

Yes. You *do* have options.

Benefit Vendors

OPTIONS. OPTIONS. OPTIONS.

OMNIA
PARTNERS

VENDOR CHOICES ALLOW YOU TO CHOOSE WHAT'S BEST FOR YOUR DISTRICT

Armed with a top-notch, reputable vendor list, the OMNIA Partners / Region 4 ESC 125 Co-op, in correlation with First Financial Group of America (FFGA) and TCG Consulting, is here to give you the best options for you and your employees. It is our goal to offer your district multiple vendor bids per benefit—allowing you the opportunity to choose what is offered to your employees. FFGA will present these vendor bids on benefit-comparison spreadsheets for easy review by your decision-making team.

We only bring you the "A" list after a rigorous RFP selection process, managed by the OMNIA Partners / Region 4 ESC - 125 Cooperative. It helps weed out the "B" and "C" players in the benefits world. It's completely up to you—we have no vested interest in which of the approved vendors you choose, as long as you get the service you need.

WE'RE INVESTED IN YOUR DISTRICT

As your benefits experts, once you have selected the collection of vendors which fit best with your employees' desires, we'll craft a detailed plan-of-action with you to announce your district's Open Enrollment period—from email blasts, flyers, and postcards, to a 24/7 on-line Reference Center and an Open Enrollment Summary. We can offer a schedule of on-site FFGA Benefits Advisors, who are experts in educating and assisting employees on what might best suit their individual needs.

WE ARE PASSIONATE ABOUT CUSTOMER SERVICE

Always available as the single point of contact for your employees on all benefit issues, FFGA's high-touch approach to customer service enforces the strong message that *they matter*. This commitment to service starts with educational meetings with our Benefits Advisors and continues with our dedicated customer service team who will stay diligent until your employees' questions are answered. With 24/7 on-line access and on-going education your employees will feel engaged and confident in their benefit choices.

GIVE US A CALL

You place a high value on your employees' benefit choices, and with FFGA/TCG on your side it's easy to provide a solution tailored to your district's needs—thanks to the choices that we explore for you.

Many services are available through the 125 Co-op, such as 125 Administration, 125 Cafeteria plan documents, FSA (Flexible Spending Accounts) / HSA (Health Savings Accounts), bill processing and reconciliation, COBRA Services, and more.

It can be challenging to implement the ideal benefit package for your employees. Let the experts at FFGA/TCG help.
