

Request for Vendor Contract Update

Pursuant to the terms of your awarded vendor contract, all vendors must notify and receive approval from Region 4/OMNIA Partners, Public Sector when there is an update in the contract. No request will be officially approved without the prior authorization of Region 4. Region 4 reserves the right to accept or reject any request.

STERLING INFOSYSTEMS, INC. dba STERLING hereby provides notice of the following update to
(Vendor Name)

Contract number: #R191303 for Pre-Employment Background Screening, Related Products and Services on this date October 14, 2021.
Contract Title

Instructions: Vendors must check all that may apply and shall provide supporting documentation. Place your initials next to each item to confirm that documents are indeed included. Request received without supporting documentation will be returned. Be sure to sign prior to submitting your update for approval. **This form is not intended for use if there is a material change in operations, which may adversely affect members, i.e. assignment, bankruptcy, change of ownership, merger, etc. Please contact a member of the OMNIA Partners Contracting Team to request a "Notice of Material Change to Vendor Contract" form.**

COVID-19 SCREENING

Test	Description	Price	Sterling Platform	Notes
COVID-19 Active Virus At-Home Remote- Observed Self-Collect Saliva Kit PRODUCT CODE: DSPSD396	Observed at-home/self-collect molecular diagnostic test, using saliva, for symptomatic and asymptomatic COVID-19 virus testing. Collection to be observed by a trained remote observer. In addition to Sterling's administrative fee, cost includes lab testing, ordering physician, device, observer, shipment to patient, and shipment of sample to lab. Test is FDA EUA authorized. Client will be charged at the time kit is ordered.	\$200.00	Screening Direct	
COVID-19 Active Virus Bulk Order Remote- Observed Self-Collect Individual Return Saliva Kit PRODUCT CODE: DSPSD403	Bulk order of self-collect molecular diagnostic tests, using saliva, for symptomatic and asymptomatic COVID-19 virus testing. Collection to be observed by a trained remote observer. In addition to Sterling's administrative fee, cost is per test kit and includes lab testing, ordering physician, device, observer, and shipment of sample to lab. Test is FDA EUA authorized. Additional shipping costs of \$60 for any quantity up to 50 apply to a location designated by client. Additional shipping charges may apply to kits shipped outside the continental United States. Client will be charged at the time kit is ordered.	\$174.75	Screening Direct	CHILD PRODUCT CODE: DSPSD404 - this is the result and can be priced at \$0

<p>COVID-19 Active Virus Unobserved Self-Collect At-Home Saliva Kit CRL PRODUCT CODE: DSPSD420</p>	<p>Unobserved at-home/self-collect molecular diagnostic test, using saliva, for asymptomatic COVID-19 virus testing. Asymptomatic screening tests should be used for ongoing screening when the subject is not exhibiting symptoms and there is no known exposure to the virus. This test may include pooling of samples following the FDA recommended guidelines. Lab results will indicate when a pooled testing process was used and possible limitations of the testing method. In addition to Sterling's administrative fee, cost includes lab testing, ordering physician, device, shipment to patient, and shipment of sample to lab. Test is FDA EUA authorized. Test results that consistently exceed a positivity rate of 3% over time may be considered symptomatic, may be deemed ineligible for this product and may require Individual testing. Client will be charged at the time kit is ordered.</p>	<p>\$145.00</p>	<p>Screening Direct</p>	
<p>COVID-19 Active Virus Unobserved Self-Collect Bulk Order Saliva Kits CRL PRODUCT CODE: DSPSD421</p>	<p>Bulk order of saliva self-collect molecular diagnostic test kits for symptomatic and asymptomatic COVID-19 virus testing. Collection will not be observed but instructional material can be made available upon request. In addition to Sterling's administrative fee, cost includes devices (box of 10), ordering physician, shipment to client location, and shipment of sample to lab. Test is FDA EUA authorized. Additional shipping charges may apply to kits shipped to Puerto Rico. Separate charges for laboratory testing coordination, testing, and results reporting are provided below. Note that this is only for the ordering of the test kits. You will need to order testing of the bulk kits appropriately depending on the type of testing program you're implementing.</p>	<p>\$240.00</p>	<p>Screening Direct</p>	<p>CHILD PRODUCT CODE: DSPSD422 - this is the result and can be priced at \$92 (See line below)</p>

<p>COVID-19 Active Virus Testing & Kit Result CRL PRODUCT CODE: DPSD422</p>	<p>Individual reporting of an individual bulk order unobserved self-collect lab-based molecular test, using saliva, for asymptomatic COVID-19 virus testing. Asymptomatic screening tests should be used for ongoing screening when the subject is not exhibiting symptoms and there is no known exposure to the virus. This test may include pooling of samples following the FDA recommended guidelines. Lab results will indicate when a pooled testing process was used and possible limitations of the testing method. In addition to Sterling's administrative fee, cost includes laboratory testing and reporting. Client will be charged at the time test is processed by laboratory. Test results that consistently exceed a positivity rate of 3% over time may be considered symptomatic, may be deemed ineligible for this product and may require Individual testing.</p>	<p>\$92.00</p>	<p>Screening Direct</p>	
<p>COVID-19 Vaccine Collection with Operations PRODUCT CODE: COVIDVAC2</p>	<p>Covid-19 Vaccine Collection and Tracking is a centralized, tech-enabled solution that collects Covid-19 vaccination status.</p> <p>In Candidate Hub, checks if Personal Identifiable Information (PII) provided by the individual matches first name, last name, date of birth (DOB) that is on vaccination document and that the attachment appears to be a vaccination record. <i>This is not a validation/verification/authentication of the vaccination card.</i></p> <p>Participating Member can conveniently pull aggregate vaccine collection results via standard report.</p>	<p>\$4.00 per employee per month</p>	<p>Screening Direct</p>	<p>PRODUCT CATEGORY: VER-03924</p>
