Contract Number

43210000-23-OMNIA-ACS-TX

Provided Under the Agreement

ThunderCat holds the OMNIA Partners Technology Solutions, Products and Services Contract for the State of Florida. OMNIA Partners is the largest and most experienced cooperative purchasing group for SLED and is comprised of former public procurement officials and experts. With this award, ThunderCat has a National Cooperative Contract allowing us to sell technology products to all public bodies in the State of Florida.

Term of the Agreement

The Division of State Purchasing announces a new alternate contract source for Technology Solutions, Products and Services (4321000-23-OMNIA-ACS-TX), which is effective from May 31, 2023, through May 31, 2024. This alternate contract source includes the purchase or lease (as permitted by state and local requirements) of technology products/equipment and services/solutions that are not available under existing state term contracts, including: computer accessories, computer hardware, computer peripherals, computer software, copy/digital printing solutions, cyber security solutions, data storage, digital duplicators, enterprise computing solutions, enterprise software solutions, facsimile systems, healthcare solutions, mobile evidence capture solutions, multifunction office machines, network security solutions, networking products, physical security solutions, printers, scanners, server consolidation solutions, storage consolidation solutions, unified communications solutions, voice products and accessories, wide area network products, and wide format copiers. If you have any questions or require assistance, please contact Matt East.
