socks can be used on the board. Includes adjustable slide board, 2 ramps, 1 pair of booties.

Features:

- Built-in handle for easy transport
- One piece
- Adjustable from 5 to 8 feet long
- High-density polyethylene sliding surface with non-skid backing
- White with black stoppers

24"W..... **1033837** \$546.99 ea.

Pro Fitter Rehabilitation Program

Helps users to regain strength and proprioception after hip, knee, and ankle injuries. Improves stability after back, shoulder, and neck injuries.

The Pro Fitter is 100% assembled and includes:

- Rocking Base Pro Fitter with fully independent flexing/rotating foot pads and six instantly adjustable tension settings
- Attachable, padded platform for sitting and standing
- 29-minute video outlining both fitness and rehabilitation applications
- Information kit with 2-year limited warranty and laminated exercise chart

.....**.61172** \$954.99 ea.

TheraBand® Rocker and Wobble Boards

These new boards from TheraBand provide balance and proprioception training for upper and lower extremities. The Rocker Board provides uni-directional challenge, while the Wobble Board provides multi-planar challenge. Made of molded plastic, both products feature a sensory stimulation surface on the top, a lightweight product design, and an anti-skid surface on the bottom that resists slipping on smooth floors.

Rocker Board, 14" x 14" Top Surface..... **.61631** \$86.99 ea.

Wobble Board, 16" diameter Top Surface **.61632** \$83.99 ea.

15" Tri Level Balance Board

Adjusts to 3 heights!

15" diameter board made from molded ABS construction with textured top for grip. Increase challenges by adjusting up to 4" maximum.

.....**.13071-PS** \$29.99 ea.

Stability Trainer™ by TheraBand®

Oval-shaped, color-coded foam pads in three densities to provide a progressive system of balance training. Closed cell foam pads with an anti-slip ridged surface and oval foot fitting shape. Effective for balance training in older adults, rehabilitation of lower extremities, and sports performance enhancement.

Firm (green), 14½" x 8" x 1¾" **61262** \$37.99 ea.
 Soft (blue), 16" x 9" x 2" **61261** \$37.99 ea.

TheraBand® Extra Soft Stability Trainer™

Air-filled to provide multiple directional displacement and challenge. Made of durable PVC, its oval-shape and heavy-gauge side walls help the ankle resist the tendency to roll during exercise.

- Rounded points provide tactile inputs for sensorimotor training
 - Opposite surface features anti-skid bars that resist slipping
- 17¼" x 10½" x 2½"
 Black **61629** \$54.99 ea.

AIREX® Balance Pad

A simple, yet effective therapy and training tool. The destabilizing properties of the "super-soft" specialty foam help restore motor skills and balance.

20" x 16.4" x 2.5"
 Approximate Weight: 1.6 lbs. **61644** \$85.99 ea.

AIREX® Balance Beam

Utilizes the "super-soft" foam of the Balance Pad and extends it to create the newest balance training product. The extended length provides a walking base for exercise and rehab to work on gait and dynamic balance.

63" x 6" x 2.5"
 Approximate Weight: 3 lbs. **61643** \$164.99 ea.

Wobble Board Stand

Keeps boards neatly stored and easily accessible. Holds all five boards.
 **90293** \$89.99 ea.
 Full Set with Stand. **61176** \$389.99 kit

16" Wobble Board

Advanced level. 16" birch disc with three angulation levels: 15, 17 and 20 degrees. 360 degrees, for use on one leg or two.
 **61175** \$99.99 ea.

NEW!

The Pronator

The Pronator can use any dumbbell, TheraBand or cable machine in your Training, or Gym. This hand-held tool offsets the resistance, creating a rotational component for shoulder, forearm, and wrist exercises. You can use it to challenge athletes recovering from injury or trying to take their game to the next level. You can easily exchange the weight, making it ideal to use in a busy training room.

Designed by a sports physical therapist to optimally strengthen:

- Wrist pronation and supination
- Wrist radial and ulnar deviation
- Elbow flexion and extension
- Shoulder internal and external rotation
- Scapular stabilizers

The Pronator (1) 1035323	\$76.99 ea.
The Pronator Clinical Set (2 pair) 1035324	\$133.99 set

Not made with Natural Rubber Latex.

Medicine Balls/Rebounders

TheraBand® Pro Series SCP™ Exercise Ball

The TheraBand Pro Series SCP™ Exercise Ball is the latest offering in ball technology. Used to strengthen muscles, to improve posture, and help prevent back pain. Increases flexibility, coordination, and helps develop strength.

Each ball is constructed of high-quality vinyl with latitudinal ribs for easier grasping. Each exercise ball comes with two plugs and an inflation adapter, along with the TheraBand Exercise Ball Guide Poster detailing 24 exercises.

Circle Fitness E7e Elliptical

It's one thing to look good, it's another to feel good. The E7 elliptical is the perfect combination of brilliant design, contemporary styling, and comfort.

Features:

- Hybrid generator and dual-stage drive system provides optimal performance
 - Intuitive 16" LED or high definition touchscreen
 - Virtual Connect™ first person forward motion videos of beautiful sceneries
 - Contact and wireless heart-rate monitoring
 - Two-stage drive system, heavy-duty bearings, and over-sized shafts
 - Low side or rear entry step-on height with 20" natural stride and dual action handlebars deliver a total body workout
 - A variety of exercise programs and 25 resistance levels
 - Smooth Motion Technology™ with over-sized bearing delivers a quiet ride
- **.16320-PS** \$5,796.00 ea.

Spirit CE800 Elliptical Trainer

The CE800 was specifically engineered for the commercial environment, from its heavy-duty steel frame to its durable powder coat paint finish. Its design focuses on convenience, comfort, reliability, and aesthetic appeal.

Features:

- Smooth, quiet 20" stride
 - Dual rollers on each pedal arm for a sturdier base
 - Generator powered console (no need for electricity)
 - 40 levels of resistance
 - C-safe power and communication capabilities for A/V control
- **1007426** \$3,214.99 ea.

Spirit CT800 Treadmill

The CT800 is stout and extremely durable, weighing in at over 350 lbs. The combination of the heavy duty steel frame and aluminum console masts & side rails make it comparable to treadmills at much higher price points in the commercial market. The large workout area makes this model very appealing to walkers and runners.

Features:

- Bright, tri-color LED console
 - Quick speed and incline keys
 - C-safe power and communication capabilities for A/V control
 - Contact and wireless heart rate options
 - Maintenance free, hard wax deck system
 - 22"x 60" workout area
- **1007425** \$3,414.99 ea.

Spirit CU800 Upright Bike

The CU800 was specifically engineered for the commercial environment, from its heavy duty steel frame to its durable powder coat paint finish. The design focuses on convenience, comfort, and durability. The console offers multiple programs, most with 40 levels of resistance and enough feedback information to make sure your athletes never grow bored of the CU800. The extra-smooth ride comes from the perfect gearing and the integrated generator/flywheel system.

Features:

- Contact & telemetric heart rate capabilities
- Generator powered console (no need for electricity)
- Oversized foot pedals with fast latching system
- Dual spring seat with fore/aft adjustment
- 40 levels of resistance
- C-safe power and communication capabilities for A/V control

..... *1007419 \$2,114.99 ea.

Spirit CR800 Recumbent Bike

The CR800 Semi-Recumbent Bike is the perfect bike for the commercial environment. The step-thru design makes it easy for athletes to get on the bike, and the easy-adjust seat allows them to find the most comfortable position. The console offers multiple programs, most with 40 levels of resistance and enough feedback information to make sure your clients never grow bored of the CR800. The extra-smooth ride comes from the perfect gearing and the integrated generator/flywheel system.

Features:

- Contact & telemetric heart rate capabilities
- Generator powered console (no need for electricity)
- Oversized foot pedals with fast latching system
- High-density foam pads for extra comfort
- 40 levels of resistance
- C-safe power and communication capabilities for A/V control

..... *1007427 \$2,234.99 ea.

* Direct-ship item. Please allow additional time to receive.

Spirit CIC800 Indoor Cycle

The CIC800 Indoor Cycle excels in three critical areas—durability, comfort, and performance. The needle bearings that encompass the pedals and flywheel axle, industrial grade Hutchinson Poly-V belt, and three-piece crank work synergistically to create the perfect formula for durability and performance. The fore/aft/up/down adjustments of the handlebars and seat, along with SPD dual pedal design, provide a comfortable fit for nearly any size rider.

Features:

- Magnetic resistance for smooth and consistent, maintenance-free operation
- Micro fore/aft adjustments on seat and handlebars
- Reliable pop-pin up/down adjustments on seat and handlebars
- Molded rotary knob for comfortable resistance adjustments and quick-stop operation
- Dual-link pedals provide options for both SPD and toe-clip convenience
- Aluminum seat and handlebar posts with stamped height settings for quick reference

..... *1007428 \$1,599.99 ea.

Body Solid Endurance Fan Bike

Larger tires work strength while smaller tires work speed. Vary the time and distance of pulling sets. Includes nylon strap and hardware to attach tire (not included), 3" wide hook and loop closure belt adjustable to 42" waist, carry bag and instructions.

.....53247-PS \$54.97 ea.

NEW!

Weighted Training Softball Set

Use as part of a strengthening and conditioning program to help lessen the risk of injury and improve pitching skills. Features: Color coded weight system, rubber and cork centers, nylon carrying case. Weighted from 9-12 oz. 12 inches.

Set of 4. 17358-PS \$113.99 set

NEW!

Weighted Training Baseball Set

Use weighted baseballs in training programs to enhance throwing mechanics, arm speed, and arm strength, resulting in enhanced pitch velocity. Features: leather cover with rubber & cork core, color coded weights, nylon carrying case. Weighted from 9-12 oz. 9 inches.

Set of 4. 17384-PS \$28.99 set

NEW!

Weighted Football Trainer

Aids in developing muscle memory, improved ball retention skills and is perfect for running drills or warmups. Intermediate size. Choose 2 or 3 lbs.

2 lbs. 17386-PS \$19.99 ea.

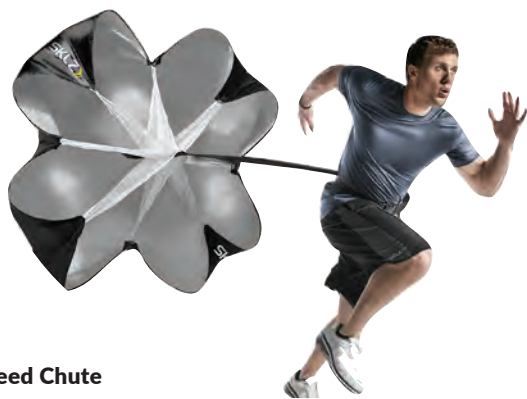

3 lbs. 17387-PS \$22.99 ea.

Xtreme Monkey VPower Chute

Improves two key elements of speed-stride length and frequency. Chute opens while running for resistance. Velcro belt allows for mid-stride release during sprint for overspeed effect. This increases speed, explosiveness and acceleration. The built in mesh panels eliminate the tangling of strings found on other chutes. Constructed of all weather tear resistant fabric. Adjustable belt fits 20" to 42" waist.

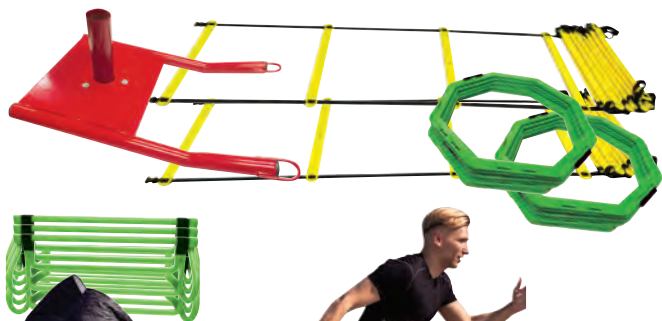

.....16986-PS \$60.99 ea.

SKLZ® Speed Chute

Tangle free mesh pre-canopy connects to the nylon chute with heavy duty double stitched seams. The 54" chute provides 15-30 lbs. resistance depending on speed. The 360° rotating belt has a motion ring for ease of movement. One size fits most. Includes a carry bag.

.....53909-PS \$26.99 ea.

Sports Health™ Agility Pack

- 2 sets 54196 Octa-Rings

- 1 ea. 38090 Speed, Agility and Quickness Book & DVD

.....66499-PS \$189.99 pk.

Sports Health™ Quick Release Training System

This unit is made with two 108" straps, connected to an adjustable 2" wide belt, via a durable quick release hook. The trainer holds the athlete back with the black strap and uses the red strap to quickly set the athlete free.

.....17261-PS \$19.99 ea.

Agility

Sports Health™ Evasion Belt

Players wear a waist belt that is connected to a belt with a Velcro® tear away middle. A player “wins” when they evade and break their connection to their opponent. Waist belts measure 44” with a snap buckle closure. The connecting belt measures 33” with a 60” total clearance between players. All belts are made from web strapping. Includes four Velcro® to use on belts as an optional challenge. Includes carry bag.

.....54201-PS \$7.97 set

Sports Health™ Power Builder

Includes two nylon web strap shoulder harnesses with D-ring for back to back connecting with 9’ long web strap belt with carabineers on ends. Includes carry bag.

.....54203-PS \$29.97 set

Sports Health™ Dual Over Speed Trainer

Excellent for increasing power, strength and agility. Designed with two 10’ long nylon covered latex tubes attached to a padded harness. Snap hooks on the ends enable unit to be secured to a fixed object or may be held by up to two partners. Waist belt is 2” wide and adjustable to 55”.

.....17263-PS \$68.99 ea.

4 Way Tug Of War

Four players going in four opposite directions, trying to be the first to grab the ball from their corner. A demanding, intense, but fun physical challenge. Set includes: one 4 way harness, four belts, four balls, four cones, eight carabineers and carry bag.

.....20054-PS \$169.99 set

Sports Health™ Speed Harness

Ideal for short and lateral sprints with the partner controlling the resistance level. Includes a one size fits all shoulder harness, a 10’ nylon strap with two large D rings and foam covered handle with carry bag.

.....52550-PS \$28.97 ea.

Sports Health™ Agility Training Gear

- A. Universal Shoulder Harness—2” nylon webbing, padded shoulder straps, and adjustable velcro waist belt.
.....17254-PS \$15.99 ea.
- B. Universal Waist Harness—2” nylon webbing, neoprene padding, two attachment rings, heavy-duty buckle.
.....17258-PS \$12.99 ea.
- C. 10’ Covered Resistance Tube—Strong webbed nylon cloth over durable rubber tube. Two attached carabiner clips.
.....17259-PS \$19.99 ea.
- D. 10’ Tow Rope—High strength 1” nylon webbing with two attached carabiner clips.
.....17260-PS \$9.99 ea.

Sports Health™ Versatile Trainer

Covered tubing provides resistance against forward motion of the arms and legs. Improves first steps and take off power. Partner stands behind to anchor or can also slowly jog for running resistance. Padded adjustable nylon straps attach to legs and arms. Includes carry bag.

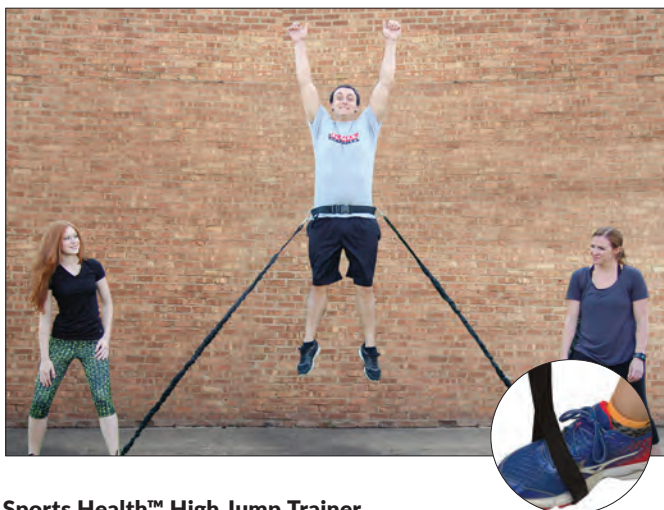

.....16573-PS \$39.97 ea.

Sports Health™ Overspeed Trainer

Set includes two web strap 48" long belts with neoprene padding, a 7' long covered stretch strap and carry bag.

.....54204-PS \$29.97 set

Sports Health™ High Jump Trainer

Resistance increases proportionately to the rate of acceleration of each jump. Anchor the cord ends and begin. Includes two 60" covered latex tubes, 2" wide hook and loop closure 42" long adjustable belt, carry bag and instructions.

.....16567-PS \$29.97 ea.

Sports Health™ Solo Over Speed Trainer

Helps athletes train to maximize strength, speed, and vertical jump. Train with a partner or anchor to a sturdy object with the strong nylon strap. 10' long cloth covered latex tube. Adjustable harness.

.....17262-PS \$34.99 ea.

NEW!

SKLZ® HOPZ 2.0 Vertical Trainer

The vertical trainer enables you to target specific muscles and is an excellent tool for engaging quads, calves, hamstrings and more. Also perfect for anyone training for football, basketball, or volleyball. Features multiple resistance levels which can be adjusted quickly with the patented padded belt, and ankle straps. Also includes durable cables and built-in shoe harnesses.

.....54358-PS \$69.99 ea.

SKLZ® Recoil 360°™

Build strength and conditioning for sprinting, leaping, shuffling or change of direction. Work with a partner or attach the leash to a stationary object. Includes an adjustable belt with free motion ring that allows movement in any direction, an 8' flexi-cord that safely stretches up to 20', a safety handle and storage bag.

.....53913-PS \$44.99 ea.

Circuit Stations

NEW!

