Height Adjustable Bases

Activ Pro 2.0

Activ Pro, our flagship height adjustable desk, is evolving and getting an update to the new Activ Pro 2.0. It's everything you've loved about Activ Pro but better. Activ Pro 2.0 will have an adjusted BIFMA height range to support the widest range of users, improved install times that are 40% faster, and built-in cable management contained within all the bases. All this, at the same great price point!
