

Nationwide Litigation Support Services

U.S. Legal Support was founded in 1996 with the goal of becoming the first nationwide, all-inclusive litigation support company. Nearly three decades later, we're uniquely equipped to handle both the volume and complexity litigation creates. With on-demand access to **12,000+** offices in more than **2,700** cities across the country and a robust digital infrastructure, we'll accommodate your litigation support needs quickly, comfortably, and safely from anywhere in the country.

Here's what we provide:

Court Reporting

- Working relationships with **5,000+** independent court reporting professionals nationwide (and growing!)
- Remote, in-person, or hybrid proceedings
- Complete virtual depositions including digital exhibit storage and sharing

Record Retrieval

- U.S. Legal Support retrieves **27,000,000+** pages of records annually
- Over **1,100,000** established provider relationships
- Robust digital infrastructure and expediting teams in each time zone

Interpreting & Translations

- Network of **5,000+** qualified interpreters with minimum of 5 years' legal experience
- Support for **200+** languages with both in-person and remote capabilities
- Certified and non-certified document translations

Trial Services & Litigation Consulting

- Accomplished consultants collectively bring over **500** years of experience consulting on **20,000+** trials, mediations, and arbitrations
- Early case assessments, mock trials, focus groups, trial strategy and consulting
- Legal graphic and demonstrative creation with over **6,000,000** trial graphics produced
- Full-service trial technology assistance including Hot Seat operators and war room preparations.

Transcription Services

- Performed by human transcriptionists within the United States of America
- All file formats supported
- Secure and encrypted file transmission

Security Throughout All Data Centers and Facilities SOC 2 Type 2

An independent auditor has verified the procedures, safeguards, and technology that we employ to ensure the protection of your sensitive data

Independently examined and verified to be fully HIPAA compliant for the protection, privacy, security, and integrity of all protected health information

NIST Cybersecurity Framework in place regarding our policies, procedures, and controls

End-to-end encryption for all transmitted files

In addition to these industry-leading security measures, U.S. Legal Support also boosts our security protocols with:

- Attestation from reputable independent auditors of all systems, processes, and controls
- Intrusion detection and prevention systems
- Third-party penetration testing
- An Incident Response Plan vetted by independent cybersecurity incident response experts
- Frequent backups and replication across multiple, geographically dispersed data centers
- Disaster recovery plan