Agility Spot Challenge Mat™

The Challenge Mat includes an activity guide that walks students through how to perform different routines, hopping from spot to spot. This builds foot speed, and helps improve balance and agility. It also strengthens tendons and muscles in the ankles and knees. Measures 48"L x 36"W.

.....17398-PS \$149.99 ea.

NEW!

Burpee Challenge Mat™

An exceptional addition to any fitness station, the various colored foot and hand sets help guide students through various whole-body routines. The routines range from easy to very difficult and are organized by the included activity guide. Measures 70"L x 48"W.

.....17399-PS \$159.99 ea.

Tire Cross Challenge

Left and right hand marked in opposing colors show users where to travel around the mat. Variations of basic movements create several levels of difficulty. Multiple users can be on the mat at the same time. Includes progression sheet. Non-slip mat measures 60" in diameter with an 18" diameter middle opening.

.....X16843-PS \$124.99 ea.

Snake Cross Challenge™

Students will start in a push-up position with their hands on the first set of hands near the snake's head. They then will move across the length of the snake's body using the handprints as a guide. Great for plank exercises, body positioning changes and pushups. Ideal for multiple users. Non-slip mat measures 10'L x 18"W.

.....16842-PS \$155.99 ea.

NEW!

Gatorade® Insulated Sideline Cart

The Gatorade Sideline Cart is perfect for any sideline, athletic event, or outdoor practice facility. The cart is designed to store equipment and hydration supplies. Two large ice bins with drains allow for the storage of cold drinks that are easily accessible through the hinged vertical door.

Features:

- Roto-tough roto-molded construction
- Four 8" pneumatic caster wheels, two with brakes
- Powder coated steel frame
- Storage cabinet with vertical hinge door
- Butler tray hinges
- Aluminum center lid support frame
- 2 Ice down bins with drains
- Hinged lids on ice bins
- Brass boiler drains

67"L x 33"W x 40"H, 175 lbs. **1005777** \$3,074.99 ea.

Rhino Hydration SuperCart

Features:

- Two athletes can be taped on the cart or one can lie down for lower treatment or assessment
- The top surface is covered with padded easy-to-clean heavy duty vinyl
- Three storage drawers, plus a storage compartment for ice, an AED, and supplies, keeping supplies and equipment organized, dry, and ready to use
- Durable steel frame construction for many years of use
- Heavy duty wheels swivel on one end and lock in place to create a highly mobile cart
- The cart rolls easily on almost any surface, including wet grass; grab handles make for easy lifting
- Locking, foldaway doors protect valuable equipment and supplies while cart is not in use

. **33083** \$4,999.99 ea.

Rhino One-Piece Medical SuperCart

All the great features of the Hydration SuperCart, plus:

- Tough fold-away allows you to extend the cart's dimensions from 4 feet to 6 feet
- A 4' x 2' top surface extends to 6', allowing an athlete to lie down or two athletes to be taped at once
- The cart rolls easily on almost any surface, including wet grass; grab handles make for easy lifting
- Option to add your logo to the cart

. **33082** \$4,389.99 ea.

Hydration Systems

EXCLUSIVE DESIGN!

Adjustable Shelf

Spigot Access

Custom Coozie

SH School Health Brand Horizontal Power System

Exclusively manufactured for School Health by Waterboy Sports, and built on the durable Generation 2 Horizontal Power Model foundation.

- Perfect for sideline hydration station; (coolers not included)
- The wagon is designed to fit through standard doorways and the flat-free caster wheels allow for easier movement, even when full
- The 55-gallon water tank and Power Pac allow the Horizontal Power System complete mobility and can re-hydrate up to eight people simultaneously with the fluid of your choice, water, commercial sports drinks, or your proprietary liquid
- The water tank's 10" top opening makes filling and cleaning easy, while the belly-mounted drain sump allows for more complete emptying for cleaning and storage
- Safety spouts prevent the nozzle from coming into contact with the drinker's mouth, reducing contamination possibilities; all safety spouts are treated with an anti-microbial solution
- Adjustable work shelf that allows coolers (2 x 10 gallon or 3 x 5 gallon) to be transported securely while providing access to the coolers' spigots
- Also available with a School Health Tank Coozie to insulate the tank

PurePumper 1600—16 Gallon

The Pure Pumpers 16-gallon dolly unit is engineered for maneuverability on turf or grass and can be pushed or pulled with little effort. It is powered by two lithium ion 18 volt batteries that can be easily removed for recharging. It comes with a carbon filter that eliminates taste, color, and smell from the water. Wide mouth opening allows for easy filling and cleaning while a bottom sump drain allows for complete water drainage after use.

Designed to offer a smaller mobile space-saving unit that can be moved very easily and loaded into the back of a yellow bus or storage bay of a commercial bus. Optional customizable kozy available.

Gatorade G2® 02 Perform

A low calorie electrolyte beverage designed to help athletes hydrate when they are off the field so that they will be better prepared for competition on the field. Research indicates that athletes are doing a poor job of hydrating off the field, as some studies have shown that 50 to 70 percent of athletes show up to practices and games inadequately hydrated. Dehydration can have a negative impact on performance and increase the risk for heat illness. With the addition of G2, the Gatorade Company will better meet the hydration needs of athletes 24/7.

Cardiac Science

365
DAYS

vs

other devices

52
DAYS

Powerheart® AEDs fully self-test every day of the year. Most competitors only self-test once a week!

At Cardiac Science, we won't compromise on our belief that the most important thing an AED can do is be ready and able to rescue every day. That's why Powerheart AEDs conduct extensive self-tests every single day of the year on their electrodes, batteries and circuitry, to ensure these critical components are present and fully functional.

Studies have shown that over 20% of AEDs deployed in the U.S. are not ready to rescue.¹ Further, almost half of the readiness failures are due to electrodes or battery issues²—the very problems Powerheart self-tests are specifically designed to detect. So we'll continue to self-test 365 days a year, and you can continue to be assured that Cardiac Science AEDs are...

TESTED EVERY DAY. **RESCUE READY EVERY DAY.**

1. Sutton et al. American Heart Association 2018 abstract. University of Louisville online article: "Before you need that AED, make sure it's functional."
University of Louisville School of Medicine website. <https://louisville.edu/medicine/news/before-you-need-that-aed-make-sure-it2019s-functional>

Cardiac Science Powerheart G5 AED

The Powerheart G5 is the first FDA-cleared AED to combine fully automatic shock delivery, dual-language functionality, variable escalating energy, and fast shock times.

The G5 is the only AED that notifies you 30 days prior to electrode and battery expiration!

ADVANCED TECHNOLOGY—Delivers patient customized post-CPR shock in as few as 10 seconds for effective therapy and enables quick transfer and review of data via USB.

INTERCHANGEABLE PADS—Nonpolarized pads can be placed in either position on the chest (upper right or lower left) to reduce confusion.

RESCUE READY TECHNOLOGY—Device self-checks all main AED components (battery, hardware, software, and pads) daily. Highly visible Rescue Ready indicator assures rescuers that they are retrieving a working AED.

SELF CHECKS—Daily, weekly, and monthly self-tests ensure that pads, battery, and internal circuitry are always working.

INTELLISENSE TECHNOLOGY—Enables the Powerheart G5 to be the only AED to test for presence and function, and have the intelligence to notify you 30 days prior to electrode and battery expiration.

DUAL LANGUAGE—Switch to an alternate language during a rescue with the push of a button (available in English/Spanish).

RESCUECOACH—User-paced prompts guide users through each critical step of a rescue.

DURABILITY—With an IP 55 rating, the Powerheart G5 features a rugged, durable design for transport, storage, and use in challenging settings. 8-year warranty and 4-year full replacement guarantee on Powerheart G5 AED Intellisense battery.

Cardiac Science G5 AED S Packages & Accessories

All packages include:

- (1) G5 Intellisense battery
- (1) Set of G5 adult defibrillation pads
- (1) Powerheart G5 carry sleeve
- (1) AED manager
- (1) USB cable
- (1) Printed G5 user guide, steps to rescue, getting started, and multi-lingual electrode instructions for use

LIFEPAK® CR2 Defibrillator with LIFELINKcentral™ AED Program Manager

While other AEDs may be difficult to use or require users to stop CPR during analysis, the LIFEPAK CR2 defibrillator uses simple graphics, audible instructions, and automated features to help users remain focused. We've removed all the guesswork with proven better results. The CR2 was rated easiest to use, easiest to hear, and highest in overall user confidence by AED users.

- Self-monitoring
- Wireless connectivity
- Fastest time to first shock
- cprINSIGHT™ analysis technology
- Layered, easy-to-follow design

Infant/Child Electrodes without Pouch54059	\$113.00 ea.

HeartSine® AEDs

Designed specifically for the lay responder, HeartSine samaritan AEDs offer industry-leading value and environmental protection, all in an easy-to-operate system in the smallest and lightest package available.

Features:

- Integrated electrode and battery options: Pad-Pak™, Pediatric-Pak™, and TSO-certified Pad-Pak
- Warranty: 8 years on device, 4 years on Pad-Pak
- Biphasic waveform with impedance compensating escalating energy 150/150/200J
- Highest level of protection from dust and water
- Weighs only 2.4 lbs. and up to 56% smaller than other AEDs

HeartSine samaritan® PAD 360P AED and PAD 350P AED

The HeartSine samaritan PAD 360P is a simple-to-own, fully automatic defibrillator, designed to be durable, affordable, and highly user-friendly.

• CPR coaching with metronome

ZOLL AED Plus®

The ZOLL® AED Plus® provides the best support for resuscitating a victim of sudden cardiac arrest. The AED Plus is the first and only automated external defibrillator (AED) with Real CPR Help® technology for monitoring depth and rate of chest compressions during CPR.

The ZOLL AED Plus

Approximately 50% of sudden cardiac arrest (SCA) cases initially require a shock. All rescues require high-quality CPR.

ZOLL's patented Real CPR Help® provides rescuers with integrated, real-time CPR feedback on depth and rate of compressions for high-quality CPR. In addition to Real CPR Help, the AED Plus offers:

- Low cost of ownership, including more efficient lifetime maintenance from longer lasting batteries and longer lasting pads. (Pads last five years.)
- Voice and text prompts to guide rescuers
- 7-year device warranty option
- Weekly and monthly self-tests by default—or customize as often as daily

A. ZOLL AED Plus

Includes AED Plus Device, one-piece electrode (CRP-D-padz), one sleeve of batteries, medical prescription, and soft carry case.

Fully Automatic	*54411	\$1,699.00 ea.
Semi-Automatic	*54412	\$1,699.00 ea.
AED Plus Trainer 2	54359	\$419.00 ea.

B. ZOLL Pedi-Padz II

The ZOLL AED Plus Intelligent Pediatric Capability includes voice and text prompts that tell rescuers that Pedi-Padz II are connected, ensuring that the proper defibrillator electrodes are being used.

Pedi-Padz II	54156	\$99.99 pkg.
------------------------	--------------	--------------

C. ZOLL CPR-D-Padz

ZOLL's Full-Rescue AEDs feature CPR-D-padz, a one-piece, pre-connected electrode with Real CPR Help feedback. Ordinary AEDs require that the rescuer use two separate electrodes. By using CPR hand placement as the landmark, it is easy to place the CPR-D-padz on the victim quickly. The CPR-D-padz also lasts five years—the longest shelf life of any defibrillator electrode sold today.

Replacement CPR-D-padz	54154	\$179.50 ea.

D. Prestan Professional AED Trainer Plus

Leading-edge AED Trainer that most closely resembles brand AED Trainers in size and weight for a realistic training experience. Features customizable options to match training environments and has a child button. Unit includes one set of Adult/Child training pads with pad sensing system, a pads storage case, a carry bag with instructions and batteries for the unit.

- Pads can be used at least 25-30 times during CPR/AED classes
- Pads sense when they are attached to the manikin torso
- Module contains up-to-date guidelines and language capability
- Compatible with any CPR manikins
- Can be used with both semi and fully-automatic versions
- Metronome counts to help the student with chest compressions

AED Trainer PLUS with English/Spanish Module	1033927	\$177.50 ea.

F. Prestan UltraTrainer AED Trainer

This compact and lightweight unit provides a realistic training experience with training pads that sense when they are placed on a manikin.

Features:

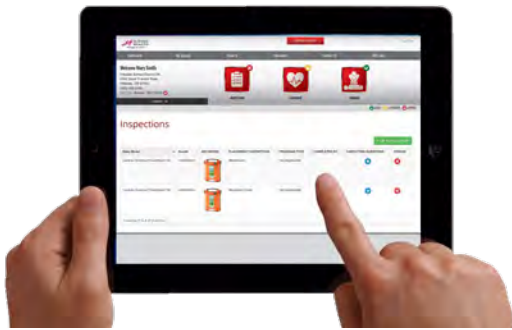

- Dual graphic (adult/child) training pads
- Pad sensing system
- Preconnected pads
- Child training button
- Child AED-specific voice prompts
- Automatic or semi-automatic shock simulation
- CPR coaching, turn on or off "give breaths" voice prompt
- Turn on or off compression metronome
- Low battery warning
- 3-Year warranty
- Two languages
- 2015 Guidelines compliant and upgradable
- Play/pause button
- 5 training scenarios

4/pkg.55030	\$349.00 pkg.

School Health Brand AED Program Management is Simple, Effective, and Affordable

Access your AED program anytime, anywhere and ensure your AED is ready when you need it! When choosing how to manage your AED program—keeping your school compliant, your staff trained, your AEDs serviced, and your data tracked—trust School Health to be your one-stop solution.

Key Benefits

Automated Tracking & Reminder

- Monthly email notifications to perform AED maintenance checks
- A series of email alerts at 60/30/15 day intervals to inform you AED components are expiring
- Program director receives escalation alerts if a deadline is missed
- Responder training, certification, and other device tracking

Improved Workflow

- Intuitive software makes your job easier
- Easy-to-navigate customized dashboard offers visibility to all your devices
- Manage all maintenance activities in one system and create a consistent operations standard
- Check expiration dates, inspection logs, and more from your computer or mobile device

Maintenance & Compliance Assistance

- Assist with registering your device with local emergency medical services
- Physician oversight of your AED program
- Notify you of changes to Federal and State AED laws
- We can manage any AED device in your inventory

D

A. Rapid Oxygen R15

Rapid Oxygen R15 is a lifesaving, safe, and reliable emergency oxygen that goes anywhere dangerous compressed O₂ cylinders are not permitted. Over the counter. No prescription or special training needed. The R15 meets or exceeds FDA guidelines for portable chemical oxygen generators. The R15 produces 100% humidified oxygen at flows greater than 6 liters/minute for more than 15 minutes with acceptable safe temperatures on all its surfaces. Since the R15 doesn't require a power source and can be safely stored for an extended period, it can be now be used in schools where oxygen cylinders are prohibited.

.....	1033951	\$395.00 ea.
-------	----------------	--------------

B. Lif-O-Gen Oxygen Device

Operation—simply pull the unit from the wall and oxygen will automatically begin flowing at 6 liters per minute; place the unit back in the cradle to stop the flow of oxygen, or alternatively, insert the attached regulator pin

Capacity—45 minutes from one refillable cylinder

Mounting—sturdy aluminum wall-mount cradle secures delivery system and mask assembly

EMERGENCY RESPONSE & SAFETY

Suction Devices

Tactical Suction Device

This reliable, simple, rugged, and inexpensive suction solution is for clearing airway obstruction due to bloody fluids or other secretions. The device is designed to provide a vacuum force of approx. 100 mmHg generated by the rebound of the bulb after each squeeze. Evacuated contents are expelled into a clear collection bag attached to the outlet port. The valve vac's bag and bulb hold well over 1000mLs. A unique double-valved design allows for continuous operation with one hand.

.....**51179** \$41.15 ea.

Devilbiss Suction Pump

The DeVilbiss Suction Unit is a compact medical suctioning device which has been designed for reliable, portable operation. Because of the small size, light weight and DC operation, the DeVilbiss Suction Unit is ideal for providing suction.

Features:

- High Performance – Vacuum adjustments allow for 80-550 mmHg and a free flow of 27 LPM
- Adjustable Flow Regulator – Easy-to-turn knob conveniently placed directly below gauge for easy use and control
- Increased Battery Capabilities – For use up to one hour. Provides the patient with added security when needed most
- Easy-to-Read Gauge – The unit has conveniently placed gauge for easy reading, which is important when precise measurements of vacuum are needed for the pediatric patient
- Compact Design – All of the high performance capabilities are conveniently placed in a small compact package weighing less than 6.3 lbs

Devilbiss Suction Device**54134** \$504.50 ea.
 Yankauer Suction Device**54137** \$3.18 ea.
 Replacement Filter**54138** \$10.45 ea.

AMBU ResCue Hand-Held Suction Pump

The AMBU ResCue Suction Pump is a manual suction pump is a portable and lightweight, no power required. This suction pump is designed for quick, easy application. This manual pump is used for emergency pharyngeal or tracheal suction.

Ambu Res-Cue pump features:

- Adjustable: adults (100%), children (50%)
- Disposable collection canister (300ml)
- Adult and infant suction catheters included
- Fast and powerful stroke suction vacuum: up to 500 mmhg

Kit includes:

- Pump with one disposable canister
- Cap
- Disposal bag
- 2 suction canisters

Manual Suction Kit**54122** \$70.80 ea.
 Replacement Canister Kit.**54124** \$17.75 ea.
 Suction Device Carry Bag**54123** \$23.85 ea.

Laerdal® V-VAC™ Manual Suction Unit

The Laerdal Manual Handheld Manual Suction unit is a simple yet efficient suction unit for first responders, and a reliable backup for emergency healthcare providers. The V-VAC unit works the instant you squeeze it! One-hand operation.

