

2025

Company Overview

Over 20 years of experience creating IT environments that are agile, modern and compliant.

Technologent is a women-owned, WBENC-certified and global provider of Information Technology solutions and services for Fortune 1000 companies. With our internationally recognized technical and sales team and well-established partnerships between the most cutting-edge technology brands, Technologent powers your business through a combination of foundational IT disciplines: **Data, Artificial Intelligence, Cloud** and **Security**.

Together with **Service Provider Solutions, Financial Services, Professional Services** and our people, we're paving the way for your business operations with advanced problem-solving that isn't just reactive, but forward-thinking and future-proof.

Ready to embark on your digital transformation? Visit www.technologent.com and discover how Technologent will partner with you on your journey.

LET'S MOVE FORWARD

What Makes Us Unique

1. **Experts in CXO Concerns:** From Cloud Stacks and Containers to DevOps and Bimodal IT.
2. **Thinking Beyond IT:** We deliver business outcomes for IT modernization and connect all components of a software-defined datacenter.
3. **Customers For Life:** We are agile, responsive and trusted.

By the Numbers

- **300+** Employees and growing
- **1000+** Technical certifications
- **20+** Years of pre-/post-sale engineering experience on average per staff
- **3:1** Sales Engineer to Sales Rep ratio
- **14+** Offices in the US in addition to a Global Customer Base
