

Reduce cleaning complaints Increase workplace satisfaction

Improve cleaning quality and efficiency with Tork sustainable hygiene solutions

70%
of cleaners say that if dispensers were quicker and easier to refill, they'd have more time for other cleaning tasks¹

Improve cleaning quality with a **tailor-made selection of hygiene products, services, tools and support**

Ensure consistent hygiene delivery with **easy-to-refill, high-capacity systems**

Tork sustainable hygiene solutions help:
.....

1. Run restrooms well and efficiently
2. Free up time to clean in other areas
3. Reduce complaints

Tork office hygiene solutions – smart, efficient, sustainable

Reduce complaints by improving cleaning efficiency. Less time spent on restrooms frees up cleaners' time to clean in other areas for better overall cleaning performance. **As 86% of employees say, cleanliness is the most important aspect of a good work environment.¹**