Features:

- Adjustment for high- and low-pressure suctioning
- Efficient—maximum suction exceeds 380 mm Hg. Peak air flow over 70 liters per minute
- Features a unique no-clog suction tip (intake valve)
- Versatile catheter connection
- Disposable one-piece cartridge provides a new, clean pump, valve and suction tube
- Reusable handle is immersable for cleaning

.....**55148** \$139.00 kit
 Replacement Cartridge**55149** \$36.90 ea.

A. **School Health Brand Adult/Child/Infant Pocket CPR Mask in Hard Case**

The School Health Pocket CPR Mask is designed to offer superior protection for both rescuer and victim by combining a low resistance one-way valve with a 3M disposable hydrophobic filter to help prevent the passage of liquids and secretions.

Features:

- Oxygen inlet facilitates delivery of supplemental oxygen during ventilation of a non-breathing patient or for inhalation by a spontaneously breathing patient
- The pre inflated cuff is made from super soft plastic providing superior seal
- Superior protection through a one-way valve and filter
- Pre-inflated cuff for effective and good seal
- Oxygen inlet facilitates delivery of supplemental oxygen
- Head strap included
- Disposable one-way valve and filter
- Replacement filters available
- Includes gloves

.....**59701** \$7.99 ea.

B. **School Health Brand Face Shields**

Individually sealed in foil packets for convenient storage in wallet, purse or first-aid kits. Can also be used for manikin training.

10/box**55060** \$26.92 box

50/box**55182** \$111.00 box

C. **WNL CPR Masks**

These clear CPR mask allows the rescuer to position it properly and monitor the victim. The soft, pliable bladder ensures a secure seal. Mask can be used with the standard one-way valve for rescue or with the CPR Practi-VALVES during CPR manikin training. Mask may be cleaned and reused, but only for training purposes. Dispose of mask and valve after patient use.

Bleeding Control Products

A. QuikClot Bleeding Control Dressings

QuikClot Bleeding Control Dressing stops bleeding of superficial wounds, minor cuts, and abrasions. Utilizing the same fast-acting technology adopted by the U.S. military for years to save lives, the Bleeding Control Dressing accelerates the body's natural clotting process using an inert, inorganic material impregnated into gauze that will not break down. The Bleeding Control Dressing helps blood clot up to five times faster, and it can control bleeding within minutes of application.

Z-Fold, 3" x 4 yd.....	52915	\$48.60 ea.
Roll, 3" x 4 ft.....	55470	\$27.80 ea.

B. Israeli Emergency Compression Bandage

The Israeli Emergency Compression Bandage is a wide, all-in-one bandage that consolidates multiple first-aid devices such as a primary dressing, pressure applicator, secondary dressing, and a foolproof closure to secure the bandage in place.

6".....	50029	\$10.25 ea.
4".....	50022	\$9.61 ea.

C. H&H "H" Bandage

The H-Bandage gives first responders both an emergency dressing and a hemostat for arterial bleeding and hemorrhaging in limbs.

8" x 10", Flat Fold.....	52991	\$8.65 ea.
--------------------------	--------------	------------

D. H&H Big Cinch Abdominal Bandage

This ABD Pad can cover the largest wounds and protects vital abdominal organs during a trauma scenario. The pad and the wrap ensure a tight fit to prevent slipping while gently protecting the abdominal region.

12" x 16".....	52990	\$11.35 ea.
----------------	--------------	-------------

E. H&H Chest Seal

Featuring easy-to-peel tabs, each DualSeal™ Chest Seal can be applied over an open wound or can be used to seal over a puncture chest wound.

3.75" x 3.75", 2/pkg.....	54942	\$21.30 pkg.
---------------------------	--------------	--------------

F. Hyfin Vent Compact Chest Seal

This two-vented chest seal is designed with three vented channels that allow air to escape the chest cavity during exhalation, but prevents airflow from entering through the injury site during inhalation.

4.75" x 4.75", 2/pkg.....	59942	\$13.30 pkg.
---------------------------	--------------	--------------

School Health Corporation offers two types of emergency tourniquet systems:

It is recommended to have one of each type to be fully prepared for any scenario.

Windlass—Used extensively by the U.S. Military due to its quick application and the lock system of the tourniquet which allows the user to know when the tourniquet is tight enough to stop the bleeding. These tourniquets also prevent from over-tightening, which can lead to nerve and soft tissue damage.

Elastic—These tourniquets are the standard in hospital settings. Elastic tourniquets are easy to use, cost effective and can stop hemorrhaging quickly and effectively. These tourniquets can also be used on pediatrics and on areas of the body that other tourniquets may not be as effective.

Windlass Tourniquets

A. Combat Application Tourniquet (C-A-T)

- Red Tip Technology elliptical tab provides visual cues during application
- Single Routing Buckle speeds up application, decreases blood loss, removes slack, requires fewer windlass turns, and simplifies training with single protocol application standard

Black.....	57780	\$30.50 ea.
Orange.....	57785	\$30.50 ea.

SOFT T Wide (Not Shown)

- A true 1½" constricting band for increased constricting pressure and patient comfort
- Quick-connect, snap-lock buckle design, allows rapid re-routing of the band around trapped limbs without rethreading

Black.....	56927	\$34.45 ea.
Orange.....	56928	\$34.45 ea.

B. SAM XT Tourniquet

- Durable nylon construction distributes force as targeted pressure for maximum strength and flexibility
- Innovative locking prongs automatically lock in when optimal tightness is met

Black.....	1030482	\$39.99 ea.
Orange.....	1030481	\$39.99 ea.

Elastic Tourniquets

C. Rapid Application Tourniquet (R.A.T.)

- Can quickly and effectively apply tourniquet with one hand
- Compact and durable design makes it easy to carry
- Locking system prevents it from loosening or slip over time

Black.....	59820	\$17.95 ea.
Orange.....	54550	\$17.95 ea.

D. SWAT-T

- Can be used as a tourniquet, pressure bandage, and an elastic wrap
- Compact and durable design makes it easy to carry
- Instructions printed on the elastic that indicate the level of pressure exerted

Black.....	57795	\$14.49 ea.
Orange.....	54902	\$14.49 ea.

Bleeding Control Products

THESE BLEEDING CONTROL KITS ARE AVAILABLE IN MANY DIFFERENT OPTIONS TO FIT YOUR SCHOOL!

Public Access Bleeding Control Stations

Basic—The Basic version of the NAR PABC Station provides eight complete kits in red nylon bags. Each one contains lifesaving bleeding control equipment, such as tourniquets, pressure dressings and gauze bandages, and puts them into the hands of the public to help control bleeding and save lives. It also includes the NAR Responder QuikLitter™ for moving injured casualties.

Intermediate—Includes all equipment found in the Basic PABC Station, with each of the eight complete red nylon kits also having the ability to treat penetrating chest wounds using the HyFin® Vent Compact Chest Seal Twin Pack (for entrance and exit wounds).

Advanced/Advanced BCD—Includes all equipment found in the Intermediate PABC Station, with each of the eight complete red nylon kits also providing the added capability of a hemostatic dressing to enhance blood clotting for faster bleeding control.

 - (1) H&H Mini Compression Bandage
 - (1) Pair of nitrile gloves
 - (1) Quick Clot Bleeding Control Gauze pack
- Kit in Vacuum Sealed Bag. **1031467** \$386.00 kit
 Kit in Nylon Bag **1031468** \$478.00 kit

Bleeding Control Kits

These compact and durable individual hemorrhage control kits treat bleeding from penetrating and other traumatic injuries. Each kit comes packed in a compact, rugged, resealable pouch.

Each Kit Contains:

- (1) SWAT-T tourniquet for hemorrhage control
 - (1) H&H Mini Compression Bandage for wrapping and providing pressure
 - (1) H&H Compressed Gauze Roll to pack and wrap a wound
 - (1) Pair of nitrile gloves to protect the first responder
- Intermediate kit also includes: QuikClot™ Bleeding Control Gauze
- Basic Kit **1031634** \$31.10 kit
 Intermediate Kit **1031635** \$52.55 kit

Emergency Kits

MobileAid® Trauma First Aid Station

Extensive next-generation, 260-piece mobile trauma first aid station that meets OSHA guidelines and ANSI standards; can be wheeled directly to any medical emergency — large or small.

This station is organized in quick-response first aid modules for rapid response and treatment, and includes a flexible evacuation stretcher. First aid supplies are designed to treat traumatic injuries. Unique dual-wheel design aides in rapid response and makes climbing curbs and stairs easy.

An integrated seat and gear platform allow the patient to sit and be treated or can be used to haul additional equipment (e.g. AED, oxygen tank, etc.). High visibility markings, flashing LED wheels, and an 8-foot extendable flag make the mobile station easy to spot in any situation.

Super-durable, light-weight frame construction (supports up to 300 lbs.) and heavy-duty weather resistant bag safeguard contents. Telescoping handle retracts for compact storage in less than 2 cubic feet (10" x 18" x 13").

Load Capacity: 400 lbs.

Width: 23", Fold Size: 47"H x 12"D x 23"W, 24 lbs. (unladen)

.....*59051 \$1,886.00 ea.

Evac+Chair 300H

Standard model Evac+Chair with 400 pound payload capacity. Blue textured finish with contrasting yellow hammock. Simple, single-person operation allows smooth descent down stairs using patented V-belt system.

Includes:

- Patient restraints, wall mounted hooks, dust cover, photo luminescent signage and instructional DVD

Load Capacity: 400 lbs.

Width: 20", Fold Size: 20"W x 41"H x 8"D, 19 lbs. (unladen)

.....*59049 \$1,599.00 ea.

Evac+Chair® Power 800

This electric/battery powered stair climber allows for easy and safe stair ascent and descent. Can be used in emergency evacuations, power outages, and daily patient transport to safely and easily move a passenger up and down a flight of stairs.

Includes:

- Battery charger (US/EU/UK), rechargeable battery, two keys, user guide, passenger headrest, passenger safety straps, photoluminescent wall sign, wall hooks, dust cover

Load Capacity: 350 lbs.

Folded Size: 19.5"W x 45"H x 10.6"D, 66 lbs.

..... 1035034 \$2,795.00 ea.

Stryker Evacuation Chair

- Essential for evacuation of disabled or injured persons from multi-level facilities in emergency situations.
- Innovative Stair-TREAD system enables one person to control movement down stairs without lifting.
- Extendable head and foot end lift handle design supports proper ergonomic lifting technique, while improving line of vision to feet and steps when lifting the chair on the stairs or over obstacles.
- Designed to maximize mobility in tight spaces.
- Folds to compact size for convenient storage.
- Exceeds fire safety requirements and emergency response guidelines established to support the Americans with Disabilities Act.

.....59035 \$3,999.00 ea.

Evacusafe Excel Chair

Lightweight and easy to set up for the mobility impaired. Once the chair is on ground level, the chair handles fold away and turn into a temporary wheelchair. With a supportive flat seat base, armrests, and padded headrest, the chair offers comfortable seating for extended periods of time.

- Friction-controlled track helps the chair glide smoothly down stairs under single-person operation
- Four wheels make the chair easy to maneuver
- Foot-operated brake and quick-release safety harness for secure, safe operation

Load Capacity: 400 lbs.

25.5"W x 52"H x 39"D (44.5"H x 11.5"D x 25.5"W Folded Size), 30 lbs. (unladen)

Stretchers & Immobilizer

A. Pole Stretcher

Rolls up for easy storage. Ideal as out-of-sight stretcher for schools, first aid closets and athletic events. Features a heavy-duty nylon cover and rugged rubber handgrips.

Load Capacity: 350 lbs.

83½"L x 23¼"W, 8 lbs. *59005 \$452.00 ea.

B. Fasl原因 Fullbody® Splint

A fast, effective, and comfortable vacuum immobilization at a budget-friendly price. It molds to the exact shape of each patient's body to support and immobilize, without applying the pressure that can lead to pressure sores and soft tissue damage. Using orange, semi-disposable FASPLINT® material on the front and gray, durable EVAC-U-SPLINT® material on the back, this splint is designed to be both budget-friendly and re-usable. It's the most cost-effective way to treat patients without sacrificing the best in care.

Features:

- Stabilizes a patient in the position most comfortable for them
- Provides full spinal immobilization from the head to the hips
- Alleviates pressure point pain and vastly increases patient comfort when used with any backboard, scoop stretcher or fabric flat stretcher
- Polystyrene beads insulate the patient to help maintain body temperature
- Economical, tapered design accommodates your budget and your storage space

Unfolded: 75.5"L x 29.5"W x 2"D (192 cm x 75 cm x 5 cm)

In Carry Case: 23"L x 24"W x 5"D (58 cm x 61 cm x 13 cm)

WEIGHT: Splint: 6 lbs. (2.7 kg) Splint, Case, and Pump: 10 lbs. (4.5 kg)

. 1007375 \$482.99 ea.

C. Folding Pole Stretcher

Folding cross spreaders and folding poles allow the stretcher to be folded together, both lengthwise and crosswise, to fit into minimum storage space. Stirrup legs keep patient off the ground.

Folds to 44¾" x 9¾"

90" Stretcher, 13 lbs. *59004 \$500.00 ea.

D. Ferno Full-Body Vacuum Mattress

The Full-Body Vacuum Mattress immobilizes the patient in a secure position as it conforms to any body shape. Three patient restraints with buckles to provide maximum patient security and six carry handles allow the splint to be used as a stretcher. Includes removable, contoured pillow and compact vacuum pump.

. *54773 \$772.50 ea.

* Direct-ship item. Please allow additional time to receive.

E. Evac-U-Splint® Adult Mattress

Molds to the contours of the patient's body without applying pressure, the vacuum mattress reduces pressure point tenderness. The mattress has padded handles secured to the perimeter of the mattress which provide security when moving and transferring a patient and also allow for users to share handles when handing off a patient in tight quarters.

Features:

- Extremely durable, easy-to-clean fabric
- Molds to each patient's unique body contours
- Reduces potential for nerve, vessel, and tissue damage
- Provides thermal insulation to maintain body temperature
- Ideal for injuries of the spine, back, hips, pelvis
- Quick connect and disconnect MaxiValve is easy to use, even with gloves
- X-ray compatible and MRI safe
- Patient can be transported in a supine, knees flexed, or a 30° elevated torso position

Load Capacity: 350 lbs., Unfolded: 78.75"L x 29.5"W x 2.5"D, Folded: 31.5"L x 28"W x 6" D in carrying case. Mattress, Case, & Pump: 16.75 lbs.

. 1007376 \$999.99 ea.

F. Combi Carrier II Scoop Stretcher

The Combi Carrier II functions as a scoop-type stretcher, minimizing patient movement with no logrolling required. The concave patient surface limits lateral movement of the victim, providing more secure stabilization. The split-litter design also allows for easy removal once the patient is on the ambulance cot or delivered to the emergency department, should that be desired to meet the latest protocols.

Features:

- Simple intuitive design minimizes training of all athletic training and EMS personnel
- Off-set sturdy latch is built for reliability and durability, making it much easier to apply and remove the device under patient load
- Can be separated at either end or split into two halves, eliminating unnecessary patient movement and making it ideal for patients with suspected hip, pelvic, and spinal injuries
- Clear center section provides unobstructed A/P view of the patient's spine
- Seamless, high-density polyethylene surface is easily cleaned and disinfected
- Quality components and no rivets, drive screws, or roll pins reduces maintenance and replacement costs
- Ideal companion product to the FASPLINT FULLBODY®, FASPLINT HALFBACK® or the EVAC-U-SPLINT® Mattress for a complete patient transfer system

. 1030423 \$1,113.00 ea.

A. Iron Duck Ultra Space Save

Innovative folding backboard is an ideal choice for tight spaces. Durable HDPE shell, exclusive stainless steel mechanical pivot, and internal aluminum runners make for a sturdy board you can rely on time and time again.

.....*59031 \$549.00 ea.

B. Laerdal® BaXstrap Spineboard

Incorporates the needs of the rescuer and patient into an ergonomically efficient platform for motion restriction.

- Extra-large, raised handholds make BaXstrap easy to grab, even with gloved hands
- Pins are molded into the board, maximizing their strength
- Includes strap holes for pediatric patients.
- Can be used in water
- Customized labeling available
- Radiolucent, MRI, and CT scan compatible

72"L x 16"W x 2½", 13.5 lbs.

.....*55170 \$246.00 ea.

C. Tri-Fold Blue Backboard

Features:

- Folds in three sections for compact storage
- Lightweight aluminum construction
- Blue powder coat frame and patient surface
- Easy to deploy
- Durable, large hand holds for easy access

.....*55971 \$866.00 ea.

D. Iron Duck Base Board

Features:

- Offers the leading strength and safety in its weight class
- Made of high-density polyethylene for durability and easy cleaning
- Fourteen oversized hand holds can accommodate gloved hands
- X-ray and CT scan translucent, MRI scan compatible applications

Weight Capacity: 500 lbs.

72" x 16" x 1.75", 16 lbs.

.....59033 \$200.00 ea.

E. Iron Duck Body Loc

This innovative Body-Loc strapping system is ideal for first responders in the public and industrial markets, using color coded straps for easy and efficient patient immobilization.

.....*59029 \$199.00 ea.

