Notes: Vendor may include any other notes regarding the material change here: (attach another page if necessary).

Vendor name change from Trendway Corporation to Fellowes, Inc.

Provided is Fellowes, Inc. W-9, Press Release, and the GSA Novation Agreement.

Upon approval of this notice, the awarded contract holder and/or subsequent assignee agree to and understand the following principles:

i. **Contract holder reference.** If the contract holder undergoes a merger, acquisition, or partial assignment, in which case they still maintain the contract, then all transactions made under the existing contract number (including purchase orders) must reference the name of the awarded contract holder. The exception to this requirement is if the contract holder no longer holds the contract or if the company has been acquired by another company and undergone a name change. Notice of the authorized name change, to the existing contract, must be provided and approved by Region 4.

In instances where the contract holder has acquired a separate and distinct company, and it is necessary to designate those certain purchases facilitated by the non-contract holder, then this designation may be made if, and only if, the contract holder is also referenced on the transaction.

ii. **Maintenance of records.** Both the awarded contract holder and subsequent assignee agree to remain responsible for maintaining all auditable records, including documents kept in the ordinary course of business and sales invoices, related to OMNIA Partners, Public Sector and/or contract number pursuant to the statutory requirements identified in the vendor contract.

iii. **Payments.** Both the awarded contract holder and subsequent assignee agree that all payments made by participating entities must be made directly to the contract holder, unless otherwise approved by Region 4. Accordingly, both parties acknowledge that in instances where it is necessary to designate the purchases facilitated by assignee, that the contract holder must also be referenced on the purchase order.

iv. **Handling of Proprietary and/or Confidential Information.** In accord with the terms of the contract, both awarded vendor and assignee agree that at all times it will hold in strict confidence and not disclose to any third party Confidential and/or Proprietary information of Region 4, except as approved in writing by Region 4, and will use the Confidential Information for no purpose other than providing services under the contract. Both awarded vendor and assignee shall only permit access to Confidential Information to those of its employees or authorized representatives having a need to know and who have signed confidentiality agreements or are otherwise bound by confidentiality obligations at least as restrictive as those contained herein.

This document is to be construed in strict accordance with the terms and conditions outlined in the Region 4/vendor master agreement referenced herein. Both awarded vendor and assignee agree to uphold the vendor obligations set forth in the vendor agreement. This Agreement will become effective when signed by all parties.

**NOVATION AGREEMENT**

**BY AND AMONG**

**FELLOWES, INC.**

**AND**

**TRENDWAY CORPORATION**

**AND**

**GENERAL SERVICES ADMINISTRATION**

**Dated as of March 22, 2023**

Trendway Corporation ("Trendway" or "Transferor"), a corporation that was duly organized under Michigan law with its principal place of business in Michigan; Fellowes, Inc. ("Fellowes" or "Transferee"), a corporation duly organized under Illinois law with its principal place of business in Illinois; and the General Services Administration ("United States of America" or "Government") enter into this Novation Agreement effective as of March 22, 2023.

(a) The parties agree to the following facts:

(1) The Government, represented by various Contracting Officers of the General Services Administration, has entered into certain contracts with the Transferor, as shown in the attached list marked '**Exhibit A**' and incorporated into this Agreement by reference. The term "the contracts," as used in this Agreement, means the contracts and purchase orders set forth in **Exhibit A** made between the Government and the Transferor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Transferor has any remaining rights, duties, or obligations under these contracts and purchase orders). Included in the term "the contracts" are also all modifications made under the terms and conditions of these contracts and purchase orders between the Government and the Transferee, on or after the effective date of this Agreement.

(2) As of March 3, 2023, the Transferor has transferred to the Transferee all the assets of the Transferor by virtue of an Assignment and Assumption Agreement between the Transferor and the Transferee, attached as **Exhibit B**.

(3) The Transferee has acquired the contracts of the Transferor set forth in **Exhibit A** by virtue of the above transfer.

(4) The Transferee has assumed all obligations and liabilities of the Transferor under the contracts by virtue of the above transfer.

(5) The Transferee is in a position to fully perform all obligations that may exist under the contracts.

