Awarded to:

The University of California Department of Procurement issued RFP 002215 on January 20, 2021, to select multiple suppliers to support UC locations including campuses, medical centers, national laboratories, the Office of the President its affiliates and California State College (CSU) for Information Technology (IT) Temporary and Professional Services.

The Regents of the University of California partners with OMNIA Partners to include a national cooperative purchasing opportunity and the solicitation included cooperative purchasing language in Sections II: Introduction to the Request For Proposal:

The University of California, as the Principal Procurement Agency, defined in the National Requirements Document (see OMNIA Partners Exhibit A within CalUsource), has partnered with OMNIA Partners to make the resultant contract (also known as the “Master Agreement” in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through OMNIA Partners’ cooperative purchasing program. The University of California is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a “Participating Public Agency”). The National Requirements Documents (Exhibits A-H under Guidelines) contains additional information about OMNIA Partners and the cooperative purchasing agreement.