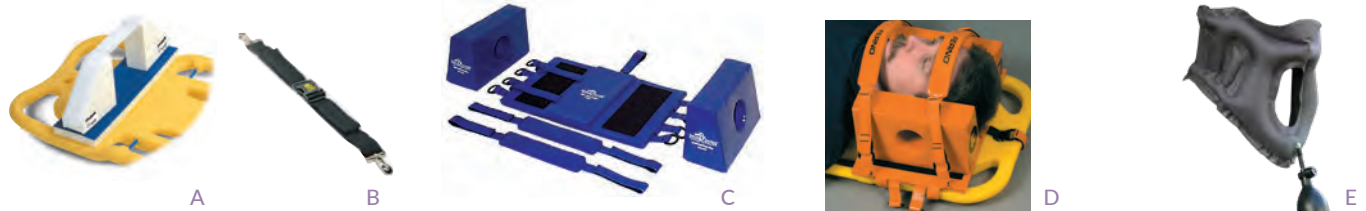

F. Iron Duck Ultra-Vue®

- Lightweight and x-ray transparent
- Made of molded, recyclable HDPE with a tapered board design
- Oversized hand holds measure 2" x 6"
- Molded pods on bottom of board for easy lifting
- Restraint straps sold separately
- 100% lifetime warranty

Load Capacity: 600 lbs.

72"L x 16"W x 1.85"H, 14 lbs.

Without Pins*59011 \$229.00 ea.

A. Laerdal® Sta-Blok® Head Immobilizer

Helping improve efficiency with low-cost disposable devices. Amazingly easy to use, compact, and effective. Soft, closed-cell foam. Fits virtually any patient on any backboard. Easy-to-adjust Velcro® padded head strap.

.....55171 \$7.91 ea.

B. Spineboard Straps

All straps are two pieces, totaling five ft. in length, with dual-side release DELRIN® buckles.

.....55172 \$18.75 ea.

C. Sof-Loc Head Immobilizer

Features two vinyl-coated head blocks with ear holes. Blocks attach to the mounting base that secures to all standard backboards. Patient's head is secured with forehead strap and chin strap. Includes two head Blocks, one mounting base, one head strap, and one chin strap.

16"L x 10"W x 6½"H.....59030 \$221.00 ea.

D. Ferno Head Immobilizer For All Stretchers

Conforms to any type of wooden or aluminum long backboard. Ear holes allow ear monitoring for possible bleeding. High-density foam head pads are comfortable and supportive. The vinyl covering makes it easy to clean and maintain. No metal hooks or buckles to interfere with x-rays.

2 lbs. 4 oz.59019 \$226.00 ea.

E. OTEC Aer Cervical Collar

Represents the latest technology in cervical spinal immobilization for austere environments, offering lighter weight, smaller packability, and greater performance when compared to leading industry competitors. Packable size allows for easy carry and storage (2.4 oz.). Chin strap provides intuitive placing and comfort of collar. Easy and secure latching allows for varying sizes. Air batters create structure while maintaining critical blood flow to the brain. Durable 75d Ripstop Nylon is strong for most situations and environments.

..... 1033835 \$63.99 ea.

Not made with Natural Rubber Latex.

| Single Tube Crutch, Replacement Arm Cushions, Pair | 55814 | \$10.60 pr. |

B. iWALK 2.0

iWALK 2.0 is a hands-free crutch alternative and a really simple idea. Conventional crutches use your hands and arms to support your weight, while the iWalk medical crutch uses the uninjured parts of your leg to support your weight when you stand or walk.

- Hands-free, pain-free mobility
 - Self-sufficiency through use of their hands
 - The ability to lead functional lives again
 - End the underarm, hand and wrist pain from conventional crutches
 - Ability to navigate stairs with ease and safety
 - Efficiency of walking due to using their legs for support instead of their hands and arms
 - Heightened well-being due to retaining an active, productive lifestyle
- | | | |
|--|----------------|--------------|
| | 1003625 | \$181.50 ea. |

Finger Splint Pack

This handy finger splint pack includes an assortment of plastic-coated, foam-padded, aluminum finger splints. Each pack contains 45 finger splints, three of each size.

- 45/kit**20035** \$189.00 kit

Powersplint

A sports finger protector guard that athletes wear during competition to protect from jams, breaks, dislocations, tendon injuries, and more. PowerSplint provides solid finger support while staying out of the way! PowerSplint is impact resistant, while allowing for a full range of finger motion. PowerSplint is comfortable, safe to wear, and washable. (Not indicated for thumb injuries.) The side wings flex inward or outward to adjust to various finger widths.

Pro-Ferred™ Finger Splint

Stiff enough for proper protection. Won't create rubbing rashes on adjacent fingers. Metal-free—doesn't interfere with x-ray machines or metal detectors. Won't get caught in pillows or blankets like metal splints can, which could irritate the injured finger. Disposable.

- Small, 12/pkg.**20173** \$29.90 pkg.
- Medium, 12/pkg.**20174** \$29.90 pkg.
- Large, 12/pkg.**20175** \$29.90 pkg.

A

A. Plastalume® Finger Splints

Made of malleable aluminum with 1/4" soft live foam that can be shaped easily for any use.

- Ball-shaped end prevents splint from rolling out of position and helps conform to finger

A. Fasplint Extremity Splint Set

This semi-disposable vacuum splint provides secure immobilization without circumferential pressure, eliminating the potential for tissue, vessel, and nerve damage. Unlike air and board splints, the FASPLINT molds to the contours of the patient's injury, so even difficult fractures and dislocations can be stabilized easily and quickly with a level of comfort that is unmatched by any other splinting technology. If ease of use and quality care are important issues for your service, then the FASPLINT deserves serious consideration. 3 Splint Kit with pump and rectangular case.

Features:

- Molds to exact shape of injury site, without applying circumferential pressure
- Reduces nerve, tissue, and vessel damage
- Economical: If a FASPLINT is lost, or is too soiled to be used again, the replacement cost is minimal

E. Cramer Rapid Form™ Vacuum Immobilizers

Completely immobilize fractures and dislocations in original position without the circumferential pressure of air splints. The hand held pump creates a vacuum, conforming the splint to any shape in seconds. Pumping air back into the splint loosens it for removal and reuse. Splints can be worn during x-ray. All sets include pump, straps, and carrying bag.

A. ThunderBolt X2® Lightning Detector

Professional-grade storm and lightning detectors detect lightning and track storms from 25 miles and are designed for rugged outdoor use!

Features:

- Detection of both cloud-to-ground and intra-cloud activity
- Color LCD display gives up-to-date information on storm status
- Rugged ABS plastic construction
- Water resistant when used with the included rubber grip
- Accurate within a 25 mile (40 km) range
- English/Spanish language support
- Unparalleled false disturber rejection, minimizing false detections
- Long operating times (>3 days) on a single set of "AA" batteries.
- Auto calibration
- Warning light, audible alert, and vibration notifications
- Temperature range from -40C to 85C
- 1 year manufacturer warranty

Specifications:

3" x 5.5" x 1", Batteries: Two "AA" batteries required.

Kestrel 5400 Heat Stress Tracker

The Kestrel 5400 is revolutionary in size, cost, and capability for those in need of measuring heat stress. Available with or without LiNK (Bluetooth) and/or a compass.

Features:

- Wet Bulb Globe Temperature (“WBGT”)
- Thermal Work Limit (“TWL”)
- Waterless! Natural wet bulb temperature accurately calculated from on-board digital sensors with no tedious setup or maintenance.
- Large, hi-res, hi-contrast, graphic display is perfectly readable in the brightest sunlight and is backlit for use in low-light conditions.
- Wind speed
- Altitude
- Pressure trend
- Barometric pressure
- Relative humidity in %
- Heat stress index
- Dewpoint
- Air, water, and snow temperature
- Waterproof and floats
- Data logger
- Customizable data storage—2900 data points
- Graph and recall trends
- User-replaceable impeller
- Meets MIL-STD-810F 516.5 Procedure IV Transit Shock test—20 drops from 5 ft. IP-67 sealed to exclude dust and water at 3 ft. submersion
- Five languages (English, French, Spanish, German, and Italian)
- Made in the USA
- 5-year warranty

Includes: neck lanyard, “AA” Lithium battery, protective drawstring pouch, certificate of conformity, instruction manual.

E. Extech Heat Stress WBGT Meter

Wet Bulb Temperature (WBGT)—considers the effects of temperature, humidity, and direct or radiant sunlight.

- Heat Stress Index measures how hot it feels when humidity is combined with temperature, air movement, and radiant heat
- Black Globe Temperature (TG) monitors the effects of direct solar radiation on an exposed surface
- Selectable units of °F and °C
- In/Out Function displays the WBGT value with or without direct sun exposure
- Built-in RS-232 interface with optional Windows® compatible software
- Complete with two “AAA” batteries

Specifications:

Wet Bulb Globe Temperature (WBGT): 32°-122°F (0°-50°C), ±4°F/2°C	Air Temperature (TA): 32° to 122°F (0° to 50°C), ±1.8°F/1.0°C
Black Globe Temperature (TG): 32° to 176°F (0° to 80°C), ±4°F/2°	Humidity: 0 to 100%RH, ±3%RH

LUBRICANT AND PROTECTANT

G. Chafezone

The superior formulation glides on to prevent rubbing, chafing, and irritation. A quick swipe of ChafeZone banishes chafing discomfort from running, riding, hiking, cycling, dancing, body armor, heavy packs or new footwear. It's also a great prevention tool of ChubRub. ChafeZone helps protect your skin by preventing friction that can cause painful skin irritations. Long lasting, easy to apply and durable make ChafeZone a great alternative to prevent, chafe, chub rub and other skin irritations related to friction.

Roll on
1.5 oz. **1006610** \$19.05 ea.

H. Vaseline Chesebrough® Pond's

Protects skin from the effects of weather and exposure.

Hillrom™

KEEP YOUR STUDENTS COMFORTABLE

The Welch Allyn® Braun ThermoScan® PRO 6000 ear thermometer supports quick and accurate temperature readings.

- Capture readings in about three seconds with disposable probe covers to help you minimize cross-contamination risk
- PerfectTemp™ technology helps to overcome the challenges presented by ear canal anatomy and variability in probe placement

Clinical studies have shown that the ear is an excellent site for capturing accurate measurements as temperatures taken in the ear reflect the body's core temperature¹

¹Guyton A C, Textbook of medical physiology, W.B. Saunders, Philadelphia, 1996, p 919

Thermometers

Welch Allyn® Braun ThermoScan PRO 6000 Ear Thermometer

The Braun PRO 6000 has a number of new features and functions that make it a true evolution in ear thermometer technology. The Braun ThermoScan PRO 6000 Ear Thermometer has the speed and simplicity you need for accurate, reliable temperature readings.

- The ergonomic handle design make this device comfortable to hold and operate
- Audible and visual cues guide the operator through proper use
- PerfecTemp improves accuracy by detecting direction and depth of probe placement in ear and adjusts temperature calculation
- ExacTemp helps support reliability and accuracy by detecting the stability of probe placement during measurement
- 60-second pulse timer assists with manual measurement of pulse rate and respirations
- Warranty: 3 years (Thermometer, Charging Station and Rechargeable Battery Pack)
- Two cradles offer storage of probe cover boxes, and pop up for easy probe cover attachment
- The large cradle can be wall mounted for added security when used with an optional security tether

Welch Allyn® Diagnostic Cardiology Suite (DCS) and Welch Allyn® Diagnostic Cardiology Suite with Spirometry

The Welch Allyn® Diagnostic Cardiology Suite ECG is a PC-Based resting ECG that provides a simple and secure ECG capture experience, designed with your workflow in mind. Now with optional Spirometry, you can collect ECG and spirometry data in a single device that fits into your clinical workflow.

- Wireless ECG connection with the Wireless Acquisition Module
- Captures best 10 seconds of ECG data, reducing the need for repeat tests
- Save PDF's to any network folder
- Complies with ACC, AHA and HRS recommendations for adult and pediatric patients

Optional Spirometry features:

- Fast, reliable pre-/post-bronchodilator FVC, SVC, and MVV testing
- Instantly verify quality and variability of test performance
- Single-use disposable transducers to help reduce the risk of cross-contamination

Blood Pressure Instruments

NEW!

WelchAllyn®

Welch Allyn® Connex Spot Monitor and Stand

The device connects wirelessly to your EMR and accurately sends vitals to the patient chart from the point of care to help improve efficiency. It offers an upgradeable design and custom configurations including a choice of thermometry and/or pulse oximetry, connectivity and mounting/mobility options. In addition, the new Accessory Power Management Stand with WhisperDrive™ technology features additional power backup, providing up to 17 hours of on-time, alleviating the need to charge the monitor as frequently.

Features:

- Help improve accuracy and performance for neonate through adult patients
- Blood pressure averaging to help ensure accurate hypertension diagnosis
- Mobile stand option incl. work surface w/integrated battery for extended usage
- SureBP technology can provide BP in only 15-seconds—3X faster than competitors
- Connex Scoring App on-device calculator for custom protocols like NEWS, MEWS
- Partnerships with more than 90 leading EMRs including Epic and Cerner
- 2 Year Warranty

ADView™ 2 Modular Diagnostic Station

A truly modular design allows you to create the diagnostic station that's perfectly suited to your needs, with up to three modules: blood pressure, temperature, and pulse oximetry. The ADView 2 easily captures automated blood pressure measurements at the touch of a button. Your choice of seven available cuff sizes, ranging from child to thigh, for use on patients ages three and older. Packaged in a contemporary, compact design with an easy-to-read LCD display and an integrated handle for portability.

Features:

- Clinical-grade Advantage™ BP technology from SunTech Medical®
- A proprietary manual BP mode, allowing measurement with a stethoscope using the auscultatory method
- A temperature module featuring Covidien Filac™ technology, providing accurate measurement in about 10 seconds. Module comes with standard oral/axillary probe
- ChipOx Nellcor™ SpO2 module, measures oxygen saturation of arterial blood flow in about 10 seconds. An optional pediatric/multi-site sensor is also available. Alternatively, choose the Masimo SET® SpO2 module upgrade
- Lithium ion power for longer battery life and lighter weight
- Optional accessories, including desk caddy or mobile stand, rectal probe and printer
- Three-year warranty on the blood pressure base unit, SpO2 module, and temperature module; two-year warranty on cuffs; 90-day warranty on all other accessories

LifeSource Extra Large Arm – Blood Pressure Monitor

This monitor equipped with Irregular Heartbeat Detection, and HeartWise Technology which measures blood pressure on deflation. With an extra-large display, large buttons for easy operation, 60 memory recall, Time and Date with Three Alarms, and an AC Power Adapter, this monitor offers speed and reliability.

.....**56190** \$225.50 ea.

LifeSource BP Cuff Sizing Information	
Size	Arm Circumference
Small Adult Cuff	6.3" to 9.4"
Adult Cuff	9.4" to 14.2"
Large Adult Cuff	14.2" to 17.7"

E-SPHYG 2™

Graphic back lit mercury-free LCD for easier reading; multi-function alpha-numeric LCD displays air pressure, deflation rate, systolic, diastolic pressure and pulse; manual mode allows practitioners to use the auscultatory method with any sized cuff. Automatic inflation to pre-set levels simplifies use. ECV (electronic control valve) controls deflation at one of three pre-established rates for optimum results. Auto mode obtains readings automatically in about 1 minute; automatic inflation and deflation. Select from deflation rates of 2.5, 4.5 or 6.5 mmHg/sec. NICAD rechargeable battery provides about 200 measurements use on a single charge.

- AC adapter.
- Safe; no mercury, clinically proven accuracy.

NEW!

Medline High-Impact Finger Pulse Oximeter

The Medline High-Impact Finger Pulse Oximeter takes precise readings in seconds, as well as SpO2, pulse rate and pulse bar readings. It has a multi-directional display with full-color OLED screen and its durable silicone boot construction resists cracking and chipping. Has a hinged battery cover and includes “AAA” batteries, lanyard and warranty.

.....	1033997	\$89.25 ea.
-------	----------------	-------------

Nonin 8500 Handheld Pulse Oximeter

The 8500 handheld pulse oximeter provides an easy and accurate assessment of oxygen saturation and pulse rate from infants to adults. Truly portable, this pocket-size handheld oximeter will hold up in the most demanding environments. With 100 hours of battery life, the 8500 provides a cost-effective, environmentally friendly solution for your monitoring needs.

.....	53284	\$559.50 ea.
-------	--------------	--------------

SpO2 Finger Tip Pulse Oximeter

Features:

- Easy to Read OLED display
- Display SpO2, Pulse Rate
- Automatic power off & battery-low indicator
- Battery lasts approx. thirty hours
- 2 AAA alkaline or rechargeable batteries
- Ten adjustable brightness settings
- Wide range of fingers from pediatric to adult
- Two year warranty

.....	53249	\$73.40 ea.
-------	--------------	-------------

Pronto Hemoglobin Pulse Oximeters

Unlike traditional invasive lab testing, the Pronto hemoglobin pulse oximeters are noninvasive and quick spot checking devices that measure hemoglobin (SpHb), SpO2, pulse rate, and perfusion index.

Benefits:

- Facilitates timely patient assessment
- Decreases risk of accidental needle sticks and exposure to blood-borne pathogens
- Requires no lab consumables or waste disposal
- Enables immediate face-to-face counseling with clinician
- Easy-to-use—Improves efficiency

C. Welch Allyn® PanOptic™ Ophthalmoscope

PanOptic™ provides a more panoramic view of the fundus than ever achieved with a standard ophthalmoscope in an undilated eye, so it’s easier to view small pupils.

- Illumination system converges the light to a point at the cornea, allowing easy entry into small undilated pupils
- Enables 25° field of view versus the standard 5° field of view and a 5x larger view of the fundus
- Increases magnification by 26% over a standard ophthalmoscope
- Works with all existing Hillrom 3.5 V power sources
- The patient eyecup establishes and maintains proper viewing distance, provides stabilization for the view
- PanOptic™ Ophthalmoscope Head
- 1 Eyecup and Halogen HPX lamp
- Corneal Viewing lens

Nebulizer, Peak Flow Meter & Chambers

Free Child Mask with purchase!

