## Benefits of Purchasing Workwear from ServiceWear Apparel

We offer industry leading selection and quality, plus one-on-one service from our account management team you won't find anywhere else. Read below for more benefits of purchasing workwear for non-profit personnel from ServiceWear Apparel.

### We Do the Work for You

Our Account Management Team takes care of everything throughout the entire process setting ServiceWear Apparel apart from all other uniform companies you've ever worked with.

### Guaranteed Best Pricing

OMNIA Partners participating non-profits have access to our most competitive pricing — discounted at 42.5%.

### Selection

ServiceWear Apparel offers over 75,000 styles, sizes and colors of uniform garments, with over 15 million pieces of inventory in stock daily.

### Garment Customization

We have 300 dedicated customization operators working onsite, embroidering more than 1.7 million logos annually. The OMNIA Partners contract offers free pant hemming and no setup charge for embroidered logos.

### No Nonstock or Oversize Charges

Additional charges for nonstock and oversize garments above XL typically represent up to 30% of a uniform budget. Using this contract eliminates these additional costs.

### Guaranteed Quality Assurance

We guarantee all products will be free from workmanship and material defects for one year.

### Flexible Ordering

There are four easy ways to place an order: email or fax your order to us, place it online or call customer service.

### A Perfect Fit

Our manufacturer pioneered the use of "Fit Sets." Fit sets are a proven method for getting the right fit for all employees. Unlike having to send employees to a store during working hours, the fit sets may be used right at your agency.

### Order Fulfillment

Unlike most uniforms programs requiring 4 to 6 weeks, the average turnaround time on our garments, even those requiring embroidery and other customization, is only 10 to 14 days.

### Piggyback Off Of This Competitively Solicited Contract

Region 4 Education Service Center (ESC) in Houston, Texas is ServiceWear Apparel's lead public agency. Region 4 ESC is one of the largest regional education service centers in the nation. Our OMNIA Partners contract (#R210102) is effective through May 31, 2026.

### Contract Flexibility

All of OMNIA Partners public agency contracts are voluntary usage. You have no long-term legal obligation to use the contract if you are not 100% satisfied.
