Complete confidence.

**LEARN MORE**

To find out how you can rise to the top with TransUnion, please call [888-710-0270](tel:888-710-0270) or visit [transunion.com/industry/background-screening/tenant-background-screening](https://transunion.com/industry/background-screening/tenant-background-screening).

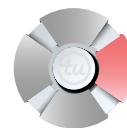

**TruVision Resident Screening:** What if you could make clear screening decisions with complete confidence in less than 60 seconds?

- Complete one simple page to get clear, more concise screening results
- Integrates with popular property management systems

**TruVision Resident Score:** What if you could protect your properties from risky applicants, while finding the great residents other models turn away?

- Use the model built specifically for the multi-family industry that predicts rental outcomes
- Reduce skips and evictions by up to 7%

**TruValidate Resident ID:** What if you could spot fraud before an applicant moves in?

- Effortlessly flag suspicious identities while approving good applicants faster
- Use layered, data-driven defenses to help stop applicant fraud

**TruIQ Renter Analytics:** What if you could make investment and operational decisions based on data, not intuition?

- Get more accurate and up-to-date demographic data beyond property management systems
- Manage your assets and calibrate resident quality objectives instantly

**TruVision Resident Credit:** What if you could help your residents build their credit histories?

- Report rent payments on your residents' credit reports
- Attract qualified applicants who care about their credit