Vib-Mesh MINI Portable, Ultrasonic Nebulizer

This mini portable nebulizer's lightweight and petite size fits in one hand. It delivers timely relief, quickly and quietly with a single touch. Perfect at school or on the go. Includes: one mouthpiece, one mask adapter, one medication cup, one control unit, instruction manual, two "AA" alkaline batteries and a travel bag. Two-year warranty.

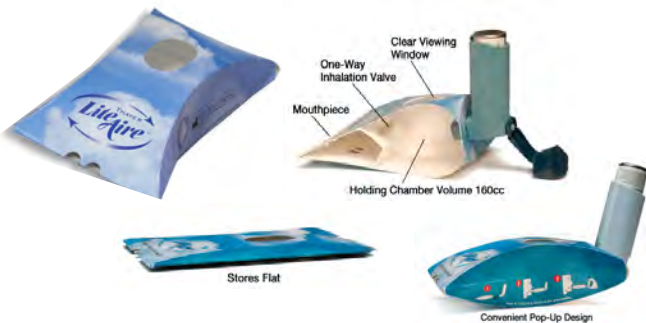

..... **1008072** \$70.20 ea.

Compressor Nebulizer

Delivers aerosol medication therapy effectively with clinical accuracy. Easy to use with one-button operation, and easy to clean. Ideal for all ages. Particle size range: 0.5 to 10 microns. Step-by-step instructions in English and Spanish. No water required to operate. 5-year limited warranty.

11 7/8" x 7 1/8" x 4 1/2", 4.6 lbs. **1031283** \$78.30 ea.

Lite Aire Disposable Spacers (Rx Item)*

Made from paperboard instead of plastic, this device provides the benefit of reduced cost and far greater portability. The Lite Aire disposable spacer makes using an inhaler much easier while improving medication dispersion.

25/box ***1002270** \$112.50 box

In-Check DIAL

The In-Check DIAL is a hand held inspiratory flow measurement device with a DIAL top. The DIAL orifices have been designed to simulate the resistance of inhaler devices from the DPI and MDI categories. The one-way valved mouthpiece protects both the DIAL and the next patient.

In-Check DIAL Kit

Kit Includes: In-Check DIAL, 200/bx inspiratory mouthpieces, peds/small adapter, informational CD, guide to implementation.

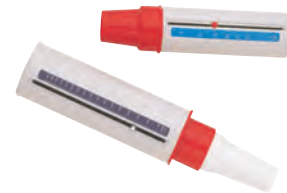

..... **1007898** \$330.50 kit
 In-Check DIAL G16 Trainer **1007897** \$147.50 ea.
 In-Check DIAL Mouth Piece, 10/bag **.61684** \$11.75 bag

Pocket Chamber™

Delivering effective relief from asthma symptoms. Fits virtually any metered dose inhaler. Anti-static chamber minimizes drug adherence to chamber wall. Whistle alert for excessive inspiratory rate. One-way silicone valve exhalation. More cost effective than nebulizer delivery.

..... **.61675** \$16.55 ea.

Mini-Wright Peak Flow Meter

Measures the openness of the airway by defining the amount of air that can be blown out of the lungs in a fast blast. This peak flow meter can detect changes in the airway at very early stages.

..... **.61062** \$47.35 ea.
 Adult Mouthpieces
 100/pkg **.61090** \$38.50 pkg.
 Pediatric Adapter **.61710** \$12.80 ea.
 Pediatric Mouthpieces
 100/pkg **.61711** \$38.65 pkg.

Safety One-Way Valve Mouthpieces

A safe way to use the Assess[®] Peak Flow Meter for multiple patients.

Child/Adult
 10/pkg **.61112** \$11.95 pkg.

*All prescription (Rx) purchases Requires Rx authorization form See "Medical Authorization Form" in the Index section.
 Please note: Epinephrine pens you receive have the best expiration date and price available at the time of purchase. Call Customer Care at 866-323-5465 with any questions.

Harmony Blood Glucose Monitoring System

- The meter accepts venous whole blood or capillary whole blood drawn from patient's fingertips, palm or forearm to provide fast results in eight seconds
- Only a small sample size of 0.8 microliters is needed, so there is less patient discomfort associated with the needle stick and blood draw
- A test strip ejector located on the side of meter allows you to dispose of used strips directly into the trash
- This eliminates your contact with used strips to help reduce the risk of cross contamination
- The wide hematocrit range of 10% to 70% allows you to care for higher acuity patients

Meter System	1035185	\$33.99 ea.
Test Strips, 50/box.....	1035186	\$18.50 box
Hi-Lo Control Solution	1035187	\$10.99 ea.

EVENCARE Pro View Blood Glucose Monitoring System

- The blood glucose meter provides simple and accurate diabetes management
- Large backlit display can be clearly read in low light
- Test strip ejector helps to eliminate contact with used strip
- Meter requires only a small sample of 0.5 microliter to lessen patient discomfort

Meter System	1035182	\$21.99 ea.
Test Strips, 50/box.....	1035183	\$13.50 box
Hi-Lo Control Solution	1035184	\$8.99 ea.

TRUE METRIX™ Self-Monitoring Blood Glucose Meter

Easy-to-use, self-monitoring blood glucose meter with advanced event tags empowers user to make the connection between personal lifestyle and results.

Features:

- No coding
- As fast as 4 seconds
- Tiny 0.5 microliter sample size
- Alternate site testing
- Store 500 results with date/time
- 7-, 14- and 30-day averaging
- Four testing reminders
- Audible fill detection
- Control detection
- Ketone test reminder
- Strip release button
- Download capabilities

Includes:

- Meter
 - 3-volt battery
 - Lancing device (uses most lancets)
 - (10) sterile lancets (do not reuse)
 - Instructions for use
 - Self-test log book
 - Compact carrying case
- True Metrix test strips and control solution are not included.

.....	1006626	\$27.35 ea.
True Metrix Test Strips 50/box.....	1006623	\$36.45 box
True Metrix Control Solution Level 1	1006624	\$9.96 ea.
True Metrix Control Solution Level 2	1006625	\$9.96 ea.

DID YOU KNOW?

Testing a site that is still damp from pretest topical alcohol can interfere with a glucometer reading?

Lancets , Glucose & Injection Training

Blood Lancets

Sterile, disposable stainless steel lancets. Can also be used for splinter removal. Individually wrapped. Non-safety.

200/box36021 \$11.85 box

Diabetic Injection Model Kit

Perfect for instruction and injection practice. Looks and feels like human skin. Deep enough to accept all insulin needles. Oval pad is 6 1/4" with hard plastic backing and adjustable plastic buckle.

Modular Cabinetry

Four Step Guide to Buying Modular Cabinets

School Health's modular cabinetry system is designed to complement our recovery couches and exam tables. Each cabinet features fully concealed, self-closing, three-way adjustable euro hinges and commercial-grade drawer glides. Security locks are standard for all doors and drawers.

1. Measure

Measure the space you have available for your cabinets.**

2. Choose Cabinets

Decide on the wall and base cabinets that will fit your space.

3. Select Options

Choose the cabinet color, countertop and pull type you would like for your cabinets.

4. Order

Use the Modular Cabinetry order form found on page 316 or contact our customer care representatives to order.

MODULAR WALL CABINETS, 30"H X 12 1/4"D

**Measuring for Base Cabinets

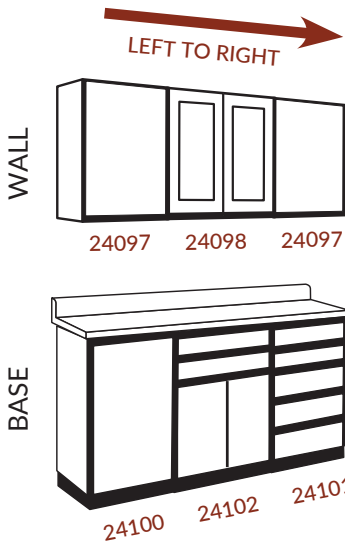

Once you have finished selecting all your base cabinets, please add 2" to the overall width of your configuration.

Modular Cabinetry Order Form

To expedite the ordering process, please submit this form, along with order form on pages 303–304, when placing an order for the Modular Cabinetry found on pages 260–261. The exam cabinets on page 263 are not configurable; please use order form on pages 303–304.

Name: _____ Phone: _____

CHOOSE MODULAR CABINETS

Enter your cabinet choices in the boxes below. Begin with the farthest left cabinet and proceed to the right, if there is to be a series of cabinets.

1. Top row: fill in the item number(s) for the chosen wall cabinet(s).
2. Bottom row: fill in the item number(s) for the chosen base cabinet(s).

WALL					
------	--	--	--	--	--

(List Wall Cabinets from left to right in these boxes.)

Add total configurations, plus 1½" for end panels, to obtain the total width.

BASE					
------	--	--	--	--	--

(List Base Cabinets from left to right in these boxes.)

Add total configurations, plus 2" for countertop overhang, to obtain the total width.

Cabinet Alignment

When ordering, please indicate whether cabinets are to be flush to left wall, right wall or centered with both left and right sides exposed.

- Flush with Wall on Left
- Centered (neither side exposed)
- Centered (left and right sides exposed)
- Flush with Wall on Right

Screens & Lamps

Durable Three-Panel Screen

Flame-retardant, 6 mil. vinyl panels are light-weight and hinged. All steel frame. Easily converts from casters using crutch tips (included). Each panel is 27"W x 51"H.

Overall dimensions: 82"W x 69"H

White with Casters

.....**14000** \$237.00 ea.

Replacement Panel

.....**14015** \$28.50 ea.

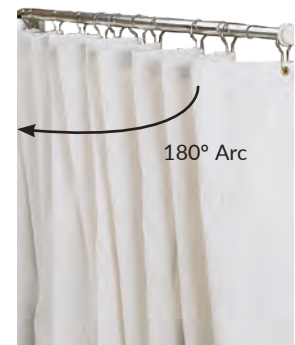

Economical Three-Panel Screen

This three-panel screen can be opened to full width without zig-zagging. 3/4" tubing, 6 mil. flame-retardant vinyl. Each panel is 20" wide.

Overall dimensions: 60"W x 69"H

White**14016** \$243.50 ea.

Replacement Panel ...**14017** \$19.40 ea.

Telescopic Curtain

Wall mounted. The rod telescopes from 39" out to 90" and can be positioned anywhere within 180-degree arc. Curtain is made of 6 mil. flame-retardant vinyl.

Overall dimensions: 96" W x 72"H

White**14012** \$273.00 ea.

Replacement Curtain with Hooks

.....**14014** \$120.50 ea.

Ultraviolet Examination Lamp

Greatly assists in the observation and diagnosis of head lice and fungal infections. The two filtered black light tubes and two white light tubes, along with the 2" x 4", three-power magnification lens, make detection simple and thorough. Recommend screening in a dark room. (No UV eye protection needed).

Wall Bracket**24081** \$91.35 ea.

Replacement Bulb, White.....**24079** \$16.30 ea.

Replacement Bulb, Ultraviolet.....**24080** \$27.60 ea.

Dazor Portable Magnifiers

Dazor's lightweight hand-held magnifiers are the best choice for magnification "on-the-go". They are the perfect blend of abundant light and powerful magnification in a handy portable package.

Features:

- 2" diameter optical grade glass lens for clear and distortion-free viewing
- 10-diopter lens offers 2.5x magnification
- Convenient "kick-stand" for hands-free use
- Battery operated (four standard alkaline "AAA" batteries - not included)
- One year manufacturer warranty

24 White LED's..... **1005479** \$88.10 ea.

12 White LED's and 12 UV LED's..... **1005480** \$94.45 ea.

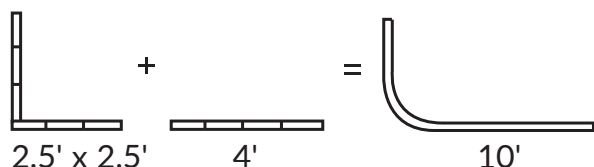

* Direct-ship item. Please allow additional time to receive.

SH School Health Brand Cubicle Curtain

Our curtains are available in two installed lengths: 82" and 90" (includes 2" hook length). To determine which length better suits your health room, measure the floor-to-ceiling height and subtract the curtain length. This will show you the remaining floor clearance. To decrease floor clearance for higher ceilings, drop chains are available (15"). **Hooks are included with track purchase.**

Each curtain length is available in four widths (68", 102", 136", and 170"). Ten percent must be added to total length of track(s) for curtain fullness. For example, a 10' total track length plus the prescribed 10% amounts to 132" (120"+12%=132"), in which case the 136" curtain is the best option.

Note: Length is the vertical dimension from floor-to-ceiling. Width measures left to right.

Ordering Curtain Tracks

Measure along the floor in the configuration of your choice. For a cubicle curtain that wraps around a recovery couch in an "L" shape, select one 90-Degree Bent Track, 3' x 3', and one 4' Straight Track to make an overall length of 120" (10 ft).

Supreme Cubicle Track (Includes hooks)

2' Straight Track	*14106	\$29.60 ea.
3' Straight Track	*14107	\$44.25 ea.
4' Straight Track	*14108	\$58.90 ea.
5' Straight Track	*14109	\$73.85 ea.
6' Straight Track	*14110	\$88.65 ea.
7' Straight Track	*14111	\$103.00 ea.
9' Straight Track	*14113	\$132.99 ea.
10' Straight Track	*14114	\$147.99 ea.
11' Straight Track	*14115	\$164.99 ea.

Bent Track (Includes hooks)

90 Degree		
2.5' x 2.5' Bent Track	*1005287	\$73.90 ea.
45 Degree		
2.5' x 2.5' Bent Track*	*1005286	\$74.10 ea.

Mounting hardware not included. Please measure carefully—each curtain and track is made to customer specifications and is therefore nonreturnable.

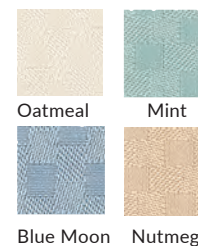

Make your health room look professional with attractive, functional and safe cubicle curtains from School Health. Our supreme cubicle tracks with hooks can be combined for a custom fit and look. Curtains are constructed of 100% Trevira polyester, antimicrobial and include 20" of mesh at top. They are fire-retardant for the life of the fabric and washable.

* Direct-ship item. Please specify color when ordering; allow 3-6 weeks for fabrication and delivery after all information has been submitted. Inspect shipments upon delivery.

Included in length is 2" Hook

68"W x 82"L	*14100	\$121.00 ea.
68"W x 88"L	*14101	\$121.00 ea.
102"W x 82"L	*14102	\$175.50 ea.
102"W x 88"L	*14103	\$175.50 ea.
136"W x 82"L	*14104	\$222.50 ea.
136"W x 88"L	*14105	\$222.50 ea.
166"W x 82"L	*14126	\$277.50 ea.
166"W x 88"L	*14127	\$277.50 ea.

Cubicle Curtain Color Choices*

* Color swatches and additional color choices available upon request.

Cubicle Curtain Accessories

For higher ceilings, drop chains are available to decrease floor clearance. Hooks are included with the purchase of a cubicle track, but replacements are available. Three hooks per linear foot.

15" PVC Drop Chain	1035672	\$4.85 ea.
Replacement Hook	14022	\$3.48 ea.

Taping Methods Video Textbook DVD By Ron O'Neil, ATC

35 step-by-step taping techniques are great for use as a class supplement. Includes preventative and post-injury taping instruction, taping techniques for ankle and lower leg, knee, upper extremity and more, and auxiliary applications (including wound care). Techniques detailed by Ron O'Neil, a certified AT for 37 years—29 of those years with the NFL.

DVD..... **16135** \$41.95 ea.

Concussion Education: In the Student-Athlete's Neighborhood

Phil Hossler, ATC. When any athlete sustains a sports concussion, sensitive, trained and compassionate neighbors are needed to monitor the athlete's recovery. For student-athletes, this managing team or neighborhood includes coaches, athletic trainers, parents, physicians, teachers, school nurses and school psychologists, along with concussion specialists. This tip card provides checklists and practical strategies on educating everyone on the signs and symptoms of concussion in student-athletes, with tips for support and accommodations.

ClaroRead Pro Text-to-Speech Software

Easy-to-use, flexible program helps you read, write and study, aiding concentration and increasing confidence. Reads aloud any on-screen text and scanned paper books.

Reading support: Read text in documents, email, web pages and other programs. Choose highlighting by word or sentence, in any color. Change color of screen, font and text for more comfortable reading.

Writing support: Hear each word or sentence as it is typed, or listen back after text is completed, to hear mistakes. Speaking spellcheck allows selecting from alternatives. Support for homophones and easily confused words. Word prediction suggests words as they are typed and includes phonetic prediction. Speaking dictionary and thesaurus.

Additional features:

- ClaroIdeas: Easy-to-use mind mapping and idea-capturing tool
- Screen Ruler: Reading ruler and screen color tint to help focus with reading
- ClaroCapture Study Tool: Capture images and text from web pages and documents to help write essays and organize references

Compatibility: Windows 7–10. Software is provided as a digital download.

Training Manikins

Little Anne Q CPR

Little Anne Q CPR works with an Instructor app allows instructors to monitor and coach up to six students at once, and the Learner app lets students monitor their own performance. Little Anne Q CPR helps instructors improve CPR training quality and efficiency in their courses, while adding a fun and engaging element for students that promotes learning and motivation.

Little Anne Q CPR is still the same durable, lightweight manikin as the original Little Anne, but now includes Q CPR technology that provides:

- Real-time feedback on compressions and ventilations
- A summary with an overall score and improvement suggestion
- Provides suggestion for improvement, post-session
- Details on compression release, depth and rate, ventilation volume, number of compressions/ventilations/cycles
- CPR feedback results are saved in the app
- Free download on App Store

Convert your regular Little Anne® manikin to the Little Anne Q CPR manikin with this upgrade kit.