(6) It is consistent with the Government's interest to recognize the Transferee as the successor party to the contracts.

(7) Evidence of the above transfer has been filed with the Government.

(b) In consideration of these facts, the parties agree that by this Agreement-

(1) The Transferor confirms the transfer to the Transferee, and waives any claims and rights against the Government that it now has or may have in the future in connection with the contracts.

(2) The Transferee agrees to be bound by and to perform each contract in accordance with the conditions contained in the contracts. The Transferee also assumes all obligations and liabilities of, and all claims against, the Transferor under the contracts as if the Transferee were the original party to the contracts.

(3) The Transferee ratifies all previous actions taken by the Transferor with respect to the contracts, with the same force and effect as if the action had been taken by the Transferee.

(4) The Government recognizes the Transferee as the Transferor's successor in interest in and to the contracts. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor in and to the contracts as if the Transferee were the original party to the contracts. Following the effective date of this Agreement, the term "Contractor," as used in the contracts, shall refer to the Transferee.

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

(6) All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the contracts, shall be considered to have discharged those parts of the Government's obligations under the contracts. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government's obligations under the contracts, to the extent of the amounts paid or reimbursed.

(7) The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer or this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the contracts.

(8) The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee-

(i) Assumes under this Agreement; or

(ii) May undertake in the future should these contracts be modified under their terms and conditions. The Transferor waives notice of, and consents to, any such future modifications.

(9) The contracts shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement as of the day and year first above written.

## ASSIGNMENT AND ASSUMPTION AGREEMENT

This Assignment and Assumption Agreement (this “**Agreement**”), dated as of March 3, 2023, is made by and between Trendway Corporation, a Michigan corporation (“**Assignor**”), and Fellowes, Inc., an Illinois corporation (“**Assignee**”, and together with the Assignor, collectively, the “**Parties**”).

A. Assignor desires to transfer to Assignee all of Assignor’s right, title, and interest in, to and under that certain General Services Administration (“**GSA**”) Contract identified as GS-28F-0003V (as amended, modified, or supplemented to date, and including all purchase orders issued in connection therewith, the “**Assigned Contracts**”), and Assignee desires to receive from Assignor all of Assignor’s right, title, and interest in, to and under the Assigned Contracts and to assume all of Assignor’s liabilities under the Assigned Contracts (the “**Assumed Liabilities**” and such transactions, collectively, the “**Assignment**”).

B. The Assignment requires the prior written consent of the GSA contracting officer in accordance with FAR 42.1204 (the “**Government Approval**” and the date such Government Approval actually occurs, if at all, the “**Approval Date**”).

C. The Parties are seeking the Government Approval.

The Parties, therefore, hereby agree as follows:

1. Sale, Assignment, and Assumption. Subject to and contingent upon the Government Approval, Assignor hereby sells, assigns, transfers, conveys and delivers to Assignee, all of Assignor’s right, title, and interest in, to and under the Assigned Contracts, effective as of the Approval Date. Subject to and contingent upon the Government Approval, Assignee hereby accepts such sale, assignment, transfer, conveyance and delivery of Assignor’s right, title, and interest in, to and under the Assigned Contracts, and, in connection therewith, hereby assumes and agrees to perform and discharge as and when due the Assumed Liabilities, effective as of the Approval Date.

2. No Third Party Beneficiaries. Nothing herein expressed or implied is intended to confer upon any person, other than the Parties and their respective successors and assigns, any rights, remedies, obligations, or liabilities.

3. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

4. Entire Agreement. This Agreement contains the entire agreement among Assignor and Assignee with respect to the transactions contemplated herein and supersedes all previous oral and written agreements among Assignor and Assignee with respect to the transactions contemplated herein.

5. Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

6. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois without giving effect to any choice or conflict of law provision or rule (whether of the State of Illinois or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than those of the State of Illinois.

7. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed

copy of this Agreement delivered by facsimile, e-mail, DocuSign, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

8. Amendment and Modification. This Agreement may only be amended, modified, or supplemented by an agreement in writing signed by each Party.
