May 1, 2022 - Price List & Prevailing Wage Increases

This memo will serve as notice that a 20% list price increase for both Agreements, UC Campus and the National Agreement (Omnis Partners) has been agreed to by the University of California. As Steelcase is honoring the UCOP agreement which allows for a price increase no more frequently than once per 12-month period. The University of California Campus pricing will be affected by this Price Adjustment commencing on May 1, 2022. The last Price Adjustment took place on May 1, 2021. The Price Adjustment for the National Program will take effect on April 18, 2022 and will be considered the “Current National Price List/Price Book” for all pricing.

In addition, Steelcase has notified UC to an increase to California Prevailing Wages which have increased 6% in an Hourly Rate Adjustment. This Prevailing Wage determination is provided by the California Department of Industrial Relations (DIR) and specifically affects the UC Program for Dealer Services (Design, Project Management, and Standard Installation Labor).

All other terms and conditions of the agreement shall remain in full unless changed, altered, or amended on a formal contract amendment signed by both parties per the requirements of the contract.

Thank you,