.....	59917	\$76.40 ea.
-------	--------------	-------------

Laerdal Little Anne with Q CPR SkillGuide with Extension Cable

The new SkillGuide provides the ability to measure, track and therefore improve a student's CPR skills. Small, lightweight and portable, SkillGuide provides a tethered "plug and play" option for instructors. It can also be used standalone or as a supplement to either the instructor or student apps.

.....	59911	\$74.15 ea.
-------	--------------	-------------

Little Junior Q CPR Manikin

The next generation of the Little Junior manikin includes Q CPR measurement and feedback technology that takes the guesswork out of pediatric CPR instruction. Little Junior Q CPR works with an instructor app that allows you to monitor and coach up to six students at once and a Learner app lets students monitor their own performance. All existing Little Junior manikins can be quickly and easily upgraded to Q CPR with the Little Junior Q CPR Upgrade Kit.

The Q CPR technology includes:

- Real-time feedback on compression depth and rate, recoil and ventilation volume
- Post-event debriefs including percentage score, overall performance summary, and tip for improvement

Existing Little Junior manikins can be upgraded in minutes with the Junior Q CPR Upgrade Kit.

A. Prestan® CPR Manikins

Prestan manikins are uniquely designed as a clamshell to accommodate an easy-to-insert face shield/lung bag. Medium skin tone.

Features:

- Realistic manikin is more acceptable to both instructors and students
- Full chest rise and lung bag ensures that students receive the most accurate and realistic training
- Clicker increases student's confidence in adequate compressions
- Clicker sounds as the chest is pushed to the appropriate depth

Prestan Manikins without CPR Monitor					
<ul style="list-style-type: none"> • Includes: 1 Manikin, 10 Face Shield/Lung Bags, 1 Vinyl Carrying Case • 4-Pack Includes: 4 Manikins, 50 Face Shield/Lung Bags, 1 Vinyl Carrying Case (Fits Four) 					
Infant	Infant 4-Pack	Child	Child 4-Pack	Adult	Adult 4-Pack

\$158.00	\$612.50

Brayden CPR Manikin

The Brayden CPR manikin is a new, innovative CPR manikin that offers the most realistic CPR feedback of any manikin on the market today!

CPR Feedback Features:

- Chest Compression Indicating Lights—Illuminate to represent the volume of blood being circulated; volume depends on the depth of compressions—these will fully light when the depth of compressions is the correct depth
- Blood Circulation Indicating Lights—These illuminate to represent the floor of blood from the heart to the brain; the speed of the blood flow shown varies according to the depth and speed of the compressions—these will only fully light once the rate of compressions is over 100 per minute
- CPR Quality Indicating Light—This illuminates to represent that blood is reaching the brain—this will only fully light when the depth and speed of the compressions are correct

Additional Features:

- Audible feedback reinforces correct compression depth (clicker on/off)
- Oral and nasal passages allow realistic nose pinch
- Realistic chest movement with correct ventilations
- Head tilt and chin lift for opening airway
- Anatomically correct
- Easy AED training pad removal
- Air vent reduces the risk of cross contamination; air from disposable lungs exits through the back of the head
- Six set of alkaline batteries can power 160,000 compressions AC supply optional

• 3 YEAR WARRANTY
• ONLY \$85 PER MANIKIN

B. Prestan® Ultralite® Manikin

- Unique fast set-up and cleaning
- Stackable torsos and heads ensures a compact package for transporting
- Compatible with AED trainer pads
- Anatomically correct design includes xyphoid process
- Realistic chest compressions to a 2" depth
- Realistic head tilt
- Visible chest rise with lung bag
- Unique torso web design for realistic feel

Includes:

- (4) Manikin torsos
- (4) Manikin heads
- (4) Compression pistons
- (1) Nylon piston bag
- (50) Face-shield lung bags
- (1) Nylon carrying case
- (1) Detachable shoulder strap
- (1) Instruction sheet

Prestan Ultralite Manikin, 4/pkg.....	55410	\$399.50 pkg.
Prestan Ultralite Face Shields, 50/pkg.....	55412	\$20.35 pkg.
Prestan Ultralite Lung Bags, 50/pkg.....	55413	\$27.65 pkg.

Not made with Natural Rubber Latex.

SERVICE CENTER

CALIBRATION | PARTS | REPAIR

CALL US FOR ALL YOUR EQUIPMENT SERVICE AND MAINTENANCE NEEDS

Providing proper maintenance to your screening and diagnostic tools is important to ensure the accuracy and longevity of your equipment. Our certified service center technicians have the knowledge, tools and expertise to ensure your equipment is working properly. We offer:

- **Calibration**—Ensure your screening equipment operates within the specifications and meets all relevant standards.
- **Onsite**—Calibration available in select areas. Contact our Customer Care Representatives to learn more, 866-323-5465.
- **Parts**—Replace worn components and broken parts to keep your health equipment working optimally.
- **Expert Technicians**—Each technician has over 10 years of hands-on experience. We work closely with each product manufacturer to learn the latest technologies.
- **Repairs**—Get preventative maintenance and repairs to extend product life and sustain performance.
- **Value**—Our competitive prices and customer-focused service make the service experience effortless for you.

We offer parts and services for a wide range of equipment, such as Sphygmomanometers and Otoscopes!

Medical Authorization Form

(Please print when hand writing your information)

Company / School Name: _____

Attention: _____

Address: _____

City: _____ State: _____ Zip: _____

E-mail: _____

Phone: () _____ - _____ Fax: () _____ - _____

Please also include a signed Purchase Order with this form, for the product(s) being ordered.

This Certificate of Authority is executed on behalf of the above named Company/School as well as other locations listed in attached list which are authorized to purchase the Medical Device(s) and/or prescription drug(s) (checked below) from School Health Corporation.

Medical Devices being ordered*: Please check boxes

Ultrasound Unit **Muscle Stimulator/T.E.N.S.**

The Company/School named above is solely responsible for meeting all federal, state, and local training requirements and laws concerning said medical device(s).

Physician/Licensed Practitioner Name: _____ State License**/Cert. No.: _____

Signature: _____ Date: _____

AEDs* being ordered: Please check box

AED

The Company/School named above is solely responsible for meeting all federal, state, and local training requirements concerning emergency response procedures and use of automated external defibrillator(s).

Physician/Authorized Prescriber Name: _____ State License Number**.: _____

Signature: _____ Date: _____

Prescription Pharmaceuticals* being ordered: Please check boxes

EpiPen® Regular/Junior **Auvi-Q** **Epinephrine Autoinjector (Generic)** **Prescription Drugs:** _____

This is to certify that all such drugs will be prescribed, dispensed or administered under the supervision of a practitioner licensed by law to prescribe, dispense and/or administer such drugs.

Physician/Licensed Practitioner Name: _____

DEA Registration Number: _____ State License Number** _____

Signature: _____ Date: _____

The Food & Drug Administration considers defibrillators to be prescription devices pursuant to 21 CFR 801.109 and medical authorization is required. Most states provide immunity from civil liability to the physician prescribing an AED. State legislation can be accessed through your state's website, medical board or on <http://www.aedhelp.com>.

* If medical devices, AEDs, and prescription pharmaceuticals are to be used in other locations besides the address listed, please attach a separate list and submit with this form. **Please include a copy of the State License for the above named practitioner. This document must be completed and returned. We will not accept generic Rx documentation as a substitute.

Satisfaction Guarantee Policy

It is our promise that School Health Corporation will do everything possible to ensure that our customers are completely satisfied with our products and services. If you are not satisfied for any reason, simply call our Customer Care Center at 866-323-5465, or send an email to: customerservice@schoolhealth.com.

- If you are not satisfied, Rob Rogers, President of School Health Corporation, asks that you send him an email to: president@schoolhealth.com, or fax him at 800-235-1305
- If goods are damaged upon arrival, please mark the shipper's document "received damaged," sign it, keep a copy for your records and call our Customer Care Center and the shipping company immediately, as time limits for claims may apply
- UPS shipments with visual damage should be refused
- Freight carrier shipments with visual damage should be noted on the carrier's freight bill "received damaged" and that portion of the delivery should be refused
- Some colors and finishes may differ slightly from our catalog representation; color swatches are available at no charge upon request
- Returns or exchanges may result in a restocking fee; please contact our Customer Care Center if you have any questions

Warranty Policy

All items sold in this catalog are backed by their manufacturer's warranties and a one-year limited School Health warranty that is applied to all of our products. For further information, contact our Customer Care Center at 866-323-5465 or email us at: customerservice@schoolhealth.com.

Not for children under 3 yrs.

▲ CHOKING HAZARD (5) – CONTAINS A MARBLE
Not for children under 3 yrs.

▲ CHOKING HAZARD (6) – BALLOON
Children under 8 yrs. can choke or suffocate on uninflated or broken balloons. Adult supervision required. Keep uninflated balloons from children. Discard broken balloons at once.

Sales Tax: Customers will be charged applicable taxes, unless proof of tax-exempt status is furnished to School Health. Tax-exempt customers should attach/include a copy of their tax exemption certificate with their order. All Schools Get Instant Credit with Valid Purchase Order: Call our customer care team for details.

International orders welcome: Please call, fax or email for shipping and payment information.

Prices: We reserve the right to change prices due to unforeseen increases or decreases in manufacturer's prices. Catalog prices are current as of January 1, and are subject to change without notification.

Return of Merchandise Guarantee: Call our Customer Care Center to obtain your Return of Merchandise Authorization (RMA) Number. Returns received without an RMA# will not be accepted and no credit shall be issued.

Software: Software downloads are considered opened at the time of purchase and may only be replaced with identical software/media within 30 days if the original purchased software is defective.

Direct-SHIP: Merchandise shipped directly from the manufacturer to the customer.

Restocking Fee: A restocking fee of 10-20% may be charged for returned goods. The fee(s) will be assessed by the company receiving the merchandise (School Health or a vendor).

Damaged on Arrival: Inspect all shipments before accepting. If a package is visibly damaged, refuse to accept until delivery receipt is marked "Received in Damaged Condition." Immediately contact the Customer Care Center at School Health.

Claims: Claims for damage should be immediately filed with the transportation company. If concealed damage is discovered upon unpacking, contact the Customer Care Center immediately.

Price Matching: School Health is committed to delivering the best products at the best value. All products are competitively priced and our price matching policy guarantees we will match a price in a competitor's catalog, from the same published year, for identical items/quantities.

Shortages: Shortage, lost, or missing merchandise is our responsibility only after the following precautionary measures have been followed by the customer.
 (1.) Do not sign delivery ticket unless all packages specified on Bill of Lading are accounted for. If receipt has been signed for total delivery, carriers assume no responsibility.
 (2.) Check your master Packing Slip. Direct-SHIP Items or those on back-order will be delivered separately.
 (3.) Check all packages marked miscellaneous merchandise carefully.
 (4.) If summer delivery has been made, check your warehouse carefully.

School Health Corporation makes every effort to depict accurate product descriptions and prices. However, due to changing manufacturing conditions, product color, specifications and prices are subject to change without notice. We reserve the right to correct typographical errors. Due to press variation, actual product color may be slightly different than product colors shown in this catalog.

School Health is committed to delivering the best products at the best value!

With our Price Match Guarantee, you can be assured that you are getting the best price available for the products you order from School Health.

All School Health products are competitively priced and our price matching policy guarantees we will match a price in a competitor's catalog from the same published year, for identical items and quantities.

It is easy to make sure you are getting the best price.

If you spot a price that is lower than the School Health listed price, capture it so you can share it with us.

Send the information you found to us and receive your Price Match Guarantee!

* Clearance prices do not qualify, discounts cannot exceed manufacturer's unilateral minimum price where applicable and all price guarantee adjustments are completed at the time of purchase. Customer must provide proof of pricing (including, but not limited to, copy of price from competitive catalog, website, or bid received by customer).

Catalog Discount Exclusions

School Health Corporation may offer special discounts to organizations meeting specific criteria. These discounts recognize existing or anticipated annual purchase volume and are intended for customers seeking a mutually beneficial relationship.

Historically, we have provided all our customers with common list prices. Thus, your discount will be based upon the same list price offered in our catalogs, websites, and other marketing publications.

Certain products are excluded from our blanket discounts due to various reasons including but not limited to manufacturer restrictions, special pricing already in place (sales or promotions), unknown shipping costs (due to weight or size variances), etc.

The following items in the 2020 School Nurse, Sports Health, EnableMart and all other Catalogs are excluded from a catalog discount:

- Medical Recordkeeping Software and other software products
- Injury tracking software
- Prescription (Rx) products
- Customized Kits
- Products denoted by Exclusive icon
- Gatorade products & Gatorade Performance Series products
- EnableMart Software
- Braille Paper
- Current "Special Promotion" items already offered at a discounted priced. School Health runs sales throughout the year. Our catalogs contain numerous promotions denoted by the Special Offer icon. Also, look for seasonal savings offered in our spring and Back-to-School flyers.

The following **capital equipment products** are excluded from your standard catalog discount. These items may require special setup, in-service education, and may have varying freight costs due to weight. Please call us for special discounts on these products. In some cases, the discount on these items may be greater than your standard discount:

- Furniture items and Appliances listed
- Vision and Hearing screening equipment
- Automated External Defibrillators (AED's)
- Braille Embossers

To receive a detailed list of catalog discount exclusions by product number (SKU), or if you have any questions regarding this bid, please call us at (866)323-5465 or email bids@schoolhealth.com. If you require additional information or questions about placing orders from this bid, contact the Customer Care Department: (866)323-5465, fax (800)235-1305, or email orders@schoolhealth.com.

Tab 2

Products/Pricing

a. Products/Pricing

- i. School Health is offering an 11% catalog discount with some exclusions on Athletic, Physical Education and Team Uniforms. See the included catalog discount exclusion list provided in our response. Discounts are off our current catalog or website pricing. Our websites are: www.schoolhealth.com and www.palossports.com.
- ii. See attached on the flash drive a copy of our catalogs.
- iii. Yes, pricing is available for all products and services
- iv. School Health does not offer installation on our products.
- v. Please contact our Contract Sales team at bids@schoolhealth.com to obtain pricing for non-standard products to receive a quote.
- vi. School Health is offering free shipping on orders over \$125. Shipping will be \$12.95 on orders under \$125. Oversize fee's apply to applicable items based on weight and size of the item.
- vii. Manufacturers warranties apply and are backed by a one year limited School Health warranty.
- viii. Call our Customer Care Center to obtain your Return of Merchandise Authorization (RMA) number. Returns received without an RMA # will not be accepted and no credit shall be issued. Restocking fees vary from 10-20%.
- ix. Quantity breaks may apply. Contact our Contract Sales team at bids@schoolhealth.com to see if your quote qualifies for additional discounts.
- x. Customers need to reference Region 4 ESC Contract # 20-11 or School Health quote # 3793158 when inquiring on pricing or looking to place an order.
- xi. Payment terms are Net 30 and acceptable payment methods include: check or credit card (American Express, Visa, Master Card and Discovery). No additional fees are applied when paying by credit card or P-card.
- xii. Catalog discount will remain the same for the life of the contract. Pricing will be updated on an annual basis.
- xiii. School Health continues to offer the newest and most innovative products in the market.
- xiv. N/A

Performance Capability

i. Supplier Response

3.1 Company

- a. We are a national, full-service provider of health supplies and services to health professionals in educational settings from pre-school to college. We collaborate with customers and are an advocate for the health and wellness of those entrusted in their care. At School Health, we maintain the integrity in each of our interactions by always keeping our mission and value statements in mind.

Since our founding in 1957, School Health has been dedicated to helping school-based health professionals keep their students healthy. We all know that healthier students are better students. From our initial focus on school nurses, we have expanded to serve athletic trainers, early childhood specialists and special needs educators.

Our comprehensive offering includes health supplies, sports medicine equipment, early childhood products, physical education, recreation and athletic products and special needs aids. School Health goes beyond merely supplying products, providing product support, training, advisory services and exceptional customer care.

- b. School Health Corporation has 17 outside sales representatives and 7 inside sales representatives.
- c. School Health Corporation has 2 locations located at 5600 Apollo Drive, Rolling Meadows, IL 60008 and 11711 S Austin Ave, Alsip, IL 60803.
- d. Annual Sales for the previous 3 years are:
- i. 2019 – \$65,000,000
 - ii. 2018 – \$63,000,000
 - iii. 2017 – \$60,000,000
- e. Tax ID Number – 36-2425385 / Duns Number – 02-490-6331
- f. Our green initiatives include - Reduce materials entering the waste stream. Promote and achieve increased and preferential use of materials with recycled content. We use environmentally preferable recyclable plastic air pillows when shipping packages which reduce the need for excessive packing materials. Emphasize and increase the purchase and use of environmentally preferable products. School Health promotes “virtual catalogs” as an option to customers.

School Health plans to attain LEED certification in our new 112,500 sq. ft. building. School Health uses T-8 Lighting in our warehouse. The benefits of T-8 lighting are the following –

- Dimmable- Fluorescents have always been difficult to dim and some aren't dimmable at all. Today's LEDs dim easily.
- Directional- This simply means lighting can be directed exactly where you need it, rather than getting diffused and spread over a large area or even lost within the fixture itself.
- Work Well with Controls- LEDs work seamlessly with occupancy sensors and other control systems. Not so for fluorescents.
- More Energy Efficient- T8 LEDs are typically more energy efficient than LFLs.
- Better Light Quality- Fluorescents flicker. LEDs don't. And LEDs produce light in a wide variety of colors.

