Comprehensive Solutions for Government Organizations

ABOUT US

TCG was established in 2000 and was built with the goal of delivering solid and consistent risk-adjusted performance by employing well-defined and repeatable investment processes. Today, TCG serves over 600,000 individuals across hundreds of plans in local government sectors. Everything we do is accomplished in-house by a team of professionals dedicated to providing you and your employees elite customer service.

WHY CHOOSE US?

-  We provide sophisticated investment and consulting solutions
-  We act as fiduciaries with a legal duty to act in our clients' best interest
-  TCG is able to act as a third party consultant or as the plan provider.
