

OMNIA PARTNERS

OMNIA Partners is dedicated to ensuring our contracts provide the value we promise to our end-using Agencies. We continually work with our Supplier Partners to complete benchmarking exercises to demonstrate the savings available through our contracts and verify the Supplier's commitment to make their OMNIA Partners offering their best overall price.

TAPCO (Traffic & Parking Control Co., Inc.) is an industry leading manufacturer that is dedicated to innovative manufacturing, distribution and servicing of traffic, parking and safety products. TAPCO offers a wide variety of innovative and green products such as our patented solar powered Blinker™ line of products. Additionally, TAPCO manufactures, distributes, and services a complete A--to--Z selection of traffic control commodities.

This benchmark comparison was completed based on a comparison between another National cooperative contract pricing and TAPCO's OMNIA Partners contract which was competitively awarded.

National Cooperative Contract vs. OMNIA Partners 5% savings provided through OMNIA Partners

A 5% fixed base percentage discount, with delivery cost included (FOB Destination), is offered off TAPCO's established market sensitive catalog prices. When additional details and quantities are known, TAPCO will potentially be able to provide additional pricing considerations on a case by case basis.