Freight Consolidation

- Order consolidation is the process of shipping multiple orders going to the same address.
- Allows for one larger shipment instead of shipping individual cartons to a customer.
- Consolidation reduces the impact of shipping inefficiencies by decreasing the overall number of shipments per address.
- By combining multiple orders the customer receives less shipments, which reduces freight \$ expenses.
- This process saves on energy consumption and fuel usage allowing this to be a green initiative.

School Health's largest logistics provider is UPS and is one of our key strategic partners in the organization. UPS is committed to some of the largest Sustainability improvements in the Supply Chain industry. In 2016, **UPS shipped over 201,000 SH packages** across the United States. The lifecycle of a UPS Package Car is below which outlines the main improved efficiencies;

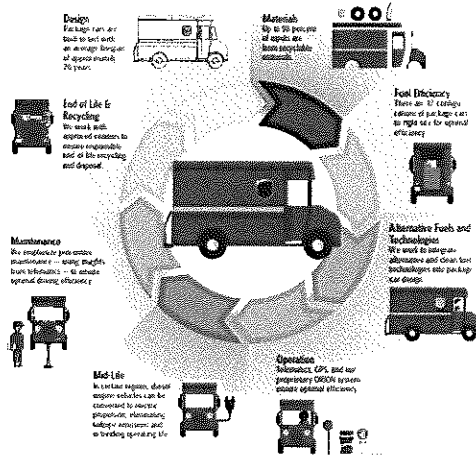

SH SCHOOL HEALTH®

We Supply Your Future™

The Lifecycle of a UPS Package Car

We collaborate with our suppliers to make our iconic brown delivery vehicles as efficient as possible throughout their long operational life.

As part of our Green initiative SH purchases all of our corrugated boxes from Landsberg – Orora. Attached is a letter stating the green components of the recycled products.

- g. School Health Corporation does not hold any certifications or Minority Women Business Enterprise, SBE, Disadvantaged Business Enterprise, HUB or HUBZone.
- h. School Health does not plan to use subcontracts as a part of our response to this bid.
- i. First, by awarding the single source contract to School Health, your members will have the ability to purchase over 25,000 quality products, equipment and supplies on a National level pricing scale. Next, the contract permits smaller departments to obtain our exclusive packages and software typically offered to only large or National customers. Our contract customers benefit by having a dedicated and fully trained sales and customer care team assigned to each territory, as well as one dedicated to National Accounts. We assist with product questions, training and services without additional cost to the end user. Our staff regularly researches state mandates to anticipate questions, source products or equipment to meet state requirements prior to the specified date of a law taking effect. The Region 4 ESC contract allows our School Health team to be a huge asset to our customers by taking excellent service to the next level, saving their administration time and money, and relieving them of the expensive bid process. School Health Corporation has products and services in all requested areas. School Health has the widest spectrum of products and services in the market for customers in the

- athletic and PE market. School Health publishes a sports medicine and PE supplies catalog in the spring. Each catalog mailing consists of 35,000 catalogs.
- j. School Health Corporation does not have any past litigation, bankruptcy, reorganization, state investigations of entity or current officers and directors.
 - k. School Health Corporation is not owned or operated by anyone who has been convicted of a felony
 - l. School Health Corporation does not have any debarment or suspension actions against the company.

3.2 Distribution, Logistics

- a. School Health is a full spectrum distributor of products relating to Health Services (School Nurse), Sports Medicine, Special Education, Head Start, and Early Childhood markets with an emphasis on Health & Safety, Medical, Surgical and First Aid Related Equipment, Supplies, Accessories and Services. We offer over 25,000 products from 850 vendors.
- b. School Health Corporation is a national provider of supplies. We sell to all 50 states, Canada and international customers. We will ship mostly using UPS and larger shipments going through our freight carriers.
- c. Customers need to reference Region 4 ESC Contract # 20-11 or School Health# 3793158 when inquiring on pricing or looking to place an order.
- d. School Health will ship items from our Rolling Meadows, IL or Alsip, IL warehouse, however some products may come directly from the manufacturer. Smaller shipments will be sent via UPS while larger shipments may come using one of our many freight carriers.
- e. School Health Corporations warehouse is 131,000 sq ft located in Rolling Meadows, IL and Alsip, IL.

3.3 Marketing and Sales

- a. Here is our 90 day marketing plan:
 - Co-branded press release within 30 days of the award
 - Announcement of award through social media sites (FB, Twitter)
 - Advertisement of contract on the website
 - Direct mail campaigns (that can include Region 4 ESC contract details)
 - Email campaigns
 - Co-branded marketing collateral
 - Participation in trade shows together

Dedicated Region 4 ESC web page from School Health site with:

- Region 4 ESC logo
- Link to Region 4 ESC website
- Summary of contract and services offered
- Documents, including: copy of solicitation, copy of contract and any amendments, and marketing materials

- b. Here is our 90 day marketing plan:
- Co-branded press release within 30 days of the award
 - Announcement of award through social media sites (FB, Twitter)
 - Advertisement of contract on the website
 - Direct mail campaigns (that can include Region 4 ESC contract details)
 - Email campaigns
 - Co-branded marketing collateral
 - Participation in trade shows together
- Dedicated Region 4 ESC web page from School Health site with:
- Region 4 ESC logo
 - Link to Region 4 ESC website
 - Summary of contract and services offered
 - Documents, including: copy of solicitation, copy of contract and any amendments, and marketing materials
- c. School Health Corporation will look to promote this contract and provide training to our sales team. See our references for a list of current national contracts.
- d. School Health Corporation will supply logo upon contract agreement with OMNIA Partners.
- e. School Health Corporation will be proactive in direct sales of goods and services through this contract.
- f. School Health Corporation will train our sales team on the OMNIA Partners contract and create marketing materials to distribute to our sales team.
- g. Contact Information
- i. Executive Support – John Rooney / Vice President of Sales / jrooney@schoolhealth.com / 630-339-7921
 - ii. Marketing – Nicole Farrell / Sr Manager, Customer Marketing / nfarrell@schoolhealth.com / 630-339-7887
 - iii. Sales – Gina Streepy / National Accounts Manager / gstreepy@schoolhealth.com / 630-339-7986
 - iv. Sales Support – Gail Kinatader / National Accounts Support / gkinatader@schoolhealth.com / 866-323-5465
 - v. Financial Reporting – Andrew Wlezen / Contract Sales Supervisor / bids@schoolhealth.com / 866-323-5465
 - vi. Accounts Payable – Julissa Meloun / Accounts Payable / ap@schoolhealth.com / 800-323-1305
 - vii. Contracts – Andrew Wlezen / Contract Sales Supervisor / bids@schoolhealth.com / 866-323-5465
- h. Our sales team is divided into an East/West region. Our East region is managed by Doug Zybrands (dzybrands@schoolhealth.com) and West region managed by Cyrus Severance (cseverance@schoolhealth.com).

- i. Our sales team will be trained on the Region 4 ESC contract and work in conjunction with OMNIA Partners.
- j. See our references provided for information on purchases in the last fiscal year.
- k. Customers will be able to order via fax, email, mail, phone or on the dedicated landing page for Region 4 ESC.
- l. School Health Corporation will guarantee sales in each of the following years:
 - i. \$5000 in year one
 - ii. \$7000 in year two
 - iii. \$10,000 in year three
- m. School Health will provide contract or better pricing depending on the situation. Our sales representatives will be heavily involved with evaluating the situation and determining the best price.
- ii. We've reviewed these documents and will respond accordingly.
- iii. See included documents
- iv. Emergency orders are prioritized when being entering into our system and prioritized when orders are sent to our warehouse for picking/packing/shipping.
- v. School Health's average Fill Rate is 97%
- vi. Our call center enters 98% of orders we receive the same day.
- vii. Call our Customer Care Center to obtain your Return of Merchandise Authorization (RMA) number. Returns received without an RMA # will not be accepted and no credit shall be issued. Restocking fees vary from 10-20%.
- viii. Manufacturers warranties apply and are backed by a limited School Health one year warranty.
- ix. - School Health Corporation has an inbound calling center that will address customers' needs Monday through Friday 7am-5pm CST. We answer 95% of inbound calls within 20 seconds.
- x. Invoices are generated once your order ships. Payment terms are Net 30 and acceptable payment methods include: check or credit card (American Express, Visa, Master Card and Discovery). No additional fees are applied when paying by credit card or P-card.
- xi. Here is our implementation plan:

Week 1:

- School Health will provide detailed information to the sales, sales support, and customer care teams to ensure they are aware of the contract and eligible entities within the first week.
- School Health will provide contact information of eligible entities to the sales team in order that they may make direct contact
- School Health will begin development of a dedicated Region 4 ESC landing page.
- Meetings with management and National Account Managers to create roll out and training

Weeks 2-3:

- School Health will distribute direct mail and email communication to eligible entities to provide awareness of the benefits of this contract.

- School Health will continue working on the dedicated Region 4 ESC landing page, input pricing and begin testing.
 - Train Sales Team
- Weeks 4-8:**
- School Health will have a regular schedule of email and/or direct mail communication to eligible entities to maintain awareness and highlight products and promotions.
 - Custom landing page will go live training follow up with the territory managers
- xii. School Health Corporation is in great financial condition and can provide bank references upon request.
- xiii. Capabilities/Functionalities of Ordering Website:
- Ability to enter a list of item numbers and quantities to quickly add to cart.
 - Search by keyword or item number to locate product and learn more about it.
 - Build a comparison list to quickly compare products side-by-side
 - Build a supply list and save your most frequently purchased items for easy ordering
 - Email your supply list to others, where they can save it to their supply list or add to their cart
 - Live chat if you want to "talk" to a person without picking up the phone
 - View product stock statuses as you shop
 - Checkout with a PO number, a credit card, or both
 - Online return form to request a return
 - Punch-out capability available upon request for accounts that meet minimum sales requirements
 - Contract pricing available online available upon request for accounts that meet minimum sales requirements
- xiv. School Health's safety is a top priority for the company. We have a secure building where access will need to be granted to non-employees to enter the building. Our warehouse takes many measures to ensure the safety of the warehouse team providing proper training for lifting heavy boxes, forklift driving and general best practices.

Appendix D

REQUIREMENTS FOR NATIONAL COOPERATIVE CONTRACT TO BE ADMINISTERED BY OMNIA PARTNERS

The following documents are used in evaluating and administering national cooperative contracts and are included for Supplier's review and response.

Exhibit A – RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

Exhibit B – ADMINISTRATION AGREEMENT, EXAMPLE

Exhibit C – MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT, EXAMPLE

Exhibit D – PRINCIPAL PROCUREMENT AGENCY CERTIFICATE, EXAMPLE

Exhibit E – CONTRACT SALES REPORTING TEMPLATE

Exhibit F – FEDERAL FUNDS CERTIFICATIONS

Exhibit G – NEW JERSEY BUSINESS COMPLIANCE

Exhibit H – ADVERTISING COMPLIANCE REQUIREMENT

EXHIBIT A

RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1 Requirement

Region 4 ESC (hereinafter defined and referred to as “Principal Procurement Agency”), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector (“OMNIA Partners”), is requesting proposals for Athletic, Physical Education Supplies, and Team Uniforms. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal (“Master Agreement”) be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through OMNIA Partners’ cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners’ cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C, and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of the Master Intergovernmental Purchasing Cooperative Agreement or as otherwise agreed to. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners’ requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements,

obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales, partnership development and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

OMNIA Partners will assign the Supplier a Director of Partner Development who will serve as the main point of contact for the Supplier and will be responsible for managing the overall relationship between the Supplier and OMNIA Partners. The Director of Partner Development will work with the Supplier to develop a comprehensive strategy to promote the Master Agreement and will connect the Supplier with appropriate stakeholders within OMNIA Partners including, Sales, Marketing, Contracting, Training, and Operations & Support.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

- A. Marketing collateral (print, electronic, email, presentations)
- B. Website
- C. Trade shows/conferences/meetings
- D. Advertising
- E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

- A. Individual sales calls
- B. Joint sales calls
- C. Communications/customer service
- D. Training sessions for Public Agency teams
- E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

- A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
- B. Training sessions for Public Agency teams
- C. Training sessions for Supplier teams
- D. Regular business reviews to monitor program success
- E. General contract administration

Suppliers are required to pay an administrative fee of 3% of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B).

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately \$20M annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners' option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency (e.g. governing law) are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and OMNIA Partners shall agree without being in conflict with the Master Agreement. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by

the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Master Agreement if the purchase order is issued prior to the expiration of the Master Agreement. Supplier is responsible for reporting all sales and paying the applicable administrative fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

- A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
- B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;
- C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;
- D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.0 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.1 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

2.2 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

3.0 SUPPLIER RESPONSE

Supplier must supply the following information in order for the Principal Procurement Agency to determine Supplier's qualifications to extend the resulting Master Agreement to Participating Public Agencies through OMNIA Partners.

3.1 Company

- A. Brief history and description of Supplier to include experience providing similar products and services.
- B. Total number and location of sales persons employed by Supplier.
- C. Number and location of support centers (if applicable) and location of corporate office.
- D. Annual sales for the three previous fiscal years.
 - a. Submit FEIN and Dunn & Bradstreet report.
- E. Describe any green or environmental initiatives or policies.
- F. Describe any diversity programs or partners supplier does business with and how Participating Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program. If there are any diversity programs, provide a list of diversity alliances and a copy of their certifications.
- G. Indicate if supplier holds any of the below certifications in any classified areas and include proof of such certification in the response:

- a. Minority Women Business Enterprise
 Yes No
 If yes, list certifying agency: _____
- b. Small Business Enterprise (SBE) or Disadvantaged Business Enterprise (DBE)
 Yes No
 If yes, list certifying agency: _____
- c. Historically Underutilized Business (HUB)
 Yes No
 If yes, list certifying agency: _____
- d. Historically Underutilized Business Zone Enterprise (HUBZone)
 Yes No
 If yes, list certifying agency: _____
- e. Other recognized diversity certificate holder
 Yes No
 If yes, list certifying agency: _____

H. List any relationships with subcontractors or affiliates intended to be used when providing services and identify if subcontractors meet minority-owned standards. If any, list which certifications subcontractors hold and certifying agency.

I. Describe how supplier differentiates itself from its competitors.

J. Describe any present or past litigation, bankruptcy or reorganization involving supplier.

K. Felony Conviction Notice: Indicate if the supplier

- a. is a publicly held corporation and this reporting requirement is not applicable;
- b. is not owned or operated by anyone who has been convicted of a felony; or
- c. is owned or operated by and individual(s) who has been convicted of a felony and provide the names and convictions.

L. Describe any debarment or suspension actions taken against supplier

3.2 Distribution, Logistics

A. Each offeror awarded an item under this solicitation may offer their complete product and service offering/a balance of line. Describe the full line of products and services offered by supplier.

B. Describe how supplier proposes to distribute the products/service nationwide. Include any states where products and services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas.

- C. Describe how Participating Agencies are ensure they will receive the Master Agreement pricing; include all distribution channels such as direct ordering, retail or in-store locations, through distributors, etc. Describe how Participating Agencies verify and audit pricing to ensure its compliance with the Master Agreement.
- D. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user.
- E. Provide the number, size and location of Supplier's distribution facilities, warehouses and retail network as applicable.

3.3 Marketing and Sales

- A. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier's primary go to market strategy for Public Agencies to supplier's teams nationwide, to include, but not limited to:
 - i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days
 - ii. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the OMNIA Partners team within first 90 days
- B. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, to include, but not limited to:
 - i. Creation and distribution of a co-branded press release to trade publications
 - ii. Announcement, Master Agreement details and contact information published on the Supplier's website within first 90 days
 - iii. Design, publication and distribution of co-branded marketing materials within first 90 days
 - iv. Commitment to attendance and participation with OMNIA Partners at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement
 - v. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners.

- vi. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement
- vii. Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.)
- viii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:

- OMNIA Partners standard logo;
- Copy of original Request for Proposal;
- Copy of Master Agreement and amendments between Principal Procurement Agency and Supplier;
- Summary of Products and pricing;
- Marketing Materials
- Electronic link to OMNIA Partners' website including the online registration page;
- A dedicated toll-free number and email address for OMNIA Partners

C. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

D. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.

E. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners. All sales materials are to use the OMNIA Partners logo. At a minimum, the Supplier's sales initiatives should communicate:

- i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency
- ii. Best government pricing
- iii. No cost to participate
- iv. Non-exclusive

F. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:

- i. Key features of Master Agreement
 - ii. Working knowledge of the solicitation process
 - iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
 - iv. Knowledge of benefits of the use of cooperative contracts
- G. Provide the name, title, email and phone number for the person(s), who will be responsible for:
 - i. Executive Support
 - ii. Marketing
 - iii. Sales
 - iv. Sales Support
 - v. Financial Reporting
 - vi. Accounts Payable
 - vii. Contracts
- H. Describe in detail how Supplier's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.
- I. Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program.
- I. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.
- J. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.
- K. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.
- L. Provide the Contract Sales (as defined in Section 10 of the OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").

\$ _____ .00 in year one
\$ _____ .00 in year two
\$ _____ .00 in year three

To the extent Supplier guarantees minimum Contract Sales, the administration fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

M. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

- i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).
- ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.
- iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).
- iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

Detail Supplier's strategies under these options when responding to a solicitation.

EXHIBIT F
FEDERAL FUNDS CERTIFICATIONS

FEDERAL CERTIFICATIONS
ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non-Federal entity that, consistent with 31 U.S.C. 6302-6305:

(a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non-Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;

(b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non-Federal entity in carrying out the activity contemplated by the Federal award.

(c) The term does not include:

(1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or

(2) An agreement that provides only:

(i) Direct United States Government cash assistance to an individual;

(ii) A subsidy;

(iii) A loan;

(iv) A loan guarantee; or

(v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non-Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

(a)(1) The Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or

(2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.

(b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.

(c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).

(d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non-Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

(a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;

(b) Is not organized primarily for profit; and

(c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non-Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non-Federal entity during the same or a future period.

Pass-through entity means a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is \$250,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following certifications and provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES AW Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract.

Does offeror agree? YES AW Initials of Authorized Representative of offeror

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES AW Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Does offeror agree? YES AW Initials of Authorized Representative of offeror

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

Does offeror agree? YES AW Initials of Authorized Representative of offeror

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? YES AW Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended— Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA)

Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

Does offeror agree? AW Initials of Authorized Representative of offeror

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the Executive Office of the President Office of Management and Budget (OMB) guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency, the offeror will notify the Participating Agency.

Does offeror agree? AW Initials of Authorized Representative of offeror

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

- (1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding \$100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

Does offeror agree? AW Initials of Authorized Representative of offeror

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. The offeror further certifies that offeror will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

Does offeror agree? AW Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

Does offeror agree? YES AW Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

Does offeror agree? YES AW Initials of Authorized Representative of offeror

CERTIFICATION OF ACCESS TO RECORDS - 2 C.F.R. § 200.336

Offeror agrees that the Inspector General of the Agency or any of their duly authorized representatives shall have access to any documents, papers, or other records of offeror that are pertinent to offeror's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to offeror's personnel for the purpose of interview and discussion relating to such documents.

Does offeror agree? YES AW Initials of Authorized Representative of offeror

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTORS

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Does offeror agree? YES AW Initials of Authorized Representative of offeror

Offeror agrees to comply with all federal, state, and local laws, rules, regulations and ordinances, as applicable. It is further acknowledged that offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.

P.L. 1995, c. 127 (N.J.A.C. 17:27)
MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE
CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

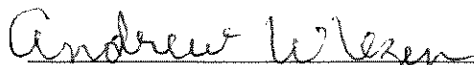

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

Signature of Procurement Agent

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

Certification of Non-Involvement in Prohibited Activities in Iran

Pursuant to N.J.S.A. 52:32-58, Offerors must certify that neither the Offeror, nor any of its parents, subsidiaries, and/or affiliates (as defined in N.J.S.A. 52:32 – 56(e) (3)), is listed on the Department of the Treasury’s List of Persons or Entities Engaging in Prohibited Investment Activities in Iran and that neither is involved in any of the investment activities set forth in N.J.S.A. 52:32 – 56(f).

Offerors wishing to do business in New Jersey through this contract must fill out the Certification of Non-Involvement in Prohibited Activities in Iran here:

http://www.state.nj.us/humanservices/dfd/info/standard/fdc/disclosure_investmentact.pdf.

Offerors should submit the above form completed with their proposal.

STATE OF NEW JERSEY -- DIVISION OF PURCHASE AND PROPERTY
DISCLOSURE OF INVESTMENT ACTIVITIES IN IRAN

Quote Number: 20-11

Bidder/Offeror: School Health Corporation

PART 1: CERTIFICATION

BIDDERS MUST COMPLETE PART 1 BY CHECKING EITHER BOX.

FAILURE TO CHECK ONE OF THE BOXES WILL RENDER THE PROPOSAL NON-RESPONSIVE.

Pursuant to Public Law 2012, c. 25, any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must complete the certification below to attest, under penalty of perjury, that neither the person or entity, nor any of its parents, subsidiaries, or affiliates, is identified on the Department of Treasury's Chapter 25 list as a person or entity engaging in investment activities in Iran. The Chapter 25 list is found on the Division's website at <http://www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf>. Bidders must review this list prior to completing the below certification. Failure to complete the certification will render a bidder's proposal non-responsive. If the Director finds a person or entity to be in violation of law, s/he shall take action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party

PLEASE CHECK THE APPROPRIATE BOX:

I certify, pursuant to Public Law 2012, c. 25, that neither the bidder listed above nor any of the bidder's parents, subsidiaries, or affiliates is listed on the N.J. Department of the Treasury's list of entities determined to be engaged in prohibited activities in Iran pursuant to P.L. 2012, c. 25 ("Chapter 25 List"). I further certify that I am the person listed above, or I am an officer or representative of the entity listed above and am authorized to make this certification on its behalf. I will skip Part 2 and sign and complete the Certification below.

OR

I am unable to certify as above because the bidder and/or one or more of its parents, subsidiaries, or affiliates is listed on the Department's Chapter 25 list. I will provide a detailed, accurate and precise description of the activities in Part 2 below and sign and complete the Certification below. Failure to provide such will result in the proposal being rendered as non-responsive and appropriate penalties, fines and/or sanctions will be assessed as provided by law.

PART 2: PLEASE PROVIDE FURTHER INFORMATION RELATED TO INVESTMENT ACTIVITIES IN IRAN

You must provide a detailed, accurate and precise description of the activities of the bidding person/entity, or one of its parents, subsidiaries or affiliates, engaging in the investment activities in Iran outlined above by completing the boxes below.

EACH BOX WILL PROMPT YOU TO PROVIDE INFORMATION RELATIVE TO THE ABOVE QUESTIONS. PLEASE PROVIDE THOROUGH ANSWERS TO EACH QUESTION. IF YOU NEED TO MAKE ADDITIONAL ENTRIES, CLICK THE "ADD AN ADDITIONAL ACTIVITIES ENTRY" BUTTON.

Name _____	Relationship to Bidder/Offeror _____
Description of Activities _____	
Duration of Engagement _____	Anticipated Cessation Date _____
Bidder/Offeror Contact Name _____	Contact Phone Number _____

ADD AN ADDITIONAL ACTIVITIES ENTRY

Certification: I, being duly sworn upon my oath, hereby represent and state that the foregoing information and any attachments thereto to the best of my knowledge are true and complete. I attest that I am authorized to execute this certification on behalf of the above-referenced person or entity. I acknowledge that the State of New Jersey is relying on the information contained herein and thereby acknowledge that I am under a continuing obligation from the date of this certification through the completion of any contracts with the State to notify the State in writing of any changes to the answers of information contained herein. I acknowledge that I am aware that it is a criminal offense to make a false statement or misrepresentation in this certification, and if I do so, I recognize that I am subject to criminal prosecution under the law and that it will also constitute a material breach of my agreement(s) with the State of New Jersey and that the State at its option may declare any contract(s) resulting from this certification void and unenforceable.

Qualification and Experience

- i. We are a national, full-service provider of health supplies and services to health professionals in educational settings from pre-school to college. We collaborate with customers and are an advocate for the health and wellness of those entrusted in their care. At School Health, we maintain the integrity in each of our interactions by always keeping our mission and value statements in mind.

Since our founding in 1957, School Health has been dedicated to helping school-based health professionals keep their students healthy. We all know that healthier students are better students. From our initial focus on school nurses, we have expanded to serve athletic trainers, early childhood specialists and special needs educators.

Our comprehensive offering includes health supplies, sports medicine equipment, early childhood products, physical education, recreation and athletic products and special needs aids. School Health goes beyond merely supplying products, providing product support, training, advisory services and exceptional customer care.

Our Corporate office is located at 5600 Apollo Drive, Rolling Meadows, IL 60008

- ii. School Health Corporation has been doing business with school nurses for over 60 years. We have built a great reputation in the industry with the exceptional service we provide. Here are some thoughts from our customers:
 - a. "You had the items we needed, service was fast and ordering was easy. This made my life easier and I appreciate that."
 - b. "Working with my rep is fantastic. She does a great job and is fun to work with. Give her a raise!"
 - c. "I have used School Health at different locations since I entered school nursing 17 years ago. I have found the service, products and timeliness of delivery to be unmatched by other companies I have had to order from. I often recommend your company to other business units and other school nurses."
- iii. School Health offers the latest and most innovative products offered in this market. We have several product managers dedicated to their respective markets, working with our vendors to offer the newest products available at a competitive price. Our product managers work closing with our sales team by supporting product demo's and offering additional support when meeting with our customers.

- iv. School Health Corporation has several individuals supporting this contract with several years of market experience.
 - a. Sales – Gina Streepy (National Accounts Manager, 25 years of market experience)
 - b. Sales – Christine Carlton (Texas Sales Representative, 9 years of market experience)
 - c. Sales – Rachel Hodges (Texas Sales Representative, 2 years of market experience)
 - d. Sales Support – Gail Kinateder (National Accounts Support, 18 years of market experience)
 - e. Sales Reporting – Andrew Wlezen (Contract Sales Supervisor, 23 years of market experience)
 - f. Executive Support – John Rooney (Vice President of Sales, 11 years of market experience)
- v. School Health Corporation has worked with several government agencies and will provide references.
- vi. School Health Corporation does not have any past litigation, bankruptcy, reorganization, state investigations of entity or current officers and directors.

- viii. Online/Technology Capabilities – School Health has a fully functional website which provides useful product information and pictures, allows ordering and purchasing products through the site. There is a supply list function that allows customers to create and maintain lists of items they'd like to purchase or items purchased frequently. There is also a virtual catalog, online order form and the ability to send quote requests and product requests. School Health utilizes powerful technology to service our ecommerce customers. First, we are proud to say our website is the best in the industry. Shoppers can find operating manuals, MSDS, FAQ's, videos and more to help them make their buying decisions without ever having to leave the page. OMNIA Partnerns customers will have the most up to date information at their fingertips 24/7. We have also installed advanced search and navigation features so that locating a product on the site is quicker and easier than ever. Additionally, customers have the ability to create their own personal account on the site and can save multiple shipping addresses to their address book, making it easy to checkout and order from us again and again. Other features include Live Chat, the ability to create and save supply lists for easy supply ordering, the ability to create large orders easily using the order by item number feature and the ability to ship to multiple addresses from one shopping cart. For our contract customers, we have the ability to offer contract pricing online with the option of a dedicated landing page and virtual store where customers can shop their specific contract products and see their discounts as they shop.

Value Add

School Health Corporation has sales reps located throughout the country, an Inside Sales team and Customer Care Center predicated on providing exceptional service. Please reference the OMNIA Partners Contract # 20-11 or School Health# 3793158 when inquiring on pricing or looking to place an order. This will ensure members receive the proper pricing. School Health accepts all forms of purchase orders: faxed, emailed, paper, website and over the phone. We offer Net 30 terms on all OMNIA Partners purchases and also accepts payment via American Express, MasterCard, Discovery and VISA. School Health has product managers that cover Athletic Supplies and PE Supplies to make sure we are offering to newest and most innovative products on the market. We run several marketing campaigns and publish different catalogs throughout the year.

In partnering with OMNIA Partners, the School Health customers benefit from this National contract on many levels. First, the contract awards our customers the ability to purchase over 20,000 quality products, equipment and supplies on a National level pricing scale. A School Health customer benefits by having a dedicated and fully trained Sales and Customer Care team assigned to each territory. We assist with product questions, training and services without additional cost to the end user. Our staff regularly researches state mandates to anticipate questions, source products or equipment to meet state requirements prior to the specified date of a law taking effect.

The School Health team can be a huge asset to our customers by taking excellent service to the next level, saving their administration time and money, and relieving them of the expensive bid process. School Health Corporation carries and supports the widest spectrum of products and services in the market for healthcare customers including but not limited to: athletic, physical education, bleeding control kits, diagnostic equipment, emergency response/first aid kits, healthcare furniture, infection control, medical equipment & supplies, nursing supplies, patient supplies, respiratory, simulators/manikins and speech therapy solutions.

School Health provides support/training for all health/medical equipment sold. School Health's highly trained certified technicians located in our Calibration, Parts and Repair department are able to provide customers with vision and hearing product information as needed, as well as product calibrations and repairs. School Health's highly trained sales staff will arrange for product in-services upon customer request. Many products,

5600 Apollo Drive, Rolling Meadows, Illinois 60008
Phone 866-323-5465 | Fax 800-235-1305

such as AED's, can be sold with program management services through the OMNIA Partners contract which make training available to product end users. Our customer training is described in the School Health Mission Statement:

School Health's mission is to offer medical products and supplies that are innovative and exceptionally well made, which are supported with competitive pricing, education on how to best use these products and reliable services. By providing this unique service, we help our customers improve the health and well being of those entrusted in their care.

The following is a sample list of product trainings/services that are a "value add" to customers:

- Vision screening
- Hearing Screening
- Software Tracking (concussions, vision, student management)
- Included calibrations
- WA Partners in Care
- SECA – Partner Program
- AED site assessments, equipment training, program management

Other value added programs referenced are custom website creation and management, grant writing assistance, freight consolidation and more.

ACKNOWLEDGMENT AND ACCEPTANCE
OF REGION 4 ESC's OPEN RECORDS POLICY

OPEN RECORDS POLICY

All proposals, information and documents submitted are subject to the Public Information Act requirements governed by the State of Texas once a Contract(s) is executed. If an Offeror believes its response, or parts of its response, may be exempted from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt and include detailed reasons to substantiate the exemption. Price is not confidential and will not be withheld. Any unmarked information will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Signature below certifies complete acceptance of Region 4 ESC's Open Records Policy, except as noted below (additional pages may be attached, if necessary).

Check one of the following responses to the Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy below:

- We acknowledge Region 4 ESC's Open Records Policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.
- We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act.

(Note: Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Offeror must include detailed reasons to substantiate the exemption(s). Price is not confidential and will not be withheld. All information believed to be a trade secret or proprietary must be listed. It is further understood that failure to identify such information, in strict accordance with the instructions, will result in that information being considered public information and released, if requested under the Public Information Act.)

Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Starting on January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. This process is known as acknowledging the certificate. The commission will post the acknowledged Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. The posted acknowledged form does not contain the declaration of signature information provided by the business.

A certificate will stay in the pending state until it is acknowledged by the governmental agency. Only acknowledged certificates are posted to the commission's website.

My name is Andrew Wlezen, and my date of birth is 7/3/1982.

My address is 5600 Apollo Drive, Rolling Meadows, IL, 60008, USA.
(street) (city) (state) (zip code) (country)

I declare under penalty of perjury that the foregoing is true and correct.

Executed in Cook County, State of IL, on the 13 day of July, 2020.
(month) (year)

Andrew Wlezen
Signature of authorized agent of contracting business entity
(Declarant)

Texas Government Code 2270 Verification Form

House Bill 89 (85R Legislative Session), which adds Chapter 2270 to the Texas Government Code, provides that a governmental entity may not enter into a contract with a company without verification that the contracting vendor does not and will not boycott Israel during the term of the contract.

Furthermore, Senate Bill 252 (85R Legislative Session), which amends Chapter 2252 of the Texas Government Code to add Subchapter F, prohibits contracting with a company engaged in business with Iran, Sudan or a foreign terrorist organization identified on a list prepared by the Texas Comptroller.

I, Andrew Wlezen, as an authorized representative of

School Health Corporation, a contractor engaged by

Insert Name of Company

Region 4 Education Service Center, 7145 West Tidwell Road, Houston, TX 77092, verify by this writing that the above-named company affirms that it (1) does not boycott Israel; and (2) will not boycott Israel during the term of this contract, or any contract with the above-named Texas governmental entity in the future.

Also, our company is not listed on and we do not do business with companies that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations found at <https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf>.

I further affirm that if our company's position on this issue is reversed and this affirmation is no longer valid, that the above-named Texas governmental entity will be notified in writing within one (1) business day and we understand that our company's failure to affirm and comply with the requirements of Texas Government Code 2270 et seq. shall be grounds for immediate contract termination without penalty to the above-named Texas governmental entity.

I swear and affirm that the above is true and correct.

Andrew Wlezen

NOTICE TO OFFEROR

ADDENDUM NO. 3

Solicitation Number 20-11

Request for Proposal ("RFP")
by Region 4 Education Service Center ("ESC")
for Athletic, Physical Education Supplies, and Team Uniforms

This Addendum No. 3 amends the Request for Proposals (RFP) for Athletic, Physical Education Supplies, and Team Uniforms and Services 20-11 ("Addendum"). To the extent of any discrepancy between the original RFP and this Addendum, this Addendum shall prevail.

Region 4 Education Service Center ("Region 4 ESC") requests proposals from qualified suppliers with the intent to enter into a Contract for Athletic, Physical Education Supplies, and Team Uniforms. Addendum No. 3 is hereby issued as follows:

CHANGES TO THE RFP

1. Page 6, Section 5

To waive the bond copy requirement, remove Section 5. Proposal Format and replace with the following:

Proposal Format: Proposals must contain two (2) electronic copies on flash drives with signed copies of the solicitation. Offeror must also submit two (2) electronic proposals free of propriety information to be posted, if awarded a Contract. Offerors may also provide two (2) bound and signed original copies of the solicitation, however bound copies are not required.

Only sealed responses will be accepted. Faxed or electronically transmitted responses will not be accepted. Sealed responses may be submitted on any or all items, unless stated otherwise.

If bound copies are provided, responses should be provided in a three-ring binder or report cover using 8.5 x 11 paper clearly identified with the name of the Offeror's company and the solicitation name and number on both the outside front cover and vertical spine.

Tabs should be used to separate the proposal into sections. The following items identified must be included behind the tabs listed below. Each section should contain both the section of the RFP referenced and the Offeror's response to that section. Offerors failing to organize in the manner listed may be considered non-responsive and may not be evaluated.

2. Required Documents with Notary

Any document requiring appearance before a notary shall be waived until a later date or upon Region 4 ESC request.

RECEIPT OF ADDENDUM NO. 3 ACKNOWLEDGEMENT

Offeror shall acknowledge this addendum by signing below and include in their proposal response.
